KALC Presentation to Capel Cares

Capel Cares is a recent initiative set up by volunteers and overseen by St Radigund's Church. The organisation has quickly gained recognition with Parishioners that are in need of services such as:

- Home visits
- Transport for medical appointments
- Small maintenance jobs

Capel Cares also holds regular coffee mornings to encourage social interaction for those living alone.

The organisation is a real asset to the fabric of life in Capel and is available for Parishioners needing some support and friendship.

Janet Milliken will receive the certificate on behalf of the group.

Long Term Service Presentations to Parish and Ward Councillors

Tonight, Capel Parish Council would like to recognise the contribution made to our community to Parish Councillor Brian Tutt and District Ward Councillor Frederick Scales.

Brian Tutt

Brian Tutt has served with the Parish Council for around 40 years and is well known by Parishioners', particularly those on his Grapevine Newsletter round.

Over the years he has advised the Council on Highways issues.

Brian has always dealt with his Council responsibilities seriously, making his views known in a passionate and often colourful way.

Tonight Brian is retiring from the Parish Council; his departure will be a great loss to the Council.

Frederick Scales

Frederick Scales has been Dover District Council Ward Councillor to Capel for 24 years. Frederick regularly attends Parish Council meetings, providing Councillors with current news from Dover District Council and providing advice to Councillors over a wide range of issues. As Chairman of Dover District Council's Planning Committee, Frederick's knowledge regarding planning matters has been of particular use to the Parish Council when guidance is required over planning issues. Frederick's input has been invaluable to the Parish Council and he will be greatly missed.
