Working in school the other day, I recognised her the moment she walked into the classroom. We had first met years before when I was covering her English teacher's sick leave, and I remembered her for all the wrong reasons. But now aged sixteen, and with her exams just months away, surely she would settle to the work her teacher had left for her without any fuss. No such luck. Smiles, gentle persuasion, the promise of what would happen if she continued to throw pencils at the boys – none of this had any effect. She eventually stormed out of the room.

'All you need is love,' sang The Beatles. The New Testament describes love as the greatest of God's gifts. Jesus spoke of the need to love God, our neighbours and even our enemies if we want to make it into heaven – which, as we all know, is easier said than done.

For a gift to be of any use, it has to be used. As I write, Easter is still about a month away. Giving up biscuits or chocolate for Lent would have been a challenge, but the greatest challenge is to practice the gift. So I close my eyes and think of all those who – well, present me with

a challenge. I pray for them, and remember that God loves them, and pray that I might love them too; and one of life's frustrations becomes a ticket to heaven. Best wishes for Easter - **Brian**

Capel Church Hall Fund-Programme for 2017

What a great evening we had on Friday, 10th of March with The Colrose 7. We had a capacity audience and raised £700 for the Church Hall Funds, Many thanks to all who attended and I have no doubt that all of you will want to add the 2nd Friday of March 2018 to your diaries when they will return for another sell out gig.

On Friday 7th of April (not the 2nd Friday of the month as that will be Good Friday this year) we have another very welcome return which was much requested by those who attended last year and loved the talk and film that was shown.

David McCarthy is the UK Director of The International Al Jolson Society and always manages to show us something new about the World's first Super Star. It is almost impossible these days to appreciate just how enormous Jolson was on the World stage.

Last year David showed the film The Jolson Story and has agreed by public demand to return and show us Jolson Sings Again so come along and be amazed at that incredible voice.

The talk will start at 7.30 pm. entrance is just £5 and you get a cup of tea or coffee and a biscuit in the interval. You can pay at the door but it does help me to gauge numbers if you tell me in advance that you would like to attend.

If February was a busy month for the Committee, then the March meeting was absolutely hectic. Plans for the big Spring Clean Up were finalised – if you're doing anything on April 18 at 2.30 we would be pleased to see you as all cupboards, filing cabinets, store rooms, boxes, mouse holes and generally any space where clutter can be stored are being given the once over.

After a quiet January and February the Farmers Market has got back to its normal busy self – it must be this lovely Spring weather we are having. Please come along and see the tables groaning under all sorts of local food and crafts – if that doesn't float your boat then just come along for a cup of tea and a natter. Last month we mentioned that we should be able to show films at the hall as other local villages do. However we do need to know how many would be interested if we had a cinema club at the hall. If this is you, then please contact Jayne Stone or Sally Cook

Maintenance work continues to be done – the remedial work in the kitchen is underway with new window units about to be installed while the window sill in the small hall has been replaced. Planning on the porch extension goes on apace while the windows in the main hall are about to be repaired so that we can open all of them! They're a bit high up so we have window winders which saves having to get a ladder in on a fine day. However, some people are a mite too enthusiastic when winding the windows up or down which has left some of the winders broken hence the repairs. If you see anything that needs fixing, please let us know either in person or by entering it into the Comments book currently held in the kitchen. We are having to invest in a new Comments Book as the previous one was well used!

Running the hall is a pleasure and a privilege but we are constantly on the look-out for new fundraising ideas (and people prepared to organise them). In the past year as a result of sterling work from volunteers we have raised money for all sorts of things from new chairs to new lights and we do also submit grant applications to various community funds (DDC and Affinity being the latest successful bids). However if you have any thoughts on ways we can raise funds then please let us know.

RECYCLING - INSIDE THE HALL Boxes are provided for:

Unwanted shoes for charity and Used Stamps for Donkey Sanctuary and McMillan Cancer
Please place the above in the relevant boxes.

News from the Farmers' Market

April at the Farmers' market

April arrives and spring gets into gear as longer days with more light stimulate growth and make us all feel better after a long winter. Lambs are gambolling in the fields, wild garlic is sprouting near streams and rivers and it's the perfect time to try some seasonal treats from talented producers at the Farmers' Market.

The annual Taste of Kent Awards were awarded last month. Local food enthusiasts cast their votes in over 13 categories, with everyone from butchers to fishmongers, individual products, and, of course, farmers' markets gaining well-deserved recognition. These awards celebrate and reward hard-working producers, chefs, retailers and growers who do so much to promote this county and the quality of its ingredients. Congratulations to the Farmers' Market finalists Cliftonville, Shipbourne and Tonbridge, three completely different types of market.

Fish lovers will find **sea bass, cod, halibut, crab, mussels** and **scallops** all at their finest now. For meat eaters celebrate Easter with the earliest **spring lamb** starting to make an appearance as the month advances. If it's still too early for your local lambs, then enjoy a wonderful joint of fine rare-breed **beef or pork**. For poultry look out for **guinea fowl** – perfect for lighter eating.

Lettuces, spinach, watercress, cucumber and spring onions are starting to arrive, taking over from the winter brassicas so make the most of them in fresh salads and soups to give a welcome boost of easily absorbed vitamins and minerals we all need after the long winter.

Keep on cooking with **rhubarb**, now moving from the bright pink early forced variety into the darker outdoor version. Rhubarb is a versatile fruit that works in both sweet and savoury dishes but do make sure you add the right amount of sugar to balances the sour.

A simple **Rhubarb and almond crumble** is a true seasonal pleasure, especially when served warm with thick local yogurt.

April's Recipe: Rhubarb Crumble

Slice 500g rhubarb and mix with 75g caster sugar in a baking dish. Top with a crumble made by mixing 75g plain flour, 25g ground almonds, 50g sugar and 75g butter. Scatter the top with flaked almonds and bake for 40 minutes in a medium oven until golden. Serve warm.

Order by noon on Sunday for collection or delivery on Tuesday. Go to <http://farmersmarketsonline.co.uk> and choose from our pre-selected veg and recipe boxes or pick from the usual producers. Not going to be in? We can leave the food in cool containers to keep your food fresh. Once you have chosen your deliver/pick up options click the buttons below to shop. Why not try our boxes, they make shopping easier and are extremely good value.

Energy Deal was first run in 2013 - it's a partnership between 5 Kent authorities (Dartford, Dover, Gravesham, Tonbridge & Malling and Tunbridge Wells Councils). Since then it has been so popular that it has been run another 9 times with the 10th round open for registration from 4 April 2017. A total of 2962 Dover District residents have previously signed up through the scheme - the sum of saving for residents that switched is an estimated £145,567.82.

Registration is quick and easy, the hardest part is finding the information on your energy bill/ statement that you'll need to register, i.e.:-

- the name of your **current energy tariff**
- **annual energy** consumption in kWhs
- the name of your **current supplier**

Internet users can register their interest in the next round via Dover District Council's website or at www.energydealswitch.com.

Residents without access to the internet can call **01304 872428 (until 3.30pm on 22 May 2017)** and leave their contact details. Callers will receive a call back from Dover District Council to complete the registration form.

Residents who've registered for previous rounds of Energy Deal will need to re-register each time they wish to take part.

How does it work?

- Energy providers will compete to offer you the best Energy Deal at a reverse auction on **23 May 2017**.

What happens then?

- You get a personal offer (all tariffs fixed for 1 year) showing whether you can save – offers will be **sent out from 5 June 2017** You Decide!
- If you want to switch the deadline to accept the offer is **4 July 2017 (you'll be helped through the process)**.

Parish Councillors agreed a document should be produced to reflect the future of Capel-le-Ferne and a way forward on this will be discussed at next meeting.

• **Other:** Following requests for financial assistance and as part of "Section 137 of the Local Government Act 1972 enabling Parish Councils to spend up to the product of £7.42 per head of electorate for the benefit of people in the area on activities not specifically authorised by other powers", the following donations to local organisations were agreed: Capel Preschool £500, St Radigund's Church for new Noticeboard £250 and Air Ambulance £250. The amount of Kent's household waste being sent to landfill is at its lowest ever. Kent County Council's target is to send no more than 5% of household waste to landfill but achieved just 0.26% in December. The current figure for waste over the year going to landfill is 2.6%. The 5% target was intended to be met by 2020 but better use of rubbish for energy generation and improved contracting has seen it beaten within a year. This feat has been achieved through an agreement making use of new technology for much of the more difficult to deal with waste, such as mattresses and hard plastic objects not currently recycled. The Kent Waste Disposal Strategy forms the backbone plan of how household waste is disposed in the county between now and 2035. Its ambition is to deliver a high quality disposal service, whilst remaining cost-effective for the people of Kent, with an emphasis on achieving zero landfill. Kent County Council is responsible for the disposal and recycling of Kent's household waste whilst the district and borough councils are responsible for collecting it. Kent County Council Cabinet Member for Environment and Transport Matthew Balfour said: "With a significant increase in housing growth forecast across Kent, the amount of waste produced is expected to rise by approximately 20% – going from 725,000 tonnes to 870,000 tonnes – between now and 2031. "Within just a matter of months we have seen our landfill percentage fall drastically and it is a result of hard work making Kent one of the top counties for diverting waste from landfill." The news comes ahead of this weekend's Great British Spring Clean, an initiative supported by Kent County Council. KCC will be working to clear vegetation, refresh white lines on the highway and clean road signs. Litter picks will also be carried out by KCC staff on a volunteer basis. I am arranging for KCC Highways to repair any potholes reported in your area. I would be appreciative should you find a pothole and you have access to the internet, go to www.kent.gov.uk/roads-and-travel and follow the instructions for making a report. You will receive a reference number to track your report. **Geoffrey Lymer, Kent County Councillor, Dover West Ward**

Happy Dog and Cat Care Services

Hi my name is Lynn and I live in Capel-le-Ferne. Some of you will have met me while walking my puppy boxer Wilma around the village.

Are there occasions when it would help you to have someone walk your dog, or feed your cat, or occasions when you want to go away for a holiday and you need someone to care for them while your away? Then give me a call and hopefully I can help. This is something I would love to do and could do for a reasonable fee.

I am CRB checked and Insured

PARISH COUNCILLOR'S REQUEST - PLEASE DO NOT PARK ON GRASS VERGES

It has been noted that parking on the grass verges everywhere in village is on the increase.

New Dover Road (B2011). This can be dangerous and could lead to visual obstruction when exiting side roads. With the daffodil bulbs now blooming, it damages the flowers, which are the envy of many.

Replacement/reinstatement of bulbs and grass can be costly to the Council.

Capel Street. Some residents cut the grass verges outside their properties to enhance the appearance of the Street. Parking on the verges is not only annoying for them, but can leave the grass damaged and unsightly.

THANK YOU

Welcome to a New Year – and a new era

At the beginning of 2017 the Trust became a charitable incorporated organisation, a move designed to ensure it can continue to operate effectively.

While its new legal status makes no difference to the Trust's day-to-day operations, the new structure means it can continue to carry on its important work with the right safeguards in place.

The logo has been amended to reflect the new set up and highlight the fact that the Trust now incorporates the Battle of Britain Fighter Association, the exclusive body which only 'the Few' are entitled to join.

SUNDAY APRIL 2 - Casanova and the Spitfire pilots – Hugh Williams FRCS FRCOphth

Hugh Williams will show a version of the historical documentary film made for the website of the Royal College of Ophthalmologists, some of which was filmed at the Battle of Britain Memorial site. It tells the story of the indirect contribution made to the development of modern cataract surgery by Squadron Leader Neil Cleaver DFC (below) after he was shot down during the Battle of Britain.

SUNDAY APRIL 23 - The Dowding System (film)

All you wanted to know about the original system of air command and control, one that made a decisive contribution to victory in the air during the Battle of Britain and beyond.

SUNDAY MAY 7 - Flt Lt Henry Shackleton – an illustrated talk

Henry was 17 when War broke out and quickly joined the Local Defence Volunteers – armed with a stick.

In this illustrated talk he outlines how his wartime career progressed via The RAF College Flying Training School, Cranwell and a training post in Canada to a place in the Pathfinder Force and 15 months in Stalag Luft 3.

REMINDER TO ALL WHO WALK THEIR DOGS ON THE BATTLE OF BRITAIN MEMORIAL GROUNDS

DDC have since 2015 imposed a Dog Restriction Order in that dogs must be kept on the lead at all times. This morning I had a bit of an altercation with a lady who apparently has lived here in the village for 15 years and it has never been an issue. It is not the

Trust that has imposed this order it is DDC and individuals not happy with should take it up with the Environmental Team at DDC.

One of the main reasons this was imposed was due to irresponsible owners letting their dogs defecate and not picking it up, which incidentally this lady did just that and I will be informing the Team about her, unfortunately I didn't get her name but I would not be surprised if she raises the issue.

We certainly do not have an issue with people bringing their dogs in the grounds, just a little respect would be appreciated.

Major (Retd) Jules Gomez, Site Manager, Battle of Britain Memorial Trust, New Dover Road, Capel-Le-Ferne, CT18 7JJ.

CAPEL-LE-FERNE EVENING WI

INSPIRING WOMEN

Hello everyone. Lovely to talk to you all again. March is always a busy month for WI with everything that is going on. It is also especially busy for Birthdays, so there is usually a lots of cake to go around. The Village is looking an absolute picture with all the daffodils coming out in full bloom along the verges, especially those planted in memories of our members who have passed away. The Parish Council have also planted daffodils around the Jubilee Field and the Village Hall so it is quite a picture there also. The President welcomed all members to our March Meeting.

We had a New Member Join and also welcomed a visitor. It is so lovely to welcome new faces and long may it continue. Everyone stood to sing Jerusalem and the meeting commenced. Caroline then introduced our Speaker for the evening who was Mr Tony Cooper. Mr Cooper gave us a very interesting and amusing talk if not scary at times how 'Woman are Such Good Story Tellers' although in Mr Cooper's case I think he might have exceeded the meaning of his title. He had a long list of stories and said would we indicate to him when we require him to stop as he could go on all evening. On watching everyone's faces it was clear to see that most were mesmerised by his stories. A lot of laughter was included as well. Mr Cooper said that he also ran Workshops for how to become a 'Good Story Teller'. Jenny Croker gave the Vote of Thanks. The Competition was 'Something beginning with 'M' 1st Helen, 2nd Pat Stoker, 3rd Gwen.

The Speaker for April Meeting, Tues 11th April 2017- The speakers will be Girlings Solicitors who will give us a talk on 'Wills & Family Law' If you have any questions that you would like to put to Girlings then please bring them along with you. The Competition is: 5 Line Limerick with the work 'Law' in it. As usual all our members have a busy month ahead with their knitting, crafting and crochet. At Craft this month we had a Sponsored Knit in aid of the Rainbow Centre in Folkestone. Gwen Beaumont organises this each year and I will be able to give you the figures next month as to what Craft raised and the total amount raised on the same day at the Methodist Church in Folkestone. We normally join them for Knit In but because it would have taken most of our Crafters away from their afternoon Gwen asked if we could do it at Craft instead. Not to mention Darts, Bookshare, Home and Economics, Scrabble and Lunch Club. You will always find something to do at Capel WI.

UNFORTUNATELY WE HAVE HAD TO CHANGE THE DATE FOR OUR FIRST BINGO SESSION IN ST RADIGUND' CHURCH HALL THIS WILL NOW BE ON THURSDAY 4TH MAY 2017 at 6.45p.m for a prompt start at 7.00p.m, with a good helping of 'Scattergories' in the interval. So please try to encourage as many people as possible to come along.
