The beginning of Spring always heralds change as new life begins and starts to emerge from the flowerbeds, hedgerows and fields of the village and surrounding countryside. For the Village Hall too, there have been a number of changes over the past few months. Firstly we have three new Trustees in the form of Tracy Ravenhall, Chris Pegler and Sarah Leonard who have been co-opted onto the committee and are most welcome. We look forward to working with them on all number of activities – they are currently hard at work helping to plan the Community Day along with our other Trustees. Who knew that writing risk assessments and event management plans could be this much fun? And that is what the day is all about. Having fun! We want the Village to turn out in force and enjoy themselves. We are planning all manner of food, drink and entertainment so please do support your local village community day. Also if anybody in the Village is interested in having a stall on the 20<sup>th</sup> July, please contact Sally Cook or Tracy Ravenhall. Our details are on the contacts page on page 19.

Another recent change is the position of the Farmers Market. For nigh on 15 years this has been successfully run every Tuesday at the hall. Current stalls include bread, cakes, fruit and veg, halloumi, eggs, jams and pickles and plants and flowers. Not to mention all the wonderful craft stalls. The brainchild of Cherry Leppard and Jenny Barraclough, it has survived where many in Kent have fallen by the wayside – in 2018 the Farmers Market was runner up in the Kent Life Farmers Market of the year. The current manager of the market, Debbie Ovenden, has now taken over running it in her own right as a hall user. However the kitchen café operated by Ruby and her army of volunteers, will continue to be run under the auspices of the Village Hall allowing the community to still have the chance for a cup of tea and a natter once they have made their purchases. I would like to take this opportunity once again to thank our volunteers – without them the hall couldn't function. Whether you make tea, put tables and chairs up and down, display signs, sweep floors, carry eggs and bread, fix taps or perform the 101 other things necessary to ensure the operation of a successful community space, we salute you all.

Other plans for the hall will include painting of the main hall during the summer holidays. The hall gets a lot of use and is beginning to look a little tired and tatty. We seem to need to paint the hall every 3 or 4 years which we realise can sometimes mean a little flexibility of the part of regular hall users during the week or so of the work. We are hoping to get this done with the least inconvenience to you all and will keep everyone informed of what is happening well in advance of the work.

And a last reminder – don't forget the Easter Egg Hunt on the 16<sup>th</sup> April at the Farmers Market. It promises to be very egg-citing!

## **RECYCLING - INSIDE THE HALL**

Boxes are provided for:

Used Stamps for Donkey Sanctuary and  
McMillan Cancer. Bottle Tops are also  
being collected again.

Please place the above in the relevant boxes.  
*A big thank you to everyone who puts their used  
stamps in the box in the Village Hall. Please  
carry on for these good causes.*

## From the vicarage

Easter is late this year, and as I write most of Lent stretches ahead of us. So perhaps it was contemplating the thought of no cake for the next few weeks that drew my eye to a newspaper article by the singer Charlotte Church.

In her case, it was not cake but alcohol that she had been abstaining from. Feeling the benefits of 'Dry January' had led her to embrace a dry February as well, resisting pressure from others to drink and feeling so much better for it.

Apparently, the current health and fitness cult has pinched some features of Lent – the “giving up” bit when it comes to chocolate, cream cakes and the rest – but mostly leaves the prayer, Bible reading and other bits to one side. But as liberating as the ideas of wellness and wholeness might seem, as with anything else the joy drains away all too easily when reduced to a list of do's and don'ts: *Thou shalt drink green tea and go to the gym; thou shalt not loaf in front of the TV eating pizza...*

No commandment demands that *Thou shalt give up cake for Lent* – it's my choice. Just as Charlotte Church finds that her new-found regime makes it easier for her to reach out to people and connect with them, so doing Lent – with *all* the bits – does something similar for me. It shifts my attention away from my own selfish wants – even for little things like cake – and keeps the joy by helping me to reach out to God and other people and connect with them.

So, bless you if you're doing Lent - especially if you're doing it with *all* the bits. And a very Happy Easter to you, when the time comes. **Brian**

### FOR INFORMATION & UPDATE ... UPGRADING OF GREEN LANE (ER252),

"Unilateral Undertaking - Capital works programme and Developer contributions".

On 11th March, Tony Lake our Capel-le-Ferne Parish Councillor/Delegate for Public Rights of Way, accompanied David Fleck, the Kent County Council PROW Officer and two ecologists on an inspection of Green Lane (between Capel Street and New Dover Road).

Tony reported to the Parish Council on Tuesday, 19th March.

The Council are waiting the ecologists' report.

### Enjoy the countryside responsibly with your dog

- Keep your dog close, under control, in sight and on a short lead around cows and sheep
- Cows are nosy and may come to investigate, especially if you have a dog with you
- Don't panic or run if cattle follow you – stay calm and walk quickly and quietly around the herd
- Remember cows can be protective of their young. Never get between cows and their calves – go around the herd and rejoin the path as soon as possible
- If you are threatened by cattle release your dog so you can both get to safety separately
- Dog poo can spread disease to farm animals. Bag it and bin it wherever you are, in any public waste bin
- For the health of your pet and farm animals, prevent your dog from getting into water troughs and follow your vet's advice on worming

## Encountering Dogs While Cycling

If you are cycling:

- Dismount and place the bike between you and the dog.
- Slowly wheel it far enough away to remount.
- Do not try to outpace the dog as this may encourage it to chase you.

If you are a dog owner:

- Redirect your pooch's attention away from the swiftly moving person.
- Reinforce calm behaviour.
- Teach your dog to turn, sit and look at you.

### Cancer Research Jumble Sale

We are holding our Spring jumble sale on Saturday 13<sup>th</sup> April at 2 pm. All money raised going to The Royal Marsden Hospital.

This sale marks an important landmark for us as it's our 80th! Forty years ago we started on this venture and we raised on that occasion £100.50p, though we all worked just as hard as we do today. Our last sale raised £1,322.85p but that doesn't mean you won't still find a great bargain.

This is just a reminder that there's still time for you to sort out a few more items you might no longer need, that you think might be of use to someone else. Oh and to remind you to come along too!

If you do have any good quality jumble please bring it along to the hall on the morning of the 13<sup>th</sup>. It will all help to raise much needed funds. Or if it's too large an amount and you'd like it collected ring: 01303 254740

Many thanks to you all.....and hope to see you there! **The Organisers**

## CAPEL-LE-FERNE PARISH COUNCIL

### Summary of some items discussed at meetings on Tuesdays, 19<sup>th</sup> March

• **Requests from public to address the Council, plus Surgery and Other Feedback:** Parking on grass verges; Potholes Hockley Sole; • **Traffic Management:** Meeting arranged between two Parish Councils and Kent Highways to discuss position of white speed zone reminders on highway in Old Dover Road and New Dover Road. Capel Street roundels position already agreed. These will be done when road surface warms. • **Village Questionnaire Data Results:** The Community Plan document with results from the questionnaire, should now have been delivered to every household. The Parish Council hope you find this useful. The Action Plan will be visited regularly by a "working party" of Councillors.

• **Roadside Planters:** These awaiting gates being painted when weather improves and will be replanted when completed.

• **Council Vacancy:** Due to Parish Elections this year, any vacancies as a result, will be revisited at May meeting.

#### • **Planning:**

The status of all applications were reported and full details are available on: Dover District Council website: <https://www.dover.gov.uk> >Planning>Applications>View-Applications>Decisions

**DDC Review of Local Plan:** Expected date for consultation on this now expected from District Council in 2020. As per evidence received from the Village Questionnaire, Councillors met with representatives from District Council to request consideration to change the status of the Village in the New Plan. Councillors were informed this will be deliberated accordingly, but changing the status will not stop development in Capel-le-Ferne, it having no real meaning to land allocations. The inclusion of any village status for the Local Plan will be revisited by the District Council.

• **Neighbourhood Watch:** Lorries in lay-bys, especially outside Amin Stores, was a cause for concern and would be investigated further on ways of prevention by our County Member, Geoff Lymer. Clear up of Courtwood Roundabout reported to Kent Highways and due to be carried out.

• **Recreation and Other Equipment:** Repairs to Zip-wire and Multi-Use Goal Area underway. • **Highways:** Extension of 40mph on B2011 due to be carried out soon.

• **Public Rights of Way:** See report on Page 6.

• **Speed Watch:** Sessions continue see report on page 18.

• **Capel Cares:** Nothing to report.

**Other:** An Afternoon Tea was arranged for our volunteers who deliver the Grapevine Newsletter to your door. Thanks were expressed to everyone for their invaluable service to ensure, in all weathers, that you get your copy.

Next Parish Council meeting is Tuesday, 16<sup>th</sup> April, 7.30pm,

Village Hall (Small Room), Lancaster Avenue.

## March into Spring with a Free Health MOT

"NHS One You teams" are busy this March with a series of special events across Kent, providing free on-the-spot Health Checks and health 'MOTs' in local venues including high streets and shopping centres.

Kent Community Health NHS Foundation Trust's One You advisors are teaming up with WellbeingPeople this month to offer Health Checks in Gravesend, Maidstone, Canterbury, Dover, Folkestone and the Isle of Sheppey.

Figures for these areas show that they have some of the county's highest levels of heart failure and disease. Cancer, heart and lung disease also account for a large percentage of premature deaths (under the age of 75) in these districts while stroke is another major health issue.

Health experts advise that prevention, and spotting and managing the early warning signs such as high blood pressure, is an important part of how we can help people to look after their own health.

While many people will already be receiving treatment from their doctor and local health services, it's feared others may be unaware of potential health issues.

If you are aged 40 to 74-years-old and with no relevant pre-existing conditions, you can sign up for a free NHS Health Check for advice on keeping yourself healthy and active. Your blood pressure, height and weight will be checked. You will be given a small finger prick test to check your blood cholesterol and you'll also be asked some questions about your lifestyle and family history. The check will identify the risk of you developing heart disease, kidney disease, diabetes or dementia in the future.

Mark Cummings, One You Locality Manager for Kent Community Health NHS Foundation Trust (KCHFT) said: "We know that some people don't like to go to the GP, so our One You Roadshows are helping people across Kent to get a free NHS Health Check in a convenient location; or some simple lifestyle advice to support them to make the change to a healthier lifestyle. We're really grateful to all of our venues for hosting us this month – particularly Morrison's who have been especially helpful".

**Protecting and serving  
the people of Kent**

Health Checks are led by KCHFT and commissioned by Kent County Council. A series of events were carried out in Thanet and Swale earlier this year. Andrew Scott-Clark, KCC's Director of Public Health, said: "There are many people suffering from debilitating conditions and reaching the end of their life prematurely which is a tragedy as many of these conditions and premature deaths can be prevented through simple lifestyle changes such as quitting smoking, reducing how much alcohol you drink and increasing physical activity."

He added: "High blood pressure and high cholesterol often cause no symptoms whatsoever, so unless you have a check you won't know you have them. High blood pressure can trigger an irregular heartbeat which increases the risk of a stroke. If you know that you are at risk, there are services that can help you to get on the right track and small changes to your lifestyle can really help to lower these issues, and you'll feel fitter and healthier too."

For advice about small changes you can make to improve your health and wellbeing, and find more support in your area regarding your lifestyle, see [www.oneyoukent.org.uk](http://www.oneyoukent.org.uk) You can also sign up for a Health Check at that website or call 0300 123 1220 (option 4) to find a clinic near you.

For more information on the Health Checks events, check out KCC's Facebook page or the One You Kent Facebook page.

Finally, Dover District Councillor elections take place on the 2nd May, if you wish to research councillors, go to the Dover District Council web site, where you can research the Ward they may serve currently, their political party, their attendance record and contact details.

### **High energy bills a pain in the neck?**

Why not find out if you could get a better energy tariff? Energy Deal, Dover District Council's Collective Energy Switching Scheme is free to join and gives residents the chance to make an informed decision about switching energy suppliers in a safe, and supported environment without any obligation to switch. Auctions are held 3 times a year (February, May and October). The next auction will be on 21 May 2019 with registration opening on 2 April 2019.

#### **How can I take part?**

- Online at [www.dover.gov.uk/Environment/Energy-Advice/Cut-Energy-Bills](http://www.dover.gov.uk/Environment/Energy-Advice/Cut-Energy-Bills)
- Residents without internet access can call 01304 872428 (you will receive a callback)
- Registration only takes a few minutes and is completely obligation free You will receive your personal offer
- You decide if you want to accept your offer and switch

If you've previously taken part in the scheme you'll need to re-register each time you wish to take part.

#### **How does the collective switch work?**

- Energy suppliers are invited to take part in the auction to bid against each other to offer the best deal. The Spring auction takes place on 21 May 2019
- The winning supplier will be the one making the lowest offer
- Your personal energy offer is based on the energy usage information you provided. You are not obliged to take up the offer: it is your choice
- If you decide to accept the offer you need to do so before 2 July 2019
- The entire switch is taken care of for you, meaning the whole thing is as smooth and hassle-free for you as possible

The recent Winter Auction (held in February) secured tariffs not available direct from the supplier or through price comparison services. Both online (Octopus Energy (100% renewable energy)) and paper billing tariffs (E.ON) were between £270 and £282 lower than the standard tariff cap (based on Ofgem average consumption figures).

**Sign up and see if you can save.**

Hello Everyone,

At our March meeting Glynis gave an update on future events such as the Barn Dance in May with tickets selling very fast, the annual educational outing, Christmas lunch venue and several diary dates for coffee mornings and sub group meetings. Birthday cards were given out to members whose birthdays are coming up. The Bingo evening was very well attended and a thank you to Gordon and the darts team for organising the evening, Gordon not only called the numbers but was the judge for the Scattergories and we laughed at some of the obscure answers. There were quite a few donations on the table consisting of bras, new knickers and new toothbrushes for Jenny's African charity.

Our speaker for the evening was Fashion Designer Linda Warren talking about fashion in the 1960's. With the help of slides and drawings Linda had some of us saying "I remember wearing one like that". She showed us some of her design drawings of the latest fashions of that era. After getting her degree in Fashion Design she has been in the industry for over 50 years. At the Corn Exchange in Rochester which is 150 years old, the designs are done by computer now not like when Linda was there and where she modelled many different styles, they were shown how to model by Cherry Marshall who later in the 1970's appeared in an afternoon television programme called Houseparty. Linda told us of the many up and coming young designers with so many different fashion ideas, she mentioned many famous names during that era while doing work for Bibas of Carnaby Street and another label with a funny name called Boobs amongst many others, there was Lulu modelling clothes for the Grattan catalogue, Twiggy, Lorraine Chase, Jeff Banks with jersey dresses and Ossie Clarke with maxi dresses.

Sometimes clothes were drawn and designed on a Monday and ready to wear in the shops on Saturday with such a quick demand for new fashion. Linda was responsible for the London underground uniforms for the men and women in the 1980's. Linda told us about the time when Molly Parkin came to see her and sorted through some of her fabrics and accessories box, choosing material to make one of her famous turbans with a brooch to top it off.. The wedding dress and coat that Linda showed to us was what she wore on her wedding day, she had designed it for herself, it was so small and short but it was the height of fashion then and it was still in great condition and wondered how it ever fitted but then most of us were all lovely and slim back then. There were some lovely cards on display that Linda had drawn with her designs on them, she also paints them on lampshades and various other things, Jan then gave the vote of thanks for a very interesting talk. Later after refreshments and lots of chatting we had a 1960's music quiz with a lot of members going down memory lane trying to remember who the singers were, most could still recall them and looked like any minute they were going to get up to dance along with the music they didn't of course as too busy trying to get the right answers.

The winners of the competition were close with lots of photos of the 1960's trying to figure out who was who with Susanne coming 1<sup>st</sup>, Gwen and Jean 2<sup>nd</sup> and Jenny and Pat 3<sup>rd</sup>. The evening ended after the raffle and all the winning numbers called.

**If you would like to give us a try you will be sure of a warm welcome, interesting talks, lots of fun, a chance to meet old and new friends, just come along to Capel Village Hall on Tuesday April 9th 2019 at around 7.15 pm.**

### Dog Fouling

#### Increase in certain areas of Capel-le-Ferne Reported to Dover District Council Dog Warden.

Apart from the obvious unpleasant effects of dog fouling there are potential health risks. Dogs can be affected by several types of worm, one of which can cause serious illness in children.

It is important that you:

- \* clear dog mess from public places and your own garden
- \* worm your dog every 6 months
- \* wash your hands after playing with dogs
- \* train your dog to go at home and take a plastic bag and poop scoop when you go out
- \* It is an offence for any person in charge of a dog not to remove any faeces deposited by a dog in their charge.

Anyone found guilty of an offence will be issued with a fixed penalty ticket (currently £75 fine). This gives an opportunity to discharge liability to prosecution.

Should the fine not be paid, or offences be persistent we may prosecute with a maximum fine of £1000.

hall, not the Car Park, even on light evenings.**

A note to all parents: As part of our safeguarding policy we ask that all children are signed out on club nights regardless to what time you collect them, please don't just collect and go without telling us (It happened tonight). And please ensure all children are collected from the hall, regardless to how close you live, over the road or 5 mins away, kids going home alone at dusk on bikes with no lights or walking alone is not ideal, it's all ok until it goes wrong and then what.

**Dover District Council - A20 and A2**

In order to clean major roads (A20 and A2) we are required to apply for a lane closure permit from Kent Highways and can only carry out cleaning on allocated dates.

Dover District Council have now received notification on lane closures to carry out litter picking on the A20, A2 and Courtwood Roundabout areas. This is planned for early April. Public Notice will follow with exact dates and times.

DDC are Driving Home The Message To Keep Our Roadsides Clear and continues to work with partners to clear roadsides and to drive home the message to people not to drop litter from their vehicles. More information on litter and street cleaning click following link <https://www.dover.gov.uk/En.../Environmental-Crime/Litter.aspx>
