With Best Wishes for Christmas and the New Year. Brian			

From the Vicarage

I made a cup of tea and settled down to watch the news on television. Although outside the sound of fireworks was telling me that it was barely November, my TV had updated itself. It was nearly Christmas, it was saying, and it had added a channel that would allow me to watch as many sugary, sentimental Christmas films as I liked just to prove it. That, of course, along with all the snowy, tinselly commercials telling me where I should be doing my Christmas shopping this year, and what I should be buying. No doubt at some point Dicken's *A Christmas Carol* will be shown; Marley's ghost will send the spirits to miserly old Scrooge once again, Scrooge will change his ways and not only stop being so mean to poor Bob Cratchit but actually end up wishing everyone a happy Christmas. Dickens, like everyone else, had an idea of how he thought Christmas should be. It is sad when Christmas doesn't live up to expectations – the family reunion doesn't happen for some reason, the turkey is off and the Christmas cake tastes like a bullet. And yet when Boxing Day arrives you will still tell anyone who asks that yes, you had a wonderful Christmas! It's just when many people seem to think that Christmas is nearly over that Christians start to celebrate what for them is the meaning of Christmas – God's gift of Himself, coming into the world as one of us to share the ups and downs of our lives. A gift for life, not just for Christmas, meaning that we are never alone. I hope that your Christmas is all that you are hoping for it to be. And, in the words of Tiny Tim, "God bless us, every one!" Brian

The building work is finally finished, a huge relief to the committee and hirers alike. It has been gratifying to hear the many compliments on the improvement to the entrance, particularly for those with mobility challenges. It has been noticeable how many more people in larger wheel chairs visit the hall. Of course, there are the inevitable teething problems which are being resolved as they are identified.

Reaction to the colour is mixed, but on the whole feedback is that it is bright and sunny, which is what the committee was aiming for. It is an entrance lobby rather than another room for use and so one socket – for the Christmas tree – was deemed to be sufficient. The bespoke bookshelves have meant that there is room for people to see the books more easily, whilst the corridor is now clear with room to move around the hall freely. Huge thanks go to Fred Leaning who has thoroughly cleaned the carpet, transforming it in the process. The building control inspector visited several times whilst the work was in progress and reviewed fire control arrangements on his final check. The doors comply with current regulations and he was impressed with the fire notices in the halls. In answer to one question, we assured him that the hiring agreement makes hirers aware of their responsibility to ensure that users are aware of safety while in the hall. **As a recap, at the start of meetings the chair (or whoever is 'in charge') must point out where the fire exits are and arrange for everyone to meet at an agreed point – either in the car park or on the hard surface Multi Use Games Area.** The hirer will need to make sure everyone is accounted for or, if anyone is missing, let the emergency services know how many people to look for in the building. Please remember to keep the cupboard doors by the small hall shut with the bolt – this means they will not obstruct the fire exit.

Many hirers previously complained to the committee about interruptions while they use the hall and the lack of security with unknown people being able to access the hall whilst their event is in progress. The new doors address this issue and if used properly, need a key to open them from outside. Could we please ask organisers/hirers to ensure the hall is secure before leaving? Instructions are on the door. **Facing the car park, the left hand door must be secured – lift the handle and ensure the knob is turned horizontal. Check it is secure. The right hand door should just lock when shut. Please test it before you leave. If it hasn't locked just check that the knob on that door is horizontal. It should be, but someone may have inadvertently moved it. If you really can't get the doors to lock please ring Sally, Jayne or another committee member.** The system is approved for fire safety and we have been advised we can't change it.

The new work programme for the next few years is being drawn up – if there is something you know needs repair please let one of the Trustees know, or write it in the comments book in the kitchen. It won't all happen at once and the new committee will need to prioritise the list early next year. The list will include redecoration (the kitchen is due for painting in December), some work in the ladies' toilets and kitchen; work on clearing out and improving storage has already begun.

The cinema club has started on a trial basis and as the saying goes, use it or lose it. These have proved popular in many villages and we are grateful to Bob for starting, so one is being arranged for the afternoon of 10<sup>th</sup> February 2018. With no Grapevine in January make sure you put the date in your diary now.

**"The village hall will be open for collection of tables (no need pre-order) and items ordered from the Farmers' Market on December 23rd 10.00am -11.00am.**

**Please note chairs are not available for hire"**

**The Village Hall Committee wish you all**

**Tuesday 5<sup>th</sup> December** talk to the stallholders about your orders for Christmas

**Tuesday 12<sup>th</sup> December last** orders for Christmas for produce to be collected on 23<sup>rd</sup> December (there will be the usual range of items to buy without prior ordering but pre-ordering will ensure there is a sufficient supply of what you'd like).

**Tuesday December 19<sup>th</sup>** the WI will be singing carols, collection in aid of the local hospice. The kitchen will be serving mulled wine and mince pies.

**SATURDAY 23<sup>rd</sup> DECEMBER ... 10.00am – 11.00am:**

Collect pre-ordered food from Village hall. If there any problems ring Jayne 211480.

**Saturday 23<sup>rd</sup> 10.-11.00:** collect any tables (£2.50 per table) required for Christmas. No need to pre order.

**Reminder – none of the village hall chairs is suitable for hiring out.**

**Tuesday 25<sup>th</sup> December and Tuesday 2<sup>nd</sup> January** the market will be closed – the days before these are bank holidays and the stallholders deserve some time off

**Tuesday 11<sup>th</sup> January MARKET RE-OPENS** for produce. The crafters re-join the market in February.

There is a wide range of good quality farmers produce close at hand to delight your taste buds this Christmas. Meat and vegetables can be pre-ordered from Debbie (whether a bird in a bird in a bird a stuffed turkey cushion or boned leg of lamb) or Paul (specify items or ask for a vegetable box) ready for collection at the last December market or Saturday 23<sup>rd</sup> December between 10.00 and 11.00 from the village hall. If you do order in advance make sure you bring your receipt with you – depending in how many other markets Paul and Debbie need to deliver to distribution may be delegated.

For those who ordered cakes from Barbara she is due at the market on 19<sup>th</sup> December. Our new cake ladies will be at the December markets so if you have not already y ordered something there is time to rectify this. Not to worry though, they will have a supply of cakes for that impulse purchase.

Mike has home smoked salmon to go with Derek's free range eggs. Try smoked salmon and scrambled egg for a special breakfast or light supper over the festive season. If someone has spent too much time in the kitchen then an easy meal is a light buffet - Debbie's cheese stall has a variety of local cheeses to compliment the delicatessen foods on Mike's stall. Paul (Usher has returned with his fruit and vegetables) can provide something to accompany then and Kevin has his specialty apple and preserves. Farthingloe Farm will be at the December markets with their homemade pies as well as pastries and breads. Many of these are made especially for the Farmers' Market, so not available elsewhere.

If you're stuck for present ideas pop in and see what the crafters, including pupils from Beacon School, have on sale.

In winter, soup can be a hearty and economical meal. Try making a soup out of all the leftover Christmas vegetables. Gently soften some diced onions and small potato chunks in a mix of oil and butter. (The oil stops the butter burning, the butter adds flavour). Once soft put into a suitable size pan, add the leftover vegetables. Make stock – either use a stock cube or boil the broken turkey carcass in enough water to cover the bird with a carrot and onion for about three hours, making sure it doesn't boil dry. Add the stock to the prepared vegetables. If feeling adventurous add a teaspoon of curry powder. Bring to the boil then simmer for 30-40 minutes. Put into a liquidiser or use a hand blender to breakdown any lumps. Season and add cream, yogurt or crème fraîche to taste. Serve with well buttered chunks of bread.

**Whatever you decide to eat this Christmas the stall holders, organisers and kitchen volunteers wish you a Merry Christmas and happy 2018**

**Order by noon on Sunday for collection or delivery on Tuesday.**

Go to <http://farmersmarketonline.co.uk> and choose from our pre-selected veg and recipe boxes or pick from the usual producers. Not going to be in? We can leave the food in cool containers to keep your food fresh. Once you have chosen your deliver/pick up options click the buttons below to shop. Why not try our boxes, they make shopping easier and are extremely good value.

# CAPEL-LE-FERNE PARISH COUNCIL

## Summary of some items discussed at meetings

on Tuesday, 14 November 2017

- **Requests from public to address the Council, plus Surgery and Other Feedback:** Grass verge/pavement reinstatement opposite Jarvis Homes development. Plans submitted on an application of a property confusing. Affinity water work in Lancaster Avenue causing chaos and request for lights on roadside signage. Water logged Petanque Court. Request for provision of tactile drop kerbs at entrance to Village Hall. **Defibrillator:** Councillors and members of the Village Hall Management Committee received a demonstration on using a defibrillator from member of Kent Association of Local Councils and expressing the need for the provision of one in our community. Following this, it was unanimously agreed to purchase one, which will be sited outside the Village Hall.
- **Traffic Management:** Disappointment expressed on response letter sent from Kent County Councillor Cabinet Member for Planning, Highways etc., to our MP, following campaign by Parish/District/County Councillors to have the 40mph signage on B2011 (Dover end) relocated nearer to Courtwood Roundabout. Relocation of 40mph zone to bottom of Dover Hill (Folkestone end of B2011) being investigated further with Shepway MP and Folkestone Town Council. Speeding issues still a concern for Councillors on B2011, Old Dover Road and Capel Street and will continue to be pursued on ways to eliminate and educate drivers to keep to the speed zone limits.
- **Planning:** Several applications' status reported – full details available on Dover District Council website.

### DDC Review of Local Plan

Questionnaire to residents agreed with minor alterations to collection (See page 9 for more information).

- **Neighbourhood Watch:** Joint surgery of Community Warden and PSCO being investigated further, to be held at Farmers' Market session. Details to follow. Inconsiderate parking notices agreed to be compiled. **Capel Cares:** Details of volunteers' training to be provided for information.
- **Recreation Equipment:** Works to installation to Zip-wire agreed and will be completed by contractor in mid-January, together with replacement of toddler swing seats. Capel Groundworks to be contacted to restructure surface to eliminate flooding issue in Petanque Court.
- **Highways:** New chevrons installed at Courtwood roundabout following report by Parish Council to Kent Highways. Also reported the lack of roundabout signage on approach to area. Grass verges reinstated by contractors for Affinity Water, who will also be planting more daffodil bulbs in areas of B2011 works.
- **Public Rights of Way:** An autumn trim has taken place on most PROW around and in the village.
- **Other:** Councillors discussed next year's 100<sup>th</sup> Anniversary of the end of World War 1. Several residents have started to crochet or knit poppies for display on the Memorial Plinth in Lancaster Avenue. Some have already been displayed and look excellent – thank you. With this in mind, the Parish Council are hoping anyone who can crochet or knit, to join in and add now to the surrounding fence. It is envisaged a collection of 100 poppies, can be stored, to replace and display next year by 11<sup>th</sup> November 2018, alongside a ceremony to commemorate this special date. If you can help, please do. Poppies for next year's commemorations can be delivered for storage to Parish Clerk (address below). Watch this space.

## Coming to your household in the New Year The Capel Community Plan Questionnaire

As part of the Local Plan Review Dover District Council are investigating possible sites for future development throughout the District.

The Community Plan Questionnaire gives an opportunity for everyone to make themselves heard and provides a mechanism for you to have your say.

For example, would you like to see more open spaces, improved social and leisure facilities, more effective public transport and traffic control measures, better access to health care and housing provision?

The Questionnaire has a very important role to play in setting out a vision for our village and it can be used in the formulation of Parish Council's response to the Dover District Council's Local Plan.

It can also be used to lobby other service providers (such as mobile phone operators, water and electricity suppliers, KCC Highways, etc.) if it is established through the survey that there are for example, problems with services or existing infrastructure in the village.

Depending on the results of the survey the findings could be used to support funding bids to improve existing infrastructure in the village.

The questionnaire will be delivered with your February Grapevine and collected in week beginning 10<sup>th</sup> February to deadline date of 20<sup>th</sup> February. There will also be two sessions arranged with Councillors being available to answer questions. Dates and times will be available on questionnaire.

**So please take this opportunity to help shape the future of Capel by completing and returning the questionnaire. Thank you.**

### Testing the temperature for pharmacy needs in Kent

How often do you use your local pharmacy? Does your town need more? These are some of the questions being put to Kent residents in a new consultation. *Pharmaceutical Needs Assessments (PNAs) are used by commissioners such as Kent County Council and local NHS Clinical Commissioning Groups to identify local health needs that could be addressed by these services, and by NHS England to decide whether to approve applications for new pharmacies in an area.*

Residents and health professionals are being asked for their views in a brief questionnaire. KCC Deputy Director of Public Health, Allison Duggal said: "We have a statutory responsibility to look at the need for pharmaceutical services in Kent and the essential services they currently provide, including dispensing, providing support and advice on health and medicines, collection of medicine waste and supporting public health campaigns. We'd like to encourage as many people as possible to take part in this consultation so we can shape the future of pharmaceutical services in the county."

The important role that pharmacists can play is highlighted in the NHS England 'Stay Well This Winter' campaign which KCC supports, urging people feeling under the weather this winter to avoid A&E, and to instead consider visiting their local pharmacy for quick, early advice. This is especially important over the winter months – when people are more likely to become ill or feel poorly. Going to the pharmacy early will give you access to medication and advice on common ailments, but they can also:

- provide expert advice to manage long term conditions and let you know if you need to see your GP or make a hospital appointment;
- Give you advice on how to care for an elderly relative or friend who has a bad cough, trouble breathing, cold or sore throat.

The consultation runs from 15 November until 22 January 2018 and is available at

[www.kent.gov.uk/pharmaceuticalneeds](http://www.kent.gov.uk/pharmaceuticalneeds)

## **HISTORY**

Recently, Mrs Kathleen Clark shared with the Parish Council, documents which relate to the auction of The Cliffs Estate, Folkestone. This included plots for 732 dwellings, a hotel and a shop on land stretching from (Old) Dover Road on the cliff top back towards Lancaster Avenue, which at that time did not exist. According to the book 'The Village in the Clouds' the development was the idea of Lord Radnor. At the time, there was no New or Old Dover Road – just Dover Road and the road leading to St Mary's Church was Chapel Road. Was this a misprint or has there been a name change? In addition to the history of Capel, there are hints of what life was like in the early 1900s. Look at the telephone number for the auctioneer, prices and language. Capel was considered part of Folkestone, not Dover as it is now. Reading the list of amenities Folkestone was obviously a very different town to that of today.

A plan for the Estate was drawn up. Some properties were sold and the remainder were to be auctioned by Messrs: Protheroe and Morris of 67 & 68 Cheapside E.C. telephone 809 BANK.

The auction poster refers to the Cliffs Estate, Folkestone "Queen of the South". The estate overlooks the Warren Station and is ripe for the erection of bungalows, villas and marine residences. The photograph illustrating the catalogue is of the Leas looking towards the Warren. Solicitors acting for the vendor were Messrs: Powell and Rogers of 17 Essex Street. The Vendor, J.H. Retallack – Moloney is referred to in the Daily Mail Archives of 1903.

Listed were particulars, plan and conditions of sale of 100 plots of 'splendidly situated Freehold building land, to be sold by auction in a marquee on the Estate on Saturday July 18<sup>th</sup> 1903 at two o'clock precisely.' (A further auction was held on Thursday 20<sup>th</sup> August). A special train left Cannon Street Station at 9.50, calling at New Cross. Tickets for conveyance by this train could be had at the offices of the solicitors, auctioneers or vendor, 5/- each, returnable to purchasers. Luncheon was provided free.

The poster says

"Important to Builders, Land Speculators and those seeking land for the erection of their own residences The Cliffs Estate Folkestone occupies a high and healthy position with splendid main road frontages, overlooks the Warren stations and FACES THE SEA. Tithe Free, Land Tax Free. Conveyance Free (except Stamp Duty). Abstracts Free"

Information on the local area reads:

**Folkestone** has FIVE RAILWAY STATIONS – The Warren, The Central, The Harbour, The Junction and Shorncliffe Stations.

**Folkestone** is within easy distance of Sandgate, Hythe, Canterbury, Dover, Deal, Walmer, Shorncliffe Ashford and other places.

**Folkestone** has its own HARBOUR, QUAYS, CUSTOM HOUSE and FISH MARKET.

Folkestone has its own THEATRE and PLEASURE GARDENS, PEIR and PAVILION, WINTER GARDENS, MARINE PARADE, PROMENADE, PUBLIC RECREATION GROUND, SKATING RINK, LAWN TENNIS COURTS, ROWING, GOLF, CYCLING, FOOTBALL and RIFLE CLUBS and PUBLIC BATHING ESTABLISHMENT.

FOLKESTONE has its own PUBLIC MUSEUM, READING ROOM and LIBRARY

FOLKESTONE has a good service of OMNIBUSES

FOLKESTONE has its own CORPORATION

FOLKESTONE has several branches of the PRINCIPAL LONDON BANKS

This Estate occupies a SPLENDID POSITION commanding EXTENSIVE VIEWS and will unquestionably prove to be AN EXCELLENT INVESTMENT of CAPITAL and those who take the present opportunity of acquiring plots on the very EASY TERMS offered, must in the near future reap a handsome profit.

Today Capel has 1060 buildings, so The Cliffs Estate is a significant part of the village history.

**Thank you.**

Hello everyone,

The November meeting was an important one as we held a ballot to elect a new president.

Caroline Bunting was standing down from her role and made a very emotional final speech as president. She said how much she had enjoyed her time as president thanking everyone for their help and support. Jean presented Caroline with a bouquet of flowers thanking her for everything she had done, which brought on even more tears from Caroline. After a secret ballot by the members, we were down to two candidates for the new presidential role and could not believe it when it was a tie. After a lengthy discussion between the two it was decided that Glynis Miller would be the new president. Glynis made her opening speech thanking everyone and telling them a bit about her life and assuring the members that she would try and do a good job. We had a break for tea and biscuits while the committee got together to decide upon new roles to be taken up as Caroline and Jan, who have both done excellent jobs as President & Secretary, have stepped down. However most of the committee kept their existing roles. Even though the committee do an excellent job in the organisation and every day running of the W.I., there is a great deal that some of the members also volunteer for. These include taking care of and arranging the sub groups, visiting ill members with a card and flowers, making tea and cakes, arranging outings for everyone, arranging quizzes, allowing use of their gardens for meetings etc., etc. Such a long list of things the members do with a big smile on their faces, so a very big thank you to all of them as we could not succeed without them. Jerry came along to ask us some General Knowledge questions for the annual Helen Stephenson Trophy, which was donated to us by Helen's family to remember her from when she was a long time member. There were 25 questions in the quiz and a lot of puzzled faces as some of the questions had us all flummoxed. However Pam came out on top with the most answers, and after being presented with the trophy, she said she was helped by watching TV quiz shows. This month's competition was an item beginning with Y which was won by Pat with a teddy dressed as a yeoman, while Vad and Shirley come joint second with a pretty yacht and a mushroom made of yew. We are all looking forward to the December meeting where there will be a selection of food and drinks to enjoy. The group called "Spare Parts" will be providing songs for us to listen to or, of course, to join in with. It should be a really good night where we can let our hair down and have a good time.

Tuesday 12<sup>th</sup> December at 7.15 for 7.30 pm - Capel Village Hall for the W.I. December Christmas Meeting

Tuesday 19<sup>th</sup> December at 10.30 am - W.I. Carols at the Farmer's Market in Capel Village Hall. Bring your Santa hat if you want to be festive. All welcome the more the merrier. We will be collecting donations for a local hospice.
