I wish I could remember the last time I said we have not had a busy month.....nope just can't! The month started with the regrettable notification that the Samaritans felt unable to continue with the Indoor Boot Fairs. Unfortunately, it happened too late for the October event but the Village Hall Management Committee were able to takeover for the November event which at time of writing has yet to take place. We have decided to do another on the 23 February. For further details contact Sue Leaning on 07939 095880. I would like to thank Colin Paine and the Samaritans who took over the boot fairs at a time when the Committee was struggling to cover all of its planned events. They've done a cracking job.

There was an open meeting on the 11 December to discuss future plans for the Hall. We have been turning away bookings over the past year particularly during the week because the main hall is always booked. Options included leaving things as they are, extending the hall to include new halls or turning the hall into a community centre whereby we can run all sorts of things including a café, private companies etc. As you can imagine lots of discussion took place and a decision was taken to create another big hall which could be partitioned off. The Committee will look at this over the next couple of months to create ideas of when and where. They will also use the information to complete the five year plan for the hall.

RECYCLING - INSIDE THE HALL

Boxes are provided for:

Used Stamps for Donkey Sanctuary and McMillan Cancer. Bottle Tops are also being collected again.

Please place the above in the relevant boxes. A big thank you to everyone who puts their used stamps in the box in the Village Hall. Please carry on for these good causes.

Capel-le-Ferne History Book **"Village in the Clouds"**

Copies still available £5 each from Cherry: Tel: 01303 255114

We are still waiting on the main hall fire door replacement doors which should be with us before Christmas and we have been busy digging holes (or getting them dug) outside room 101 (the old post office room). A mysterious sludge appeared about a metre wide and we did at first think there was a problem with the drains. Southern Water came out, agreed with us but said it was not their responsibility, so a private contractor came out, put a camera down and discovered a minor blockage but more interestingly a sunken drain cover. But he said the sludge looked like someone had thrown something over the grass. Obviously, this is not a good thing as it can cause accidents. Anyway he cleared the blockage and now we are waiting on a groundworker to dig out the drain cover, build up the brickwork inside and put it all right. For the next installing chapter of the drain mystery, watch this space.

Other events taking place this month include the AGM which will probably have happened by the time you are reading this and the New Year's Eve dance. Details of the AGM will be in the February edition of the Grapevine, while last minute New Years Eve tickets can be obtained from Tracy Ravenhall on 07787174336 or any other Committee member. If anybody wants to help us put up our (new) Christmas decorations. please meet us at the Hall on Sunday 1st December from 9am. And don't forget the Christmas Farmers' Market on the 17th December.

And so, the Village Hall Management Committee would like to wish you all a happy and harmonious Christmas and a pleasant and peaceful New Year.

From the vicarage

I hadn't been a curate very long when it was decided that I should try my hand at christenings. A date was fixed, and as instructed I contacted the family and arranged to meet them to discuss the service.

I made sure that I was at the house in good time. Arriving at the front door, I heard sounds coming from inside. Someone inside was evidently upset about something or other and was giving vent to their frustration - waiting seemed like a good idea. Eventually the tirade subsided and, thinking that it was all over, I rang the doorbell - just as it started again. Then, in panicked tones, another voice: THE VICAR! HE'S HERE ALREADY!

I know myself that there's nothing worse than the plumber you were expecting half an hour later arriving early just as you are stepping into the shower, and I've since worked out that, in the same way, the vicar arriving early doesn't work for everyone.

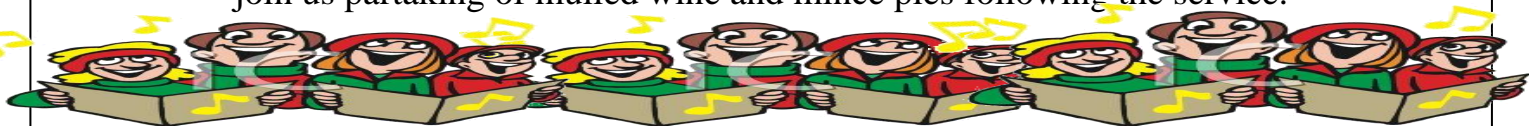

Perhaps Christmas is a bit like that. Although, as my sister always says, it's at the same time each year, I often feel as though it's here before I'm quite ready for it - a bit like when the doorbell rings before you've had a chance to clear the sweet wrappers and biscuit crumbs away. It often seems to me that Advent easily gets lost in all the excitement leading up to Christmas. Though many people associate it with Advent calendars and chocolate, for Christians it is a solemn time when we have a spiritual declutter in readiness for welcoming Jesus at Christmas. So I wish you a good declutter for Advent - and a very Happy and Peaceful Christmas to you and yours when it finally arrives. *Brian*

Capel Twining Association

2019 has been a good year for the Association, with a membership of nearly seventy members enjoying a varied programme of events throughout the summer. We started in March with an Irish Evening, held in St Radigund's Church, partaking of a hot supper before being treated to a thrilling display of Irish Dancing by a talented group of young dancers from the Whitstable area. The first outing of the year was to visit the Two Caps brewery between Calais and Boulogne in early May. The visit was preceded by a convivial lunch at a very welcoming restaurant in Sangatte. In June we set off across the channel again this time to visit the very interesting Chateau de Rambures in the Vallée du Somme, when following another great lunch we spent a very interesting afternoon with a guided tour of this fascinating castle. Following a picnic at Samphire Hoe at the end of June, where we were treated to an interesting talk by one of the site wardens and played Boules, we met up again for a Moules et Frites (Mussels and Chips) evening in October entertained by a great ukelele band called Up the Creek.

We were delighted to welcome our twinning partners from Vieille Eglise, a village North East of Calais, who spent the day with us in Capel on November 23rd. Fifty five guests sat down to lunch with our members, and were then entertained by a group from Capel and Vieille Eglise schools. Our final event of the year in December will be our Annual Dinner, traditionally now held at a fantastic Restaurant Moulin Snick in Blendecques in the Pas de Calais where the five courses are interspersed with dancing.

Think you might be interested in joining? It only costs £5 per year membership. Contact the secretary J Spillett jvspillett@aol.com or on 01303 242146 for more details.

ROYAL MARSDEN CANCER RESEARCH JUMBLE SALE

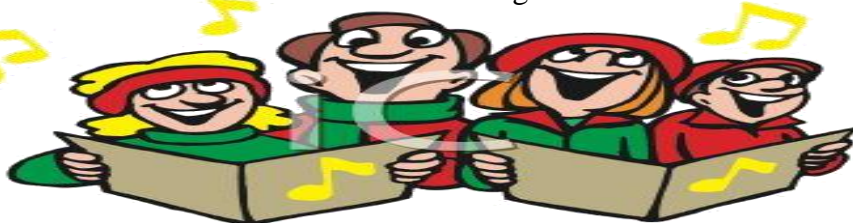

The organisers would like to give a big thank you to all the villagers who either gave jumble, attended, or bought raffle tickets at the recent jumble sale at the Village Hall, in aid of Royal Marsden Hospital Cancer Research fund. Despite the awful weather on the day we managed to raise £1,134.19. Just shows what stoic and resilient Capel residents are, though we have regular attendees from as far as Sheerness as well! It was good to top the £1,000 mark again. Hard to believe this was our 81st. The years have flown by, but it wouldn't be possible without all of our team members pulling together and of course the generous residents of Capel who always support us without fail. The money has been sent off to The Royal Marsden Hospital who continue to do sterling work, into treatment and research for those in need. The Marsden is a world leader in the treatment and help given to those diagnosed with cancer, and the money we send goes directly to their research facilities so none is lost in administration, marketing or advertising.

So many people go out of their way to make it a success that it is impossible to thank them individually, they know who they are, and perhaps they will accept this as their public thank you.

We would now like to call upon you all to start putting anything you think we may be able to sell to one side for our Spring jumble sale on 11th April. Don't worry, we will remind you nearer the time about who to contact or where to take it.

Best wishes for a peaceful and festive Christmas, and thank you once again for your continued support.....

See you in 2020. The Organisers.

CAPEL-LE-FERNE EVENING WI

Hello Everyone, At our November meeting after a lot of chatting and catching up from last month we sat quietly while Glynis welcomed us all, distributed cards for the birthdays that were coming up, and gave us news on the health of several members who have either just come out of hospital or haven't been very well and if they felt like having visitors or phone calls. Glynis gave us some more updates on future events.

Jayne then took us down memory lane recalling what a busy 60th year anniversary we have had including a dinner on the actual date. Eve made and designed a lovely plaque with a glass tree which now hangs in the village hall to mark the anniversary. We then had some sad news to hear that Kath Clark had passed away. We had a lovely sunny day for the cream tea in Susanne's garden in the Summer, we also held a coffee morning at the Village Hall providing cream teas and promoting the WI to try and encourage new members to join and show them what we do. We had a great time at our birthday meeting plus a funny skit from three members. The success of the dart team winning the area tournament in Ashford, also a very successful Barn Dance organised by Glynis S and Helen, where much fun was had. There was a lot of laughs at the Strictly Dance cream tea outing. All these events and lots more and the year isn't over yet with a Christmas party meeting and Christmas dinner still to come, these are only a few of the things we will be doing before Christmas.

Glynis said her farewell speech after being president for the last 2 years and how she had enjoyed it. Christine said thank you to her for all her hard work and

presented her with a beautiful bouquet of flowers to which everyone applauded.

Pam was elected as our new president and the new committee was formed, a thank you goes to the two tellers from Hawkinge W.I. who helped it all go smoothly.

After refreshments we had the Helen Stevenson Quiz which was set out by Caroline, there was 20 questions and looking around there was a lot of screwed up faces trying to remember the answers along with comments like "I have never heard of that before" and of course some really silly answers that had us giggling. The quiz was a draw between Susanne and Jayne who will share the trophy.

Jenny did the Raffle and told us that she had been given nearly 3,000 bras for the charity she supports, that is a lot of bags to have collected.

The evening ended with the results of the competition "something white" the winner was Barbara with her white pottery rabbit that she made herself, 2nd was Susanna with her lovely decorative owl and 3rd was Jean with her little white shoe ornament.

I hope you all have a nice Christmas and a Happy New Year.

December 10th Christmas Meeting

If you would like to give us a try you will be sure of a warm welcome, interesting talks, lots of fun, a chance to meet old and new friends, just come along to Capel Village Hall on Tuesday January 14th 2020 at around 7.15 pm.

**SPEEDING DRIVERS IN CAPEL STREET ... ARE YOU ONE?**

The speed of vehicles in Capel Street is a great cause for concern for the Parish Council and our Kent Police Speed Watch Team of volunteers. Some local vehicles, on several occasions, have been reported and witnessed by residents as being illegal, i.e. well above the nationally-specified speed thresholds (46mph for New Dover Road and 25mph for Capel Street and elsewhere) and completely unacceptable. Speeding Drivers, please take note, it could have resulted in prosecution and disqualification. Of greater concern to the Parish Council and Residents is that an accident whilst travelling at this speed would have been likely to have resulted in far more serious injuries, possibly even fatalities, than a collision occurring whilst the vehicles were travelling within the speed limit.

**If you are one of our “local speeders”,
please consider your actions and seriously take into account
an injury or fatality could be to a member of your family or pet,
or endangering our wildlife.**

KENT POLICE ... Kent Against Burglary

We've historically seen an increase in burglaries over the autumn and winter months when it gets dark early and we fill our homes with gifts in readiness for Christmas.

Keep your property well lit at night, as lots of houses are in complete darkness, solar/passive lights are not expensive to buy and could deter any criminal who would prefer the cover of darkness.

However, there are quick steps we can take to help keep our homes, vehicles and valuables as secure as possible, limiting the opportunity for thieves. Did you know? As well as locking doors and windows using the keys each time you leave you can also:

* keep keys, cash and expensive items away from doors and windows, out of view

* use timer switches on lights and radios to make your home look occupied

* repair broken or faulty windows or doors

* keep gates locked and boundaries secure

* lock away bikes, tools and garden items which could be stolen or used to break into your home.

MESSAGE FROM LOCAL RESIDENT

Dear all, if you have a pet, please be very careful.

We lost our much-loved cat to poison, 2 weeks ago and sadly another one locally.

Just last week, 2 dead foxes have been found, one at the top of Capel Stret this week and another on the Bridleway.

To anyone putting poison down (possibly for mice/rats) please, please think!

Cats, dogs, foxes, badgers and hedgehogs are all affected and the birds that peck on the poisoned corpses.

A resident came across a recording of a talk by the late Kath Clark to school children at the Primary School in 1985. Kath Clark was known to many in Capel-Le-Ferne. She was brought up here from 1936 and spent many years at Capel School, first as a pupil, then School Secretary. We have made some copies of this onto CDs for anyone that would like one. Please let the Parish Clerk know if you are interested and would like to order a CD, by emailing clerkcapellefernepc@btinternet.com or sending a message via Facebook Page and we will arrange to get one to you. There is no charge.

Is Alcohol unknowingly damaging your health?

Figures show the majority of people (79%) drink sensibly and in safe limits but in Kent, approximately 254,000 people are drinking above the recommended safe limits.*

There are an estimated 14,000 dependent drinkers in Kent in need of some treatment and support. Kent specialist treatment services can help those in serious risk of harm, and last year around 2,100 people were receiving help from specialist support services.

The Department of Health recommends drinking levels do not regularly exceed more than 14 units a week. One pint of strong beer or cider equals three units, as does a large glass (250ml) of wine. A small glass of wine (175ml) amounts to two units while a bottle of beer can mean 1.5 units but these can all vary depending on the alcoholic strength of the drink.

Many people simply are not aware of how much they are drinking. The KCC 'Know Your Score' interactive online test - www.kent.gov.uk/knowyourscore - can help give some initial guidance by asking users a series of simple questions to help them gauge how much alcohol they are consuming and the effects it could have on their health, in both the short and long-term. Depending on their score, appropriate key messages and vital advice about where to find help are then delivered by different experts and health professionals.

Excessive alcohol consumption can frequently lead to high blood pressure and can trigger an irregular heartbeat, both of which increase the risk of having a stroke. It is also a risk factor for some cancers, particularly head and neck cancers and breast cancer. Heavy drinking increases the risk of having a stroke by more than three times. By drinking sensibly and to the recommended limits you will reduce your risk of having a stroke.

KCC Director for Public Health, Andrew Scott-Clark said: "People often underestimate how much they are drinking and it's very easy to go over the safe limits. The 'Know Your Score' tool can help you know if you need treatment. Many people don't realise they may have become dependent on alcohol – at which point they might need treatment.

"There are a range of services available in Kent with health, community and voluntary sectors all helping to get people the treatment they need. If you or a loved one is facing the problems of alcohol addiction, please don't suffer alone. We also have lifestyle services in the community that can support people if they need further help to cut back. Services like One You Kent. 'Know Your Score' will help you to get help if you need it."

A range of formal and informal support is available, such as AA and Smart Recovery (peer support) in Kent and Al-anon for friends, family and carers of alcoholics. KCC also commissions specialist treatment providers to provide structured treatment for alcohol addiction. Forward Trust runs the East Kent Community Drug and Alcohol Service while Change Grow Live (CGL) provides the West Kent Drug and Alcohol Wellbeing Service.
