Unsurprisingly a lot of the focus at this month's village hall meeting was on the forthcoming village fete. Due to be held on the 20 July, last minute plans on stalls and marketing were finalised and members of the committee had been working hard on soliciting raffle prizes from local businesses. At the present these include trips across to France, a family day out to Leeds Castle together with contributions from the new Leisure Centre and various shops. Raffle tickets can be obtained from the Post Office at the Farmers Market and also village hall trustees. There will be a Junior Bake Off at the Fete with members of the public being offered the chance to select the cake they like. Plans to hold lots of activities aimed at children are also well in hand. It is not too late to run a stall at the fete – anyone interested in doing so should contact one of the trustees. Anyone willing to help with the setting up (and taking down) of the fete will also be welcomed with open arms.

Painting of the main hall which has become a little tired, will go ahead during August. It is planned that the work will be carried out around the bookings of existing hall users to lessen the impact on their activities. More discussion needs to be held on future plans for the village hall. We have almost signed off the business plan for the next five years but discussions still need to be had on future plans. We are turning away business at the moment because of lack of hall availability but are keen to make sure that the people using the hall, for the most part, are residents.

The committee has also discussed WiFi installation and running courses on everything from computers to life skills. But this may mean expanding business and extending the hall. It was agreed that activities at the hall should reflect the needs of the village and try and meet the demands of as many of its residents of all ages as is humanly possible. If anybody has any thoughts on what they would like to see at the hall, the trustees would love to hear from you. Trustee details are on the Grapevines contacts page.

There are plans to run a first aid course at the hall. If any organisations are interested in taking part, perhaps they would like to contact Sally Cook – the more people who take part the cheaper the cost of running the course. Most organisations are required to have a first aider in their ranks. The Garage Safari will be going ahead as normal this year on the 1 September. Please contact Cherry Leppard or Ruby Cook for details – offers to man the kitchen on Safari day would be as ever gratefully received.

Before I finish, I have just re-read this article and I realise just what a lot of investment in time and energy the individual trustees put into running and maintaining the hall. Most of it is behind the scenes and they do it as volunteers. Without them it would be difficult to carry on and activities at the hall would suffer as a consequence. So as Chair and on your behalf I would like to thank them for all their hard work and express my appreciation for the support they give to the hall.

## From the vicarage

The Old Testament prophet Isaiah looked forward to a time when *the ears of the deaf will be unstopped*. In later life my father suffered from hearing loss; and a couple of years ago I realised that it was happening to me, too.

It was while teaching in school one day that I addressed a girl as Kayleigh. She wasn't Kayleigh, she explained gently, but Katie. This and similar incidents showed that I wasn't hearing the 't' sound. I saw my GP, was referred to Audiology, diagnosed as a "textbook case of age-related hearing loss" and given hearing aids. They're great, but don't solve every problem, especially not in busy classrooms. Another occasion, when a girl had to repeat the same thing to me three times, finally convinced me that it was time to lay down my whiteboard marker.

Mind you, perhaps there are compensations. I once met someone who had been taught by the late, great and profoundly deaf Professor William Barclay, Church of Scotland minister, one-time Professor of Divinity at the University of Glasgow and, in his day, popular writer and broadcaster who had a reputation for turning his hearing aid off when writing. He recalled Barclay's words to his students: *I would remind you that I wear a hearing aid – and I'm not obliged to listen to rubbish!*

I still cope with tutoring pupils individually, and with most other situations, so please don't let anyone feel that they need to shout slowly or wave their arms for me to understand them – not yet, anyway. I'm certainly not despondent – in Heaven, after all, my ears will be unstopped... *Brian*

Public Health England (PHE) South East is urging people in Canterbury and areas where there is much contact with Canterbury through school, college, work, hospital visits or social to check their children are up-to-date with two doses of MMR vaccine following five confirmed cases of measles in the area.

PHE is working closely with NHS and local authority partners to raise awareness of how the public can protect themselves and their families and prevent further cases.

**Dr Rachel Pudney, PHE South East Health Protection consultant, said:**

“Measles is not a harmless childhood illness as many think – it is extremely infectious, can strike anyone and sadly in some instances can have very serious long term and life changing consequences.

“The best form of protection against measles is the MMR vaccination which is why PHE is urging people to check their MMR status with their GP surgery. It is really important that anyone who hasn’t already had two doses of the MMR vaccine contacts their GP surgery for an appointment to get vaccinated. If you’re unsure whether you or your children have had two MMRs, first check your child’s Red Book or contact your GP surgery. You do not need additional MMR vaccines if you and your children have all had two MMR vaccines.

“Thanks to vaccinations like the MMR, measles is not as common in the UK as it once was, but in recent years we

have seen more cases emerging, especially among groups and communities where MMR vaccination rates are not as high.”

Measles is a highly infectious viral illness that can lead to serious complications, especially in people with immune problems, pregnant women, and in babies younger than one year.

Symptoms typically include:

- high fever (temperature of 39°C or higher)
- sore, red, watery eyes
- coughing
- aching and feeling generally unwell
- a blotchy red brown rash, which usually appears 2-4 days after the initial symptoms

If you think you could have measles, it’s really important to stay away from places where you could come into contact with lots of people – so do not go to work or school, visit hospital or attend social gatherings until at least four days after the onset of the rash.

**Dr Pudney added:** “Everyone should be vigilant for the symptoms of measles and if you’re concerned that you or your child may have measles, please do not go straight to A&E or your GP surgery. Instead telephone your GP or ring NHS 111 for advice. This may help to prevent spreading it to other people who may be vulnerable.”

**One of the highlights of Capel-le-Ferne's year takes place on Sunday, 7<sup>th</sup> July, when the Battle of Britain Memorial Trust hosts its annual Memorial Day to honour the men whose bravery kept these shores safe in 1940.**

A flypast and later flying display by a Spitfire and Hurricane of the Battle of Britain Memorial Flight (subject to weather and serviceability) is again set to be a highlight of what is always a spectacular and colourful day.

This year's guest of honour will be Air Vice-Marshal A M Turner CB CBE, Air Marshal and Deputy Commander Capability, Headquarters Air Command and Air Member for Personnel and Capability. The Kent Wing of the Air Training Corps will provide an arms drill and a band display, while music will be provided by the Central Band of the Royal Air Force and the day will end with a Sunset Ceremony.

The display by the RAF Central Band and the flypast by the Memorial Flight are always well received, while the parade and service of commemoration is brought to life by the colourful sight of standard bearers from many ex-service organisations.

This year's event will mark 25 years since Wing Commander Geoffrey Page – one of the Few and the original driving force behind the National Memorial to the Few here at Capel-le-Ferne – invited members of the Battle of Britain Fighter Association to the first such event in 1994.

While the first event was advertised as being “a very informal affair”, with no budget to provide either seats or portable toilets, 2019's Memorial Day is the result of a great deal more behind-the-scenes planning, although remembrance remains at the heart of the day's parade and service.

The shop, cafe and Scramble Experience will all be open for most of the day, adding additional attractions to this day of tribute and remembrance. The event begins with a display by the Kent Wing ATC band at 10.30am.

## **CAPEL-LE-FERNE PARISH COUNCIL**

### **Summary of some items discussed at meeting on Tuesday, 18<sup>th</sup> June**

• **Requests from public to address the Council, plus Surgery and Other Feedback:** None.

• **Traffic Management:** Order placed with Kent Highways for speed zone roundels on Old Dover Road, New Dover Road and Capel Street. Waiting date for installation.

• **Village Action Plan:** Working Party waiting to schedule a meeting to discuss progress on points raised.

• **Planning:** **NEW Application submitted for development of 107-127 Capel Street, (see page 11).**

Breach of planning permission contravening the "no access" condition to the Jarvis Homes Development Site from Old Dover Road resulted in a BIG apology received from Jarvis Homes that they are aware to not use Old Dover Road and they blamed the contractors employed who have been chastised. Also the additional and relocation of signage either side of the site is being dealt with by Dover District Council Planning Enforcement Officers.

The status of all applications were reported and full details are available on: Dover District Council website:

<https://www.dover.gov.uk>

>Planning>Applications>View-Applications>Decisions

• **Neighbourhood Watch:** No reported crimes received from Kent Police. New PCSO will be in post and start duties in July. Be aware of suspect driveway jobs carried out in village.

**WITH THE BETTER WEATHER NOW! ...**

**BE AWARE ... BE ALERT. Burglars are often opportunists who will target an open window, an unlocked or open door or valuables on display if they think they can get away with it.**

• **Recreation and Other Equipment:** Members discussed further litter bins in village, but agreed due to cost implications, this would be deferred. 3 Year maintenance contract agreed for gym equipment.

• **Playing Field Security:** Quotations received on ways to deter unwanted visitors on Playing Field – this was deferred pending further investigations and advice from KCC Public Rights of Way. Upgrade of CCTV still being investigated on cost and requirements.

• **Highways:** Vehicles parked inconsiderately and dangerously on the junction of Winehouse Lane/Old Dover Road is being investigated further by our County Councillor, Geoff Lymer, who is endeavouring to get Kent Highways to realign and change the road junction line markings. He has also issued notices to perpetrators to move. Lack of grass cutting in Old Dover Road, New Dover Road and Playing Field was a cause for concern and contractors have been chased, together with concerns on drain blockage when grass cut on New Dover Road.

• **Public Rights of Way:** Reports received from users of Green Lane how they are enjoying the new improved access. Delegated Councillor chasing lockable bollard repairs, first cut of all PROWs and the unpassable Satmar to Winehouse Lane route.

• **Speed Watch:** See page 14.

• **Capel Cares:** Investigation to take place in setting up protocols for group. Coffee mornings are well attended.

• **Other:**

Village Resilience Plan, for use in an emergency, being reviewed and updated.

Councillors agreed donations to the Primary School to fund storage facilities, together with funding for two classes in First Aid Training lessons.

As most of my clients know, I started hairdressing in the village at the beginning of June 1977 at 74 Capel Street, just after the Queen's Silver Jubilee bank holiday.

I moved premises in February 2000 to my garage that I had converted into a salon.

I have enjoyed working in the village for the last 42 years. Due to health problems etc., the time has come for me to retire. This has not been an easy decision for me to make. I would like to take this opportunity to thank you all for your support over the years.

**Capel Coffee and Business Networking  
1<sup>st</sup> and 3<sup>rd</sup> Tuesday from 5.30pm**

Hello everyone. It is lovely talking to you all again. I am standing in for our usual Grapevine writer as she is away on holiday, hopefully enjoying sunshine. Glynis our President welcomed everyone and thanked Pam Barr for the top table flowers before we stood and sung Jerusalem. June's meeting was 'Medical Detection Dogs- Saving Lives'. Our Speaker had brought along his Golden Labrador called Poppy and explained that she was an Ambassador Dog for Medical Detection Dogs. She was absolutely gorgeous and so well behaved that we all fell in love with her. It takes 18 months to train a dog with a host family before they are presented to person who has requested one. He explained the techniques they are taught in order to undertake what is required of them for each medical detection. It was a very informative and interesting talk and we thoroughly enjoyed it. Pam Barr gave the Vote of Thanks.

The monthly WI Business was read out including Jayne Stone giving her Annual Meeting Report on her trip to Bournemouth as Capel-le-Ferne's Delegate. Jayne read out a card received from Ros who has been in hospital thanking everyone for their cards and flowers and well wishes. Glynis said that all the notices and correspondence were in foyer on the notice board. We then had our refreshments.

Everyone keep safe until we meet again next month. I will draw to a close now. Thank you for taking the time to read my report. Normal service will be resumed next month. Take care everyone

Glynis did a music quiz for Members Time which took us back to the 60s, 80's and before, with one question which we should all have known the answer to but flummoxed us. The raffle was announced and the results of the competition which was 'Something Canine' (Well done to everyone who entered).

For next month's meeting which it is 9<sup>th</sup> July and it is to be our Garden Meeting which will be held courtesy of Suzanne Pilcher at 3 New Dover Road, Capel-le-Ferne. Fingers crossed for good weather.

**Community Speedwatch (CSW) is a national initiative where active members of local communities join with the support of the Police to monitor speeds of vehicles using speed detection devices.**

Vehicles exceeding the speed limit are referred to the Police with the aim of educating drivers to reduce their speeds. In cases where education is blatantly ignored and evidence of repeat or excessive offences is collated (even across county borders), enforcement and prosecution follow. CSW Online is working on behalf of the Police and communities to organise and coordinate CSW activity. Speeding is not just a local phenomenon - neither is Speedwatch. Speeding continues to be a concern for many communities in both rural and urban environments. Therefore, Community Speedwatch is not restricted to villages and rural towns. Neighbourhood Policing Panels have an important role to play in developing safer urban communities and the adoption of speedwatch schemes could assist them to more easily achieve their goals. Volunteers receive appropriate training, and are supported by neighbourhood policing team (NPT) staff. The scheme aims to cater for the problem of real or perceived speed related offending, and through partnership with the community it is to be used in circumstances that are necessary, justifiable and proportionate in order to:

- Reduce death and injury on the roads
- Improve the quality of life for local communities
- Reduce the speed of vehicles to the speed limit
- Increase public awareness of inappropriate speed

Speedwatch activity is not about interfering with neighbours' behaviour; it is a proactive solution to improve the safety and quality of life for everyone in the community.

The video answers some of the most frequently asked questions about the Community Speedwatch scheme.

A note to all parents: As part of our safeguarding policy we ask that all children are signed out on club nights regardless to what time you collect them, please don't just collect and go without telling us (It happened tonight). And please ensure all children are collected from the hall, regardless to how close you live, over the road or 5 mins away, kids going home alone at dusk on bikes with no lights or walking alone is not ideal, it's all ok until it goes wrong and then what.

**CLEAN UP AFTER  
YOUR DOG**

We have been informed by a resident:

"For the second time we have had to clear the Capel park, gym and skatepark of MANY energy drink cans, wrappers and broken bottles. Last time we saw children throwing glass bottles at each other before leaving, meaning we had to get a dustpan and brush from the village hall before our children could use the park".

## Kent's Magnificent Moths

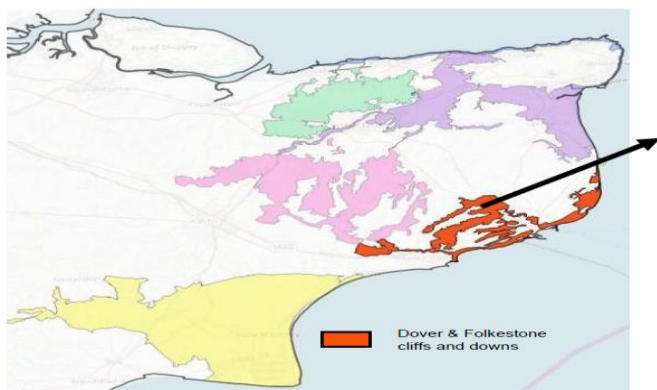

Butterfly  
Conservation

Saving butterflies, moths and our environment

Dear Parish Council,

We would like to let you know that there will be an exciting project taking place in your area soon. **Kent's Magnificent Moths** is a 3-year project delivered by Butterfly Conservation which will bring people closer to these fascinating and over-looked creatures. Starting next spring, everyone will get a chance to get involved in various activities such as helping our conservation team to create moth habitat in the wild or exploring which moths live in our gardens and city parks using special moth light traps.

In your area, we will be working closely with a chosen primary school and community group to create an engaging 3-year programme of activities (see below for details).

Straw Belle

Fiery Clearwing

We are some of the rarest moths in the whole country!

1. Stella Maris Primary School
2. Folkestone Youth Project

### Would you like to get involved in our project?

Please let us know if you would like to:

- Let us know about any local events where we could attend to hold e.g. a guided walk, talk, moth light trap
- Provide use of hall / other venue as a gift-in-kind for one of our events
- Pledge a contribution [£100-£500] to help us fund the project
- Promote the project in your local magazine / newsletter
- Let us know about any groups, clubs or private landowners that would like to find out which moths live on their land or would like to get involved more

**Thank you everyone who generously contributed stationery items. So many received!**

Capel-le-Ferne Parish Council are endeavouring to assist our Local Primary School with the Budget Restrictions.

With impending budget cuts for all schools, please, can you help!

We are looking for your generosity in donating stationery items. For example:  
Pens, Pencils, Erasers, Felt Pens, Rulers, Notebooks, Paper, Envelopes, etc.

A box is available on the Village Hall, in the entrance, for your donations. These will then be delivered to the School. Alternatively, any donations can be given in at the School Office.

Thank you in advance for your support.

**The School requested, temporarily to put on hold. They just need a little time to be able to sort through them all and distribute.**

### WITH THE BETTER WEATHER NOW!

#### BE AWARE ... BE ALERT

Burglars are often opportunists who will target an open window, an unlocked or open door or valuables on display if they think they can get away with it.

Did you know? Most burglaries happen on weekdays, in daylight. Make sure you -

- \*\* keep keys, cash and expensive items out of view
- \*\* use timer switches on lights and radios to make your home look occupied
- \*\* keep gates locked and boundaries secure
- \*\* lock away bikes, tools and garden items which could be stolen or used to break into your home.

**Most people make sure their homes are locked**

- Do you:
- lock up before you go out or go to bed?
  - close windows properly?
  - keep cash and keys out of sight?
