### From the Vicarage

I have never forgotten the Sunday morning, just a few weeks after I arrived, when I climbed into the pulpit and began my sermon with the story of the three vicars who had bats in the belfry. If you were there, you probably remember how it goes. If you weren't, sadly I don't have space here to tell you how it ends. In any case, it hasn't seemed quite so funny since it turned out that I also have bats, not just in the belfry but in other places too – and they're not housetrained, either.

Bats love old church buildings just as much as many humans do. The buildings tell the stories of those who have prayed in them down the centuries, and the stories of the communities that they serve. But they need looking after, which is why they are inspected by architects every five years.

The bells at St Laurence Church, Hougham had been declared unsafe many years ago and not rung for at least forty years. It was while looking through an architect's report a while ago that we realised that nobody had inspected the bells in years. Might we walk in one morning and find bits of bell strewn across the floor? Brian Butcher, from Hythe, who knows about these things, kindly agreed to take a look.

The result? Last month the bells rang for a wedding for the first time in decades. Thanks to Brian and his team the bells, which date from around 1500 up to 1724, have been made safe and restored to working order. We're looking forward to 25<sup>th</sup> June, when Bishop Trevor Wilmott, Bishop of Dover, will be at the 10.00 am service to rededicate them.

What the bats will make of it is another matter... *Brian*

### Capel Church Hall Fund-Programme for 2017

We had a good evening on May 12th with Nicholas Reed talking about H.G.Wells and where he lived and the books he wrote. It was a total surprise to all to hear that he wrote around 100 books.

On Friday June 9th we will be having our annual talk by Keith Radford when he will be talking this year and playing songs from his favourite top 20 Musicals that have appeared on the London stage in the last 20 years, excluding revivals.

This is a subject that so many who come on my theatre trips will really enjoy and it will be interesting to see just how many of Keith's choices are also on the lists of those who have been regulars on my trips, as indeed it will be to me comparing my favourites with his.

Entry will be £5 at the door which will open at 7.00pm for the start at 7.30pm and that includes tea, coffee and a biscuit. All are welcome. Keith is an established speaker who gives lectures to London University and to many local clubs and societies so come along and enjoy another evening with him.

April saw the committee beginning detailed plans for the building work in July. In recognition of the fact that dirt and dust are inevitable, the work is planned to coincide with the summer holidays, when people go away or take their visitors to the local attractions, organisations either cancel their meetings or have fewer attendees. For those who will continue to use the hall, we are working with the builders to minimise disruption. Arrangements are being made for an alternative entrance and clubs will be contacted to explain what they are. The Farmers' Market WILL continue on a weekly basis and Ruby and her team will still offer refreshments there, so keep Tuesday mornings in your diary. It does seem an upheaval, but it will improve disabled access and as local residents' age and the number of walking aids increase, the committee believe it necessary. The big clear up has continued to make space for the things we need to move out of the post office room so that they will remain accessible. Chair hire will be suspended during the work.

The April book sale went well - thank you to those who came to help and those who came to buy - all part of tidying up prior to the building work. Those we have discovered don't sell well, such as reference books, which don't usually sell well, multiple copies and anything that hasn't sold for a while, was packed up and taken to various charity shops in the vicinity. For those who would like reference books, or are looking for specific authors, may like to know the Pilgrims Hospice have a bookshop in Dymchurch, by the roundabout. We are grateful for the books donated to us, so please don't stop, but please limit them to paperbacks and no reference books, and of course the book trolleys will stay in the corridor so you can continue to refresh your 'reading library'. The Church Hall is also a willing recipient of your surplus books.

Routine maintenance continues - you can now see out of the kitchen windows, thanks to new sealed units - and other repairs undertaken by Trustees. The new AV system is being used more regularly and inevitably there have been a few hiccups. We are extremely grateful to Matt Curtis (and family) for their endless patience. His last rescue was when we discovered that "somehow" the image had been inverted. He has also replaced (free of charge) one of the two computer leads which both went missing. The lead for the microphone has still not reappeared. So reluctantly the committee agreed that access to the system will be restricted and a £50 returnable deposit needed for access - the plugs have been locked into the cupboard.

That said, the people who hired the hall for a race night said how wonderful the system had been and how much better the atmosphere had been than last time. Huge thanks to the Kent County Councillor who used some of his members grant to let us buy it.

Discussions on a cinema club are continuing with two individuals who have offered to run it. Watch this space and we'll share as soon as we can.

The other big news is that a NEW AGE KURLING set has been purchased. This is one of the fastest growing new sports, invited by a resident of Dymchurch. A cross between curling and shuffleboard, it is played on a badminton court, with rules similar to those of curling. It can be played as doubles or singles by most ages and regardless of most disabilities. Those who trialled it at the WI or in the Village Hall enjoyed the experience. It will be 'unveiled' at the Community Day (more information on page 9), on June 17<sup>th</sup>, in the Village Hall and, depending on interest, consideration is being given to making it a regular event. Refreshments will be available so you can watch, cheer on your hero/heroine or even play yourself.

This is the last month to get maximum value out of joining the 100 club. For an outlay of £1 per month for a number, you stand a chance to win £25, £15 or £5. The more numbers you have the better the odds; for a membership form (if you haven't already got one), contact Jenny Carter on 250928 or ask at the Farmers' Market.

**News from the Farmers' Market**

This month there is a focus on communities and the benefits of social interaction. Capel is lucky to have many opportunities for people to meet and socialise together, whether at the painting classes, knit and natter, WI or one of the many other clubs in the village. Many of these ask that you become a member to join in all their activities. One social event open to all local residents is the Tuesday Farmers' Market held weekly in the Village Hall. Over the years, other local Farmers' Markets have come and gone, whilst the one in Capel continues. One reason given for this is that it is such a friendly market. Stall holders get to know their customers and what they like - (when I approach Sandgate Mike just reaches for my bacon turnover, whilst Debbie knows I'll hover over the meat, planning the week's meals). Shopping is always more sociable in the market - catch up on the family trip to Venice by one of the stallholders or hear the exploits of someone else's grandchildren. Stallholders have time for a quick joke or advice on how to cook something.

The market doesn't sell everything you can find in a supermarket, but it can let you talk direct to the producers. With stalls in two halls, there is a chance to do your food shopping or to support local crafters. Recently the talented ladies in the craft have been joined by a man who sells furnishings and furniture, with his Shabby to Chic items. Archers fans will recognise this as a modern approach to recycling. For knitters, Carole has a wide range of wool ready to sell, so you don't even need to get the bus to Dover/Folkestone.

After shopping, there is time and a chance to sit with a cup of tea/coffee and catch up on the village news. Ruby's team can toast a teacake for 'elevenses' or Barbara/Sprinkles, will sell some cake if the "tea's too wet without it"! Gretel (PCSO) and Andy (Community Warden) are often around, even if there is no problem to share, they are more than happy to have a chat. Keith and Maureen (Parish Council) are here third Tuesday of every month and enjoy meeting local residents - you don't need to have an issue, they welcome local residents who want to meet representation to the Parish Council. In summer, Mums/Dads/Grandparents pop in for a drink whilst the youngsters enjoy the playing field. So as well as providing a local market, Tuesday mornings offer a social occasion open to all.

**Order by noon on Sunday for collection or delivery on Tuesday.**  
**Go to <http://farmersmarketonline.co.uk> and choose from our pre-selected veg and recipe boxes or pick from the usual producers. Not going to be in? We can leave the food in cool containers to keep your food fresh. Once you have chosen your deliver/pick up options click the buttons below to shop. Why not try our boxes, they make shopping easier and are extremely good value.**

### An update on Capel Cares

Capel Cares are making very good, if slow progress. This is necessary because we will be dealing with vulnerable people and need to make sure that our volunteers are of good character and trustworthy. We are fortunate in that The Church has agreed to pay for our DBS checks (used to be CRB) and our insurance. We have several volunteers well on their way to being able to help other villagers. Hopefully in a month to 6 weeks we will have at least a dozen fully checked and trained volunteers, ready to go. We haven't done very much about finding villagers who need help, but there isn't much point having a need, without having someone to fulfill that need.

A suggestion that this is no longer a village lead scheme, is far from the truth, it just means that other organisations are assisting us in getting our project off the ground.

Please support our coffee mornings, which will be held on the first Friday in every month, at St Radigunds Church in Albany Road. If you have any queries, would like to volunteer or need some assistance, please contact Jan Milliken, Tel: No: 01303 257003. Email: [janetmilliken@hotmail.co.uk](mailto:janetmilliken@hotmail.co.uk)

## **CAPEL-LE-FERNE PARISH COUNCIL**

### **Summary of some items discussed at meetings**

#### **on Tuesday, 25<sup>th</sup> April 2017**

Welcome extended to our new Co-opted Councillor Tony Lake. Members nominated and elected; Chairman, Vice Chairman and Delegates as follows: Chairman – Keith Pilcher, Vice-Chairman – Chris Norris, Delegates/Representative; Neighbourhood Watch – Julie Shaw, Play Equipment – Keith Pilcher, Village Hall – Jayne Stone, Highways – Brian Tutt, Public Rights of Way – Tony Lake, Planning – Gordon Holliday, Tony Lake, Chris Norris, Keith Pilcher, Brian Tutt and Jayne Stone, Capel Cares – Tony Lake, Events – to be decided when required.

• **Requests from public to address the Council, Surgery and Other Feedback**: Compliments received on display of daffodils on Lancaster Avenue Playing Field boundary – enquiries to be made on planting English Bluebells to enhance the area further next year; Parking at school leaving with vehicles left idling whilst collecting children, to be passed to Community Warden and PCSO for monitoring. More fine chippings requested for Petanque Court to be investigated further for costs; Concerns on closure of Dover Road, Folkestone doctors' surgery received, together with copy of letter received by patients - Councillors agreed to write a feedback to NHS Trust on this unexpected closure and the consequences for residents of Capel.

• **Traffic Management**: Recent meeting with Kent Police and Highways held, on issues raised with B2011 and Dover Hill – replies expected on concerns regarding accidents, speeding, 40mph zone extensions and surface conditions on hill. This is to be followed up with a letter from Parish Council to Kent County Councillor responsible for Highways and Transportation. Parish Councillors would appreciate public assistance, to enhance this ACTION, by reporting ALL accidents (however small), issues or concerns, together with any anti-social behaviour in the village, via – Kent Police on 101 (requesting an incident report number) or 999 if an emergency, together with ALSO informing directly to our PCSO Gretel May (07966 299006), Community Warden Andrew Hawkins (07811 271303) and if you can PLEASE find the time, the Dover District Community Safety Unit email: [csu.dover@kent.pnn.police.uk](mailto:csu.dover@kent.pnn.police.uk) – and Parish Clerk [maureen.leppard@btinternet.com](mailto:maureen.leppard@btinternet.com) who keep lists. This will help support and back-up the Councillors' aim to provide the much needed statistics for requesting help in "MAKING THE B2011 AND OUR VILLAGE SAFER".

• **Planning**: The wait continues to receive notification from Dover District Council as to when the development applications for Land in Capel Street and Land North of New Dover will be considered. **DDC Review of Local Plan**: A working party being put together to consider, meeting with Dover District Council Officers, a village questionnaire and subsequent Public Document on "Future Developments in the Village" ready for any consultation on DDC Review of the Local Plan. If you are interested in helping please contact Parish Clerk in the first instance with your name, address and contact details.

• **Neighbourhood Watch**: Thanks and appreciation was expressed to both dog walkers (who clear up fouling) and other walkers, for taking a carrier bag on their walks and collecting litter around the village – please continue the good work.

• **Play Equipment Status**: Contractors and costs agreed to; Re-mark Multi Use Games Area, Refurbishment of Teen Shelter, MUGA post corrosion and equipment in Junior Play Area. Amount set aside by Councillors from precept, to replace unused equipment with a popular alternative in Junior Play Area in future.

• **Highways**: No further report. • **Public Rights of Way**: Thanks expressed to new Councillor Tony Lake for taking on responsibility for PROW – maps will be made available and provided.

• **Other**: Donations to Organisations concluded for this financial year following requests received for assistance from Parish Precept - cutting of St Mary's Churchyard, a contractor and cost was agreed by Councillors to provide, for 5 cuts/trim during the growing season for one year only. Insurance for forthcoming year was agreed to be with Inspire (AXA) via Came and Company Brokers. Parking on Roads to be monitored closely, including construction traffic on B2011 and grass verge parking, which damages the grass and is extremely dangerous in view of the atrocious and inclement weather the village experiences, especially for vehicles joining the B2011 from a side road. Works by Affinity Water on hold until September noted.

New Speed-Watch site on Old Dover Road being investigated by Community Warden/Councillor for assessment by Kent Police.

Chairman - Thanks expressed to Keith Pilcher for agreeing to serve another year.

## TO COMMEMORATE THE DEATH OF MP, JO COX.

Nationally, a weekend for the community to get together and enjoy new and old friends and neighbours, has been planned for mid-June. **Capel-le-Ferne** will be having **FUN** from **11am till 3pm**, (or 4pm if people are interested in staying), on **SATURDAY, JUNE 17<sup>TH</sup>**, based in the **Village Hall, Lancaster Avenue, CT18 7LX**.

So what has been planned? Something for all ages.

### NEW AGE KURLING

A fast growing popular sport suitable for any age and fitness level.

There will be an opportunity to play and see if you enjoy it.

If enough people are interested there is potential to set up a regular session. As the saying goes, use it or lose it.

### CHERRY, RUBY & AUDREY

Will be manning the kitchen, serving light refreshments. There was talk of "Pimms", but it may be just a rumour.

### MUSIC

Courtesy of local talent.

### CRAFT STALL

Depending on the weather, there will be craft stalls in the car park.

### TRY YOUR HAND AT CRAFT

There will be have a go at craft - with experts available to help with your problems if you're stuck on knitting or crochet - or something simple for newbies if you'd like to try something.

### FETE GAMES

Something to amuse young and old alike.

### JUBILEE FIELD - Nothing formal is planned.

It is public space and can be used for football, games and boule/petanque. If you've never played petanque, there will be a set of boule for you to use and introductions to other players can be made.

"Experts" say social interaction, especially in this digital age, has a significant and positive impact and social contact leads to better health and a longer life. The Police say that, where communities are strong there is less crime and less social tension. Others say, connected communities can tackle challenges better when they tackle them together, they make good things happen and take action, no matter how little that action may be, because small steps make a big difference. The day is just about meeting your friends and neighbours, being sociable and having fun.

If you would like to help (and we would like you to help please) contact **Cherry Leppard (01303 255114), Pam Barr (01303 489006), Brian Williams (01303 243784) or Jayne Stone (01303 211480).** Otherwise just pop in for a while.

At the beginning of 2017 the Trust became a charitable incorporated organisation, a move designed to ensure it can continue to operate effectively. While its new legal status makes no difference to the Trust's day-to-day operations, the new structure means it can continue to carry on its important work with the right safeguards in place. The logo has been amended to reflect the new set up and highlight the fact that the Trust now incorporates the Battle of Britain Fighter Association, the exclusive body which only 'the Few' are entitled to join.

### REMINDER TO ALL WHO WALK THEIR DOGS ON THE BATTLE OF BRITAIN MEMORIAL GROUNDS

DDC have since 2015 imposed a Dog Restriction Order in that dogs must be kept on the lead at all times. This morning I had a bit of an altercation with a lady who apparently has lived here in the village for 15 years and it has never been an issue. It is not the Trust that has imposed this order it is DDC and individuals not happy with should take it up with the Environmental Team at DDC. One of the main reasons this was imposed was due to irresponsible owners letting their dogs defecate and not picking it up, which incidentally this lady did just that and I will be informing the Team about her, unfortunately I didn't get her name but I would not be surprised if she raises the issue. We certainly do not have an issue with people bringing their dogs in the grounds, just a little respect would be appreciated.

Kent County Council has been campaigning for a new Lower Thames Crossing to be built for more than 15 years to relieve the congestion and overloading at the existing Dartford Crossing, which with peak flows often exceeding 162,000 movements per day, has long exceeded its design capacity of 135,000 vehicles a day.

The Dartford Crossing is closed over 300 times per year for an average of 30 minutes, but it typically takes three to five hours for the roads to return to normal following a closure.

A new crossing will provide much needed network resilience and create a new strategic route from Dover to the Midlands and the North, essential for this international gateway with an average of 10,800 HGV movements per day through the Channel ports, which is growing year on year and is forecast to continue to grow by 5% per year. A new crossing will deliver economic prosperity for Kent, the South East and the wider UK, supporting an estimated 6,000 new jobs and add 12.7 billion to the local economy.

KCC strongly reiterates the necessity for Highways England to deliver the upgrades to the connections between the M20 and M2 – including the A229 and A249 – and the wider network improvements desperately needed along the A2/M2 to support the splitting of traffic between the M2/A2 and M20/A20 corridors.

KCC is pleased that the Government has selected the Western Southern Link, which was KCC's own preferred route on the Kent side of the crossing, as this will minimise the environmental impacts and avoids the village of Shorne. The chosen route has greater opportunities for tunnelling or using cuttings for part of the route to reduce the noise and visual impact.

KCC will provide input to the plans as they are developed to ensure that any negative impacts are mitigated and so that Kent's residents get the best deal from this significant investment in the infrastructure.

What must happen now is for Government to give reassurance to those affected by the new road and so KCC will continue to insist that a generous compensation package is provided for property owners affected.

KCC fully appreciates the distress that this proposal has caused to the local community but due to the transport and economic benefits that a new Lower Thames Crossing will provide, we believe this is the right decision for the county, and indeed the country.

In a report produced by the Department for Transport dated 9 July 2003, one of the several schemes then recommended by the study as possibly being justified in the longer term, subject to resolving potential environmental impacts, is the improved Dover access via A2 capacity improvements between Lydden and Dover, effectively dualling the last seven miles.

The Secretary of State is not asking the Highways Agency to prioritise work on the route at this stage. KCC is trying to get the Department for Transport to review dualling of the last stretch of the A2 to Dover.

I have heard "there are A2 extension plans going ahead." This is incorrect. "There are no A2 extension plans going ahead" currently.

*Geoffrey Lymer, Kent County Councillor, Dover West Ward*

## CAPEL-LE-FERNE EVENING WI

Hello everyone. May's meeting for the WI is the month in which we discuss and vote our Resolutions and then the voting results are passed to the Delegate who is representing them at the Annual Meeting which this year is in Liverpool. We were a bit sparse on the ground but our chorus of Jerusalem still raised the rafters. It's a good way of shaking off the day's tribulations and reminds us of the many other Institutes in the WI movement.

This month's speaker was our President who gave us a talk on ACWW (Associated Country Women of the World). Caroline is the East Kent Federation Representative for ACWW and she quite often gets asked what is ACWW and what do they do, including our own Institute. Caroline did a slide presentation and explained who they were and what they did for women throughout the world. The WI is affiliated to ACWW and is the only charity that they can give money to within the WI organisation. Every year the WI's collect 'Pennies for Friendship' which is then sent to ACWW to help with their various projects that they do for women all over the world. They ensure that women are taught about the importance of fresh clean water, growing their own food and selling the surplus, animal husbandry, business structure and how to stand on their own two feet. ACWW buy everything that is necessary for the women to start their business and no monies are given directly to them, this is so that the money is used directly for each project.

Jan Ardley gave the vote of thanks.

We then decided how everyone was going to vote on this year's Resolutions to be passed at the Annual Meeting at Liverpool in June.

There are two Resolutions this year and each one is voted on separately.

1. *Alleviating Loneliness.* 2. *Micro-plastics in our Oceans.* Each resolution is important in its right. Discussions followed for and against each resolution and the Members passed each Resolution. The result is then given to Capel-le-Ferne's Delegate who is Jayne Stone and she will convey the voting at the Annual Meeting in June.

Business was reduced to a minimum but we were able to accept an invitation to Whitfield's birthday meeting on Mon 19<sup>th</sup> June and to get a team up for the Group Quiz on Friday, 19<sup>th</sup> May 7.00pm for 7.30pm at Whitfield Village Hall. Ros reminded everyone that they had to pay their £10 for our Educational outing on River Wey. You can either bring a picnic or have lunch in one of the various cafes/restaurants nearby. Pam Barr gave us an update on the progress of the Toilet Blocks and Water for her African Project. She said thank you to everyone who are supporting her and giving her tubes of Smarties filled with coins. Once again we are playing Skittles at the Fox, Temple Ewell. It is on 14<sup>th</sup> June 2017. We will be having lunch first at the Fox. If you would like to join us for lunch, then please let Coleta Spillett know so that she can add you to the list. Caroline is taking names of those whose wish to partake in playing skittles, so please let her know. If you do not wish to have lunch, then why not come along to join in the skittles or just be a spectator. We would be pleased to see you.

Next month's meeting is 13<sup>th</sup> June when Dr. Bill Lemmer will give a talk on "How to care for someone with Dementia".

Competition: 'Unnamed pointless childhood photo' (If the person whose photo has not been recognised at the end of the competition then that person gets the most points – if that makes sense).

A quick reminder to everyone about our regular events which were on the notice board for everyone to look at, we were ready for refreshments. The evening was rounded off with a quiz organised by Jenny Crocker. Thank you Jenny for that. We will all try harder next time. The competition was something beginning with 'W' and the results – a joint 1<sup>st</sup> Jean Bell & Christine May, 2<sup>nd</sup> Jenny Crocker, 3<sup>rd</sup> Shirley Overal. The raffle was then drawn. Caroline wished everyone a safe journey home and thanked everybody for coming.

I'll round off now – I need to put my feet up and recharge my batteries for the busy June we have in store. This is just a flavour of Capel-le-Ferne WI and if you'd like to join us for an evening, ladies are welcome to join us on June 13<sup>th</sup>. We will be in the small village hall from 7.15pm ready to start at 7.30pm. Either just drop in or ring Caroline on 07885 406433 or 01303 847856. (New Telephone Number)

**A reminder to you all that our next Bingo Session will be on Friday 30<sup>th</sup> June 2017 in St Radigund's Church Hall, 6.45pm for 7.00pm start, so make a note of the date in your diaries.**
