It was a short but profitable meeting this month with a lot of discussion centred around the village fete and stall holders. The worry as usual for any event planned for the British summer is the weather but hopefully 20 July will be bright and sunny. Among the delights planned are a Capel bake off for children, petanque, cocoanut shy, quoits, stalls offering craft demonstration, micro-brewery beer tent, cakes, fruit and veg, hedgehogs, Gardeners Association display and stall, dog training and dancing. There will be cream teas on offer, pizza, pies, and ice cream among other culinary delights. We still need volunteers to help with stewarding and general helping out on the day so if you can offer even an hour please contact Sally on 077304 75838.

Other more mundane but just as important issues were also dealt with. The main hall will be painted during the summer holidays and we are currently planning to do this with as little disruption as possible to our regular hall users. Sue Leaning, our wonderful Lettings Secretary, will be working with the painters to reduce the impact on organisations. Another issue that has come up is the ladies' loos! Now talking about facilities is not something we normally do but the Committee will be obliged to replace the doors of the cubicles before long. We suspect that children are swinging on the doors leaving footprints on the windowsills. This in turn puts pressure on the hinges that are now so twisted, the next time it happens we will not be able to repair but will have to put in new fronts to the cubicles. This is needless expense, and anyone found wilfully damaging the doors or indeed

any part of the hall will be asked to contribute to cost of repairs. On a more positive note, Jarvis Homes have made a donation of £500 towards the cost of building maintenance for which we would like to thank them. The constant upkeep of the hall does require a continual flow of money although thanks should also be expressed to those who repair things ad hoc as and when things crop up – i.e. tap replacement, fixing locks etc. Thanks to everyone who helps out.

A date for our annual Garage Safari has been confirmed as the 1st September and plans are well in hand. One thing that has cropped up and was under discussion at the meeting is the problem of second-hand websites. Former trustees and officials are being contacted by members of the public because their contact details are still listed on 'information' websites. The village hall website, the Facebook pages of both the hall and the Farmers Market all have the correct and current contact details of village hall officials and trustees. As indeed does the Parish Council and local council websites. But we have found wrong details on websites who purport to provide information on venues, village halls etc. In such cases, the website creators have been contacted and the correct details given. But if you find any mention of the hall with the wrong details, could we ask that you contact a trustee so we can make arrangements to get it changed.

Committee meetings are held as ever on the first Tuesday of the month – if you have anything to put to the Committee please contact a trustee and it will be put on the agenda for discussion.

RECYCLING - INSIDE THE HALL

Boxes are provided for:

Used Stamps for Donkey Sanctuary and McMillan Cancer. Bottle Tops are also being collected again.

Please place the above in the relevant boxes.

A big thank you to everyone who puts their used stamps in the box in the Village Hall. Please carry on for these good causes.

It was Easter 2004, 15 years ago, that we opened the doors for the first Farmers' Market in Capel-le-Ferne. Tuesdays, we were told by "experts", would not work, as it was to near the weekend. As it was Tuesday morning, it was the time the main hall was available, the badminton ladies kindly moved their time and Alison's nursery just used the small hall.

Cherry and I had often discussed the possibilities of a market with Jenny Barraclough and Gwen Spooner. We began sourcing stalls and I visited St Margaret's Bay, where I found a very helpful man doing local vegetables. This was Paul, who brought his unbeatable free range eggs – (sadly no longer with us, but Shirley, his wife, is still bringing eggs each week to this day).

In these days of reduced council services, you will be amazed to learn Kent County Council had a department to advise rural communities, including Farmers' Markets. I remember meetings with other market people at Springfield, Kent County Council Headquarters, where we swapped ideas and got tea and biscuits.

We managed to get all the core stalls, meat, vegetables, bread and cakes, with a few craft stalls, including Heather, still with us today!!!

In those early days, queues formed at 10am and it wasn't long before we had to rearrange the format, as customers were waiting in the wrong queue. I do remember the Baker selling out before he could bring his produce into the Hall – (he came with a larger van after that).

Perhaps some of you will remember "grumpy" cheesemaker. He said grumpy was part of a cheesemakers' DNA. Later we sponsored him to cycle part of India.

The Market was the "go to" place on Tuesday morning. Beverages and toasties served by volunteers led firstly by Gwen and then Ruby.

Running it every Tuesday, except Christmas, it has raised a very considerable sum for the Village Hall. Until recently it was run separately from the main Village Hall Committee, although all profit has gone to the Halls' upkeep. I must mention the morning setting up team and the clearer-uppers and all the kitchen volunteers. We should be proud of our volunteer led Market, still going after 15 years.

Debbie has kindly picked up the mantle, as Gwen, Cherry, Jenny and myself stood down. So please keep supporting, as it is your community and in these times, it is good to support each other, because ... "Capel is a great to live – RIGHT"!

There is an app called "Nextdoor".

Have used it for a couple of weeks now and it's a mind of information about local news. You can choose an area Capel, Capel and Hawkinge, Folkestone etc.

And it's the local people who put the news events on the site.

Take a look and you will see how it works.

Might be worth getting other villagers to join.

From the vicarage

Here's a question: is life something just to be got through, or something to be explored?

In Richard Bach's story *Jonathan Livingstone Seagull*, Jonathan is always being told that seagulls only fly so that they can eat. That doesn't suit the young gull – he loves flying for its own sake, wants to know what a seagull can *really* do, and so sets out on a voyage of discovery. I sometimes refer to that story at christenings, the point being that baptism is also intended to mark the beginning of a voyage of discovery that starts in this world and ends in the next.

I was reminded of this recently when my son mentioned finding a dead herring gull in the gutter on Dover Hill. Something had hit it; it had a ring on each leg. Following discussion, we set out with bin sack and gardening gloves, retrieved the body and tapped the number on the ring into the computer. Suddenly, Our Gull had a story to tell.

We learned that GR94363, as Our Gull was known, had been trapped and ringed as a two-year-old in January 2015 at a tip at Pitsea, Essex. At some point Our Gull flew the Thames Estuary, and then the English Channel. He or she was spotted near Boulogne in August 2017, inland at Curgies, near Valenciennes and the Belgian border in December 2017, and finally back on the French coast near Le Touquet in August last year. Jesus once said that though five sparrows are sold for two pennies not one of them is forgotten in God's sight. Our Gull now rests from his or her journeys in this world in a corner of the vicarage garden; remembered both in this world, and in the next. *Brian*

Rock and Rolls Royce at our D-Day event – Sunday, 9th June

Join us at our D-Day 75th Anniversary event on Sunday 9 June, when we will be welcoming some great musicians and some fabulous cars to a very special free event here at the site.

The Memorial site at Capel-le-Ferne will be welcoming the singers of the Folkestone Rock Choir and the talented young musicians of the Kent Youth Jazz Orchestra (KYJO) for two hours of great music, starting at 1pm.

We will also be welcoming the South Eastern Section of the Rolls-Royce Enthusiasts' Club, who will be visiting the site to enjoy a picnic and show off their highly polished, lovingly cared-for machines against the impressive backdrop of The Wing and The Memorial.

Last year's visit by the Rolls-Royce owners saw an impressive variety of these iconic vehicles arrive at the site, from carefully restored vintage cars through to modern day head-turners.

Their proud owners – and other visitors – will this year be serenaded by some great music by KYJO and by the Folkestone Rock Choir, set up in 2011 as part of the national network of rock choirs.

The group meets at Folkestone School For Girls every Tuesday evening at 8pm to sing feel-good, uplifting rock and pop songs. There are no auditions, and choir members don't have to be able to read music – just love singing.

Both groups are well respected and promise to provide great entertainment to mark the anniversary of D-Day on 6 June 1944. While the Folkestone Rock Choir is getting ready for its first visit to the Edinburgh Fringe Festival this summer, KYJO will be playing with the National Youth Jazz Orchestra at the Deal Festival on 29 June.

All the usual attractions of the Battle of Britain Memorial, including The Scramble Experience and The Cockpit Café in The Wing, will be open as usual and admission to the event is free. There is a small charge for parking.

Hello Everyone. At the May meeting our speaker for the evening was John Rivers who teaches First Aid, he told us the difference between a Heart Attack and Cardiac Arrest. He went on to show us, what to do if the patient was unconscious and not breathing and how to do CPR, using models and how to apply different pressures to the adult model, using one hand over the other and pressing with the heel of the hand, and with the child model, using just one hand and the baby model, using just two finger pressure to the beat of the tune "Staying Alive". He said how important it was to keep the CPR going while someone phoned for an ambulance and get a Defibrillator. John demonstrated how the Defibrillator will guide you through the steps needed and inside is a package with a pair of gloves, scissors to help cut away clothing if needed, a shaver for shaving away hair on the chest that will be in the way of the electrode pads, a small towel to wipe away sweat and make the area dry before applying the pads.

John gave honest and sometimes amusing answers to the many questions he was asked and a lot of the members felt so much more relieved and less jumbled of what to do by his explanations. The Defibrillators cost around £800 each but as he points out very cheap when it comes to saving lives. John said in Seattle the success rate is very high as they have Defibrillators everywhere compared with such a few in Britain. John was thanked for his demonstration which will remain with us and received a very big round of applause.

If you would like to give us a try you will be sure of a warm welcome, interesting talks, lots of fun, a chance to meet old and new friends, just come along to Capel Village Hall, Tuesday June 11th 2019, around 7.15 pm.

It was now that time of the year for voting on the resolutions, this year we decided that the decline in Rural bus services and Don't Fear the Smear test, were the most important things.

Christine handed out one of her riddle quiz sheets with 20 questions on Insects, Beetles and Creepy Crawlies to small groups of members, with lots of whispering and puzzled faces and giggling trying to get the right answers and lots of 'oh yes of course' when she revealed the answers to us.

Jean informed us that the jumble sale held in the village hall during April made well over a £1,000 for the Royal Marsden Hospital Charity.

Gwen's part in the sponsored knitting made over £70 for the Rainbow centre, well done for all her hard work.

The Capel W.I. darts team played in a darts tournament and were very pleased with themselves for winning the event. They then went on to win 8 out of 10 of the raffle prizes as well. The successful dart team were Jean, Jan, Eve, Vera, Susan, Debbie, Lynne and Sheila.

The winners of this month's competition "something yellow" was won by Susanne in first place with a pot of Coleman's mustard and matching tea towel. In second place was Pat with a plaque saying "Who needs a fairy godmother, I've got Grandma."

To finish the evening we had the raffle with various prizes for the lucky winners.

This year East Kent Federation of WIs celebrates 100 years since its formation and Capel-le-Ferne Evening WI celebrates 60 years since the first meeting.

As part of these celebrations Capel-le-Ferne WI will be having a coffee morning/open house on July 27th between 10.00am and 12.00noon.

Our scrap books with photos of previous events and highlights of the past 60 years will be on display as will samples of the things we do and information on various activities. Whilst the WI is not just jam and Jerusalem, WI cakes and hand crafted items will be on sale and light refreshments available.

The coffee morning is open to gentlemen as well as ladies, to members and non-members.

Everyone will be welcomed.

We look forward to seeing you at Capel-le-Ferne Village Hall, Lancaster Avenue, Capel le Ferne CT187LX, where there is plenty of parking.

Become travel savvy with unique bespoke travel safety training for Kent's young people

Young people in Kent can now prepare for their adventures abroad by signing up for unique travel safety training that is only available in a limited number of counties throughout the UK.

The Education People, a Kent County Council Local Authority Trading Company (LATCo), has teamed up with a former Metropolitan Police close protection officer to provide bespoke courses aimed at teenagers and young people planning to travel alone or with friends.

Duncan Johnston, director of Kent-based Worldlywise Ltd, will deliver the course and will cover topics including which items to pack, how to stay safe and healthy, and how to avoid becoming a victim of crime, as well as giving basic first aid training. The first course will take place in Maidstone, just before schools break up for the summer holidays and is being promoted using the hashtag #BeTravelSavvy.

The one-day course is designed to give youngsters the skills and knowledge necessary to travel the world safely and is not in any way intended to put them off embarking on a global adventure.

Mr Johnston, who worked for national security in Special Branch during his 30-year career in the police, said: "It's important to remember that the probability of something bad happening while you're away travelling is very low. However, there have been a number of stories in the news recently about holidaymakers, and young backpackers in particular, coming to harm while abroad. The world is probably no more dangerous today than it was when I was a teenager, but young people, and their parents, are more aware of the dangers now and are actively seeking advice on how they can stay safe while travelling."

"The 'Education People' has been fantastic in supporting us and working with us to get this course into schools so young people can benefit from it, and we're very excited for our first course in June.

"I would never want to put anyone off travelling, in fact I would encourage young people to travel as they are likely to have some fantastic experiences and a course like ours can equip them with information, advice and skills needed to keep them safe and healthy and allow them to get the most out of their trip, whether that's a few weeks in Europe or a year travelling all over the world."

Although some travel agents offer safety advice to customers travelling abroad, The Education People and Mr Johnston believe this course is unique as it is one of only a handful in the UK aimed specifically at school leavers and young travellers. The bespoke course will also be tailored to offer advice specific to the destinations attendees plan to visit, which they will be asked to specify in advance. Parents/guardians are welcome to join their offspring in the afternoon for the first aid training and a short question and answer session but the majority of the session, which costs £100 for the full day, will be for young people only.

Mr Johnston added: "We want the young people to feel confident speaking to us and raising issues they may not feel comfortable speaking about in front of their parents or teachers. However, we appreciate parents will also have concerns and questions regarding their son or daughter travelling abroad without them; and everyone can benefit from some first aid training."

Mr Johnston has travelled all over the world throughout his career, including to Syria, Libya and Afghanistan. He has worked with Prime Ministers, Presidents and members of the Royal Family as well as accompanying journalists to warzones. He drew on his experience of developing risk mitigation courses, in conjunction with working with the military, Foreign Office and private sector security companies, for unarmed police officers and civilian police staff working overseas, adapting it for a younger audience travelling for pleasure.

James Roberts, CEO of The Education People, said: "We are delighted to be working with Duncan Johnston and Worldlywise Ltd to offer this course, which will allow Kent's young people to stay safe and healthy while travelling abroad. We would encourage families to register for this course sooner rather than later, particularly if their sons or daughters are planning on going away this summer, as we anticipate it proving popular."

The first travel safety course will take place at Invicta Grammar School in Maidstone from 10am to 4pm on Tuesday, June 25 and is open to young people from all schools. To request a booking form please email Victoria.Parker@theeducationpeople.org. Please DO NOT contact the school. Young people will gain a Highfield Awarding Body for Compliance (**HABC**) accreditation for attending the course.

The Education People and Mr Johnston can also offer travel safety training for teachers and school staff preparing to take pupils on trips abroad. To enquire about teacher training or having a course for young people at your venue.

CANCER RESEARCH JUMBLE SALE

The organisers would like to give a big thank you to all the villagers who either gave jumble, attended, or bought raffle tickets at the recent jumble sale at the village hall, in aid of The Royal Marsden Hospital cancer research fund. Once again we had marvellous support from everyone, and managed to raise £1,005.98. It was good to top the £1,000 mark again. Hard to believe this was our 80th, the years have flown by, but it wouldn't be possible without all of our team members pulling together and of course the generous residents of Capel who always support us without fail. The money has been sent off to The Royal Marsden Hospital who continue to do sterling work, into treatment and research for those in need. Who, after all, has not either had a friend, relative, or perhaps even themselves suffer the trauma of a brush with this awful disease? That's why it's important for us to continue raising funds in whatever ways we can.

So many people go out of their way to make it a success that it is impossible to thank them individually, they know who they are, and perhaps they will accept this as their public thank you.

We would now like to call upon you all to start putting anything you think we may be able to sell to one side for our next jumble sale on 12th October. Don't worry, we will remind you nearer the time about who to contact or where to take it.

Best wishes for a warm and pleasant summer, and thank you once again for your continued support.

The Organisers.

WITH THE BETTER WEATHER NOW! ... BE AWARE ... BE ALERT

Burglars are often opportunists who will target an open window, an unlocked or open door or valuables on display if they think they can get away with it.

Did you know? Most burglaries happen on weekdays, in daylight. Make sure you:

- ** keep keys, cash and expensive items out of view
- ** use timer switches on lights and radios to make your home look occupied
- ** keep gates locked and boundaries secure
- ** lock away bikes, tools and garden items which could be stolen or used to break into your home.

You could also:

- ** security-mark items including bikes, mobiles and laptops
- keep receipts, IMEI numbers and serial numbers safe (also see: mobile phone theft)
- ** photograph and insure expensive or unique items
- ** install a safe, bolted to the ground or a wall, or use a safety deposit box at the bank
- ** register important items for free on the national Immobilise database – this can help us return them to you if they are stolen and then recovered. <https://www.immobilise.com/>

Places where you store tools, machinery and other valuable equipment offer easy pickings to thieves.

You can reduce the risk of having your property stolen by:

- always putting tools and equipment away in a locked place
- disabling lawn mowers and other machinery when not in use and chaining items together to a solid anchor point
- using closed shackle padlocks and installing alarms and security lights.

If your property is stolen, you have more chance of getting it back if it is recovered by us if you write down some details (make, model, serial number and identifying marks) and have pictures of the items.

You can also:

- register your valuables on [Immobilise](https://www.immobilise.com/) - the national secure property database
- security-mark items with a UV pen or a forensic marking solution
- keep hedges and fences maintained and gates locked
- secure hanging baskets to their brackets

If you've been a victim of a burglary, you may need additional help and support.

**Most people
make sure their
homes are locked**

Do you:

- lock up before you go out or go to bed?
- close windows properly?
- keep cash and keys out of sight?

Find out more www.kent.police.uk/burglary

**Most people take
steps to keep
their car safe**

Do you:

- remove expensive items?
- lock and alarm it?
- store keys safely?

CRIME SAFETY UNIT, DOVER. Advice for residents or landowners

Kent Police, local councils and other partner agencies work together to deal with crime and anti-social behaviour where you live.

If you see it, report it. If you are affected by nuisance vehicles, call Kent Police on 101 with details including:

- The dates and times that you have been affected by nuisance vehicles
- The location of the vehicles and what they were doing
- Descriptions of the vehicles and people involved
- Whether the vehicles were ridden to the area, or whether another vehicle was used to transport them.

The information you provide will help us to identify those responsible and take action to prevent them causing problems in the future.

ALL PARENTS WELCOME TO ATTEND

Please ensure you collect your children from the hall, not the Car Park, even on light evenings.

A note to all parents: As part of our safeguarding policy we ask that all children are signed out on club nights regardless to what time you collect them, please don't just collect and go without telling us (It happened tonight). And please ensure all children are collected from the hall, regardless to how close you live, over the road or 5 mins away, kids going home alone at dusk on bikes with no lights or walking alone is not ideal, it's all ok until it goes wrong and then what.

Shepway Writers Group

Are you interested in
creative writing?

Now's your chance to put pen to
paper and write short stories,
poetry, or even that book you've
been meaning to write.

Our informal group meets every
month in Folkestone.

It's free to join, so why not come
along and give it a go?

Contact Graham on
01303 470229 or 07722 560702.

Andrew the Kent County Council Community
