### Benefice of Alkham Capel and Hougham

**During the season of Lent, (1st March until Easter), we are organising a series of Lent Lunches on most Wednesdays at various places around the benefice. For £3 per person, between 12:30pm and 2:00pm, you will be served a choice of soup with bread and cheese. All proceeds go to local charities. Please contact Jerry Spillett on 01303 242146 or by email [jvspillett@aol.com](mailto:jvspillett@aol.com) to find out where the next lunch will be held. Why not come along and enjoy a pleasant lunchtime!**

### From the Vicarage

The other day someone showed me a photograph of a crucifix, and asked me what I made of it. Looking at it, I saw that the figure on the cross was not Jesus, but a gorilla. My first thought was that this might be someone's idea of a joke. But then a closer look revealed that the photograph had been taken in a church. It turned out to be part of an exhibition –an artist's way of pointing to the fact that suffering is not limited only to humans.

The beginning of March coincides with the beginning of Lent this year – the time that leads up to Easter, and the period when Christians think especially about the events that led up to Jesus' death on the cross. Put simply, the cross is not just about the suffering of one man long ago. All suffering is there, and God cares about it all.

At the combined service that we have on the last Sunday of each month, we have begun to offer to anyone who would like it, the opportunity to have others pray for them. Sometimes people ask for prayer for themselves, sometimes for others. Anybody can come. A glance at the Bible shows that people were always going to Jesus to ask for healing, and with our prayers we do the same. Does it make any difference? I have known people who have been prayed for and apparently got better. More often though, people seem to be given the strength just to keep going - which in itself might sometimes seem like a miracle. So whatever is going on in your life just now, why not give prayer a go? There can't be any harm in trying it, can there? **Brian**

### Capel Church Hall Fund-Programme for 2017

**The Colrose 7** – The Colrose 7 will be back with us in St Radigunds Church, Albany Road on Friday 10th of March at 7.30pm (doors open at 7.00). Tickets at £10 might be available to buy on the night but, at the time of writing this report, they are selling quite well and I firmly expect to have a full house on the night, so best if you contact me on 01303 251403 or e mail [johne.oliver22@gmail.com](mailto:johne.oliver22@gmail.com) a.s.a.p. to reserve your tickets and you can then buy them from me, or pay and collect them on the night.

**On Friday 7th of April** we have another return visit when David McCarthy, who is the UK Director of The International Al Jolson Society, will be presenting the film 'Jolson Sings Again' after the many requests last year for him to come back after he showed 'The Jolson Story'. He also gives the evening his own personal twist by including special items of interest. I find it amazing that after so many years since Jolson died, the Society are still finding unique, previously unknown facts and photos, film clips etc about his amazing life. Jolson was the first ever World Super Star and these days it is difficult to appreciate just how big a star he was.

Tickets are £5 which includes tea/coffee and a biscuit and can be paid for on the night, but it does help to know if you are coming beforehand - so again, please phone me or e mail if you would like to join us.

Having had no meeting in January, the February committee meeting was busy. In January the committee held a lunch to thank the volunteers for all their help, as an acknowledgement of the important role the local community play in keeping their hall running. We do still need new volunteers of any age – please think of how many organisations would have to close, if more don't come forward to help keep the hall open. Commitment can be your intelligent input at the committee meeting, your ad hoc help with clearing the hall or in numerous other ways. We are planning a spring clear up, so if there is anything in the hall which belongs to your organisation please make sure it is put away properly. We try to avoid things being dumped in the hall but some things get in under the radar – who, and why, on earth would anyone leave a bedstead there?

The building control report for the new front entrance was briefly discussed and a meeting with the builder, will review the practicality of the work in terms of time and cost – and of doing some of the other maintenance works needed. The new entrance will meet new disabled access legislation as well as being drier than the current entrance.

The replacement stage floor should have been completed by now – apologies to all the hirers who were disturbed by the work, however we are sure everyone understands the importance of keeping the hall safe. Talking of which, the static electrical installation checks have been done and a small number of remedial work is to be done. Quotes have been received for replacing the damaged worktop in the kitchen and window sill in the small hall. It will be quite an art finding time to do the kitchen worktop. If you notice anything which needs repairing, please write it in the comments book in the kitchen.

Thanks to grants from Dover District and Affinity Water, an automatic door has been installed to the disabled toilet. It's even been redecorated (thanks Jenny) in a unique colour. We got off to a bad start with the door when it was mysteriously re-programmed but this has now been dealt with. If 'three old ladies (or anyone) got stuck in the lavatory', instructions for release are inside and outside just by the control panels. The key is on a chain, so there is no reason for it accidentally going home with someone. If there are any other problems please ring one of the Trustees, details in the back of Grapevine.

When hiring fees were reviewed last year, they were not increased. Whilst we try to keep them low, and local residents get a discounted price, they were quite complex. The committee have simplified them and the new fees will apply from September 2017. Letters to clubs and organisations are being sent.

February saw the last boot fair for Capel le Ferne Village Hall – until someone volunteers to run it. Maybe your organisation would like to arrange one as a fundraiser for your club/charity? A huge thank you to Sylvia for all her work, as well as the kitchen team, (their bacon rolls will be sadly missed) and the gentlemen who put tables up and then down. On a brighter note, the Samaritans are learning the ropes with a view to running them from October.

Our new Trustee has already proven his value – he has descaled the water boiler and now has the instruction manual. If there are any problems, rather than trying to solve them yourself, please write them in the book.

We now have information on how we can legally screen films for local residents. We just need to know how many people are interested. It could be you ... let a trustee know.

If you have been inconvenienced now that the mobile library has reduced the number of days and the locations that it calls in Capel remember, the village hall has a wide range of books – and jigsaws - available for a donation. (The money raised is used for maintenance, which you can see we need regularly). We are grateful for all the books and puzzles which are given to us. People are extremely generous; the books are regularly tidied and sorted, any which stay on the trolleys for too long, are weeded and taken to charity shops, including the Pilgrim's Hospice Books shop, British Heart Foundation, Cancer Research, Oxfam, Scope and Mind. So none of them go to waste and they help keep the hall running.

**News from the Farmers' Market**

At last spring is in the air, though the winter hasn't been too bad, all things considered. January and February are quiet months and as the weather improves so more people come to the market, whether as customers or stall holders.

We have a new nursery man – Howard. When the weather was at its coldest, the plants got frost bite, but with the arrival of spring his stock is ready for sale. Time to look at what new plants will give the garden a lift, or something to brighten up indoors.

How much do you know about organic produce? For most people it is about not using pesticides and chemicals in growing or grazing. However to get the organic mark can take several years and requires an annual registration, which potentially increases the cost of the produce. A chat with our stallholders will give you much more information.

Our vegetable man, Paul, uses organic principles on his farm and when you buy local produce from him you know it has been grown in Kent. Identifying his produce is a little more difficult because he goes to Covent Garden before the market so that his customers have the range of fruit/vegetables the modern family expect to see. Talk to him about his farming methods and the organic label.

As summer approaches we can begin to think about the soft fruit season – and mouth-watering strawberries and raspberries from Kevin. In the meantime he has plenty of his apples and pears – available individually, by the bag or mix and match.

Alternate weeks are specialty week – fresh fish from Boy Callum, Italian farmers' treats. The cakes ladies alternate, increasing the delicacies to tempt you. Check with Carol or Barbara to confirm you can freeze them – slice and freeze then in portions.

Ready meals can be found on PJs treat stall, liver bacon and onion, cauliflower cheese and plenty of other meals to just pop in the oven after a busy day or when you're just too tired to cook. Farthingloe Farm will offer meat pies – many regulars but one, cut it in three and freeze two portions. Their sweet treats vary from week to week but include buns, doughnuts and cream slices.

With the improving weather, thoughts turn to salads and outdoor eating. Plenty of choice in the market – smoked salmon, scotch eggs, sausage rolls, cheeses and breads to tickle the appetite. Then there's the weekly Farmers Market Draw, entry is only 50p and all takings go out to winning numbers. Just inside the door.

A postal service can be found in the small hall. The stall holders and stock change from time to time, so it is always worth popping in to see if there is anything of interest.

**Order by noon on Sunday for collection or delivery on Tuesday.**  
**Go to <http://farmersmarketsonline.co.uk> and choose from our pre-selected veg and recipe boxes or pick from the usual producers. Not going to be in? We can leave the food in cool containers to keep your food fresh. Once you have chosen your deliver/pick up options click the buttons below to shop. Why not try our boxes, they make shopping easier and are extremely good value.**

## MORE MONEY WAS LOST TO ONLINE SCAMS LAST YEAR THAN EVER BEFORE

The criminal's aim is to obtain financial information to enable them to empty bank accounts through money transfers or the purchase of goods and services.

The most common scams arrive by email. Here's what to look out for...

- General greeting like 'dear customer'
- Sense of urgency, ie 'act now or your account will be closed'
- Prominent website links can be forged to look similar to the proper address. One different letter means a different website
- Request for personal information such as user name, password or bank details
- Poor spelling and grammar
- Text is contained within an image
- You weren't expecting an email from the company that appears to have sent it

## WHAT TO DO IF YOU RECEIVE A SCAM EMAIL

- Do not reply or contact the sender
- Do not click on links or open attachments
- If you have already clicked on a link and opened a website, do not give out any personal information
- Delete it!

## SOME OF THE MOST COMMON SCAMS

Computer viruses  
Fake websites  
Online shopping  
Phishing emails  
Relationship scams

## IF YOU THINK YOU HAVE BEEN A VICTIM

- Contact your bank to stop any payments being taken
- If you have lost money, it is possible your Credit Card Company or contents insurance may cover the loss
- Get your computer checked for any malware or Trojans that may have been installed
- Report it to the Citizens Advice consumer service on 03454 04 05 06, or tell the Police.

## **CAPEL-LE-FERNE PARISH COUNCIL**

### **Summary of some items discussed at meetings**

### **on Tuesday, 21<sup>st</sup> February 2017**

• **Requests from public to address the Council, Surgery and Other Feedback:** Lack of cats eyes on B2011, provision of disabled access on Old Dover Road clifftop to benches. • **Neighbourhood Watch:** Community Warden continues to investigate any incidents reported. Removal of concrete base for flag pole at St Radigund's Church to be monitored. "Capel Cares" progressing with volunteers waiting DBS Checks. Notification of items of interest can be obtained via NHW scheme emails and Facebook page. • **Equipment status report:** Vegetation removed from surrounds of the MUGA and a broken down tree from the BMX Trail. Reinstatement of markings on the MUGA and refurbishment of football area goal posts to be investigated on costs. • **Highways and Public Rights of Way:** Councillors continue to lobby Kent Highways on the relocation of the 40mph speed limit zone on B2011 and the 20mph on Old Dover Road in view of the impending new development of 40 new houses. Cracks on B2011 reported to Kent Highways, also the replacement of the chevrons at Courtwood Roundabout. Speeding around the village of great concern to Councillors and the reinstatement of the SpeedWatch Scheme (see below), hopefully will help make drivers aware and slow down. Parking on grass verges (see page 9). • **Planning:** Land South of New Dover Road (Jarvis Homes) – Work to commence in March and estimated to take two years to completion. Street name to be consulted on with Developers and Dover District Council – Councillors request to be in keeping with the "royal" theme in the village. Land North of New Dover Road (Quinn Estates) – waiting Dover District Council Planning Committee meeting date when this will be discussed and decision made. Councillors would appreciate, if as many residents as possible could attend this. Land 107-127 Capel Street – Closing date for comments 10<sup>th</sup> March (see front page). • **Other:** Commemorative bench, further waste bins, donations to organisations, use of Village Hall old post office room and Wi-Fi, are some of the other items being considered by Councillors.

Kent County Council is looking into the feasibility of a number of small lorry parks across the county to help alleviate illegal lorry parking. The new parks would be run as a private and public partnership. KCC will work closely with the private sector to identify what funding options exist to deliver the sites. Leader of Kent County Council Paul Carter said "We are taking action to find a solution to the widespread problem of illegal lorry parking in Kent. These illegally parked lorries are a blight on the county, anti-social and dangerous. I believe a series of intelligently placed small lorry parks would alleviate this problem and, if we put these plans in place and drivers have somewhere safe and secure to park overnight, I am confident the police will support the plans by imposing tough enforcements on lorries parking in unauthorised places." It comes as KCC launches a consultation into overnight lorry parking, preventing lorries going along rural roads and minimising their impact on local communities. The Freight Action Plan sets out five ongoing actions for managing freight through. The five priorities are:

- To tackle the problem of overnight lorry parking in Kent
- To find a long term solution to Operation Stack
- To effectively manage the routing of HGV traffic to ensure it stays on the strategic road network for as much of its journey as possible
- To take steps to address the problems caused by freight traffic to communities
- To ensure that KCC continues to make effective use of planning and development control powers to reduce the impact of freight traffic

KCC has already successfully delivered a number of initiatives to mitigate the impact of freight traffic through the county. This includes lobbying government to achieve £250 million of funding for a permanent lorry holding area as a solution to Operation Stack. The demand for overnight parking is growing as the volume of cross-Channel freight increases.

Visit [kent.gov.uk/freightactionplan](http://kent.gov.uk/freightactionplan) to download a draft copy of the Freight Action Plan and fill in the online questionnaire. If you require this document in any other format or language, please email [alternativeformats@kent.gov.uk](mailto:alternativeformats@kent.gov.uk) or telephone 03000 421553 (text relay service number: 18001 03000 421553). This number goes to an answer machine which is monitored during office hours. Consultation responses will be used to help produce the final version of the Freight Action Plan.

The consultation closes on March 12.

### PARISH COUNCILLOR'S REQUEST PLEASE DO NOT PARK ON GRASS VERGES

It has been noted that parking on the grass verges everywhere in village is on the increase.

#### New Dover Road (B2011).

This can be dangerous and could lead to visual obstruction when exiting side roads.

With the daffodil bulbs now blooming, it damages the flowers, which are the envy of many.

Replacement/reinstatement of bulbs and grass can be costly to the Council.

#### Capel Street.

Some residents cut the grass verges outside their properties to enhance the appearance of the Street. Parking on the verges is not only annoying for them, but can leave the grass damaged and unsightly.

# Heroes Wanted.

**Our biggest-ever litter campaign, the Great British Spring Clean is coming, and we are looking for half a million litter heroes to help clean up our country.**

The #GBSpringClean will take place from March 3-5, 2017, and is being supported by, among others, TV naturalist and writer Steve Backshall, the BAFTA award-winning **Deadly 60** presenter. "Litter dropped in a British street is a horror show for wildlife, so many animals are injured and even die from the things we throw away. This is such an important issue and I'm proud to be supporting Keep Britain Tidy and their campaign – the Great British Spring Clean."

The campaign is being backed by the RSPCA, the Marine Conservation Society, Keep Wales Tidy, McDonald's, Greggs, Harrogate Spring Water, Lidl, Costa and many other organisations.

We need your help to make your neighbourhood and our country a place we can all be proud of.

### Welcome to a New Year – and a new era

At the beginning of 2017 the Trust became a charitable incorporated organisation, a move designed to ensure it can continue to operate effectively.

While its new legal status makes no difference to the Trust's day-to-day operations, the new structure means it can continue to carry on its important work with the right safeguards in place.

The logo has been amended to reflect the new set up and highlight the fact that the Trust now incorporates the Battle of Britain Fighter Association, the exclusive body which only 'the Few' are entitled to join.

### Capel-le-Ferne Bowls Club

#### NEWS

Well the New Year is under way but not so the bowls club.

Despite numerous attempts by the committee to drive up attendance and entice new members the club remains in the doldrums, and we can't blame that on Brexit.

So with the spring fast approaching, let's get a spring back into our step. If your worried about coming out at night have a word with a committee member and we will try to arrange to pick you up and take you home. If you feel there is something not right at the club, let a committee member know.

On a more cheerful note, the club competitions are going well and the presentation evening will be on the 29<sup>th</sup> April at the Folkestone indoor bowls club. The menu will soon be on the board. We hope you can all make it. Put it in your diary.

The winter league team are doing remarkable well considering the difficulties we have faced this season and at the time of writing were holding forth place in division one.

Easter is on the way and it's time for Bowls and Buns, two games of Bowls followed by delicious hot cross buns, Friday 14<sup>th</sup> April

Put it in your diary.

The bowls AGM will be on Monday 24<sup>th</sup> April and nominations for committee members will be on the board, get your name down if you would like to come onto the committee, we believe Donald Trump and Tony Blair are both interested in putting their names forward, SO please don't let them get in. Do you have a proposal for the AGM? Then let a committee member know.

Happy Bowling

### Capel Twinning Association.

On 27<sup>th</sup> January the Capel Twinning Association held its AGM at which thirty nine members were present. Before the meeting a light soup lunch was served to get everyone in the right mood!

The meeting heard that the past year had been a successful one, with membership numbers holding up, and activities well supported. The highlights of the year were a summer trip to the Baie de Somme preserved railway preceded by a splendid lunch, a fantastic annual dinner which also took place in France, and the formal formation of a new twinning partnership with Vielle Eglise, a village about 10 miles from Calais, not far from our original twinned village of Oye Plage.

At the meeting two committee members retired after several years of giving tremendous support to the Association, and were replaced by the election of Carolyn Williams and Tony Dyer joining the committee for the first time. Plans for 2017 are well advanced, and the inauguration of our new twinning agreement will be a visit on the 29<sup>th</sup> April by a party of new friends from Vielle Eglise, when we shall be helping them make their acquaintance with the village.

New members are always welcome- it costs only £5 per year to belong – and if you enjoy all things French, there will be much to interest you.

Simply contact the secretary for more information.

## CAPEL-LE-FERNE EVENING WI

Hello everyone well another month has gone by. February was one of those strange months where one minute it was raining and the next minute we had snow with sunshine in between. The daffodils that were planted last September/October and were added to the previous year's ones that were planted are all coming up and ready to show their yellow heads. Hopefully they will give us a wonderful display of colour once more. The President welcomed all members to our February Meeting.

Everyone stood to sing Jerusalem and the meeting commenced. February's meeting was to be a very informal and entertaining evening. We did not have a speaker this month as we felt it would be good for members to catch up with each other and have a chat together, which included a 'Fish & Chips Supper'. This was followed by our very own Pam Barr giving us a slideshow presentation on an update on her trip to Africa which she did last February. If everyone remembers who were not at the meeting, we all helped Pam collect pencils and rubbers for her to take with her so that each student has their very own pencil and rubber. Well Pam took 11 kilos of pencils and rubbers with her which left very little room for her clothes. The competition was 'Anything Fishy' - 1<sup>st</sup> equal Barbara Heath and Jenny Croker, 2<sup>nd</sup> Eileen Ruthwell.

The Speaker for March Meeting, Tuesday, 14th March, of which the speaker will be Mr Tony Cooper- who will give a talk on 'Why Women are such Good Storytellers' Competition = 'Something with the Letter 'M''. All new members are most welcome. As usual all our members have a busy month ahead with their knitting, crafting and crochet. Not to mention Darts, Book-share, Home and Economics, Scrabble and Lunch Club. Never a dull moment at Capel WI. I will give you a list of our forthcoming meetings including a forthcoming Summer Barge Trip with the Barge being pulled by a horse. , We are hoping to do another Skittles Afternoon, etc. So keep listening and reading. Sorry it is a short report this month. I do not know where the days and weeks go to before you know, we are into the next WI meeting. Every-one keep safe and hope that we have more sunshine than gales, wind and rain.

**Do not forget our first Bingo in St Radigund's Church Hall on: Friday 28th April 2017 at 6.45p.m for a prompt start at 7.00pm, with a good helping of 'Scattergories' in the interval.**

**So please try to encourage as many people as possible to come along.**

**Notes for your diaries:**

**Friday 30th June 2017 – Bingo – St Radigund's Church Hall**

**Friday 29th Sept 2017 – Bingo – St. Radigund's Church Hall**

All new members and visitors are most welcome, so why not come along and give us a try. Well I will say Bye for now and have good month and keep safe. . Take care and talk to you all again next month.
