OK so now mark this date in your diary – 20<sup>th</sup> July. The Village Hall Committee working with other organisations within the village will be organising a Community Day/Village Fete on this day to which everyone is invited. Details have yet to be finalised but everyone in the village is invited to take part whether by having a stall (any eggs, plants, jams, clothes etc. to sell?) or by helping on the day or by just coming along and enjoying yourself. More information will be forthcoming but don't forget to save the date and get planning now.

Also under discussion by the Hall Trustees are plans for the next five years. The village is growing which means the Village Hall must grow with it. Our main halls are generally booked up during the week both day and night for the various activities run by local organisations such as judo, playgroup, youth club, short mat bowls and the bridge club. And increasingly, the weekends get booked for private bookings and lately we have been turning away bookings as the main and small halls are already booked. Our BBP (or Big Business Plan) will contain all sorts of things such as possible building work, fundraising activities, possible new events etc. However, to deliver this effectively we need help. And that's where you come in. We would like your opinion on what you think is needed and seek your comments on the following three questions:

\*\*\*\*\*

Do you consider there is need for another main meeting room within the village hall?

-----  
 -----

Can you suggest ideas on fundraising activities so that we can raise funds to carry out any necessary improvements?

-----

What other facilities would you like the hall to provide- i.e. a computer suite, function bar facilities, extra kitchen aids, early learning classes and vocational qualifications, life skill classes?

-----

And finally, is there anything else you would like to add?

-----

If you could copy and paste these answers and send to [eures1994@yahoo.com](mailto:eures1994@yahoo.com) to be considered by the sub-committee putting together the business plan, we would be very grateful. A copy of these questions is also available on the village hall website [www.capelvillagehall.com](http://www.capelvillagehall.com). Alternatively, for those without access to the internet you could leave a copy of these questions (with answers) at the village hall. We will publish the results of this in a later edition of the Grapevine. We look forward to receiving your comments and thank you.

### Farmers Market Diary

January and February are usually quiet at the Farmers Market, so it has been great to welcome new stalls over the last couple of weeks including Mary Mint and the Two Baketeers. The former makes halloumi with 100% local milk and have various types including honey and black pepper which is great grilled and then added to savoury couscous while I can personally recommend the apple strudel and strawberry cheesecake buns of the Two Baketeers. They also produce gluten free cakes and buns so great if you have a wheat allergy. We also now have Scrummies who produce all sorts of pickles (including onions and eggs) and jams and preserves as well. Our regulars are also there including

- Marsh Produce Ltd – Local meat including poultry, sausages, bacon, beef, pork, lamb and game as well as milk and cheese
- Shirley 's Farm – Free range eggs
- Sprinkles Catering - A variety of homemade cakes with always something yummy to try! Their fruit cake is fantastic.
- Farthingloe Bakery - Bread, cakes, meat pies, fruit pies & pastries.
- Clive's Veg - Fresh fruit and vegetables including wonderful cabbages, kale and
- Heathmoor Jewellery - Handmade Jewellery, made with crystals and gemstone, as well as keychains and scarves! Beautiful pieces perfect for all occasions and gifts!
- Carol - knitted gifts and crafty surprises!
- Margaret - Beautiful handmade cards and gifts, perfect for all occasions!
- Gwen - Beautiful handmade crafts perfect for anytime of the year!
- Helen from Sunny Bank Studio will be joining us with a collection of vintage craft with a twist
- Post Office - stamps and all the usual services as well as some local honey.

Plus, books and jigsaws AND the volunteer cafe serving tea, coffee and tea cakes.

Very soon there will be stalls selling plants and shrubs as well as Dave with his wooden household and garden items

So come on down to the village hall on a Tuesday between 10am and 12.30 and sample some of the goodies for yourself!

### From the vicarage

As I write, it is the day after St Valentine's Day. While shopping earlier I found yesterday's left-over roses being sold off, and the shelves beginning to fill with Easter Eggs. It won't be long before we are shopping for those too, and cheerfully parting with our money in the process.

Before Easter comes Lent – the 40 days of which I had never really thought of as a business opportunity for anyone until this morning, when the phone rang. Here I should explain that there are companies that sell churchy things, everything from communion wine to altar cloths. Their brochures arrive in the post, land in a corner of my office, and stay there until we either order something or throw them out. But one of these companies, I learned, wants to get to know me better - with Lent approaching they had thought to give me a ring. I spent the next few minutes reassuring their sales rep that I have palm ash for Ash Wednesday, palm crosses for Palm Sunday, and will contact him if I need any Easter candles. We were on first-name terms by the time I hung up.

By tradition Lent, as you may know, is a time of prayer and fasting. It recalls the stories from the gospels of Jesus being led by the Spirit into the wilderness, resisting temptation with words from scripture and coming through it all unbroken. For Yours Truly, it will be 40 days of prayer, Bible reading and probably no cake (sigh!) and perhaps for some of you it will also be a time of denying yourselves a favourite treat, and we shall all arrive at Easter the better for it.

But making money out of Lent? I had never thought of that... *Brian*

### **Masterful Moggies at RSPCA Canterbury and District Animal Centre**

RSPCA Canterbury and District Animal Centre has lots of 'Masterful Moggies' who are in the prime of their lives and have sadly found themselves looking for new homes. These cats have spent their whole lives in a home and are desperate to return to their home comforts. The centre always has older cats in need of new homes but currently there are an unusually high number of cats aged 8 to 18 years who have found themselves having to start again. Cats now commonly live well into their late teens and early twenties so an 8-year-old cat is still very much in their prime with many years of enjoyment to be had.

Last year at the centre cats under the age of 8 years old spent an average of 30 days waiting to be adopted while cats aged 8 years old and over had to wait for over 100 days before finding their forever homes.

There are many reasons to adopt a Masterful Moggy and here are just a few:

If you're looking for a companion to spend your evenings watching TV with then an older cat is perfect. They stay close to home and appreciate the comforts of a sofa while younger cats are much more likely to be out exploring and hunting!

If you're out at work during the day an older cat will be much less likely to run riot and cause mischief than a kitten or young cat!

With an older cat you know exactly what you're getting personality wise, a young cat is still changing and developing and may not turn out to be the companion you wished for.

#### **Some of the Masterful Moggies waiting for homes:**

Beautiful Candy is only 8 years old. She came from a household of 46 cats. Candy is a very sweet and affectionate cat who would love a home of her own with no young children or animals. She is in good health and will make a lovely companion.

A comfortable lap and tasty food are the most important things in Timmy's life! He is 10 years young and likes nothing better than to sit on a lap and relax. Timmy still plays with his toys and likes to watch the comings and goings from his cattery pen. He would love a home with a garden to potter around in.

At 18 years Tammy is the oldest cat at the centre looking for a new home. Her owner became unwell and sadly could no longer look after Tammy. Tammy is in excellent health and has clearly been very much loved and very well looked after. She would love a retirement home to spend the rest of her days.

All of the cats at the centre have been health checked by a vet, any medical concerns are investigated and full veterinary history of the cats is available to adopters. All the cats have been neutered, vaccinated and treated for fleas and worms.

If you would like to find out more about the cats looking for homes then please give the centre a call on 01227 719113 or email at [info@rspca-canterbury.org.uk](mailto:info@rspca-canterbury.org.uk)

### **Encountering Dogs While Running**

Staying calm is a wise idea. Adding any sort of excitement to the situation is counterproductive. Slow down, walk or stop. Speed is intoxicating to many dogs, who give chase to anything that's moving such as squirrels, cats, dogs and runners. It's annoying to interrupt your run, but it beats being bitten. If you are wearing sunglasses or a hat, take them off. Many dogs are scared of people wearing such accessories and charge or chase out of fear. If you remove them, some dogs realize you are just a person, not a monster, and ease off.

## **Churches' Conservation Trust.**

St Mary's has been inspected, and the contractors have satisfied themselves that it is safe for it to be reopened for visiting. They have assessed that the church is safe to reopen following these precautions, as the wooden beam above the door is strapped and structurally secure. They couldn't see any further timber at risk of falling.

The maintenance contractors visited the church last week to carry out the routine six monthly check (clearing the gutters, gullies and drains) and removed the padlock and sign so the church is now open again.

## **Blue badge cheat faces £750 bill after Counter Fraud Team prosecution**

Kent County Council's Counter Fraud Team has secured its first prosecution as it cracks down on blue badge misuse in the county.

Laura Halford, of Watling Street, Dartford, appeared before magistrates where she admitted fraudulently using her grandmother's blue badge to park in disabled parking spaces.

The 31-year-old was convicted and must pay costs of £750 after pleading guilty to four counts of fraud.

Under the rules governing the blue badge scheme, it is a criminal offence for a badge-holder or anyone else to misuse the badge and doing so will probably result in a £1,000 fine, the confiscation and possible permanent loss of the badge.

The authority's civil enforcement officers issued her with a penalty charge notice after CCTV footage showed Halford parked in Buckhurst car park on January 2, 2018.

Halford admitted false representation for the display of a blue badge and possession of an article for use in the course or connection of a fraud.

Paul Rock, Counter Fraud Manager, said: "The vast majority of Blue Badges in Kent are used correctly and where there is an allegation of misuse we will investigate."

"As a council, our focus is on correcting behaviour through education and working with district and borough councils to ensure compliance.

We take blue badge fraud extremely seriously and there will be more prosecutions expected in the near future."

The day to day enforcement of the scheme in Kent is undertaken by district, borough and city council parking enforcement officers.

More serious allegations of misuse, such as suspected application fraud, forged or counterfeit badges and persistent misuse are referred to KCC's Counter Fraud Team to investigate. This team sits within internal audit and deals with all fraud and similar crimes affecting the council, including blue badge misuse.

In cases where there is strong evidence of misuse, the suspects are interviewed or if there is strong evidence of dishonesty, then KCC proceeds with a prosecution.

Parking in a disabled bay without displaying a blue disabled badge, just because it is conveniently close to a supermarket entrance, will also attract similar attention.

Since April 2018 the service has received more than 130 reports of misuse. In response.

One has to realise that misusing a blue badge or falsely obtaining a blue badge is a criminal offence, for the unlawful user often obtains a "pecuniary advantage" by frequently obtaining parking for up to three hours or more in restricted areas where non blue badge holders would possibly incur a parking charge.

Once the fraudulent user is convicted of a disabled badge offence, it does not end there. If they fail to declare the conviction (which also includes a caution) when applying for car, house and many other insurances, then once more the applicant could commit a further criminal offence by obtaining insurance at a lower rate, than had they declared their criminal conviction.

The criminal conviction could also affect certain job applications or would have to be declared to their current bosses and often recent criminal offences can affect ones entry to certain countries in the Far East and the USA to name a few, creating a problem for holiday makers!

In order to help tackle abuse or blue badge fraud, residents who see a badge being misused are asked to inform KCC by reporting it online at the

## Have you checked your dog's chip lately?

### If I get lost I can't talk so .....

I can't tell anyone my address, I can't tell them your phone number, I can't tell them your name but .....

### ***My Microchip can!***

So please .....

1. Pop into your Vets, Groomer or Dog Warden and ask them to check the chip is still working and get the identification number.
2. Use - [Check-a-chip.co.uk](http://Check-a-chip.co.uk) to find your chip company.
3. **Most importantly**, check with your chip company that the details they hold are correct.

It is now law to have your dog microchipped. Many dogs that are found never get home to their families because their chip details are out of date, please don't become one of those!

Hello Everyone, It seems like the weather is getting a bit warmer at the moment and fingers are itching to get started on the garden, but perhaps we should not hold our breath just yet until at least the end of March as our weather is so unpredictable.

At the February meeting when members were all seated at the tables Glynis informed us of future events that we might be interested in and kept everyone updated on W.I. matters. She then gave out birthday cards for the month but as it was Lynne's birthday that day we all sang Happy Birthday to her.

Ros kindly picked up our fish and chip orders and once the boxes were given out to the right people we all tucked in and enjoyed. After they were eaten we had tea and coffee brought in to the tables. When all the finished boxes were cleared away a vote of thanks was given to Ros.

Pam gave us an update of her charity trip to Malawi with her friend Lynn last year, to show what happens to all the charity money they collect. Pam had a slide show of the school toilet block, the old one had just 2 toilets for around 1,300 girls and the new block has 10 toilets and 2 showers which helps a lot as some girls stay off school when they have a period, so this will really help them.

We were shown slides of the new crops of vegetables including Nsima meal that is very popular. The slide show also shows the borehole they had completed, which can be 30 or more feet deep which is not only used by the school but for many local people around the area too.

While at the school they saw that the blackboards were in a very bad state so they had a carpenter fix 12 new boards which Pam and Lynn then painted with 2 coats of blackboard paint on each. While in the area they explored a little further and saw men coming from the mountain forests with loads of wood strapped to their bikes and a game reserve with different wild animals including a day old baby giraffe hiding under its mum's legs. On Pam's next trip to Malawi she wants to help with getting the school playground made safe as it is full of tree roots lifting up the slabs and in a terrible state so they are trying to raise the funds to do this next. Pam was thanked for her interesting talk. Next came the raffle with some nice prizes to be won by the lucky winners, followed by the shell competition, in 1<sup>st</sup> place was Jan with her pretty pearl coloured shell 2<sup>nd</sup> was Suzanne and 3<sup>rd</sup> place was Glynis. The evening then came to a close.

**If you would like to give us a try you will be sure of a warm welcome, interesting talks, lots of fun, a chance to meet old and new friends, just come along to Capel Village Hall on Tuesday March 12<sup>th</sup> 2019 at around 7.15 pm.**

## FOR INFORMATION

As part of Kent County Council Public Rights of Way and Access Service - Capital works programme and Developer contributions, repairs and improvements to Bridleway ER252 (New Dover Road to Capel Street) are taking place in forthcoming weeks when weather improves.

Please inform Kent Public Rights of Way if you have any concerns regarding these works. All information in letter, map and specifications attached on Parish Council website, on following link <http://www.capel-le-fernepc.kentparishes.gov.uk/wp-content/uploads/2019/02/Scan.pdf>

### \*\*\* UPDATE \*\*\*

The works on Bridleway ER252 (New Dover Road to Capel Street) have been postponed while we obtain an ecological survey on the area. The British Horse Society has been involved in discussions on this project and the substrate will be modified in accord with their recommendations for path surfacing where possible. The trees and vegetation due to be removed will be subject to the ecological survey and widths varied accordingly. We have been requested to carry out these works to benefit all users of this Bridleway which are not exclusively for Horse riders and include wheelchair users, cyclists and children attending the local school.

Kind regards David Fleck, KCC Public Rights of Way Officer.

*Your local Parish Councillor Tony Lake has been in communication with PROW Officer on this project.*

## PROSPECTIVE CANDIDATE EVENT ON MONDAY 4 MARCH 2019 AT 6PM

**Are you up for a challenge? How well do you know your community?**

**Could you represent local people? What can you bring to local democracy?**

The next Parish Council elections will be held on Thursday 2 May 2019 and now is the time to discover whether you've got what it takes to be a local councillor. You don't need to be a member of any political party – but you do need a genuine interest in what happens in your local area.

Councillors come from all walks of life, age groups and backgrounds, so don't rule yourself out just because you think you don't fit the councillor 'mould'.

To become a candidate you must be:

- a British, qualifying Commonwealth or European Union Citizen
- at least 18 years of age.

In addition to those two qualifications, you must also:

- have an entry on the electoral register in the Parish or Parish Ward in which you are standing as candidate, and/or
- have lived, worked or owned property in the Parish Council area or within 4.8 km of the Parish for the whole of the previous 12 months.

**An event for prospective candidates will be held in the Council Chamber at the Council Offices in Whitfield on Monday 4 March 2019 at 6pm.** It will cover how to complete the required paperwork for standing as a candidate at both District and Parish Council elections and nomination packs will be available for collection at the end of the presentation.

**To reserve a place at the event please email the Elections Team on [elections@dover.gov.uk](mailto:elections@dover.gov.uk) or call 01304 – 872344.** Please note that space is limited due to the size of the venue so booking is advised.

For any queries regarding electoral matters or to receive a nomination pack by post please contact the Elections Team using the details above.

Further information on standing as a candidate can be found on the Electoral Commission website – [www.electoralcommission.org.uk/i-am-a/candidate-or-agent](http://www.electoralcommission.org.uk/i-am-a/candidate-or-agent)

## HMRC Scams - More Developments

**We are continuing to see an increase in reports on HM Revenue and Customs (HMRC) scams as well as changes to how they can trick you.**

### How it works:

You may receive a "Delivered by hand" letter prior to the phone call.

Scammers can "spoof" their numbers so it may look like the call is from an official HMRC number.

The scammer claims there is an overdue tax bill or the resident has been overpaid tax credits.

They say the resident must pay up immediately or they will be taken to court where they could face 5 years in prison or someone will come to their address and collect goods to that value.

In some calls, the scammer claims to be a police officer and says that an arrest warrant has been issued.

### How they are asking for payment:

By bank transfer and to send a photo via WhatsApp to prove the transfer has been done or Buying iTunes, Google Play or Amazon vouchers and either sending a photo of the voucher codes via WhatsApp or phoning the numbers through. These calls are not being made by HMRC!

### What to do:

Hang up and don't return their calls. NEVER disclose any personal information such as bank details or date of birth, no matter who the person claims to be. Contact HMRC if you're worried about a call you've received

If you have already given money to scammers, contact Kent Police by calling 101

### Report it

For advice and to report issues to KCC Trading Standards contact
