We were asked recently what we did at the village hall meetings. It's a good question. These tend to follow a pattern as certain things get discussed every month. Maintenance, communications, finance including lettings, and fundraising activities all have a regular spot on the agenda. Also each trustee has the opportunity to raise any particular issue particularly if he/she represents 'as many representatives as are necessary to cover the various organisations in the Parish of Capel-le-Ferne' – the last a direct quote from the trust deed and constitution that governs the actions of the committee of which there are currently eleven trustees. Matters arising tends to take up most of the evening's debate. Currently under discussion are the forthcoming village fete, the changeover affecting the Farmers Market and the painting of the main hall. The village fete is also being managed at sub-committee level as everybody on the committee has volunteered to either organise or take part in it. This means that we are currently holding two meetings a month. The trustees also communicate widely by email and phone between the meetings. The Farmers Market has had a successful handover and is looking forward to better weather where the outside stalls can start to shine. The community café is still going strong and Ruby and her teams of willing volunteers are kept busy with the demand for teas, coffees and the odd toasted teacake. The painting of the village hall has been arranged although we are waiting to hear about some possible funding before we arrange a date and make final arrangements with hall users.

On the subject of fundraising we are planning a quiz night and a horse race (not a real one as I think Fred would have heart attack in the cleaning up required afterwards) to raise funds for forthcoming improvements to the hall – these will be outlined in our 5 year business plan which we also hope to have ready in a couple of months. Thanks to all those who contributed. And while on the subject again a huge thank you to all our volunteers without whose hard work the hall couldn't function. Whether it's taking stuff to the tip, putting out (and back) tables and chairs for the café and helping stallholders at the Farmers Market, sorting out books, meeting people to discuss maintenance, insurance or letting out tables or just generally helping out, your help is greatly appreciated. Occasionally we have guests to the meetings like the St Johns Ambulance who spoke to us on defibrillators or residents who have an interest in a particular item. They obviously don't have voting powers in whatever is under discussion but often have excellent points to raise. We do need to know of intentions to attend, however. So in general the meetings tend to be quite busy and can go on for a while depending on whether we get side tracked by sudden ideas and new brainwaves. Meetings are minuted as per the constitution. We welcome any input from residents on issues and are happy to feed these into the committee – details of trustees can be found on the contacts page. If you wish to attend then please also contact the trustees. We look forward to hearing any ideas – or offers of help!

RECYCLING - INSIDE THE HALL

Boxes are provided for:

Used Stamps for Donkey Sanctuary and McMillan Cancer. Bottle Tops are also being collected again.

Please place the above in the relevant boxes.

A big thank you to everyone who puts their used stamps in the box in the Village Hall. Please carry on for these good causes.

Thank you to everyone who turned up at our Easter Farmers Market on 16th April. The Easter Egg Hunt held by the Farmers Market was to raise funds towards The Demelza Hospice. A big thank you also goes to Jo for all the help arranging the Hunt. It was a busy Market and a good time was had by all.

Now that it feels a little like Spring, the Farmers Market will have a lovely selection of spring vegetables and fruit. We are expecting the first show of asparagus and hopefully in the middle of May the first signs of Local Grown Kentish Strawberries. Mary Mint has just launched a new range of feta cheese. It looks and taste lovely. This could be an ideal treat or gift. We will of course have all our regular stalls at the Market available every week, bringing your local and fresh produce for you to enjoy. Of course we must not forget the amazing selection of homemade and local crafts lovingly produced for your enjoyment. See you all in May.

The Easter Egg Quiz at the Farmers Market was enjoyed by the children.

Mylie from Folkestone was picked out of the hat to win a large Easter Egg.

£13.00 was raised and given to Delmelza House.

From the vicarage

On Sunday mornings at the church where I served as a curate a small group of familiar faces would gather in one corner, just as the service began. Mumbling their way through the hymns and hardly ever going forward for communion, or even a blessing, they knew that after the service everyone stayed on for coffee and biscuits. They always chose the nearest corner to the coffee urn, and as the last chords of the final hymn died away the biscuits would start to disappear.

Jesus once compared God to someone who, his invitations to a banquet having all been turned down by those for whom they were intended, then told his servants to bring in anyone they found on the streets or in the hedgerows. For me, that small group always brought that parable to life – here were not just characters in a story, but real people from the streets and hedgerows for whom free church coffee and biscuits might easily have been breakfast.

As I write, Easter is still a week away and once again, in church, we are thinking of what led up to Jesus' crucifixion and that first Easter, and the parts played by those whom Jesus chose as his friends in what happened. They were not just characters in a story, but real people who, just like us, could get things wrong, fall out with each other and maybe even turn their backs on a friend at the worst possible time.

But Easter is about new beginnings. Convinced that he was risen from the dead, those same friends set about spreading the news that people still talk about today. It reminds Christians, that God isn't defeated by our failings, and doesn't give up on us either. *Brian*

CAPEL-LE-FERNE PARISH COUNCIL

Summary of some items discussed at meetings on Tuesdays, 16th April

- **Requests from public to address the Council, plus Surgery and Other Feedback:** Potholes Helena Road/New Dover Road; Fly-tipping Courtwood Roundabout; Grapevine Delivery to Caravan Park; Promotion of School requirements;
- **Traffic Management:** Highways Roundels - 8 planned for Old Dover Road, 10 on New Dover Road and 10 on Capel Street. Waiting map from Highways on positions.
- **Village Action Plan:** New working party to be formed at next meeting to take forward the contents.
- **Roadside Planters:** New planters and painting of gates now completed – Compost and plants to be installed.
- **Planning:** The status of all applications were reported and full details are available on: Dover District Council website: <https://www.dover.gov.uk>
>Planning>Applications>View-Applications>Decisions
- **Neighbourhood Watch:** Field in Old Dover Road (Folkestone end) investigation to be made of owners regarding fence. No crimes reported from Kent Police. Reply to Dover District Kent Police to be sent on PCSO duties. Investigations underway on offender's wood work available. 1st Aid sponsorship by Parish Council agreed to be offered to Primary School children. Village clean-up to be organised by Community Warden for May-June.
- **Recreation and Other Equipment:** Renovation to Multi Use Games Area and Refurbishment to Zip-Wire now completed.
- **Highways:** Parking on grass verges, damaging surface, a cause for concern along B2011. Reinstatement of ground works continues where Affinity Water have been working.
- **Public Rights of Way:** Seasonal cut back of overgrown vegetation on PROWs will be undertaken late June/early July. Works to enhance Green Lane (ER252) progressing with cut back of overgrown vegetation, new edging and surface being installed. Issues with motorbikes using this Bridleway has been reported to Kent Police on: <https://www.kent.police.uk/services/report-online/kent-police-online-reporting/> and Dover District Council as a noise issue on: <https://forms.dover.gov.uk/Noise>
The Parish Council encourage you all to do the same, as this is in contravention of laws for using Bridleways; i.e. bridleways are for walking, horse riding, bicycles, mobility scooters or powered wheelchairs. Notification also sent to Kent County Council (Public Rights of Way). The more reports the Authorities receive, they may attend and enforce the law that a bridleway is not for motorised vehicles. Hopefully when bollards are installed, this may deter the perpetrators. Thank you for your assistance. Any information on suspects likewise to be reported to Authorities and would be much appreciated.

- **Speed Watch:** See page 12.
- **Capel Cares:** Members are grateful for the KALC Annual Award presented earlier. See page 11.
- **Other:** Thanks expressed by District Councillor Frederick Scales and Parish Councillor Brian Tutt for Long Term Service Awards and Gifts.
Frederick Scales complimented Councillors for their progressive and confident achievements set up for the future and working closer with Community. It had been a privilege to work with the Parish Council and he felt proud to be part of securing the 99 year lease on the Playing Field with the Parish Council.
County Councillor Lymer reported the renewal of traffic regulations for layby outside Amin Stores installation of a central "bell mouth" (similar to that in layby up Dover Hill) to stop HGVs parking there.

**Next Parish Council meeting is Tuesday, 21st May, 7.30pm,
Village Hall (Small Room), Lancaster Avenue.**

Capel-le-Ferne Parish Council

Chairman's Report 2019

The Dover District Council 2015 Local Plan continues to deliver new housing in Capel.

The new estate on land south of the New Dover Road formally known as 'Grasslands' is nearing completion and will be named George Close. The development at the junction of Capel Street and Winehouse Lane is also well underway. Plans for the Capel Street site in the Local Plan are currently being redrawn. Capel Parish Council would like to welcome the new residents to the village.

The Section 106 fund from the George Close development has been used by Dover District Council to improve the surface of the Bridle Path between New Dover Road and Capel Street, making access on foot easier to the Village Hall and the School.

Dover District Council has now embarked on a new Local Plan. The Plan will potentially bring more development to Capel. Land owners have come forward with plots of land to be considered for development. The plots of land in Capel will be displayed during a consultation period which is likely to be early in 2020. I would strongly advise Parishioners to get involved and voice your opinions to help shape Capel's future.

The Capel Community Plan was recently published and distributed. During the coming year the Parish Council will be acting on issues raised by Parishioners. High on the agenda is traffic calming throughout the Parish. During the next few months speed reminder roundels will be installed in Capel Street, New Dover Road and Old Dover Road. This project will be funded by the Parish Council because KCC Highways budget constraints mean they can only fund traffic calming projects in blackspot areas.

The 40mph speed limit has recently been extended to the bottom of the hill at the Folkestone end of the village. We hope to see the 40 mph limit extended to Winehouse lane at the Dover end before 2020. The Parish Council have campaigned for the 40mph limit to be extended beyond the Royal Oak for a number of years but KCC Highways feel it unnecessary.

The Speedwatch Team have been very active during the year, the Parish Council would like to thank Roger Tapley for organising the monthly rotas.

New volunteers are always welcome.

Sadly, during recent months two former Councillors have passed away, both Mr Collin Blake and Mr Peter Woodsford were passionate about the Village and gave their time to help improve the community environment. After 24 years of service our Ward Councillor, Frederick Scales is retiring from his position. Frederick has strongly supported and guided the Parish Council over many years and will be greatly missed. On behalf of the Council I would like to wish him every success in his future ventures.

I would like to thank KCC Councillor Geoff Lymer for his advice and support during the year.

I would also like to thank Chris, our Vice Chairman and all Councillors for their support, dedication, and hard work during the year.

On behalf of all Councillors I would like to thank the following: Maureen, our Clerk to the Council for her most valued work, Andrew Hawkins our Community Warden for his contribution in keeping our community safe and David Reed for his work keeping our village free of litter.

Finally, it is with regret that we say goodbye to Councillor Brian Tutt. Brian has served with the Parish Council for around 40 years; his departure will be a great loss to the Council.

Thank you everyone who attended our Annual Parish Meeting and Presentation evening, Tuesday, 15th April 2019. Presentations were made by Vice-Chairman of the Kent Association of Local Councils, Mr Christopher Woodley. The Kent Association of Local Councils Certificate Award is to acknowledge and give recognition to those that have made a significant contribution to their local community and was presented to Capel Cares Group and accepted by Janet Milliken. Long Term Service Awards and gifts of Garden Vouchers were presented to District/Ward Councillor Frederick Scales and Parish Councillor Brian Tutt. FIND MY PAST with KCC Libraries.

Leading family history website, Find My Past, has today announced the online publication of thousands of original parish registers in partnership with Kent County Council.

The new records have been created from more than 3,000 handwritten registers currently held at the Kent History and Library Centre in Maidstone. These registers have been scanned and digitised in full colour to ensure the highest possible image quality.

More than 2.6 million fully-indexed baptism, wedding banns, marriage and burial records spanning more than 400 years of Kent history are now available to search online exclusively.

By improving access to these rich documents and making them searchable for the first time, Find My Past will provide family historians from around the world with even more opportunities to discover their Kent based ancestors. Researchers can now uncover details of their families past and add new generations to their family tree with greater ease than ever before.

Today's release builds on an existing partnership between Find My Past and KCC Archives which already has resulted in the online publication of more than 2.5 million Canterbury Archdeaconry records held by the Canterbury Cathedral Archives.

These new additions join Find My Past's Canterbury collection and existing collections of Kent Family History Society records to form the most comprehensive online repository of Kent parish registers in the world. Find My Past's UK Data Strategy Manager, Paul Nixon, said: "Now with more than 5 million indexed parish register entries for Kent, Find My Past really is the only show in town if your ancestors had put down roots in the Garden of England. We're thrilled to be working with the Kent History & Library Centre."

Mike Hill, KCC's Cabinet Member for Community and Regulatory Services, said: "We are delighted that the majority of the parish registers held by the Kent Archives service will now be available to view and search around the world for the first time, through the publication of images and indexes on Find My Past.

"We are able to offer free access to Find My Past in all Kent County Council libraries enabling Kent residents to use these fascinating records without cost and close to their homes."

Hello Everyone, At last the warmer weather and more daylight hours are enabling us to get out and about a bit more. After Glynis welcomed everyone, gave an update on W.I. matters then gave out birthday cards, it was the turn of Vera who was our Delegate at the ACM at the Leas Cliff Hall who got up to tell us about the day that she and some helpful volunteers had, she told us about the many interesting speakers. Lynne Stubbing and later Pru Leith talked about their very interesting and colourful life's and had the audience laughing. There were some of Pru's books that she signed and W.I. wares for sale. One lady who won an award had pink hair and said the reason for that was that she had Alziemers and it was easy for her husband to find her when out. There was a long lunch break to chat and look around and it was a very enjoyable day.

Glynis told us the barn dance tickets that she and Helen are selling are almost sold out and the coffee morning supporting her Granddaughters' charity was a great success thanking those who helped and all those who came along. We then had refreshments and lots of chatting before going back into the room.

Some of the members got up to talk about their experiences of when they were young children in the 2nd World War moving far from home and riding on a cart horse, long walks to school, learning to speak welsh and can still recite how to say

"Llanfairpwllgwyngyllgogerychwyrndrobwillantysiliogogog ogoch", their first ever shop- bought clothes as most clothes made at home or passed down as there were rations, another story of an older sister who was made to do so much scullery work and not fed very well had pneumonia and then her mother had to take them back home where they had fun times for the rest of the war, another story of being on the train to Devon and the train stopped near London during an air raid, her mother then worked for a farmer before moving into a mission hut which was very cold but the army gave them blankets and how later a man took them for a walk with

the pram near the railway and they had to throw themselves and the pram into ditch as the planes ditched their ammo along the railway lines. Another story of going into the shelters and knitting until the all clear. We laughed at how we were told what it was like living in Tontine street being 3 years old with older sisters who took her to the sands and must have forgotten her until a policeman brought her back home after wandering around lost wearing only her knickers. Another interesting story of going to Pap New Guinea on a cargo ship just 2 passengers with their 16 year old daughter having to chaperone her everywhere as the crew were very young men. One member said she and her husband were foster parents to some Albanian boys and the hard times they had dealing with their feet problems, language trouble, lost fingers, cataracts, seeing family killed in front of them, scars on their bodies and very troubled minds, but now being so proud as they are successful in business and life. I think most of us thought just how lucky we are.

Margaret judged the decorated eggs with Vad in first place, Carol in second and Barbara in third, oh dear I missed out Ros last month who also got a place in March's competition. Last but not least we had the raffle with some nice prizes.

If you would like to give us a try you will be sure of a warm welcome, interesting talks, lots of fun, a chance to meet old and new friends, just come along to Capel Village Hall on Tuesday May 14th 2019 at around 7.15 pm.

High energy bills a pain in the neck?

Why not find out if you could get a better energy tariff? Energy Deal, Dover District Council's Collective Energy Switching Scheme is free to join and gives residents the chance to make an informed decision about switching energy suppliers in a safe, and supported environment without any obligation to switch. Auctions are held 3 times a year (February, May and October). The next auction will be on 21 May 2019 with registration opening on 2 April 2019.

How can I take part?

- Online at www.dover.gov.uk/Environment/Energy-Advice/Cut-Energy-Bills
- Residents without internet access can call 01304 872428 (you will receive a callback)
- Registration only takes a few minutes and is completely obligation free. You will receive your personal offer
- You decide if you want to accept your offer and switch

If you've previously taken part in the scheme you'll need to re-register each time you wish to take part.

How does the collective switch work?

- Energy suppliers are invited to take part in the auction to bid against each other to offer the best deal. The Spring auction takes place on 21 May 2019
- The winning supplier will be the one making the lowest offer
- Your personal energy offer is based on the energy usage information you provided. You are not obliged to take up the offer: it is your choice
- If you decide to accept the offer you need to do so before 2 July 2019
- The entire switch is taken care of for you, meaning the whole thing is as smooth and hassle-free for you as possible

The recent Winter Auction (held in February) secured tariffs not available direct from the supplier or through price comparison services. Both online (Octopus Energy (100% renewable energy)) and paper billing tariffs (E.ON) were between £270 and £282 lower than the standard tariff cap (based on Ofgem average consumption figures).

Sign up and see if you can save.

Capel-le-Ferne Bowling Club

A very pleasant evening was spent at the Folkestone indoor bowls club for our Presentation dinner and prize giving.

Congratulations to all the winners and well done to the runners up. The committee would like to thank all the competitors for taking part in our club games.

The results board will be updated soon.

Well done to our league team who came third in the first division of the East Kent league. The standard of bowling was excellent throughout the season.

Five new members have joined us this winter season but we still have a few places if anyone is interested in joining us, come along and try the game, for the price of a cup of tea you will have a very enjoyable afternoon.

A number of our players will be playing outside during the summer so we need to keep the numbers up particularly on a Wednesday afternoon (*put your name down if you can play*) or we might have to cancel Wednesday's games.

We the committee hope you all have a great summer bowling indoor and out.

Public Protection – Kent

⚠️ALERT! We have received several reports from elderly residents across Kent reporting doorstep criminals cold calling for roofing work.

WHAT HAPPENED

✗ The criminals are pressuring residents into having work done on their roof by claiming urgent repairs need to be carried out.

✗ The work is often not needed at all.

✗ In one case the resident was quoted £14,000 for the work which was reduced to £5000 when the resident said they couldn't pay the higher amount.

✗ The resident was told to pay the £5000 in cash and the criminals drove the resident to the bank to withdraw money.

WHAT TO DO

Reputable traders and contractors do not cold-call for business and they will NEVER ask you to go to the bank or cash point.

✓ ALWAYS refuse on the spot repairs.

✓ Don't allow anyone to pressure you into having work done. If you ask them to leave and they don't, contact the police on 999.

✓ Use reputable traders who are members of the KCC Trading Standards approved trader scheme, run in partnership with Checkatrade

✓ Ask for quotes in writing and check that the tradesperson is from the company they claim to be from. Please warn vulnerable family members, friends and neighbours.

ALL PARENTS WELCOME TO ATTEND

Please ensure you collect your children from the
hall, not the Car Park, even on light evenings.

A note to all parents: As part of our safeguarding policy we ask that all children are signed out on club nights regardless to what time you collect them, please don't just collect and go without telling us (It happened tonight). And please ensure all children are collected from the hall, regardless to how close you live, over the road or 5 mins away, kids going home alone at dusk on bikes with no lights or walking alone is not ideal, it's all ok until it goes wrong and then what.
