### From the Vicarage

The girl on the bus had quarrelled with someone. “I told her – I’m fed up with it!” she told her friend. I know what you’re thinking: “Fancy eavesdropping on private conversations - how rude!” Well, it wasn’t exactly private; she was sitting at the front of the bus, telling all to her friend who was sitting half way along; I was sitting at the back along with everyone else. She was still explaining to a busload of passengers why she was so fed up when we reached my stop. November brings All Saints Day and Remembrance Sunday, with their focus on thoughts of our Eternal Home. Jesus said plenty about the best way to get there. In explaining, he warned his disciples that what is said in the dark will be heard in the light, and what is whispered behind closed doors will be proclaimed from the housetops. You can probably work out what he was trying to tell them. Of course, this was in a world before buses and mobile phones. I was once aboard a busy morning train to London when peace and quiet gave way to the ringing of a mobile phone just a few seats away. It rang again, and then again. Gradually we all became aware that Daughter Two was resisting Daughter One’s attempts to get her ready for school. Mum’s voice rose with exasperation as the drama at home unfolded, until everyone knew where to find her clean PE kit! I wonder – did Jesus know that we would one day live in a world in which what is whispered behind closed doors might easily end up being proclaimed not just from the housetops but also on the top decks of buses, or aboard trains to London? I wonder... Brian

In the second of the historical AGM minutes those for 1980 are below. This is for the first AGM after the new (current) hall opened. Minutes of the AGM held on Tuesday 25<sup>th</sup> November 1980. The meeting was attended by 96 people. The minutes of the previous meeting were read, signed and approved.

The chairman gave a comprehensive account of the year's work, divided into the following categories:

1. **Membership of the committee:** The chairman outlined the provisions of the Scheme Governing the administration of the village hall by the Charity Commission and the appointment of officers. The attendance record of each committee member was given. Mr Finn would not be seeking re-election and was thanked for the work he undertook.
2. **Building of the new Village Hall.** An offer for the site of the old village hall had been received. The potential purchaser was invited to submit a quotation for construction of the new hall. Subsequently other quotations were sought. Shepway Building contractors responded with a lower quotation for the construction and a comparable offer for the land. The committee had therefore decided to accept the offer from and also award the contract to Shepway Building Contractors. Building work began on 22<sup>nd</sup> March 1980 and was ready for the Spectacular held on 19<sup>th</sup> July. The opening ceremony on 12<sup>th</sup> July was performed by Miss Samantha Washford and Miss Ethel Chadwick, representing the youngest and oldest residents of the village. On behalf of the committee the Chairman thanked all involved, particularly Mr L Clarke, the committee's architect, who generously gave his services free of charge.
3. **Budget and letting charges.** The committee anticipated the running costs to be higher in the new hall. However, rather than cause hardship to regular users of the hall it was agreed to raise the letting charges for weekend users.
4. **Fundraising activities.** A number of fundraising activities had been held raising the following sums of money Christmas dance- £47.89, Pantomime (Cinderella) -£310.68, Dance- £33, Grand National Draw £104, Jumble Sale £63.50, Dance £56.33, Dog Show £102.17, Spectacular Night Dance £125.89, Barn dance (run jointly with the scouts) £61.75, Firework night £4.25, House to house collection £587.30. Thanks were given to all involved. The chairman tendered grateful thanks to DDC for the donation of £1,000 towards the cost of furniture and to Capel le Ferne Parish Council for the donation of £500 towards the cost of curtains and heating.
5. **Capel Spectacular.** Despite the weather this has been successful and raised a net profit of £1,568.18. The chairman thanked all those involved in organising the day or running a stall.

A heartfelt vote of thanks and congratulations for all the work done by the committee during the year was received from Mr J Lawrence, Chairman of the Parish Council on behalf of himself, fellow councillors and inhabitants of the village.

The treasurer distributed copies of the balance sheets to those present and reported that excess income over expenditure amounted to £25,973.13. The increase of approximately £24,000 over the previous year was mostly due to holding the proceeds of sale of access land.

A vote of thanks to the retiring committee was recorded and nominations for the new committee requested. There being 6 nominations the need for an election was dispensed with. The six elected to serve for the coming year were Mr C Smithern, Mr D Avery, Mrs A Holness, Mr B MacMillan, Mr N Perry, Mr J Whiting.

**The Annual General Meeting of Capel Village Hall Committee will take place on Monday, 27<sup>th</sup> November 2017 at 7pm in the small hall of the Village Hall. Voting will take place for the posts of Chair, Vice-chair and General Secretary.**  
**All nominations to Sally Cook at [ures1994@yahoo.com](mailto:ures1994@yahoo.com) or via the village hall. Annual reports and audited accounts will also be presented.**

## CAPEL-LE-FERNE FARMERS MARKET

Now in our 13<sup>th</sup> Year

Every Tuesday 10 a.m. to 12.30 p.m.

Village Hall, Lancaster Avenue, Capel-le-Ferne,  
Folkestone CT18 7LX

Visit us on Facebook <https://www.facebook.com>

Last month Capel le Ferne Farmers' Market was featured in Kent Life. Page 78 if you have a copy. Journalist Bruce McMichael came down in late summer and interviewed customers, stallholders and market managers.

He was amazed at how much the market is a community event and how many people in the village help out. (There's always room for more people to help if you would like to volunteer – many hands make light work). The market is so much more than just a farmers' market, the PCSO and community warden pop in and the parish council hold a monthly surgery there.

The market was started to provide a service to local residents and has continued to be a diary date for many. As well as an opportunity to buy high quality local produce, there is Ruby's Café, where many people meet to catch up on the gossip.

Space limitations meant that not all stall holders could be mentioned by name in Kent Life. Farthingloe Farm bake bread and pies especially for the market and Mike Vines works hard producing his artisan bread and delicatessen foods. He uses his smoker for the cheese and salmon on his stall. Mike has gained a name for his scotch/black pudding/haggis eggs.

Paul has a mixture of local produce as well as fruit and vegetables which he collects from Covent Garden early in the morning. His veg boxes are proving very popular and can be pre-ordered for collection or delivery after the market.

In addition to the ingredients for dinner/lunch, inside the hall there is a stall filled with ready meals. The ingredients come from local farms and if there are special dietary requirements just ask. For elderly resident, or those who just who want a day off from the kitchen, these are an absolute boon. For dessert or an afternoon treat fresh homemade cakes can be bought, either as whole cakes or in smaller slices. Alternatively, free range eggs from Derek go well with Debbie's bacon and sausages make for a quick and easy lunch or supper.

The day that Bruce visited, Rachel was running the postal service. Since then she has taken up full time employment and Sally Cook is keeping the service going. With Christmas in mind she has a healthy stock of stamps, so customers can start buying them a few at a time before Christmas. Rachel's hand stitched cards are still available for those looking for something a bit different at a reasonable price.

Talking of Christmas the craft stalls are in the small hall; well worth a visit if you're thinking of presents for Christmas. Many of the stall holders will take orders or personalise goods.

Details of Christmas arrangements will be in next month's Grapevine; stall holders will be taking orders from November.

If you did buy a copy of Kent Life there is a recipe for pheasant breast with lemon thyme and chilli. As soon as the season start Debbie has a range of game on her stall. The breasts are rubbed with lemon, chilli and fresh thyme before being grilled for 8-10 minutes, turning once. Lemon slices can be grilled as a simple garnish.

Whatever you chose to buy, even if just a cup of coffee and a pastry, there will be a welcome for you on Tuesdays at the Farmers' Market

**Order by noon on Sunday for collection or delivery on Tuesday.**

**Go to <http://farmersmarketonline.co.uk> and choose from our pre-selected veg and recipe boxes or pick from the usual producers. Not going to be in? We can leave the food in cool containers to keep your food fresh. Once you have chosen your deliver/pick up options click the buttons below to shop. Why not try our boxes, they make shopping easier and are extremely good value.**

## FOR INFORMATION WHAT ARE THE RULES RELATING TO FIREWORKS?

<https://www.kent.police.uk/search/?search=fireworks>

Provided by the 'Ask the Police' website. Produced by the Police National Legal Database (PNLD) team. 'Ask the Police' is an official police site approved by the National Police Chiefs Council (NPCC).

### It is an offence to:

- possess adult fireworks (all fireworks except party poppers and sparklers) in a public place by anyone under the age of 18;
- possess category 4 fireworks (professional display fireworks) by anyone other than a fireworks professional;
- it is illegal to supply adult fireworks to those under 18;
- throw or cast or fire any firework in or into any highway, street, thoroughfare or public space (this would include throwing or firing from a private place into a public place, street, highway etc);
- to discharge any firearm or firework (without lawful authority or excuse) within 50 feet of the centre of a highway which consists of or comprises a carriageway.

### There is a curfew on the use of adult fireworks between 11pm and 7am, except on:

- Bonfire night (when the curfew is between 12midnight and 7am);
- New Year's Eve (when the curfew is between 1am and 7am);
- Chinese New Year (when the curfew is between 1am and 7am);
- Diwali night (when the curfew is between 1am and 7am).

The penalties for using fireworks outside the hours of 7am and 11pm are imprisonment (maximum 6 months) and a substantial fine. Please note, you could also commit offences if they were being used to cause a nuisance.

Please see websites in related information for details from the Health and Safety Executive on how to safely use fireworks and organise a fireworks display.

### **ANIMALS ARE REALLY AFRAID OF FIREWORKS.**

The best thing to do is to keep the animal indoors with the windows closed. Also try to keep the TV on, or music playing to perhaps muffle the sound of the fireworks. Animals have better hearing than humans do and for them fireworks are extremely loud and scary. There are some products that vets may be able to offer to help keep your animals calm. If at all possible try and make sure someone is at home with the animal as it will be comforting to have a familiar face around.

### NOTE FROM LOCAL FARMER

#### This is for information and a reminder!

Report received by Editor on vandalism to fencing on the field (behind the school), to gain access from Green Lane, that there is a Public Right of Way entrance at the far corner of the Playing Field and across this Farmer's Field to Winehouse Lane. It would be appreciated by the Farmers, if Walkers keep to this route and NOT across the other parts of the field, where crops have been planted. Thank you.

**CAPEL CARES**

Thanks have been expressed from a resident, on her sincere gratitude and thanks for everything that the Volunteers and Organisers from Capel Cares are fulfilling for her. This service to our Community is giving her the much needed “peace of mind needed”. Thank you all volunteers.

Hello everyone,

Our speaker for the October meeting was Mr. Martin Newcombe doing a talk about mushrooms and toadstools, with the help of a slideshow he was able to try and direct us what to eat and which ones to avoid that can be poisonous, he showed us so many varieties with some so tiny up to really huge growing in places you would never expect, he has a vast knowledge of the taste of the edible ones, how they grow and where to find them, with his wicked and funny sense of humour he had us all laughing. Jenny gave a vote of thanks to Martin. After refreshments and chatting amongst the members it was down to the business of news and future events. Our Home Economics group did an auction for the first time and after putting in a lot of hard work raised an amazing £165.00. Well done to them all.

Jenny spoke about 'Bras for Africa' asking for donations of old, new, wrong size or some you just don't like anymore, also brand new knickers were requested for girls and women in African countries to be eventually distributed by the charity "Smalls for All".

The competition of a small wildlife model was won by joint winners Janice and Jenny with Vad as the runner up.

**If you would like to have some fun and make new friends come along as a visitor and try us out just give Caroline a ring on 01303847856 or 07885406433**

### **CANCER RESEARCH JUMBLE SALE**

The organisers would like to give a big thank you to all the villagers who either gave jumble, attended, or bought raffle tickets at the recent jumble sale at the village hall, in aid of The Royal Marsden Hospital Cancer Research Fund.

Once again we had marvellous support from everyone, and managed to raise an amazing total of £1,023.78p which has been sent off. Thanks also to whoever organised the fantastic weather on the day, which hopefully made queuing more bearable!

We are always amazed how the good people of Capel continue to support this event (now in its 38th year!), so many people go out of their way to make it a success that it is impossible to thank them individually, they know who they are, and perhaps they will accept this as their public thank you.

We would now like to call upon you all to start putting anything you think we may be able to sell to one side for our next jumble sale on April 14th next spring. Don't worry, we will remind you nearer the time about who to contact or where to take it.

**Best wishes for Christmas and thank you once again for your continued support. The Organisers.**

*Well done to you all. What another fantastic amount raised for Royal Marsden Cancer Research. Such a worthwhile cause. I think everyone knows someone that has been affected by Cancer and your annual events are well worth all the effort you all put in.*

### A Great Start to the Bowls Season

October saw the start of the bowls club league season with a close win away at Kent's top club "Arca" and we gained 4 points on the home match to.

The Cliff Watts Memorial Trophy competition was also played this month, with 20 of the top teams in Kent taking part in this prestigious event. We raised over £471 with £235 going to a local charity The Pilgrims Hospice.

73 meals were served by our very own catering staff, special thanks to them, I won't name them all for fear of leaving someone out - they all did a marvellous job. That goes also for raffle ticket sellers, cake and pie makers and our treasurer for looking after the money. A special thank you to Wendy for all her organising skills and Jenny for the scoring on the day.

Our own team were runners up this year, a great effort by Ros, Rachel and Barry. The winning team was Whitstable. Our club matches are under way and our summer league team finished in the top 5 teams. The outside players are now back and membership is up.
