So, our operating and financial year is over, and the Annual General Meeting is upon us. Up for discussion will be the Annual Report and the Audited Accounts together with plans for the forthcoming year. The meeting will be held on the 25th November at the Village Hall and will start at 7pm. All are welcome and there will be refreshments afterwards. We hope to see a large number of you at the AGM as the Trustees run the Hall on behalf of everyone in the community.

With that in mind we are also inviting everyone to a meeting on the 11th November at 6.30pm to discuss plans for the hall. We will be asking for ideas from everyone including our current hall users and hoping that we agree enough of these to prepare the Hall for the next five to ten years. The Village is changing, and it is important that the hall reflects those changes. Please come to the meeting. We want Capel-le-Ferne Hall to truly represent the people who live in the Village. If you have ideas on the Hall's future but are unable to come to the meeting at the Hall, then we would love to hear from you. Please feel free to send any information to Sally Cook on eures1994@yahoo.com

After the summer months of Village Fetes and Garage Safaris, the Hall is moving indoors. Events over the next few months include the Indoor Boot Fairs on the last Sundays of the month and of course the New Year's Eve party. We have been asked whether we intend to run a Christmas Craft Fair and

regretfully for this year the answer is no. If, however there is anyone who would like to run one for next year, we would be happy to hear from you. Plans are also underway to run some quiz evenings in the New Year – dates still to be confirmed so watch this space. Bookings for the Hall remain consistently high, which unfortunately means that we occasionally have to disappoint people looking to hire the Hall. Currently regular Hall users include judo, playgroup, in-door bowls, badminton, car club, WI, bridge club, dog training, vet's clinic, Capel Cares, Tai Chi and the Youth Club. As usual, the bulk of the Committee run activities could not function without the help of our volunteers. Uncomplaining, cheerful and willing, they allow us to run all of our events. To ease their burden, we are always looking for extra helpers whether clearing up after the Farmers Market, assisting with the big events or by being a Trustee on the Committee! The Committee meets once a month and some Trustees have an individual responsibility such as maintenance or promotion. If you are interested in being a Trustee then please contact Sally Cook on eures1994@yahoo.com or 077304 75838 so that your proposal can be put forward at the AGM. Officers for the Hall such as Chair, Secretary etc are then selected at the monthly Trustee meeting following the AGM. Come along and join us – we look forward to hearing from you.

RECYCLING - INSIDE THE HALL

Boxes are provided for:

Used Stamps for Donkey Sanctuary and McMillan Cancer. Bottle Tops are also being collected again.

Please place the above in the relevant boxes. *A big thank you to everyone who puts their used stamps in the box in the Village Hall. Please carry on for these good causes.*

From the vicarage

I've just been reading about a curate who, on discovering that her local tea shop had booked a medium to give a talk, assembled her congregation on the pavement outside. There they caused a bit of a stir by praying so loudly against the Powers of Darkness that those inside could scarcely hear each other, let alone anyone from the Other Side.

At this time of year shops are filling with pumpkins, costumes and Hallowe'en treats – an excuse for some harmless fun as far as many people are concerned, perhaps, but no laughing matter to others. Those who brought Christianity to these shores found that some of the locals were lighting bonfires, dressing up and feasting so as not to offend the spirits of the dead, so worried were they about what the departed might get up to as winter approached. St Paul, who wrote much of the New Testament, taught that we are surrounded by unseen dangers - but that faith in Christ, while not necessarily making bad things go away, does offer a way of dealing with them. So, as November began, the Church started keeping All Saints Day and then All Souls Day, celebrating the promise that the departed are safe in God's keeping.

In our own time ghoulies, ghosties, long-legged beasties, and things that go bump in the night don't seem to bother most people very much, though as we have seen some take them seriously. Probably most of us find that life summons up other things for us to worry about – and again, some find that faith in Christ offers a way of dealing with those, too.

I'm not planning any pavement demonstrations – not at the moment, anyway. But I do wish you a Happy All Saints Day. *Brian*

On **Saturday 9th of November Days Gone By** will be returning to Capel for yet another great evening of 60's music at 7.30pm in St Radigunds Church, Albany Road, Capel which is a perfect venue for this event.

This year you can singalong; dance; or just listen and it will only cost you £7.

Days Gone By regularly play to sell out audiences in Sellindge Village Hall, Hythe Band Stand; Sene Valley Golf Club and many other venues and we are delighted that they are returning to Capel this year after several years.

Their lead guitarist is Brian 'Boz' Leggett, who was lead guitarist for The Sundowners, who many of you will remember were the main local resident band at The Leas Cliff Hall many years ago.

The first gig they performed in Capel followed a two-coach trip that I ran to London to see Dreamboats and Petticoats, which was an unexpected smash hit on the London stage. Boz was on my coach and I played a cd of Dreamboats and Petticoats on the coach coming home and everyone sang along all the way home. It was such a success that Boz offered to put on a sing a long gig for us in Capel and it was a sell-out, we had to find another 13 chairs in addition to the 100 already there in St Radigunds church.

The next time they came they made it a dance evening and that was very well attended as well.

Tickets can be requested from me John Oliver by phone on 01303 251403 or e mail to johnne.oliver22@gmail.com. Do it now to be sure of getting tickets. John Oliver

CAPEL-LE-FERNE EVENING WI

Hello Everyone, I can't believe how quick the year is going, it doesn't seem that long ago we were all sweltering in the heat and now already the nights are drawing in.

The Bingo and Scattergories evening were well attended with more new faces from the village coming along to be prize winners and enjoying a good evening. Thank you to the darts team and Gordon for setting up the evening for us.

Alkham W.I. challenged us to a friendly skittles match at the Fox, after having lunch there we went into the garden and played three games, luckily we were under cover as it rained most of the afternoon. Alkham won the first game but we managed to beat them in the next two games and ended up winning. We had some laughs with the balls going all over the place, even outside the alley and lots of cheering for both sides when getting big scores.

This WI Monthly October evening meeting was opened by Glynis welcoming everyone, and then giving out cards for the forthcoming Birthdays.

Susan was our speaker, who was also acting as our keep fit instructor for the evening. She told us that after having heart problems she started doing rehabilitation exercises and kept it up for her health. We had some

comfortable clothes on but didn't go as far as the sweat bands and spandex. It all started quite slowly with some sitting down to do the exercises but gradually a few more sat down as it got a bit more energetic. There were arms flinging the wrong way just missing someone next to them, feet going all over the place except where they were meant to go, lots of laughing but mostly getting into the rhythm eventually and found it was good fun as well as a workout. Suzanne thanked Susan for coming along to show us how to try and keep fit, we gave her a round of applause.

The winners of the competition "something beginning with K" was Jenny 1st, Gwen 2nd and 3rd place was a tie of Suzanne, Barbara, Vad and Pat. The raffle had some nice prizes including wine and bulbs for the garden amongst several others. The charity table this month was supporting Jenny's charity which collects toothbrushes, new knickers and any bras old or new for Africa. The evening ended with Glynis thanking everyone for coming.

If you would like to give us a try you will be sure of a warm welcome, interesting talks, lots of fun, a chance to meet old and new friends, just come along to Capel Village Hall on Tuesday November 12th 2019 at around 7.15 pm.

Capel Short Mat Bowls News

White winter woollies on at the bowls club

Summer is officially over as we head towards Christmas.

Our outdoor players are back and our ranks have been boosted with new players. The club competitions are under way and our league team have made a great start in the East Kent league.

Our next big event is the Cliff Watts trophy competition to be held on the 3rd November. Club members and the public are invited to come along to the village hall and support the teams from all over Kent. The money raised will be split between the Kent Air Ambulance and the club.

Can I just remind club members to arrive about 8 – 8.30 am to help with setting up.

With Christmas just around the corner I would also like to remind all members that the Christmas Booze and Bowls is on Tuesday 17th December, Elaine has promised a few surprises on the night.

New members are still invited to come along and try the game of short mat bowls.

Age is not a problem young and old are welcome.

Our only stipulation is
you must be able to help with the setting up and putting away.

DON'T IGNORE YOUR TYRES

TYRE TREAD

Your tyres' tread is critical for acceleration, braking, steering and cornering.

The legal minimum limit for car tyre tread depth in the UK is 1.6mm across the central three quarters of the tread around its entire circumference.

To check your tread, place a 20p coin into the main tread grooves of your tyre. If the outer band of the 20p coin is obscured when it is inserted, then your tread depth is above the legal limit. If the outer band of the coin is visible, then your tyres may be illegal and unsafe.

"I'm going bald"

"I'm feeling a bit flat"

PRESSURE

Correct tyre pressures reduce the risk of experiencing a rapid deflation, and also ensure optimal braking and handling. Correctly inflated tyres also last longer and use less fuel.

You can find the recommended pressure in your door shut, fuel filler cap or owner's manual and you can top up with air at most service stations.

"I've found a bulge"

CONDITION

Check your tyres for any bulges, cuts or objects that have penetrated the tyre.

If something doesn't look right, have it inspected immediately by a tyre professional.

Make sure you carry out these checks once a month and before long journeys.

Every Mind Matters' campaign underway in Kent

Kent is supporting the national 'Every Mind Matters' campaign this World Mental Health Day by reminding residents of the support services available across the county.

Launched by Public Health England, 'Every Mind Matters' is the first national NHS mental health campaign encouraging adults to be more aware of their mental health and helps them to discover simple steps to look after their mental health and wellbeing.

It offers a range of useful resources that help spot the signs of common mental health concerns, provides practical self-care tips and guidance and, importantly, explains when to seek further support.

There is also a free NHS-approved online tool which helps people build an action plan to deal with stress and anxiety, boost their mood, improve their sleep and help them feel more in control. The tool and information of Kent support services can be found at www.kent.gov.uk/everymindmatters

KCC's Director of Public Health, Andrew Scott-Clark said: "The 'Every Mind Matters' campaign is starting a national conversation which we will be supporting with partners in Kent. By encouraging people across the county to join that conversation, we want to support our residents to feel more confident in taking action to take care of their mental health and wellbeing. There is no single solution to this but by promoting a range of self-care actions to promote good mental health and tackle common problems, as well as signposting the wider resources and services for those in greater need which are available in Kent, we hope the conversation will go far and wide."

One of the support services commissioned by KCC is Live Well Kent which provides a free, person centred, holistic service that supports people to manage issues in life that impact on their mental health and wellbeing. It is open to any Kent residents aged 17 or older. Shaw Trust is the strategic partner providing the service in the West Kent, with Porchlight providing the service in east Kent.

The service is funded by joint commissioners Kent County Council and the seven clinical commissioning groups for Kent (but not Medway). Live Well Kent works in partnership with clinical services providing an alternative which is focussed on wellbeing, connectivity, prevention and recovery. It is based on open referrals – anyone can access help when they need it – for more details, go to www.livewellkent.org.uk or call 0800 567 7699.

Meanwhile, the theme of this year's World Mental Health Day is suicide prevention and Kent residents needing help are also urged to contact the Release the Pressure Freephone helpline - **0800 107 0160** - where support is available from trained and experienced staff 24 hours a day, 365 days a year. The campaign website www.releasethepressure.uk also includes case studies from men in Kent who have turned their lives around after attempting suicide.

For more information on all the support services available in Kent and to access the 'Every Mind Matters' online tool, go to www.kent.gov.uk/everymindmatters

For young people, there is a new web resource attached to the Kent Resilience Hub available at www.kentresiliencehub.org.uk offering information on promoting and protecting good emotional health. This includes videos and tools, as well as activities and service information.

The site is called Moodspark www.moodspark.org.uk and has been developed with young people in Kent, including a young people's editorial board. There is also a resilience toolkit to help schools and organisations consider how they can promote emotional wellbeing within everything they do. These resources have been developed by Head Start Kent, part of Children, Young People and Education Services. Head Start aims to help young people cope better when faced with difficult circumstances in their lives, preventing them from experiencing common mental health problems.
