From the Vicarage

The battle to tame the Vicarage garden continues. I haven't won yet, but neither have I completely lost. You should see what surfaced unexpectedly over the summer when I attacked the undergrowth with the rake – plastic carrier bags, yoghurt pots, toys lost while being played with in the garden years ago (too broken to salvage – sorry, kids!), and even a faded Walkers Crisps packet that the internet says dated from 1988. I binned it along with everything else, though I suppose I could have tried selling it to a collector... Plastic doesn't go away. In fact an email I received recently claims that the Pacific Ocean now contains enough waste plastic to cover an area the size of France and that if nothing changes there will one day be more plastic than fish in our oceans. So would I sign a petition demanding that the United Nations declare all this plastic the world's 196th country – The Trash Isles? Now as ideas go, this isn't as daft as it sounds. Under international law, the argument goes, if The Trash Isles were recognised as a country, the other 195 would be legally obliged to clean it all up instead of continuing to add to it. Many churches are observing the Season of Creation between 1st September and 4th October – St Francis of Assisi's Feast Day. Harvest Festival follows. It's a time for thinking about the natural world, our care of it, our dependence on it, giving thanks for all that it gives us and thinking of the needs of others. In case you're wondering, yes, I did sign. No, I'm not planning to emigrate to The Trash Isles anytime soon – but I'm still out in the garden with my rake and wheelie bin, doing my bit. Brian

November sees the Village Hall Annual Meeting, open to all in the village so it may be interesting to see the minutes of two keys years in the history of the hall. In 1979 planning for the new (current) hall was the key topic and in 1980 the new hall was opened. A little of the background is contained in these two sets of minutes, as well as an indication of how things have changed over the years. 22nd November 1979: forty one people attended and the minutes of the previous year were read, approved and signed. The chairman's report covered:

1. Membership of the committee. The chairman outlined the provisions of the scheme governing the administration of the village hall by the Charity Commission (*recorded in the conveyancing document and updated in recent years when the Charity Commission regulations changed*) and the appointment of officers.
2. Budget and letting charges. The budget for the forthcoming year showed a deficit so it was decided that to increase hiring fees. Several organisations expressed fears of hardship so it as agreed fees would increase for weekend hirings and the deficit would be covered by fundraising activities.
3. Fundraising activities. Details were (*remember these are pre-decimalisation*) American suppers - £121.30 & £65.62, Grand National Draw - £149.45; donations from playschool £20, scouts £45.12 & sports day £2.
4. The Capel Spectacular (*forerunner to the village event on the green*). This made a profit of £1,163.88. All involved were thanked.
5. Cleaning. Thanks were given to Mr Johnson and Mrs Minnis
6. Newsletter. This had been introduced by the committee during the year to keep residents fully informed of developments affecting the hall. Thanks were given to advertisers for helping the publications to be self-supporting, and to those who assisted during the year with distribution.
7. Sale of access land. Sale of this had raised £20,000 and transfer of a piece of land.
8. Purchase of site on Lancaster Ave playing field. at a public meeting on 22 May 1979 the committee received full support for the purchase of a piece of land from Dover District Council and Parish Council for the sum of £750
9. Sale of remaining land. The chairman outlined an offer received for land behind the (old) village hall. It was proposed and seconded that the offer be accepted and unanimously agreed by those present.
10. New village hall. Mr L Clark was in preparing detailed drawings for the proposed new Village Hall, prior to display for residents and application for planning permission. This was unanimously agreed.

The treasurer reported an excess of income over expenditure of £1,734.27 and a balance in hand of £4,893.94.

A vote of thanks was recorded for the retiring committee and the new committee.

Seven nominations were received for the new committee. Those elected were

Mr C Smithern – 41 votes, Mr N Perry – 41 votes, Mr J Whiting -36 votes, Mrs G Brooks – 35 votes, Mrs A Holness – 32 votes, Mr S Finn – 31 votes.

In 1978 100 people attended the Annual General Meeting. Excess of income over expenditure was £198.80. 13 nominations were received for the committee.

The garage safari held on Sunday 3rd September was a great success again with people coming from all over Kent. There were 119 garages open and hope they all did well. The overall profit was just over a £1000.00. Which will go into village hall funds. Thanks go to everyone who helped, you need quite a few willing helpers to make everything run smoothly. The only drawback is the cars blocking roads etc. The Parish Council kindly let us use the field, which was full most of the time, but we cannot police the roads. Apologies to those who were caught up in this.

All being well, the next one will be the first Sunday in September 2018. Cherry (VHC)

There are still 20 tickets left for the New Year's Eve dance with Chicory Tip in the village hall on December 31st. For those who have booked Ros would like the money by the end of October please. 'Kent's libraries and archives – discover something new

The first National Libraries Week takes place from Monday to Saturday, 9-14 October and Kent's libraries will be celebrating in style with a host of activities for all the family to enjoy.

The county has 99 libraries and this dedicated week provides a great opportunity to show many of the services that residents might not know about. There is no charge for joining your local library and most activities are also completely free. From Baby Rhyme Time to Talk Time, author talks, exhibitions and the chance to explore Kent's rich Archive collections.

Libraries have activities to suit everyone, including reading groups for the visually impaired, the hard of hearing and adults with learning disabilities.

Library visitors can even have sessions to learn more about computers, get help with job searches and applications, and take part in a range of other social activities plus opportunities to gain knowledge and discover something new.

They also offer a range of free online services - so if you are unable to get to a library, the library can come to you. You can log into kent.gov.uk/libs or download the library app to access free online magazines, audio books, and e-books. You can also use the online catalogue to search and reserve books, DVDs and CDs for free.

Mike Hill, KCC's Cabinet Member for Community and Regulatory Services, said: "We are very proud of our library service and want to ensure that as many people as possible are inspired to visit a library, discover what is on offer and encourage their friends and family to get involved.

"Although we promote our libraries, their facilities and events all year round, National Libraries Week is an opportunity to focus on the service and promote them more widely to residents who may not appreciate everything they have to offer."

To find out more about Kent Libraries and Archives, please go to www.kent.gov.uk/libs or visit our Facebook

page www.facebook.com/KentLibrariesArchives.

Baby Rhyme Time A free, fun way to develop a love of language and a foundation for learning. Each session lasts about 20 minutes and includes the opportunity to join in with nursery rhymes and action songs.

Talk Time groups aim to bring people together, to chat and make new friends. Most libraries host a weekly Talk Time group offering a variety of activities - using our services, speakers, quizzes, recreational activities or just tea and chat.

Archives The Kent History Library Centre in Maidstone holds a fantastic collection of historic material relating to the ancient county of Kent, most of which is accessible to the public. The 14 kilometres of collections comprise both printed and manuscript (archive) material and are all held in purpose-built archive repositories.

CAPEL-LE-FERNE GARDENERS' ASSOCIATION

The weather, the week before the Autumn Show was not too good, but the standard of entries for the Show were very high.

We had about 230 entries, so well done to all that took part. The Quiz night at West Hougham was won by Capel, so well done.

Happy Gardening!

Hello Everyone,

We had a really nice time at our 58th birthday meeting with quite a few visitors and guests joining us. Unfortunately some members missed out as they were on away on holiday. There was a feast of cheeses, assortment of crackers, variety of breads and pickles, plenty of fruit punches followed by tea or coffee with a slice of the beautiful and delicious birthday cake made by member Diane.

Our speaker Mr Andy Dinsdale not only spoke about juggling and different techniques with his slideshow, but put on a great show of his juggling talents, some quite breath-taking. Jan became his volunteer assistant ending up with tops spinning on her finger tips. Afterwards, she gave him a vote of thanks for coming, which was rounded off with big applause. We had 2 quizzes keeping everyone puzzled; one quiz was to guess the close up images and the other to guess the nursery rhymes.

The circus cake competition was won by joint winners Helen and Pat, There was a good raffle with 10 prizes. We had one new member join our W.I. this month, a big welcome to Wendy.

We had a lunch and skittles match at the Fox with Alkham W.I. After a nice relaxed lunch we went into the garden to the skittle alley and amongst laughing and cheering the teams on, the score ended up very close with our team just about winning.

Our next meeting is on the 10th of October at 7.30 in the village hall, where our speaker will be Mr Martin Newcombe with his topic of Mushrooms and Toadstools. The competition is a small wildlife model.

If you would like to come along to try us out you will be warmly welcomed, have some fun and make new friends. Just give Caroline a ring on 01303 847856.or 07885 406433

Cancer Research Jumble Sale

We are holding our Autumn jumble sale on Saturday 14th October at 2 pm. All money raised going to The Royal Marsden Hospital, (Cancer Research).

This is just a reminder that there's still time for you to sort out a few more items you might no longer need, (perhaps left-overs from the village safari?) that you think might be of use to someone else. Oh and to remind you to come along too!

If you do have any good quality jumble please bring it along to the hall on the morning of the 14th. It will all help to raise much needed funds. Or if it's too large an amount and you'd like it collected ring: 01303 254740 or 07949546011 and we'll do our best to collect it. Many thanks to you all.
