Well it's been an eventful few weeks at the Village Hall. Having had the small hall and corridor painted during the holidays, bookings have remained high and we are almost booked up until Christmas. The Garage Safari proved to be a resounding success with over £1,300 raised towards the upkeep and general maintenance of the Hall, helped in no small part by the marvellous weather and the hard work of our volunteers. A lot of visitors found the parking made available at the Village Hall, while others chose to park on the streets not always considerably, despite signs and advertising aimed at directing them to Lancaster Avenue. We will continue to urge guests to the Village to park in designated areas. We were pleased that an emergency vehicle managed to get through on the day and park up without any issues.

Further excitement at the Hall ensued when a hirer held a party on a Saturday night and too much exuberance and too much alcohol resulted in a police call and a massive hall clean up and repair campaign. The hirer will be joining us to do some deep cleaning at the Hall and we have now put in place systems that should help prevent further repetition of this event. We would like to apologise to those who were disturbed on the night and to thank Fred and Sue Leaning for their efforts in cleaning the Hall on the Sunday morning. It was very much appreciated.

As many of you know we have been running a Film Club since September 2017 on a Tuesday afternoon, something that had been suggested by residents of the Village. However, numbers have never been great and while it is looked on as a community event, it does have to be self-supporting. To this end we have considered closing the Film Club but thought we would have one last stab at increasing numbers. So, on Monday, 15th October we will be changing the event to an evening event – doors open at 7.30pm. The feature film will be Book Club.

Our volunteers continue to be at the heart of successful running of the Hall and we have had offers of further help since last month, most gratefully received. However, if you do feel able to give even an hour or two to the community, then please contact any of the Trustees whose details can be found on the contacts list at the end of the Grapevine. (Page 19).

The Film Club at the Village Hall has shown a number of films over the year including The Greatest Showman, My Cousin Rachel, Darkest Hour, Murder on the Orient Express and the Guernsey Literary Society. Shown on a Tuesday afternoon, and with one or two exceptions, these have been rather poorly attended. In an attempt to find a time which may be more compatible for Capel residents, the Film Club will be showing **BOOK CLUB (12)** at 7.45pm on Monday 15 October. It runs for 103 minutes and here's a synopsis:

Diane (Diane Keaton) is recently widowed after 40 years of marriage. Vivian (Jane Fonda) enjoys her men with no strings attached. Sharon (Candice Bergen) is still working through a decades-old divorce. Carol's (Mary Steenburgen) marriage is in a slump after 35 years. Four lifelong friends' lives are turned upside down to hilarious ends when their book club tackles the infamous Fifty Shades of Grey. From discovering new romance to rekindling old flames, they inspire each other to make their next chapter the best chapter.

If we find that this new timeslot does not attract more people, we will consider closing the Film Club which would be a shame. If you like films, are interested in supporting the film club and wish to have an input in what films to show, please come and see us on the 15th October.

Doors open at 7.30 pm.

Over the last few months the Village Hall Committee have been endeavouring to sort out storage and to that end have gone through the archives of the Village Hall Management Committee meetings and the paperwork surrounding the establishment of the Farmers Market. It's amazing what you find out when reading through old and dusty documents.

The brainchild of Jenny Barraclough, Mick Marshall, Gwen Spooner and Cherry Leppard, the Market has been going now for over 13 years and its chief purpose was always to provide a space where the community could get together. A huge number of visitors and stall holders have come and gone through the Village Hall doors since that initial inception but the core reason for the market remains – a village event where residents can meet for a chat and/or a coffee and teacake, do a bit of shopping and then return home replete with gossip and goods.

Baker, butcher and candlestick maker: the first two we provide courtesy of Sandgate Bakery, Farthingloe Farms and Marsh Produce but not sure about the third, unless Dave's wooden products provide candlesticks together with his trugs, garden pots and all manner of other household items. He's also been known to take on private commissions. Mike with his deli items including much loved sausage rolls, new quiche products and home cured smoked salmon, Barbara/Jayne with their cakes, Debbie with meat and dairy, Derek with his eggs, Sue with her fish and Farthingloe with their pies, pastries and new gingerbread range have all become central to the operation of the market. They are joined by Whitegate farms where all the fruit and veg are produced on their 60 acre farm. In the Craft Hall, there are a variety of hand-made items and the postal service joined this month by 'It's Corking'. Outside Andrew & Mary's range of fabulous plants and Dave's intriguing wooden items have been joined by Pivington pots. All stallholders carry insurance and, where appropriate, have food hygiene certificates as required by local authorities.

Ruby and her teams continue to serve tea, coffee and the occasional teacake etc., as they have over the past 13 years. Thanks to all the volunteers who have offered their help with this over the years and to those who come early to set up the market and stay late to clear up. And thanks to you for continuing by coming for a chat or stopping to buy at your local small community market that has been nominated for this year's Kent Life Farmers Market of the Year.

From the Vicarage

If you drive, you probably know what it's like to turn into a busy supermarket car park, carefully follow the arrows to a suitable parking space, and have to swerve to avoid someone who has apparently noticed neither the arrows nor the 'no entry' signs telling them that they are going the wrong way. In such a situation you and I would naturally smile, apologise and politely allow others to go safely on their way. But I was shown an online video recently that showed someone who, having made such a mistake, reacted rather differently. Someone chose to film what followed on their smartphone, and posted it on the internet for the entire world to see.

I once visited a house where a plaque hung in the hall. It read: "*Christ is the head of the home, the unseen guest of every meal, the silent listener to every conversation.*" I must admit that at the time this idea felt a bit creepy – but like everyone else, I've grown used to being in shops, in streets and on trains where cameras watch my every move, so the idea of Christ watching me as well doesn't really bother me.

The writer of Psalm 25 pleads with God: *do not remember the sins of my youth or my transgressions.* Online videos offer a 'watch again' option at the end – fine if it's *Gone with the Wind*, your favourite band or Rooney scoring for England, but not if the world's watching you having a difficult moment on a bad day over and over again. But the Psalmist would probably say that God isn't interested in watching our mistakes over and over again, only in our new beginnings – and that's where He scores over YouTube. *Brian*

Battle's Over – A Nation's Tribute & WWI Beacons of Light - 11th November 2018

On the 3rd August 1914, Britain's Foreign Minister, Sir Edward Grey, was looking out of his office window. It was dusk, and gas lights were being lit along London's Mall, leading to Buckingham Palace, when he remarked to a friend, "The lamps are going out all over Europe; we shall not see them lit again in our lifetime". Our country was about to be plunged into the darkness of the First World War, and it would be four long years before Britain and Europe would again experience the light of peace. In commemoration and remembrance of the end of the war and the many millions who were killed or came home dreadfully wounded, 1,000 WWI Beacons of Light will be lit throughout the United Kingdom, Channel Islands, Isle of Man and UK Overseas Territories at 7pm on the 11th November 2018 – a century after the guns fell silent.

Capel Parish Council in conjunction with The Battle of Britain Memorial Trust CIO invites you to join this tribute.

The programme of events on the 11th of November will include:

- 15.15hrs WW1 event in the Village Hall
- 15.45hrs Film Blackadder Goes Forth (Refreshments will be available)
- 17.15hrs 'Streetz2Streetz' Fish and Chip van in Village Hall car park
- 18.00hrs Torchlight Procession gathers at Village Hall
- 18.10hrs Torchlight procession leaves from the Village Hall to the Battle of Britain Memorial Site accompanied by 99 ATC (Folkestone) Squadron
- 18.40hrs Procession gathers in the grounds of the Battle of Britain Memorial Site
- 18.50hrs Reading by the Rev. Brian Williams
- 18.55hrs Battle's Over – A Bugler sounds The Last Post
- 19.00hrs Battle's Over – WW1 Beacons Of Light (A beacon will be lit on the clifftop)
- 19.05hrs Battle's Over – Ringing out for Peace
- At dispersal, 'Streetz2Streetz' Fish and Chip van will also be available at the Battle of Britain entrance

CAPEL-LE-FERNE PARISH COUNCIL

Summary of some items discussed

at meeting on Tuesday, 18th September 2018

- **Requests from public to address the Council, plus Surgery and Other Feedback** Tyres fly-tipped on Eight Acre Road towards West Hougham (reported).
- **Traffic Management:** Consultations with Kent Police and Kent Highways have taken place, so Councillors can take forward a "Traffic Calming Project" in the Village and to ascertain the best way to allocate PC funds wisely. Moving forward on this subject, Kent Police Dover Inspector and PSCOs agreed to endeavour to undertake more speed checks and Kent Highways are providing the Parish Council with costs on installing marked roundels on the highway. These markings will be reminders/repeaters, indicating to drivers the speed limit zone they are travelling in. Other traffic calming measures were discussed at great length and both professional outside agencies agreed and favour highway roundels as the most effective form of measure to take. Flashing signs was also another preferred, which may form the agenda in the future depending on funds available and when the B2011 speed limit zones have been moved accordingly. Councillors agreed, initially, to allocate £10,000 towards this Project.
- **Village Questionnaire Data Results:** Concerns expressed for the delay in publicising the results. Councillors are working hard to produce a document for the public and will be used to form a response to DDC on the Land Allocation Local Plan in 2019.
- **Planning:** Applications received: The status of all these were reported and full details available on: Dover District Council website: <https://www.dover.gov.uk>
>Planning>Applications>View-Applications>Decisions
DDC Review of Local Plan: Consultation on new Plan expected from Dover District Council in 2019.

- **Neighbourhood Watch:** Inconsiderate parking still a concern and highlighted in this Newsletter (page 18). Thanks expressed to Capel Court Caravan Park to offering parking facilities to the Jarvis Homes contractors. Twinning sign to be moved Dover end of village – waiting village Twinning Association comments as to replacement, to indicate new Twinning Town of Vieille Eglise. Community Clean-up Day (i.e. cleaning bus shelters and street signs) agreed and will be organised in conjunction with Community Warden – more details to follow.
- **Recreation and Other Equipment:** Bi-monthly monitoring report received by Councillors with two issues noted for attention.
- **Highways:** Location of speed reminder roundels, if undertaken, to be considered. Waiting consultation result for extension of 40mph Folkestone end of village.
- **Public Rights of Way:** KCC Autumn tidy to be monitored by our Parish Councillor Representative.
- **Speed Watch:** One new volunteer trained and a new co-ordinator (Roger Tapley) to oversee more sessions.
- **Capel Cares:** Thanet Community Transport Association helping regulars with transport. Councillors agreed to pay for an Annual Parish Membership – more details to follow.
- **Other:** Excess straw left on Capel Street swept by DDC contractor as best possible, as vehicle was unable to get closer to verges. "Battle's Over" on 11th November 2018 (Details of programme of events to date and request for help, on pages 10). Vacancy for Parish Council still exists (page 13).

CAPEL-LE-FERNE EVENING

Hello Everyone, It was Capel Le Ferne W.I.'s 59th Birthday meeting on September 11th. In the hall tables were set up with little vases of flowers and jugs of fruit flavoured juice.

The top table had a really nice flower arrangement which was kindly given to Pam at the end of the night.

Once everyone was seated, Pam welcomed all the guests and members and then she introduced Lisa our speaker for the evening. Lisa told us some of the history and techniques of burlesque dancing, she gave an informative and humorous talk. Jan and Vera the very brave volunteers were fitted with tight corsets which were then pulled in tightly from the back. After being shown some moves, and a bit of practising they were getting the feel of it, they were then given long gloves to wear first and shown how to take them off slowly and then how to take them off with their teeth, they were then shown how to dance with a feather boa, afterwards they were instructed how to put tassels on and to try to get them spinning but they kept falling off. Everyone was in stitches, laughing at their antics and facial expressions while doing a lot of wiggling. They finished all the dance routines they were shown to a big round of applause.

We then had a break to enjoy the buffet spread that the members had made and brought, lots of sandwiches, savouries, cakes and pastries to choose from with plenty of cups of tea and coffee. The delicious birthday cake made by Alison and decorated by Pat was cut and put in cake bags for everyone to eat now or take home with them.

We had a very fast game of Charades where each table had to pick a piece of paper with a title of film, book, or play on it, rush back to their table and mime it for their team to guess the answer, it got quite noisy with all the teams shouting out what they thought the answer was. Later the raffle numbers were drawn with some very nice prizes being won.

This month's competition judged by Lisa was feathers and fans with some really lovely ones on show, I think we would all agree it was a very good night.

If you would like to come along and give us a try you will be sure of a warm welcome, interesting talks, lots of fun and a chance to meet new and old friends, just come along to Capel Village Hall on Tuesday 9th October at approximately 7:15pm.

Fraudster ordered to pay back £8,000 to his victims

A doorstep criminal recently jailed for more than five years after being convicted of numerous fraud offences, has now been ordered to pay back a total of £8,000 of his illegal gains.

This follows a confiscation hearing at Canterbury Crown Court brought by Kent County Council's Trading Standards team, under the Proceeds of Crime Act.

Raymond Sharpless conned 18 victims out of nearly £40,000, mostly through shoddy workmanship, and in February he was jailed for five years and one month.

Sharpless, formerly from New Romney, conned victims across Kent, Sussex and London, after advertising a variety of professional services, including plastering, roofing, groundworks and chair restoration and responding to jobs posted on trade websites.

He visited unsuspecting victims and secured deposits on the promise of carrying out the agreed work. Sharpless would often fail to return to correct work of a poor standard and, in several cases, he failed to hand back precious furniture he took for restoration.

Clive Phillips, KCC's Trading Standards Operations Manager for Complex Investigations, said: "This sends a clear message; not only will we leave no stone unturned in the pursuit of serious and persistent doorstep criminals, we will also seek to claw back their ill-gotten gains."

"Although not all Sharpless's criminal benefit is to be recovered at least some of it has and, in this case, it will be returned to the victims. If we identify assets in the future, we will go back court and ask them to reconsider the order."

Sharpless defrauded victims across the South East for 27 months, sometimes under his own name but he was also known as Mark Price, operating at least 11 different business names and three separate websites.

In sentencing at the hearing in February, Judge James O'Mahony described Sharpless as "a conman of epic proportions" and said: "As for building work, floor laying, roof work, damp problems, plastering, renovation, electrics, you have as much skill an expertise as I have, which is nil."

Residents are urged to do their research before instructing people to work on their homes. Trading Standards recommend you obtain at least three quotes and never pay cash in advance, never allow cold callers to tell you have an urgent problem with the structure of your property, such as loose roof tiles, guttering problems which they are prepared to rectify for you immediately, you will be at great risk of incurring a poor job being carried out or paying an extortionate bill.

If you have been the victim of a doorstep criminal or need advice on your statutory rights residents can call the Citizens Advice Consumer Advice Service on 03454 040506.

NEIGHBOURHOOD WATCH MESSAGE

<https://www.kent.police.uk/advice/fraud/>

Fraud - Protecting yourself, your family and friends

- Never give personal details (name, address, bank details, email or phone number) to anyone without checking they are genuine. The police and financial organisations will never ask for account details over the phone.
- Always check the identification of anyone you are considering buying a service or goods from.
- If someone offers you goods or a service that seems too good to be true, it could be a scam. Don't feel pressured into taking up an offer before you've checked the company or individual is genuine. If you have concerns or are put under a lot of pressure, just say no.
- Shred documents containing personal information before throwing them away and keep personal documents in a safe and secure place at home.
- Check email addresses. Fraudsters sometimes use false accounts to con people. For example, 'info@ebayz.com'. The real address would be 'info@ebay.com'.
- Make sure your computer, tablet or smartphone has anti-virus and anti-spyware software.

WORKED WITH THE PARISH COUNCIL TO IMPROVE THE COMMUNITY

JOANNA WATTS
 Volunteer Support Warden for Great Chart and Singleton

Joanna quickly identified a problem with dog fouling in her local area which was causing a lot of concern for residents especially parents with young children.

With support from the Parish Council, Joanna used brightly coloured chalk spray to highlight the problem to residents and worked with the Parish Clerk to produce a 'hot spot' map. Special dog fouling bag dispensers were purchased and installed in the worst offending areas to tackle the problem.

The campaign proved to be very successful with positive feedback received from the community and was picked up by the Kent Messenger and Radio Kent.

- 42 incidents reduced to 2 within 5 days
- Eco-friendly chalk spray can - £7.95
- 4 dog fouling bag dispensers - £100 each

Parish Clerk - "the scheme has been hugely successful and worked very well for the Parish"

HELP YOUR COMMUNITY AS A VOLUNTEER SUPPORT WARDEN

kent.gov.uk/communitywardens
 Spring 2017

Why Volunteer?

As a Volunteer Support Warden you will make a difference to residents and help to create resilient neighbourhoods. The role will be challenging at times but rewarding and you will be improving the well-being of the residents in your local area. You will meet new people, learn new skills and provide valuable support to local residents.

"I'm passionate about my community"

HERE IS WHAT ONE OF OUR VOLUNTEERS DID

JOANNA WATTS Volunteer Support Warden for Great Chart and Singleton

Joanna found a number of stolen bikes dumped in the area and it was unlikely that they could be traced back to their original owners.

Working with the Kent Community Wardens, Joanna organised a free security day tagging bikes and giving residents advice. Security tagging helps deter and catch criminals and reunite stolen bikes with their rightful owners.

- 90 bikes tagged
- Cost of bike tags £3 each (normal cost £11.50)
- Funding secured for another 100 tagging kits
- New security tagging day arranged

Parish Clerk:

"She engaged with the local youths by attending the youth club and holding bike marking sessions."

What will I be expected to do?

Support Community Wardens by identifying issues and feeding back to relevant services including Trading Standards and the Police.

Liaise with organisations including Neighbourhood Watch, Victim Support and the Fire and Rescue Service.

Attend local groups and meetings providing advice on topical issues and provide local residents with crime prevention materials to reduce their fear of crime.

TRAINING

Training will be provided as well as ongoing mentoring with a Community Warden. As a volunteer you will not have accredited powers or be expected to handle sensitive information.

Calling all passionate community driven people for an exciting new volunteer role

How much time will I be expected to give?

Just 20 hours a month but you can do more if you want.

Expenses / Car / Internet

Uniform will be provided as will your mileage and travel expenses. We will require a criminal record check (DBS). You will not be required to pay for any of this.

You do not necessarily need a driving licence for the role. However you will need to have access to the internet to enable you to receive messages.

Is this considerate parking?

Inconsiderate parking is a stressful part of everyday life for us all. Unfortunately in and around Capel-le-Ferne at the moment, we are seeing a lot more of it than we use to, and we need to be aware of how and where we park and problems it may cause to others.

Be mindful especially if receiving a delivery and/or having building works carried out with the extra traffic and parking this may cause.

- **PLEASE ...** Be thoughtful of wheelchair and pram/pushchair users – leave enough room for them to pass on the pavement and not have to use the highway.
- **PLEASE ...** Be considerate of other drivers and ask your visitors to not park across neighbours' driveways or block the highway.

THANK YOU!
