Be careful what you say - it may come back later to haunt you. Last month I prophesied wonderful weather for the village fete. Shows how much I know! The day dawned and the weather looked wild, windy and wet. People asked if we should cancel. The Committee spent more time looking at the weather report than Michael Fish. Many stalls, not unnaturally, opted to go inside the hall which left the recreation field somewhat deserted particularly as the weather improved and the sun came The weather also impacted on the number of stallholders as many failed to turn up. All of this clearly affected numbers attending which were disappointing. However, things gradually improved, and people started to arrive. A lot of stalls did a roaring trade. The tug of war proved successful late in the day as did the beer from the local brewery! Nothing daunted, the committee will take forward lessons learnt and include more childrenbased activities and live events next year. If anyone would like to help us in the planning, then please contact the Committee. In the end the fete raised nearly £600 (at the last count) which will go towards some much needed repairs to the hall. The fire doors at the back of the hall need replacing and by the time you read this, the guttering and soffits at the hall will have been cleaned and repaired.

RECYCLING - INSIDE THE HALL

Boxes are provided for:

Used Stamps for Donkey Sanctuary and McMillan Cancer. Bottle Tops are also being collected again.

Please place the above in the relevant boxes. A big thank you to everyone who puts their used stamps in the box in the Village Hall. Please carry on for these good causes.

While we are talking about hall maintenance, can I make a plea on behalf of the Committee. We are grateful that people report maintenance issues (whether through the Comments Book kept in the kitchen or through getting in touch with the Committee), but we would ask that people keep a vigilant eye out for general damage. The painters have spent the August holidays working round hall users in order to repaint the hall and not impact by having to cancel bookings. A couple of days after the walls were painted black marks have appeared where something has hit them. We paint the walls approximately every three years at a cost of some £5,000. It would be great if the newly painted walls could remain that way for some little time. I'd like to finish this by thanking two people who have been the backbone of many a village hall event -Cherry Leppard and Ruby Cook. Despite taking a step back from the Committee, Cherry continues to man the Farmers Market greeting people and keeping an eye out for things that need sorting. Ruby has been the doyenne (I hope she doesn't mind me calling her that) of the kitchen for more events than I have made hot dinners. They both do it with grace, laugher and unrivalled organisational skills. Thank you both!

Just one thing to write about this month – and if you received a copy of last month's *Grapevine*, you will know what it is. We are so grateful to those who have responded to the appeal for funds towards the restoration of the Lychgate at St Mary's, Capel's old parish church, and also to those who have made offers of practical help.

St Mary's may not have always had a Lychgate at the entrance to the churchyard. The one that we hope to save was given to the village by a Captain and Mrs Morris to celebrate their marriage in 1894. They originally provided shelter for funeral parties, who would wait there until the clergyman arrived and conducted the first part of the service under the Lychgate. In some parts of the country it was customary for newly married couples to leave church only to find the Lychgate closed by local children, and the couple would pay to be allowed to pass.

I cannot be certain whether or not these customs have been kept at St Mary's over the past 125 years – perhaps there are some reading this who may have some stories to tell, and if so, I would love to hear them! One thing, however, is certain – for many people, St Mary's without its Lychgate would just not be the same.

We have made a start, but still have a long way to go. We hope that over the next few months, with your help, we shall succeed in raising the money required. A number of fund-raising events are being planned – a sponsored walk has been mentioned, and no doubt details will follow. In the meantime, thank you for your support. **Brian**

<u>CAPEL-LE-FERNE</u> EVENING WI

Hello Everyone. What a busy time it has been in the last 4 weeks with so much going on.

Firstly some sad news about Kath Clarke, one of our long time founder members, we were informed that she passed away on the 18th July, she was a very popular lady and told us about her memories when she grew up in the village, and what she got up to as a child in the war. Her Dad was a builder and she saw the village grow as he helped to build so many residences in Capel. She will be missed by us all. Some of us went on the trip to London Royal Docks for a Strictly Tea Dance on board the "Teresa Joanne". The vessel started life as a crane barge but was completely refurbished and now is a permanently moored ballroom. There was a bar for those that wanted wine or something stronger. The tables were set out with posh English Rose tea cups and saucers on a sparkling sequinned tablecloth to set the mood for the afternoon. The wait staff brought pots of tea or coffee and kept us refilled with fresh when needed, we were each served a trio of mini pie savouries as a tasty snack. Neil our host/comedian/magician who welcomed us, he then presented the professional dancers Kerry and Jonathon, and it was on with the dancing demonstration of the Waltz, Foxtrot and Quickstep. Kerry introduced herself and Jonathon, she soon had us laughing with her funny sense of humour and quickly got a group up to learn some dance steps to "Achy Breaky Heart" and then a more complicated one which included feet getting trod on, going the wrong way or wrong direction but having a good time trying to get it right. Very soon it was time for the cream tea of finger sandwiches, scones with jam and cream and cakes which came on 3 tier cake stands along with more tea. Afterwards Neil did a card trick, and then Kerry and Jonathon did demonstrations of the Samba, Tango and Jive, then some of us got up to learn steps to the Cha Cha Cha, the Cheeseburger and the Mambo, some judges had been chosen from the audience and voted for Debbie and Suzanne as the winners. We then got on the coach with full tummies and arrived back in Capel around 6.30pm after a very good day out. A coffee morning was held on Saturday and was very well attended with lots of different stalls and tables filled with scrap books and photo albums, newspaper cuttings and photos dating back a number of years containing many interesting events. A table was set out and filled with different trophies that have been won for various competitions.

There was a great variety of handicrafts on display showing how talented many of our members are with some of the items for sale. There was a Tombola with lots of prizes and of course the cake stall with an assortment of delicious homemade cakes. There was tea, coffee and choice of scones for those who needed a bit of reviving with a sit down. A big thank you to all the members who organised and those who helped on the day, baked cakes, gave prizes or attended, including members of other groups, we had quite a lot of people interested in finding out what our W.I. is all about and what we do. To celebrate our 60year Anniversary of the Capel W.I., we went for a meal at the Bowls Club. Glynis welcomed everyone and gave a very brief toast, just as well as there were a few growling tummies around, and then Ros spoke about her role when she was president and named some of the others who did the job before and after her. The carvery was very tasty with plenty of everything, even crackling. There was a choice of puddings, coffee and chocolate mints. The staff were very efficient and friendly and were given a round of applause. The tables had lovely floral arrangements made by Pam and each of us had a triangle favour box (handmade of course) by the craft group, they were filled with a delicious homemade chocolate made by Caroline as a special treat to remember the day. Thank you to all who helped and arranged the evening.

If you would like to give us a try you will be sure of a warm welcome, interesting talks, lots of fun, a chance to meet old and new friends, just come along to Capel Village Hall on Tuesday September 10th 2019 at around 7.15 pm.

MESSAGE FROM DOVER DISTRICT COUNCIL. FLY-TIPPING ON CLIFFTOP, OLD DOVER ROAD, CAPEL-LE-FERNE.

Dover District Council is receiving complaints that residents are disposing of garden waste such as grass cuttings, tree cuttings etc over the cliff tops. This type of activity is not permitted and would be regarded as fly tipping.

Fly tipping is a criminal offence and the maximum penalty on conviction is a prison sentence of up to five years and/or an unlimited fine. We would like to remind residents that all waste, including garden waste, should be correctly and lawfully disposed of. Garden waste can be disposed of through the green waste service provided by Dover District Council or by taking it to the local household waste and recycling centre.

For more information please visit:

 $\frac{https://www.dover.gov.uk/Environment/Environmental-Crime/Fly-Tipping/Fly-Tipping.aspx}{https://www.dover.gov.uk/Recycling--Waste/Garden-Waste-Service.aspx}$

https://www.kent.gov.uk/waste-planning-and-land/rubbish-and-recycling/find-your-nearest-tip

We would also like to take this opportunity to remind residents of their duty of care in relation to waste. Residents should remember that they are required by law to make reasonable enquiries to ensure that they are only transferring their waste to a licensed waste carrier. Please remember the following points when handing your rubbish over:

SUSPECT – Beware of rogue waste collectors and cold callers CHECK – Ask for their waste carriers licence details REFUSE – Do not be tempted by offers to take your rubbish away

ASK QUESTIONS – Find out where your rubbish will be disposed of PAPERWORK – Always ask for and obtain a receipt with the full details of who took your rubbish away and

details of their waste carriers licence

You can check someone holds a valid waste carriers licence at the following website https://environment.data.gov.uk/public-register/view/search-waste-carriers-brokers Or by calling the Environment Agency on 03708 506506.
