*From the Vicarage*

I answered the phone to be told gently that some information that I had put on the church notice sheet was wrong. I checked, and he was right. It wasn't the first mistake I've made, and it won't be the last.

Research shows that the more severe the consequences, the less likely people are to admit their failings or learn from them.

I learned that as a student. When I started teaching discovered that it was true. In those days the thick ear was still part of a teacher's essential toolkit in many schools. Not surprisingly, many pupils quickly learned how to avoid getting caught, how to deny everything when cornered, and how to blame someone else. Lessons learned in childhood are taken into adulthood, which explains why many of us go through life covering our backs and blaming others when things go wrong. So with an election looming, spare a thought for bankers, teachers, social workers, health care professionals and all others whose failings someone – not having read the research - will no doubt be pledging to tackle yet again.

However, Easter is also looming. As April begins, Christians remember the failings of Jesus' disciples who either denied him or ran away when he needed them most. Yet incredibly, he appeared to these same people that first Easter and sent them to tell others about what had happened. Forgiven, and with the chance to start again, they continued what he had started.

"Be kind to one another, tender-hearted, forgiving one another, as God in Christ has forgiven you," wrote one of Jesus' followers to the church at Ephesus. I'm blessed by the kindness of my congregations who, bless them, forgive me and my failings, and let me start again. **Happy Easter!**

Capel Church Hall Fund-Programme for 2015

I am delighted to announce that Friday April 10th in St Radigunds Church, Albany Road, Capel at 7.30pm will be a rather special evening and an absolute first for the Capel Church Hall Fund as we be welcoming a young Classical Guitarist Adrian-Christian Mires to give us a recital. Adrian was the guest soloist at a concert by The Snowdown Colliery Welfare Male Voice Choir at Harvey Grammar School on the 14th of March and I am sure that anyone who attended that superb concert will be delighted to hear that they can have the opportunity to hear Adrian play again but this time in a rather more intimate setting.

Adrian is studying for a Masters degree at Christ Church University Canterbury and is undoubtedly going to be a name on the concert hall stage in future years. so this is your chance to see and hear him before he becomes famous and only have to pay £5 for your ticket which can be obtained by phoning me on 01303 251403 or e mail to johne.oliver22@gmail.com. Tickets will be available at the door but as I have no way of determining just how much demand there will be it will be better to reserve your tickets in advance.

Future dates for your diaries are:

Friday May 8th Keith Radford presenting 'A Musical Journey'

Friday June 12th Ann Finney presenting Marie Lloyd and Gracie Field and

Friday July 10th Frank Conley with his new programme of Gilbert & Sullivan

The Autumn events will be published later

If you are planning a party or social event why not consider approaching Steve Leonard, our Letting Secretary on 01303 670445 or mobile 07525 254114 to make a booking for a regular slot or just a one off event

THE HALL IS AVAILABLE FOR LETTING FOR WEEKLY EVENTS OR CASUAL BOOKINGS FOR PARTIES ETC. CONTACT STEVE LEONARD, LETTING SECRETARY

Capel has an active community and the village hall is well used, whether by preschool or Farmers' Market in the morning or by the various organisations who meet for sports or leisure activities. Details of these are in the hall. Some, like short mat bowls, meet several times a week, others, like the pantomime or bird show are annual events.

There is some capacity for private hiring's so, if you would like to organise a party come and have a look round, there are two halls, which can be hired separately or together.

The main hall has plenty of tables and chairs and there is still space for dancing or running round. A PA system means you can hear the music or speaker if you have one – we are happy to show people how to use it. There is a stage with curtains – you could use this for the disco, band, speaker or you could put some chairs there so adults can sit and watch the children run around on the main floor. For AV events there is an electrically driven projection screen, whilst for that very special party there is a net to let release balloons.

The small hall is perfect for more intimate groups or meetings, or can be used as the chill out space or food/drink service area.

Both halls have use of the kitchen – including instant boiling water (capacity up to 100 cups in 15 minutes) and plenty of china, mugs and cups. A separate hand washing sink complies with Food Hygiene Regulations. The electrically operated shutter allows you to close the kitchen off so your guest can party on while the washer uppers tidy up.

Hire either or both halls, depending on how much space you need. Licenced for most things (except hypnosis and boxing) including sale of alcohol, PRS, raffles. If you would like to start a new club or activity then talk to the letting secretary about when a regular booking can be made.

If you plan to have your party at home tables and chairs can be hired from the hall. £2 or 50p respectively.

Contact Jayne on 01303 211480.

The boot fair season has drawn to a close – a big thank you to Sylvia and the kitchen team for all their work – the monies raised will be used to maintain and use the hall. Before the boot fairs recommence there will be the Garage Safari Day – organisation lead by Cherry Leppard. The date for the craft fair is 14th November and Chicory Tip is returning for News Year Eve. More details later.

The committee meeting was lengthier than usual this month - - the main topic was consideration of potential improvements and their practicality. Replacement of the lights remains top priority – we are looking for something that lights the hall well enough for people to see the fiendish picture round during quizzes, doesn't cast shadows for the badminton players and can be dimmed for parties and dances. They also need to be easy to maintain.

Many people are aware of the problems when it rains hard. We are investigating how this can be remedied. We want to take the opportunity to improve access to and the appearance of the main entrance to the hall. Possible solutions identified to date are proving to be a bit expensive so we need to be absolutely clear of all the potential benefits and losses before proceeding. At present this is just an idea at a very early stage and, if we decide to proceed, it could be several years before work is completed. If you have any views one way or another, please let us know.

The need to purchase additional chairs is also on the list of things which may be needed this year.

There has been an approach by a business to use the car park for a mobile hot/cold food. Regrettably it has proved difficult to accommodate this without causing inconvenience to hall users. The business is applying to DDC for a street traders licence so they will be able to look at alternative locations in the village.

There was a final report on the potential mobile cinema. The committee would comply with legislation and licencing. To pay these and to purchase/hire the equipment (including films) would cost several thousand pounds so the price to viewers would be high. A cinema is planned in the Dover re-development. In view of all this it was agreed to not progress the idea.

CAPEL-LE-FERNE TWINNING ASSOCIATION

Bonjour tous! It was great to see twenty six members attend the AGM on 23rd January to hear about the association's continued successful operation, and to elect the committee to take us forward in 2015.

At its AGM on 23rd January 2015 members heard that the Association had had another successful year, and re-elected the committee for a further years' service. This was with the exception of Gess Harman, who, after giving many years and support to the CTA, feels currently unable to offer the time needed, and asked to stand down. The association has currently over 50 members and has now outlined its plans for 2015.

On 24th April there will be a Moules and Frites Evening held at St Radigund's Church Hall starting at 7pm. There will be a choice of Mussels or Sausages and chips - all for £5 per head. Non-members are welcome - but please book stating your preferences with Bill Heath (01303 851257).

Our first trip of the year will be on the 12th May 2015 - when we shall be visiting Clairmarais near St Omer, by coach and Channel Tunnel - where in addition to partaking of a fine Flemish Lunch we shall be taking a boat trip in the Audomarais nature reserve, before visiting a Gin Distillery and returning home.

Other plans include a Summer BBQ at St Radigunds Church on 3rd July 2015 and a planned Boules Match on the village Petanque pitch on 7th August 2015.

A second trip to France is being developed for mid-September when we are hoping to visit the Chateau de Long - set in a park and gardens alongside the River Somme, whilst our Annual Dinner will also take place in France again on 29th November.

So if any of these events appeal to you, why not join the association for just £5 per year, and take advantage of our very good value activities. There is NO requirement to speak French!

Your committee are hopeful that the chosen programme meets with the approval of the membership, and look forward, as always, to receiving feedback to discuss at its meetings.

Twinning - I am sorry that there is presently no further news on the twinning front, and we are still awaiting contact with Vielle Eglise. Members will be advised as soon as anything concrete emerges.

Capel Active Retirement Association - Sally Solly (Secretary).

Tom Deakin, our member and speaker for the March meeting, presented us with an amazing knowledge of and enthusiasm for Napoleonic history, battles, characters, soldiers and uniforms of the different regiments, with a large and wonderful collection of bright coloured regalia, dress uniforms and fighting gear – all under the title of REDCOATS, SWORD, SABRE & MUSKET! We had wondered what we were in for, but there was a safe distance between the 'Brown Bess' musket, sword and spear and our members, which allowed us to relax as Tom spoke to us and answered all our questions! He belongs to an historical re-enactment society, who performs some of the battles on Dover Western Heights from time to time. The dates for these shows are Saturday/Sunday 30/31 May and Saturday/Sunday 12/13 September 2015 if you are interested to attend. Thank you Tom for a very memorable talk! We have a CHANGE OF SPEAKER for April as the Big Band Music speaker cancelled; and Ray Solly has kindly brought forward his talk on X & Y STATIONS – see separate poster. Also a reminder to all our members that we hold our AGM on 5th May and full information packs will be available for all at the April meeting – please collect on that day if at all possible. We have our next Pub Lunch on Friday 24th April at 1pm at The Lighthouse, Old Dover Road – anyone wishing to join us please contact Adrian on 250392 – see separate advert.

CAPEL EVENING WI

Hello everyone. Lovely to talk to you all again. March is always a busy month for WI with everything that is going on. It is also especially busy for Birthdays. We have a lot of Members who have their birthdays in March, so there is usually a lots of cake to go around.

The speaker at our March meeting was Heather Chantler from the nature reserve at Dungeness. From the minute she started she had us enthralled; it was first opened in 1906 and much of the flora and fauna are unique to the area. We had a simple geography lesson which explained why so many of the specimens flourish there. The black lichen grows there because of the pure atmosphere and the specific combination of gravel beds, rushes and pasture encourages a wide range of animals from frogs to mute swans, from grass snakes to peregrines. The photographs used to illustrate the talk were so superb that we felt we were touring the reserve from our seats in the hall. Although we had a lot of business it was fun business: where to go for our Christmas lunch (awful to think of it so soon but with all of us and our guests we need to book early), who wanted to go to the Buckingham Palace Garden Party and arrangements for our outing to Lullingstone Castle, and we did find time for a static version of 'Catchphrase'. Our competition was 'A Bird of any Medium' of which, Barbara Heath was first, Janice Whittle was second followed by Shirley Overall third. We had quite a varied display of birds.

Twice a year our Institute gets together with some of the other local WIs. This month at our Group meeting the speaker is the inspirational Dr Becky Parker. You many have heard her recently on the radio and we are lucky she has a 'window' for us – her topic is 'The Sky at Night' and the competition is Moon and/or Stars. It will be interesting seeing how each of the Nine WIs interprets this. Alternate Thursday afternoons find many of us crafting away. Our latest venture is learning how to 'double' crochet. Our resident expert makes it look very easy and the finished reversible items look wonderful – so when you see a lady with a crochet dual coloured snood or hood, the odds are she'll be a WI member. Elsewhere in the room someone is making beaded jewellery whilst at another table card making is in full swing.

Between now and early May we are running a photographic competition to raise money for Comic Relief. If you would like to join in, contact Jayne 200480– for this event membership of the WI is not obligatory – but be quick, it closes mid-April.

At our meeting on April 14th Prue Anderton is due to talk to us about 'Sunday Tea with Mrs Reed'. Prue belongs to Goodnestone WI and has been to us before. Her titles are always intriguing and give little insight whatever follows. Just thinking about this one reminds me of tea when we visited my grandparents on Sundays. Whatever it will be we have learnt that Prue is always very entertaining.

If you are new to the village, or just want to meet new people you are very welcome to come along for the evening and see if the WI is for you. You are welcome to come to 3 meetings without making a commitment to join. Just ring Jayne on 01303 211 480 and we'll arrange for someone to 'host' you through the evening. WI events which require booking are:-

Centenary Annual Meeting - Thurs 4 th June, Royal Albert Hall		Group Meetings: Whitfield - Wed 22 nd April, 7.30 pm. River - Thurs 1 st Oct, 2pm	
Skittle Evening Royal Oak	Thurs 11 th June	Lullingstone Castle & Lavender Farm	Thurs 2 nd July
Five Oak Green meet-up	June tbc	Christmas meeting	9 th December

I will draw to a close now. Thank you once again for taking the time to read my report. Thank you to Jayne for help this month. Talk to you all again next month. Take care until then.

Dates for your diary

Mobile Police Station will be in the car park to answer any questions on some Tuesdays from 11.30am – 12.30pm

7th April – Easter Special, organisers & stallholders will be wearing Easter Bonnets, an Easter Bonnet competition for children, and an Easter Egg Hunt will be held.

The results are in for the Taste of Kent Best Farmers Market in Kent Award! Unfortunately we didn't win - the winner was Aylesford, and not really a comparison to ours as they are a monthly market, with an average of 40 stalls and over 1,000 customers, not sure how we could compete with that! Needless to say we still think we're the best anyway and we did reach the final 3, so not bad eh! We'll try again next year and who knows, with your help we might get there! Unfortunately Izzy's Deli has decided to ease up on her workload and has now left us, after 7½ years. We shall miss her and wish her all the best, and hope she will return to visit as a customer. However, don't despair, we do have another Deli lined up, who will be commencing 10th March. Calling herself 'The Sixth Generation', Zoe will be providing a wide range of Deli products i.e. cheeses, cold meats, butter, salads etc along with a range of ready meals too, great for those who don't cook/won't cook! Sandgate Bakery will now be producing home-cooked ham alongside his smoked salmon, and Whittington Preserves will have Olives, Sun Dried Tomatoes and Garlic etc., to compliment the Deli. Naturally Happy - selling Nut Butters & Cookies, has been away for a while due to illness, but will be returning on 17th March. Nanny Jones Home Made Desserts, with a great range to choose from, are doing well. As is, the Debonair Tea Company, with their range of locally blended teas and infusions. Gentleman's Fine Foods has also now joined us with a range of Sauces, Condiments and Vinegars. We are certainly getting a wide variety of products for our customers now. The Rough Old Wife Cider is now attending fortnightly as does our fresh Fish stall 'Boy Callum', who is always very popular. Highview Schoolchildren are still attending fortnightly with their great ideas, and helping with their business studies. I do hope you will also visit our Crafts Hall too, where there is a variety of Crafts including Quilting and handmade Cards on offer, other stalls vary week by week.

James is on hand for those Passport photos! As are the Postal Services Volunteers.

Our WEEKLY DRAW to win vouchers to spend at the market is a great bonus too, for just 50p a go. The winners' names are always on the board in the hallway. We also provide a photocopying service for just 10p per copy. PLUS – Quiz sheets are available and lots of books and jigsaw puzzles for just a donation! Please also be aware, that the village Community Warden and/or our PSO are usually on hand at the market to answer any questions. Also the KCC Mobile Library attends just outside the car park, at 12 Noon every week.

So, as you can see, we are more than just a Farmers Market but a real Community based project!

We now have the following products on sale:- Fish, Meat, Eggs, Ready Meals, Preserves, Jams, Honey & Pickles, Sauces, Condiments, Delicatessen, Smoked Fish & Cheese, Bread, Cakes, Pastries, Desserts. Fruit, Vegetables, Fudge, Teas & Infusions, Fruit Juice, Cider, Fruit Liqueurs, Plants and a wide variety of Crafts.

More help is required for the clearing up after the market please, on a rota basis. Could you spare just ½ an hour once a month from 12.30 to 1 p.m.? Maybe you've just retired and want something to do, or are new to the village and want to get involved?

If you are interested, please contact Cherry 255114 or Jenny 245399 / 07796 432445 to discuss what is involved.

Please note: The products for sale are produced (in the majority of cases) by the stallholder, in Kent, unless clearly marked otherwise.

We should point out that we ensure our producers hold the relevant certificates i.e. a public liability insurance and, where necessary, health and hygiene certificate and kitchen registration documents. We have business cards and posters for the market, if you could hand out to friends & family, your local club/pub/restaurant etc., please we would be very grateful.
