### *From the Vicarage*

A couple came to see me about being married in one of our churches recently. One of them used to live in the area, and so they had come to me – but that was partly because when they had first telephoned their local parish the person taking the call had come across as abrupt, and they hadn't wanted to go back to them.

I was surprised, because I know the person in question to be a warm, friendly soul who would do anything for anybody – but we all know how it is when the phone rings just as dinner is ready, or when we have just got out of the shower. I made a mental note to be more conscious of how I answer the phone – it just goes to show how first impressions count.

I have had to remember this myself when answering the phone during the past week. Colds make me grumpy, and things that don't usually bother me become irritating. It began last weekend with a tickle at the back of the throat and by midweek I was already onto my second box of tissues.

During my student days I attended a church in London. In those days large parishes often had a vicar and two curates, and there they were all single and shared a vicarage with a housekeeper, rather like TV's *Father Ted* - except that this housekeeper, unlike the cheery Mrs Doyle, was a retired hospital matron who meant well but could nevertheless reduce anyone who rang the vicarage doorbell to jelly in seconds. I once mentioned in front of her that colds make me grumpy. "That's because you're a man!" she thundered. "Men think it's beneath their dignity to have colds!"

Jesus once went to dinner with friends. While Mary sat listening to Jesus, her sister Martha was preparing dinner, fretting about all she had to do – until she finally lost patience and complained. "You are worried and distracted by many things," Jesus replied. "There is need of only one thing."

Martha reminds me of myself with a cold. If she did have one it might explain why she was fretting, and why Jesus had to remind her – and us – not to worry about the little things in life that don't matter as much as we might think they do. *Brian*

### Capel-le-Ferne Church Hall Fund

It has been a good week for St Radigunds Church Hall. On Monday 8th of July new flooring was laid in the hall and the deep red matches the curtains and looks great and gives a warming affect. On Tuesday we had a two coach trip to Brick Lane Music Hall to see Vincent's Variety Showcase which was as brilliantly funny as ever and not only did it make £226 for the Church Hall Fund but Vincent Hayes who is the leader of the Brick Lane Music Hall cast of entertainers donated £240 from their raffle to The Pilgrims Hospice which I was grateful to receive on behalf of the Hospice. On Wednesday work started on the car park and on Thursday it was finished and looks so smart. Then on Friday Keith Radford gave us a talk in our 2nd Friday of the Month slot when a very appreciative audience were taken back down memory lane to so many of the West End Musicals that we have been to over the last 14 years with a talk on Musical Theatre from the 1950's to the present day. He is such a good speaker and the subject was just perfect for those of us who love Musical Theatre. On Saturday 10th of August we have The Folkestone Agape Gospel Choir and Jazz Group who will be giving a concert with free admission (retiring collection) and a large audience is expected. Doors will open at 7pm for start at 7.30pm so get there early to be sure of good seats. The Agape Jazz Group includes Brian Cunningham (The Choir Leader) on trombone and Kevin Bradley on Trumpet. Both trained at Kneller Hall with Brian going on to play with the Irish Guards and Kevin with the Coldstream Guards. It's going to be a rather special evening, don't miss it. Then on Friday 13th of September we have Dr John Ray who is an authority on the Battle of Britain. Tickets at £5 are available from me.

The Church Hall now just needs new heating but also funds to replace the funds used this week so please continue your support of our fund raising efforts.

THE HALL IS AVAILABLE FOR LETTING AND THERE ARE STILL A FEW SLOTS FOR WEEKLY EVENTS OR ONE OFF CASUAL BOOKINGS SO IF YOU WOULD LIKE TO HAVE A LOOK AT WHAT HAS BEEN DONE TO THE HALL IN THE LAST 18 MONTHS PRIOR TO POSSIBLY MAKING A BOOKING CONTACT THE LETTING SECRETARY STEVE LEONARD ON 01303 670445 or mobile 07525 254114.

### INFORMATION

We have been contacted by representatives from the programme *Salvage Hunters* (<http://www.questtv.co.uk/shows/salvage-hunters>), which is presented by Drew Pritchard (<http://www.drewpritchard.co.uk/>) who visits a location where he can purchase architectural antiques to sell on or restore. Drew's website is a good indication of what he has purchased previously. They are currently looking for Kent locations for Series 4. If you have any suggestion of places that fit the brief below, please let me know or contact Vik at Cineflix directly on [vikpatel@cineflix.com](mailto:vikpatel@cineflix.com) or +44(0)20 3179 0099 (ext. 2144). Suitable locations will have the following:

- they are NOT a shop or auction house
- they must have items they are willing to sell
- they can be warehouses, clearance companies, farms, stately homes, privately owned museums or schools, etc.

The quirkier the place and the more stuff to look at the better. All suggestions gratefully received. Kind regards,

Provision of further waste bins and benches discussed (see insert below), together with re-painting the “Teen Shelter” – quotes had been obtained and agreed. ### More ways to contact your neighbourhood police officer

As part of a new initiative, Police Contact Points have been launched in the east of the county in July, and will come to West Kent in August, and North Kent in September. Police Contact Points are held each day from Wednesday through to Sunday, mainly in rural locations, on a rolling two-week schedule. Our police vans stop at a prominent location for one and a half hours per visit, enabling residents to drop by and speak to a neighbourhood officer about any policing concerns or issues they may have. The new Contact Points are in addition to the existing surgeries, meetings and online question and answer sessions local officers hold each month. The contact points are currently available in Ashford, Canterbury, Dover, Shepway and Thanet and by the autumn will be available across the county. Residents can follow their progress on dedicated Twitter accounts. For times and locations of the Police Contact Points, and to find out about other ways of contacting Kent Police in your area, please visit the Kent Police website ([www.kent.police.uk](http://www.kent.police.uk)) and follow the links from the home page.

Kent County Council is currently reviewing the way in which our Children’s Centres operate. We have put together a proposal for how Kent’s Children’s Centres can work sustainably in the future, and want to know what you think. A consultation on this proposal will be taking place between 4<sup>th</sup> July and 4<sup>th</sup> October 2013. Our priorities are to continue to deliver universal frontline services across the County, to provide targeted provision to those children and their families who need it most, and to do this within the resources available. Significant savings of £1.5 million are needed because of a reduction in public funding. The proposal we have put together sets out how the available money can be focused more on actual services for children and their families, and less on running buildings and other overhead costs. It does this while maintaining the overall accessibility of services and support for those with the most need. We are consulting on one proposal which includes; 1. Reducing the number of Children’s Centres. 2. Linking Children’s Centres to reduce management and administrative costs. 3. Reducing hours at some Children’s Centres. If you want to contribute to the consultation, which we hope you do, please go to [www.kent.gov.uk/childrenscentres](http://www.kent.gov.uk/childrenscentres), and read the document we have put together. There is also a survey where you can tell us what you think, which is really important in shaping the future of Children’s Centres in Kent. If you have any questions please visit your local Children’s Centre, email us at [cc.consultation@kent.gov.uk](mailto:cc.consultation@kent.gov.uk), or phone 0300 3335540. Many Thanks

## Capel Outdoor Recreational Facilities Update Olympic & Jubilee Legacy

### The Gym, Mini Skate Park & CCTV are here!

As this edition of the Grapevine goes to print, the mini skate park is being installed – what a great start to the school summer holidays!

It is now time to think up of a really cool name for our skate park – please find the entry form enclosed with this edition of the Grapevine. The competition is open to all under 16's and the name chosen will be the permanent name which will be displayed, alongside the name of the winner. Go on, be a part of Capel's Olympic/Jubilee Legacy!

A fantastic turnout by the village for the official 'launch' of the outdoor gym – keep an eye out for coverage in the press...

A hi-tech CCTV system has been installed – we know that you will be looking after your long awaited facilities, especially after all of the hard work many of you have taken to raise the money, but this precaution has been taken 'just in case.'

If you see someone abusing your facilities, then please let the Parish Clerk know as soon as it is safe to do so –

Maureen Leppard's details are shown below.

Due to the kind donation of £3,500 by the 'Capel in the Clouds' book committee, £50 from the Indoor Bowls Club and a few more pounds via the School Summer Fete stall, we now require just £14,819 to reach our target for the zip wire and 3 lane petanque (including access paths). Several villagers are organising sponsored events – further details will be in next month's Grapevine. If you have any fund-raising ideas, raise some money yourselves for the items or wish to make a donation, please contact the Parish Clerk, Maureen Leppard – 01303 259564 / 07813704142 - 39 Victoria Road, Capel-le-Ferne.

## FARMERS MARKET NEWS - FIND US ON FACEBOOK!

### Registered with the Kent Farmers Market Association

I do believe Summer has finally arrived at long last! With the lovely summer days, why not treat yourselves to the local products we have on offer – great for BBQ's fresh meat, sausages & burgers, lots of superb Salad ingredients & finish off with Strawberries & Cherries or maybe an indulgent cake! We also have a new stall selling Ice Cream which will go beautifully with the Strawberries! Mad Cow Kitchen is returning after a very long break, with Gooseberry Crumble Ice Cream and Banoffee Ice Cream to name just two flavours! We also are selling Solly's Ice Cream for the basic Vanilla, Strawberry & Chocolate flavours plus Ice Lollies.

The new Craft Hall is proving popular, with a variety of products all locally produced. Some of the stalls will not be there every week, so we can 'chop and change' to give our customers a variety. Our 'Postal Service', has now joined them there too, along with our resident Photographer. Do take a look and see the locally made products for sale.

Some of our stalls attended the 'Make and Paint Day' at the Battle of Britain Memorial recently, which turned out to be a very successful day, apart from the wind! They raised over £2,000 for the new 'Wing' Appeal.

You will have noticed that we have lost some stalls, but we hope to recoup some more to fill the spaces, very soon, and some of them will be returning in the Autumn.

### PLEASE CAN YOU HELP

We are urgently seeking more volunteers for setting up and clearing away, and help in the refreshments too, to add to a rota.

If you feel you could help us in any of the above way, please contact Jenny or Cherry.

Visit our Facebook page for photographs and further information.

A Newsletter is sent out to many interested parties, and is also added to our FACEBOOK page.

If you would like a copy, please e mail [capelfarmersmarket@yahoo.co.uk](mailto:capelfarmersmarket@yahoo.co.uk).

Please note: The products for sale are produced (in the majority of cases) by the stallholder, in Kent, unless clearly marked otherwise. Our present products are:- Fish, Meat, Eggs, Preserves, Jams, Honey & Pickles, Delicatessen, Smoked Fish, Meat & Cheese, European, South African & Italian dishes, Bread, Cakes & Pastries, Olives, Vegetables, Fruit, Sweets, Ice cream, Fruit Liqueurs, Pet Food, Plants and a few Crafts. James Taylor Photography, attends with his portable studio for portraits, passport, driving licence photos etc., printing your holiday snaps etc. in the small hall. We should point out that we ensure our producers hold the relevant certificates i.e. a public liability insurance and, where necessary, health and hygiene certificate and kitchen registration documents.

### Press Release

#### A sensible approach to street lighting

Kent County Council has launched a public consultation on the hours it is proposing to switch-off lights during the early morning as part of a drive to deliver better value for money for council taxpayers.

It proposes to convert around 70,000 of its 120,000 street lights to 'part-night' lighting. This could involve switching these lights off between midnight and 5:30a.m. The county council will not switch off any street lights in town centres, areas with CCTV, antisocial behaviour areas, at busy road junctions, roundabouts or sites with road safety issues. Residents, businesses, motorists and other groups are being asked for their views on the hours of proposed part-night lighting, and the criteria for selecting lights to be part of this programme. This approach will help the council meet the challenge of rising energy costs, carbon emissions and light pollution. Kent County Council Cabinet Member for Transport and Environment, David Brazier, said: We are taking a safe and sensible approach to rationalising our street lights. We want to ensure we make the best use of Kent's tax payer's money. We propose switching off lights when they don't need to be lit. This is the most effective way of saving energy, very much like a householder turning off lights at night when going to bed. "Rising electricity costs are a reality and will continue to go up year on year. Next year we face a bill of £6.4million for illuminating street lights and the associated carbon tax. A considerable amount is spent on lighting streets in the early hours and we believe we can save around 20% – that's more than £1million – by turning lights off when they don't need to be lit. These proposals would save 5,000 tonnes of carbon emissions. **"We want to hear from people so they can help inform the way forward with our approach to street lighting."** **To take part in the consultation or find out more information, please visit: [www.kent.gov.uk/streetlights](http://www.kent.gov.uk/streetlights).**

The County Council has already discussed its proposals with Kent Police; the Kent Association of Local Councils; and all 12 Joint Transportation Boards, where local councillors discuss transport issues. Meanwhile, later this summer, Kent County Council will turn off around 3,000 surplus lights on a trial basis. These are lights that are no longer necessary and would not have been installed under current regulations. If safety or crime levels are adversely affected during the trial, the lights in question will be switched back on. **The consultation will run until Friday 23 August. People can also submit their views by post at: Safe and Sensible Street Lighting, Kent County Council, Invicta House, County Hall, Maidstone ME14 1XX.**

## **CAPEL EVENING W.I.**

Hello everyone, well here we are again. Hopefully summer has arrived, but probably by the time you read this it might have come and gone, but fingers crossed. I went on holiday to France in the middle of June and the weather was just the same as it was here. We did have a couple of very hot days which compensated for it.

Sheila French, our Vice-President lead our July Meeting by introducing our speaker Mrs Veronica Ashby. Those who were not able to get to July's meeting missed a very good and extremely funny evening. She gave us a fascinating talk interspersed with a beautiful selection of slides on 'Dungarees to Diamonds' and not as the programme 'Dungeness to Diamonds'. Veronica spoke to us about her and her husband's life when they were working for the National Trust at 'Haddo Hall House' in Aberdeenshire, and as the title of her talk suggested, there were times when she would have been in her Dungarees one moment with her hand down a drain and then the next moment she would then have to quickly dress into her diamonds and greet foreign and royal dignitaries. Sometimes even the Queen and Duke of Edinburgh. She loved her life in the castle as there was never a dull moment. It brought back memories for me as I come from that part of Scotland. Vote of thanks was given by Christine May.

August's monthly meeting is a talk on 'Mercy Ships', by Gehad Homsey. For those of you who are not familiar with 'Mercy Ships', they travels all over the world giving free medical treatment to poor people throughout different countries who are unable to get to a clinic or hospital. The Doctors and Nurses give their time for free and all medical supplies are paid for by charity or donated. 'Mercy Ships' volunteers are selfless servants who bring hope and healing every day to the poorest of the world's poor. They change lives by delivering the highest quality care to individuals who otherwise would have little access to medical services. But they don't just change the lives of those they serve. They are changed, as well. 'Mercy Ships' brings hope and healing to the forgotten poor by mobilizing people and resources worldwide, and serving all people without regard for race, gender, or religion. Competition is a 'Model of a Boat'.

Future reminders for your diaries : Saturday **14<sup>th</sup> September 2013 – WI Wit & Wisdom Evening** – So sharpen your pencils and put your 'little grey cells' into motion ready for the evening. Tables can be either 6 or if you cannot make a table, then why not come along and make up a table with others in a similar mode. You will be most welcome. Entrance is £3.50 per person. Bring your own Food and Drink. Doors open at 6.45pm for 7.00pm prompt start. If you would like to book a table then please call Caroline Bunting 01303 247760. If I am not there then please leave a message and I will return your call.

As usual our ladies have a busy month ahead of them - Darts, Craft, Scrabble, Home Economics, Book-Share etc.

Once again I say each month new members are very welcome and you can come to three free meetings before deciding if you like us or not. So maybe we might see you at our next meeting. Well bye for now and talk to you all again next month.

### **CAPEL ACTIVE RETIREMENT ASSOCIATION**

Hello Everyone.....We had such an interesting meeting on the 2<sup>nd</sup> July with a canine visitor by the name of Lucky, representing the Medical Detection Dogs charity. He was of course brought along by his owners, who spoke enthusiastically about these amazing and intelligent dogs, who can learn to detect life-threatening/life-challenging crises in people's lives, giving us an on-the-spot demonstration of a fall in blood sugar of the owner who was diabetic, so he could take immediate, preventive action. Much research continues as these dogs are being trained in a host of other medical conditions. We were all very impressed and well informed by the end of the meeting.

Our next meeting is 6<sup>th</sup> August where we hear a member, Graham McGlone, share some memoirs of his seafaring days. As a group we look forward to our day trip to Eastbourne on 15<sup>th</sup> August (room on the coach still, so please book a place with Sylvia on 244847), and if you require a ticket for the Thanksgiving Service at Rochester Cathedral on October 17<sup>th</sup>, then also speak to Sylvia. As members know we are looking for someone to take over from Sylvia with planning outings and trips of interest for members, so if you think you could do this please let Sally know on 250144. You could try us out and see if you like us by coming as a guest to one of our meetings – first Tuesday afternoon of each month in the Village Hall at 2pm - or give the secretary a call on 250144 if you have any queries.

**Our Eastbourne Day Trip - Thursday 15<sup>th</sup> August 2013**

Pick up is at 8.20am at the large lay-by outside Amins Village Store. We will have one other small pick-up to make. Then on to Eastbourne arriving 11am. It will be the first day of Eastbourne's Air Show so we could possibly enjoy various planes sweeping across the sky. Also the Hop-on/Hop-off Bus which will take you on tour around Eastbourne and Beachy Head is free with your Bus Pass, so don't forget to take it. We will leave Eastbourne about 5pm and make our way to Hastings, stopping there for time to have a Fish & Chips supper, or something else you might prefer, before making our way back to Folkestone. I am expecting us to reach Capel around 8pm. Our journey times are approximate depending on the traffic. I will work with the Driver to ensure we all have a nice and comfortable day, so slight changes might be made in our timings for leaving Eastbourne. Sylvia (244847)

## **FOR INFORMATION**

### **THE PARISH COUNCIL DO NOT SUPPORT THE PRINCIPLE OF DEVELOPMENT ON THESE TWO SITES**

- (1) - between Capel Street and Cauldham Lane and  
(2) - opposite Battle of Britain Memorial site, New Dover Road.**

At the July Parish Council meeting, members received a presentation from Quinn Estates about the concept of building some houses in Capel. The public had been invited to listen to the presentation at the same time as the Council.

During the business of the meeting, the Councillors, made the decision to enquire further from Quinn Estates and that of the Landowner, what their future intentions are now in relation to the potential proposals following their presentation. Therefore, the Parish Council view is to initially ascertain this intention from Quinn Estates and the Landowner and then act accordingly. This may be by way of organising an Exhibition at a future date, if they wish to continue with their proposal.

Furthermore, as requested by some residents, consideration was also given on providing all residents with guidelines and advice on the Planning Procedures, including relative roles of Parish and District Councils and items that could be considered if a Planning Application is deposited with Dover District Council, which may be used or addressed if objecting to any application. This will be published in Grapevine when completed.

**However, following the meeting on July 16th the Parish Council contacted Quinn Estates and invited them to hold an exhibition and received a "declined" reply stating "they need to assess how they progress based upon feedback from the Parish Council and Dover District Council but until then a public exhibition is not suitable".**
