From the Vicarage

We plough the fields with tractors, we sang. (Yes, slightly different words to the original hymn, I know). Seeds had been sown, and as quaint or as superstitious as it may seem to some, we prayed, as the Church has for centuries on Rogation Sunday, for farmers and for the harvest. Pests, disease and bad weather – much can go wrong, even in our modern world.

The anniversary of D Day was tinged with sadness for the congregation of St Radigund's as we prepared to say goodbye to a friend of ours. As a young merchant seaman he had been there, sowing with others of his generation the seeds of the freedoms we have enjoyed since.

Few of us now make a living from the land – but perhaps we sow seeds in other ways. A while ago, I was asked to work at a school some distance away. It involved an early start, a long drive, and some difficult classes. I was asked to teach Maths. I'm definitely not a mathematician but I did my best, and in the class I taught about half settled to work, while others sat sullenly or chatted among themselves.

Not great, but a few days later the phone rang. Would I go back there and teach Maths until a new teacher arrived? *I'm no mathematician*, I replied – but they pleaded. So I survived by learning the night before what I had to teach the next day and muddled through until, to my relief, the new teacher arrived.

I was at that school again recently, for the first time in about a year. Passing some vaguely familiar faces in the corridor, I heard a voice behind me. *Hey, Sir – I PASSED MY MATHS!*

I smiled and gave him a thumbs-up sign. Harvest had arrived. Sown any good seeds lately? *Brian*

Air Ambulance
A Charity That Saves Lives

Saddle up for Air Ambulance bike ride - Life-saving charity Kent, Surrey & Sussex Air Ambulance is appealing for cyclists to sign up for this year's Double 100 Cycle Challenge and help save lives at night. The 100-mile or 100km bike ride is to be held on Sunday, September 28th, to mark the first anniversary of the launch of the night flying service. Last year's annual event raised more than £12,000 and organisers are aiming to double its success this year with two starting points at the helicopter bases at Marden and Redhill. The charity now has to raise an extra £1million a year to fund the cost of a 24-hour service, up from £5million to £6million. The ride is open to regular and occasional cyclists including individuals and teams with feeding stations along the scenic route. The first 200 riders to sign up will receive a special Air Ambulance jersey.

To register go to www.kssairambulance.co.uk/involved/double100 and for more information call Julie Clare on 01622 833833, or email juliec@kssairambulance.org.uk

100+ club. Contact Jenny 250928

THE EVEN BETTER NEWS

There was a long debate on what could be done to improve the hall and what it offers
local residents. We have been asked to consider starting a cinema club (like Alkham
and Elham) so we are exploring how it would work. Most importantly ARE YOU
INTERESTED? If so please let Cherry or Jayne know. One idea is an afternoon
screening at tables so you could eat and/or drink while you watch.
Tables are due to be given a deep clean at the end of May – if you use them for craft
type project, please protect the table surfaces many of them have blobs of glue (some
with glitter), which can be off putting when they are to be used for food.

**The Village Hall management committee would like to extend their thanks to the hirers who use the hall, leaving it looking
clean and support the fundraising activities; additional thanks to Debbie Jones who started the 100+ club.**

The 'Hot Topic' at the last committee was feedback from
Trustee training. It was reassuring to know that there are no
major problems, though there are one or two areas in which
minor changes could improve management.
As always the comments book was reviewed and where
appropriate action taken by the committee. However some
issues are outside the committee's control, for example how
the hall is left after a hiring. It is nice when the hall is left as
hirers would like to find it. Remember, it is YOUR Hall, the
committee merely do the management on your behalf.

Work on updating the website hit an unexpected glitch – the
server is being changed, so the website has been taken down.
Sally and Peter are working hard to resolve the problem.

Kent Police has arrested and bailed a 49 year old woman from Folkestone following a report of a distraction burglary in Clifton Crescent, Folkestone, on Monday 26 May. It was reported that a woman knocked on the door of a flat at around 2pm and asked for a ball that had gone into the occupant's garden. The door was closed, but not locked, whilst the occupant checked her garden and as she was searching for the ball she heard a man's voice although she didn't see him. When she couldn't find any trace of the ball she returned to the flat. The woman had gone and the victim noticed that a camera was missing. In another similar incident reported to police, on Sunday 25 May between 4.40pm and 5pm, a man and a woman rang the elderly victim's doorbell and claimed that their dog had chased its ball into his rear garden. They allegedly invited themselves into the house in St. Michael's Street, Folkestone, and the man waited in the lounge whilst the victim and the woman checked the garden. The elderly man didn't see a dog and didn't find a ball. After the couple left, the victim discovered that his wallet and a purse were missing from his jacket. The male suspect is described as being in his late 20s to mid-30s, of skinny build, about 5 feet 8 inches tall and with short fair hair. He was wearing a top and jeans. His female accomplice had blonde hair and was wearing it in a ponytail. She is described as being of a similar age, height and build, as the man and was wearing a denim jacket. A third incident was reported to police on Monday 26 May in St Leonard's Road, Hythe. The victim is a partially blind and deaf man. In this case, a woman rang the doorbell and asked to use the telephone to call her mother to collect her. The victim invited the woman inside, leaving the front door open, and then a man appeared. He asked to use the toilet and then requested some sugar for his diabetic wife. Whilst the owner was on the phone to a neighbour the couple disappeared. It's believed nothing was taken although drawers and cupboards throughout the house were found open and ajar, when previously they had been closed. The reports to police have prompted District Commander for Shepway, Chief Inspector Darren Mullins, to issue a warning to people to be on their guard, particularly if they live alone. "Distraction burglars usually target vulnerable people like the elderly or infirm and try to gain entry to their victims' homes on the pretence of needing help. They play on their victims' goodwill and sense of sympathy which makes this an especially distressing crime for victims."

"It is not known at this stage if the three incidents are linked but I would urge people to be extra vigilant and take the simple but effective advice that is available on our website." For crime prevention and safety advice, please visit the advice section of our website

CAPEL EVENING WI

The sun was shining outside but because of a chill wind we decided to have our June Meeting indoors in St Radigunds Church. It was a very enjoyable evening and we commenced with a wonderful and inspiring demonstration of Tai Chi from Anna Dashwood. She seemed to float in mid-air as she went through her various movements. She explained how Tai Chi came to be and its importance in the overall well-being of our bodies. She did a beautiful exercise with a fan and then the fan was passed around for everyone to try to mimic her, much to laughter of everyone. It looked much easier that it was. She then demonstrated an exercise using a large sabre/sword and almost everyone closed their eyes in fear that she might let it go by mistake while she was throwing it, but in her proficient way it was beautifully mastered. Then some of us got up and she showed us some simple exercises to unblock our 'Chi'. I have been doing a form of Tai Chi called Chi Gong for the last 20 years and I have benefited from doing it. Vad Blake gave the Vote of Thanks

We then had a 'Summer Supper' which everyone brought a plate of something to eat and we shared. As usual it was a beautiful spread and washed down with Pimms.

We did not have any business this month as it was to be a very informal meeting this month and to relax.

After supper Beryl Ravensdale, who is Chairman of IPA Committee at Federation in Beer Cart Lane, gave an explanation of ACWW (Association of Country Woman World Wide), their projects and the importance of educating women throughout the world and helping them gain independence and giving them a voice. As a WI, we donate to ACWW as we are lucky in this country that women can speak their mind and are not penalized for it. Jan Ardley gave the Vote of Thanks. The competition was a Summer Hat and we showed our appreciation by placing coins for the best one. The coins will go to ACWW Watering Can Project which will help women and their children in isolated villages to have fresh water to drink (and the men of course as well).

Well thank you for taking the time to read my report and I hope that it gave you an insight, that we are not all 'Jam and Jerusalem'.

July 8th meeting our Speaker will be Mr John Pearce who will give us a talk on 'Murder Comes Gift Wrapped'. So if this intrigues you then please do come along and visit us in the Village Hall at 7.30p.m. You will be given a very warm welcome.

Talk to you all again next month. In the meantime have a good month and all those that are going on holiday, I hope the weather keeps good for you.

How Does Speed Watch Work?

Operating at carefully selected roadside sites in 30 and 40-miles per hour (mph) speed limits, a group, typically of three CSW practitioners, monitors the speed of passing vehicles using a portable speed indication device such as that pictured above.

They record and report the speed and identifying details of vehicles travelling at or above nationally specified thresholds (35 and 46 mph). The registered keepers of vehicles observed repeatedly or excessively (limit plus 50%) speeding anywhere in Kent in the previous 12 months are then sent warning letters and speed awareness advice by Kent Police.

Please include me in the next training session arrangements for Capel-le-Ferne Parish Council Speed Watch Scheme.

Capel Outdoor Recreational Facilities Update Olympic & Jubilee Legacy

We've made it to the finish line!

Total amount raised: £127, 025 !!!

How great it is to see so many people with a huge age range out using the playing fields. No subscriptions to pay, available 24 hours a day and a great way to get fit while enjoying the company of others and some lovely Capel fresh air!

Thank you to everyone who has played a part in this project – every resident who filled out a questionnaire, (these were invaluable when it came to applying for grants), those who took part in the numerous sponsored events, people who ran stalls at fetes, provided us with displays to draw in the crowds, drew pictures and helped complete grant applications, attended meetings, gave donations, grants and advice. Thank you also for your patience – we know that 2½ years is a long time, but I hope that you all think that it was worth the wait! **Remember that they are your facilities and we are hoping that you will make every effort to look after them so that they can last for many years to come.**

Pictures speak louder than words...

White Cliffs Walking Festival - 21st to 27th August 2014

The White Cliffs Walking Festival has been organised to promote walking as a fun, interesting and healthy pastime, to include walks for a wide variety of people, from young people, to families, right the way to those of more senior years. We have chosen 32 walks across the District, some short, some long, some in between. We aim to make it more than a walk..... an experience. Each walk has a theme to add interest, whether it is something to do with the area's history, or heritage, and/or to experience some of our beautiful countryside and scenery, or just some fun, for example on the treasure trail. We sincerely hope people from your parish community become aware of, and come along on some of the walks. These are very friendly and sociable occasions, walking at a pace to suit the individual. Walk leaders are highly experienced and knowledgeable.

Capel Active Retirement Association

We had an enlightening and well-presented talk with pictures last month from Dr. Gehad Homsey of **Mercy Ships**, a speaker who some of us had heard before but well worth listening to his presentation again. We were all amazed at the sacrificial work done by international volunteers, some highly skilled and trained in their professions, mostly medical, but also in teaching, dentistry, education, carpentry, plumbing, and healthcare to name a few. Yet another charity, completely reliant on donations, but able to give hope to thousands of West African nationals in need of health treatment and operations! Thank you Dr. Homsey for giving your time to share these things with us, and thank you to all members who came to listen. Our next meeting will be on July 1st when we hope as many members as possible will be able to support our speaker - Alan Taylor - who will present the very close-to-home subject of **The History of Folkestone**. (NB this is a change to the original programme as the August meeting, upon request, will now be a BBQ.) Thank you to all our members who have entered into the spirit of activities and outings and have signed up to these, indicating interest; we will be contacting you all to try and find a mutually suitable date for each one. A **reminder** to renew your subscription if you have not done so already and look forward to hearing from you and seeing you at all our events.

FARMERS MARKET NEWS - FIND US ON FACEBOOK

Registered with the Kent Farmers Market Association,
Produced in Kent and Big Barn

5* Award from Dover District Council - 5* Award Environmental Health Department
Now in our 12th Year

Our special event held on 10th June, in conjunction with the Kent Farmers Markets Association, spearheaded by Michel Roux the chef, was a great day, enjoyed by all. Chris Waters, the Head chef from Port Lympne Wildlife Animal Park and Port Lympne Mansion Hotel came along to do a Cookery Demonstration which proved very popular. Many customers (and stallholders!) enjoyed watching him produce several different drinks and dishes from products purchased at the market for us to sample.

We also held a Free Tombola style draw – one ticket per customer, who had a chance to win various prizes.

We all had a great day and it all helps to promote local produce, which certainly provides better quality, flavour and freshness.

Another new stall will be joining us soon, Handmade by Hannah, producing Mains & Puds, great for those days when you don't feel like cooking, but want a home cooked meal! We do hope you will give them a try. Real Deal Roasters (freshly ground coffee), and R & R Ales will be attending once a month now as they are becoming so busy, which is great for them but a shame for us. A Kentish Tipple (sourcing locally produced non-alcoholic drinks, oils and crisps etc.), The Flapjack Company (18 flavours to choose from), plus Butterbox - locally produced fudge in several delicious flavours and Sandgate Bakery with their artisan breads, are just some of our regular stalls, along with the other regulars below.

Please do visit the Craft Hall too, a great selection of local crafts are on offer. James is also on hand for those Passport/Driving Licence/Bus Pass/Portrait Photos or even bookings for parties/weddings etc.

Our 'Postal Service' (run by volunteers) is also alongside the Crafts

It has been brought to our notice by many, that the market is becoming like a meeting place / coffee morning which is lovely for the village. However, without sales the stallholders will leave and we will then have no farmers market, which will result in no 'coffee morning' as the hall will close on a Tuesday morning. Without the farmers market income (which relates to approximately £8,000 per year), the hall will have to do a lot more fund-raising to keep the hall well maintained. We ask therefore, that you please support the stallholders each week in order for us to keep their support. It is a vicious circle I know, that without customers the stallholders will leave and without stalls there will be no market!

We now have the following products on sale:- Fish, Meat, Eggs, Preserves, Jams, Honey & Pickles, Delicatessen, Smoked Fish & Cheese, Italian Pasta & Dishes, European dishes, Bread, Cakes, Flapjacks, Pastries, Vegetables, Fruit, Fudge, Freshly Ground Coffee, Non-alcoholic drinks, Oils, Kentish Crisps, Fruit Liqueurs, Kentish Ale, Plants and a wide variety of Crafts.

Also don't forget to enter our WEEKLY DRAW. We have had many lucky winners who have been able to buy that special treat with their vouchers. For just 50p a go, there's a chance of winning vouchers to be spent at the market – no profit is being made, all money raised from the Draw goes back into prize vouchers. The winners' names are always on the board in the hallway.

Please Note:-

The Market Opens at 10 a.m. For your own Safety, and before an accident happens, we request this time be recognized due to heavy boxes etc being delivered during setting up. We are sorry for any inconvenience, and we thank you for your co-operation.

Please also be aware, that the village Community Warden and/or our PSO are usually on hand at the market to answer any questions.

Also the KCC Mobile Library attends just outside the car park, at 12 Noon every week.

DATES FOR YOUR DIARY:-

1st July – Dover District Council Garden Waste Promotion.

22nd July – Free Dog Micro-chipping in the Car Park

AN URGENT APPEAL

Would you, or anyone you know, be interested in 'coming on board' the Farmers Market Committee to help run it? We, Cherry and Jenny, have been running the market now for 11 years and, although we have no plans to discontinue at the present time, neither of us are getting any younger! We need one or maybe two others to learn the ropes for the future and to help cover when one of us is ill or on holiday. Maybe you've just retired and want something to do, or are new to the village and want to get involved? We also require someone to run the Weekly Draw for us please. More help also for helping with the clearing up after the market, on a rota basis if necessary. If you are interested in any of the above, please contact Cherry 255114 or Jenny 245399 to discuss what is involved.

Please note: The products for sale are produced (in the majority of cases) by the stallholder, in Kent, unless clearly marked otherwise.

We should point out that we ensure our producers hold the relevant certificates i.e. a public liability insurance and, where necessary, health and hygiene certificate and kitchen registration documents
