***From the Vicarage***

When I wrote about my Father McKenzie moment back in May – how, during Holy Week, I ended up in church with only the angels, the archangels and the whole company of heaven and the words of a sermon that no one would hear, just like the priest in The Beatles' song *Eleanor Rigby* – it certainly struck a chord with some of you. (Sorry!) Thanks to those who kindly wrote or sent emails.

As far as church is concerned, let's be honest – I'm the only one who *has* to be there. People were probably busy with other very important and worthwhile things that evening. Most of us live busier lives than ever before. Even if we don't expect to be busy when we retire, the chances are that our children will be, so we shall end up being busy with our grandchildren.

The gospels tell us that when Jesus' disciples were so busy that they did not even have time to eat, he invited them to come away to a quiet place by themselves. I sometimes think of church that way – being in a service is a lot like putting being busy to one side and coming away to rest, listen, and be quiet for a while. Rabbi Lionel Blue once wondered whether prayer is like a cigarette (this was before the smoking ban came along) - a chance to pause, he said, but without the nasty side-effects.

Prayer has more going for it than that. It isn't smelly or messy, and you don't need to find a sheltered corner at the bottom of the garden. You can do it indoors – St Mary's Capel, St Anthony's at Alkham and St Laurence Hougham are all open during the day. Come and treat yourself to a quiet moment soon. **Brian**

Firstly, huge congratulations to Michal Marshall. The village hall committee was one of the many organisations which supported the nomination. Whenever help is needed Mick is never far away and is known to many residents in Capel le Ferne. His connection with the village hall goes back to the old 'hut' and his efforts during fundraising for and building of the new (current) hall were strenuous. He is extremely modest about what he does and not many people realise he was one of the original instigators of the Farmers' Market. He is still a regular volunteer.

Planning permission has been granted for the alterations to the front of the hall and preparations have begun in earnest. We are aware that, whilst many people are supportive of the project, not everyone believes the work will improve the hall. The proof will be in the pudding as they say. One of the first jobs for whichever builder is selected is to organise an alternative entrance so users can continue to use the hall.

Diary dates: 4<sup>th</sup> September Garage (contact Cherry Leppard), 10<sup>th</sup> September Last Night of the proms (contact Jayne Stone), New Years' Eve American supper with Chicory Tip (always a sell-out) –contact Ros Chandler. Numbers in the back of Grapevine.

There currently is a great deal of publicity around reducing food waste. If you would like to do your bit, then please consider using the Farmers' Market. The stall holders will be happy to talk to you about the best way to use their produce. If you would like some recipes. Let us know and we'll make some available. For instance, scoop out the middle one of Mike's artisan breads, fill with cheese fondue mix and pop in the oven. Use the scooped out pieces to dip into the cheese. Simple.

As part of the service to local residents, table and chairs can be hired for private parties at home. The tables are the folding Gopak ones, available in two sizes, the chairs are the stacking bucket chairs. From time to time the committee consider hiring out the folding chairs, but for a variety of reasons believe it not appropriate to do so. The decision will be reviewed periodically and in the meantime anyone requesting chairs from the hall will be offered the stacking chairs.

## **Major Events for 2016: More on each later.**

**Boot Fairs begin** again in October, November, January and February. Sylvia Coles' organisation has ensured the boot fairs are successful and we would like to formally thank her for all her work. It looks effortless from the outside but know that is down to the preparation. Sylvia is 'retiring' from the boot fairs next February and we are looking for someone to take over. We know we are asking early but this is so there is time for the new person to work alongside Sylvia and pick up the tricks of the trade.

**Last Night of the Proms.** The hall will be open in the afternoon in time to decorate tables before the judging. The hall will reopen in the evening for an American supper during the performance. Tables are already being booked, if you are interested in joining us for the evening ring Jayne on 01303 211480

**New Year's Eve** – Chicory Tip. Priority is being given to Capel residents so if you are interested ring Ros Chandler to reserve your table 255862.

We are keeping the price to £5.00 so if you would like to join in could you put £5.00 in an envelope with your name and address and put into 29 Albany Road or most weeks I am at the Farmers Market. **News from the Farmers' Market**

**JULY at the Farmers' Market, written by Mary Gwynn**

As I write this, the countryside is finally basking in the sunshine of high summer after the long cold spring, which means that now is the perfect time to indulge in some wonderful locally-grown produce. There really is no better way to enjoy any precious warm days than with a feast of wonderful summer foods, grown and produced close to home. At this time of year, everything is so good, you can follow the 'less is more' precept and keep preparation and cooking to the minimum.

Grass-fed summer **LAMB** is now at its very finest and, as a more fatty meat than some (the fat gives the meat flavour and keeps it from drying out), it's ideal for the BBQ. A boned-out leg or shoulder can be marinated overnight and cooks perfectly in under an hour. I make up a paste of ground spices, lime juice and yogurt or use the Moroccan spice, Ras al Hanout, rubbed over the skin before cooking (try on cubed lamb for kebabs). On the fish front look out for **mackerel** – bought silvery fresh from the market and cooked the same day to enjoy at its very best. Midsummer is a great time to enjoy **CRAB** – all you need to make a feast is to serve dressed crab with simply buttered new potatoes and good mayonnaise, homemade if possible. Serve with a chilled glass of one of the excellent English white wines.

Amongst an abundance of produce at this month's market, you'll find tender **BROAD BEANS** (freshly picked little pods can be enjoyed whole), fresh **GREEN PEAS**, radishes, beetroot, spring onions, spinach, and of course, new potatoes. Cucumbers, beans, both french and runner, and courgettes should be there alongside all kinds of salad leaves and great bunches of fresh herbs.

The slow cooler start to the season has been good for **STRAWBERRIES**, especially now that the weather is warming up to ripen the fruit – so indulge yourself with the best of the British summer fruit all at its peak this month. You'll discover a completely different experience from the pale imitations that can be found all year round in supermarkets, varieties grown for flavour rather than ease of transport and keeping qualities. (*I slice mine an hour before serving, sprinkle a spoon of sugar and a tablespoon of Grand Marnier or Cointreau and leave*). Serve with rich golden pouring cream from cattle fed on the lush summer grass and a sprinkling of sugar. Don't miss out on **CHERRIES** with the season now in full swing (Kentish cherries are justifiably world famous), gooseberries, and wonderful raspberries. This is the month for jam makers and you don't have to make huge vats of the stuff – just a few jars are incredibly satisfying to produce in your home kitchen, taste marvellous and make wonderful gifts.

### Research shows one in three drivers in Kent use their mobile whilst driving

Research by Kent County Council has found 65% of people fear the biggest risk to them on the roads is drivers using mobile phones whilst at the wheel. The research, by KCC's Road Safety Team, shows that motorists estimate 39% of drivers use a hand-held mobile phone, 34% use a phone to text/use apps/check email/use internet and 49% use a hands-free mobile device whilst driving. Over the past month, Kent County Council is launching an awareness campaign to remind drivers of the dangers of using mobile phones whilst driving. It aims to remind drivers that mobile phones cause a huge distraction whilst driving and that it is a myth to think that it is possible to concentrate fully on two things at once. The reality is that no two activities can be given equal attention - one task will always be more dominant. With a task as important as driving, even just a slip in concentration due to a mobile phone could lead to severe consequences. Vicky Watkins, Road Safety Team Leader at KCC, said, "Using a mobile phone whilst driving impairs reaction time, reduces concentration levels, leads to poorer judgment of speed and distance and reduces your field of vision." Drivers using mobile phones make the roads less safe for us all. "It's a fallacy to believe we can concentrate on two things at once. The reality is one activity will dominate the other". "It's not simply splitting your attention 50:50, it's more like 95:5 with the task seeming the most important taking over - with drivers using a phone that means the call or text completely takes over from the driving". A video will highlight key every day moments where it would be perceived as ludicrous to answer a mobile phone and in doing so, emphasise that driving is another one of these moments. The campaign will be running throughout the month and will be on television and on demand services, Heart radio bus rears, bus stop posters and social media. Inspector Martin Stevens from Kent Police said, "Though the majority of people know it is wrong to phone or text at the wheel, some feel that using apps is acceptable". "Doing this is just as distracting as calling or texting someone and just as likely to cause a collision. Furthermore should a motorist cause a collision or be caught on their phone, we can forensically examine it and find out exactly what the user was doing with their handset". "Using a phone at the wheel is just as socially unacceptable as drink driving and both offences cost lives. Life lost on the road is a life wasted and a family devastated". So next the time you are behind the wheel and get a mention, a favourite, a like or a direct message, ask yourself if you are literally dying to read it? Drivers are also being told not to be fooled into thinking hands-free calls are not illegal or 'safe'. Hands-free phone conversations impair drivers to a similar degree as hand-held calls. KCC's research gives strong backing to the continuing need to raise drivers' awareness of the increased risk they place themselves in when using a mobile phone at the wheel and to remind them that Kent Police are actively looking for them. Matthew Balfour, Kent County Council Cabinet Member for Environment and Transport, added: "We want to help road users to make Kent's roads safer and to reduce the number of people killed and seriously injured in the county". "With this campaign the message is clear, make the right call - don't use your phone and drive". "We've found that a large number of drivers say they know using a mobile at the wheel is dangerous and unacceptable, yet many continue to do so. This campaign brings together the education message with an increased likelihood of being caught - key motivators to changing this behaviour". *Cllr Geoffrey Lymer, Kent County Council, Dover West Ward*

Every year throughout the spring and summer KCC Highways & Transportation receive numerous complaints regarding trees, hedges and other vegetation, which overhang the highway from private property. This matter can pose a number of problems for people trying to use the footways, especially if they are trying to pass with buggies, wheel chairs and scooters. It would be greatly appreciated if you could ensure that any trees and hedges that are bordering the Highway are maintained and cut back to your boundary which would greatly benefit all Highway users. This will help us all keep the highway safe and prevent the need for KCC Highways & Transportation writing to you requesting that you cut back your vegetation. If the boundary of your property borders the footway, then please be aware that:

- The full width of the footway/pavement must be available for use by pedestrians.
- As well, there must be a minimum height clearance over the footway/pavement of 2.1 metres / 7 feet for any vegetation.

If the boundary of your property borders the carriageway, then please be aware that:

- If you have vegetation that overhangs into the road, there must be a minimum height clearance of 5 metres / 16 feet, to accommodate buses and HGV's that may use the road.
- If your property is rural, then vegetation should be 0.45 metres / 1'6" feet behind the edge of the road and all signs need to be kept clear of foliage for at least 20 metres.

Also, I would ask that you pay special attention to your trees, hedges and vegetation if your property is on or near a junction, and/or inside bend of the road, to maintain maximum visibility for road users. Finally, I would like to thank you for the time taken to read this article and wish you a pleasant summer. I am looking forward to working with yourselves and your parish to keep the roads as safe and clear as possible.

## Events at the Battle of Britain Memorial 2016

New Dover Road (B2011), Capel-le-Ferne,  
Folkestone. CT18 7JJ

<b>3 July 2016 Memorial Day</b>	Every year, on a Sunday close to the start of the Battle of Britain on 10 July, the site hosts its annual Memorial Day. With music by the RAF Central Band and a flypast and display by aircraft from the Battle of Britain Memorial Flight, this is the highlight of the Trust's year.
<b>31 July Cricket Day</b>	Kent County Cricket Club kindly sponsors a Battle of Britain-themed day at a match at the Spitfire Ground each summer. This year the club has invited us to hold a collection and promote the work of the Trust at the Royal London One-day Cup game against Gloucestershire. Brewers Shepherd Neame also sponsor a lunch for some of our fund-raisers that day.
<b>4 Sept Folkestone Automobile Club</b>	Another visit by car enthusiasts will see Folkestone Automobile Club use the Memorial as the backdrop for some great photographs.
<b>19 Oct Gala Dinner</b>	Our big fund-raising event of the year takes place at the RAF Club in Piccadilly in the presence of some of the Few.

**City & Guilds

Hello everyone. It is lovely talking to you all again. It seems ages ago since I went on holiday. Caroline our President welcomed everyone before we sang Jerusalem. June's meeting theme was that everyone tries to come in Red, White and Blue to celebrate our Queen's 90<sup>th</sup> Birthday of which everyone made an effort. So thank you everyone. Thanks to Shirley Overal for brightening up our business table this month with the most unusual plant which was in the theme of our evening and Shirley placed pictures, cards etc of the Queen round the plant. Caroline welcomed a new member. The speaker for the June meeting was George Taylor and his right hand man Pete back to Capel. This time George gave us a very informative talk on 'George Gershwin' with added extracts of music. It was the story of his life from when he was born to when he achieved musical fame. Everyone was tapping their feet in tune to the music and joining in with the various well known musicals. His most famous being 'Porky and Bess' Everyone had a laugh because Pete kept holding up little pieces of paper to George and George said that Pete had devised a system to make sure he timing was on schedule. Each piece of paper he held up represented 5mins had passed because he was well known for going over his time. Mary Adamson gave the Vote of Thanks. We then had refreshments which were cupcakes with various edible toppings showing the Queen's 90<sup>th</sup> birthday. Thanks to Alison and Caroline for making them. After which we continued with the business of the day. We went through it as quickly as possible, finalising the Pocahontas River Trip, Lunch and Skittles etc. The room was laid out in the form of the small tables so that everyone could enjoy chatting and catching up with each other as it was a very informal evening.

Alternate Thursday afternoons find many of us crafting away. Our last project was making children's jumpers (apologies if I am repeating myself) and all our crafting ladies made 90 (ninety) jumpers for 'Humanitarian Aid'. There is Darts every Wednesday Evening, our luncheon club each month, scrabble, book-share etc. so we do not have time to be idle.

We then announced the results of the competition, which was 'An Old Piece of Sheet Music': 1<sup>st</sup> Mary Adamson. 2<sup>nd</sup> Pheobe Moffat, 3<sup>rd</sup> Shiela French. Our next meeting will be on July 12<sup>th</sup> and our speaker will be Joe Mendell who will give us a talk on 'Bob Newhart rides again'. Joe was due to come to our Birthday Meeting two years ago but on the Sunday before he was due to come to us he was up a ladder pruning a tree and fell. I have asked his wife not to let him climb or prune any trees before he comes to give us our talk. Competition: 'An Unusual Mode of Transport'. If you are new to the village, or just want to meet new people you are very welcome to come along for the evening and see if the WI is for you. You are welcome to come to 3 meetings without making a commitment to join. Just ring Caroline on 01303 247760 and we'll arrange for someone to 'host' you through the evening.

WI forthcoming events are:- **Friday 2<sup>nd</sup> Sept 2016 – Bingo – St. Radigund's Church Hall and Sat 24<sup>th</sup> Sept 2016 – Wit & Wisdom – Capel Village Hall.** Everyone keep safe until we talk again next month. I will draw to a close now. Thank you once again for taking the time to read my report.
