From the Vicarage

Perhaps you have heard – the nation's new polar research ship is to be named the *RRS Sir David Attenborough* rather than *Boaty McBoatface*, the frivolous suggestion of a former BBC radio presenter that the majority of those who took part in an online poll to name the vessel seized upon, and apparently would have preferred.

Humour – and giving people their say – can both backfire. I have never forgotten being asked to marry a couple whose wedding plans, apart from standing before God and making their vows, turned out to be aimed mainly at amusing their friends. Weddings are joyful occasions, yes – but they include some essential solemn bits too. They point to something beyond which is all too easily missed if we're too busy laughing, as I've been careful to remember ever since.

Perhaps that's why a recent survey of churchgoers revealed that although most like their minister to have a sense of humour they generally dislike sermons peppered with jokes – they prefer solid content to comedy. Jesus' disciples didn't follow him just because he made them laugh, as far as anyone can tell. There was much more to it than that.

Stand-up comics take centre stage and try to be funny. But Sir David Attenborough doesn't take centre stage. He directs our attention towards something beyond - anything from a whale to an ants' nest - and in doing so reminds us what a fascinating place our world is.

No doubt some will be disappointed that *Boaty McBoatface* will be the name of an unmanned submarine instead. But like its namesake, the *RRS Sir David Attenborough* will deepen our understanding of our world and perhaps encourage us to take better care of it. At the end of the day, that's no laughing matter. **Brian**

I would like to say a massive thank you to everyone that sponsored me at Amin's Stores, I am truly humbled by the generosity of the village. I was part of the Love My Fitness Team and over the first May bank holiday weekend, we took part in the Isle of Wight Challenge whereby we walked non-stop around the entire island. As a team to date, we have raised almost £6,000 for the Alzheimer's charity which is amazing.

Thank you again Sarah Leonard

Correction to last month's entry – the garage safari sale in on 4th September. There must have been a gremlin in the typing fingers. Apologies if it has caused any problems, contact Cherry 255114 to book your pitch. Plans have been submitted to Dover District Council to rebuild the front entrance so that it is more user friendly and entrance is easier for the less abled bodied. It is intended that the area include shelves for the books – especially since the mobile library is expected to stop calling at the village hall. The hall also needs some remedial work to the floor and a facelift so we are exploring the possibility of doing all the work as one project. An actual date has not yet been set. When we know we will write to organisations individually giving details. If there are any improvements you would like, or thoughts on colour schemes please let one of the Trustees know (they are listed in Grapevine) or write in the comments book in the kitchen. Positive feedback or helpful comments are always appreciated.

Our thanks go to Alison Cloake who has agreed to lead a project to put some collages in the hall in the meantime. If she asks you for a contribution (not financial!) please say yes!

If you are new to the village you may not know our hall or what activities there take place in the hall. It is one of the best used halls in Kent. So, who uses the hall regularly? Community preschool most mornings during term time, short mat bowls, 3 Private Badminton Clubs, Brownies, Kent Active Retirement Fellowship, Women's Institute, Parish Council, Judo, Karate, St Radigund's Players (for the Pantomime), Gardening Club (for their shows), Youth Club, Pilates, Bridge Club, Diva's Dancing, Capel Model Car Club, Farmers' Market, Fit Club. Writing a list is dangerous, so humble apologies if I have left somebody out. If you are interested in joining any of them details are in the hall. Alternatively, if you'd like to start a new one talk to Sue Leaning, letting secretary, about when the hall could be used.

There is still time available if you'd like to hire the hall for a celebration. We're told it's perfect for children's parties – plenty of space to run round and have tables and chairs for the birthday tea. Hiring fees for local residents are at a reduced rate. For adult parties there is the stage and p.a. system for the disco or live band. (Note to self, remember to book a place for New Year's Eve – they are selling fast. Contact Ros 255862).

PS Have you noticed that, after much blood, sweat and tears, the old website has finally been taken down? Huge thanks to everyone who helped achieve it, to those who have been so patient while we've been working on it.

The new address is www.capelvillagehall.com.

Major Events for 2016: More on each later.

Garage Safari Sale – 3rd September. People are already contacting Cherry to make sure they are included on the map. If you are interested in being involved ring Cherry 255114

Boot Fairs begin again in October, November, January and February. Sylvia Coles' organisation has ensured the boot fairs are successful and we would like to formally thank her for all her work. It looks effortless from the outside but know that is down to the preparation. Sylvia is 'retiring' from the boot fairs next February and we are looking for someone to take over. We know we are asking early but this is so there is time for the new person to work alongside Sylvia and pick up the tricks of the trade.

Last Night of the Proms. The hall will be open in the afternoon in time to decorate tables before the judging. The hall will reopen in the evening for an American supper during the performance. Tables are already being booked, if you are interested in joining us for the evening ring Jayne on 01303 211480

New Year's Eve – Chicory Tip. Priority is being given to Capel residents so if you are interested ring Ros Chandler to reserve your table 255862.

Open to all residents, the 100+ club is due for renewal at the beginning of next month. For a subscription of £1 per month (£12 for the year) members are entered into a monthly draw. First prize is £25, second £15 and £5 for 3rd, doubled at Christmas. Profits are spent on improvements to the village hall. Ring Jenny Carter on 01303 250298 or ask at the Farmers' Market. The draw will take place at the Committee Meeting on the 1st Tuesday of each month.

News from the Farmers' Market

After a slow start from the cool spring, growers and producers are now at full stretch leading up to the summer solstice in June. Capel le Ferne market has far more to offer than just traditional fruit, vegetables and meat. We sell everything from fresh fish and meat to a wide range of pickles, ready prepared dishes and ingredients, as well as wonderful cakes and breads. There is a craft section and a postal service. The benefits of buying at our market are wide ranging, and include the chance to taste before buying so you know exactly what you are getting. By going directly to the source, you can find out at first-hand how the produce was grown or made as well as be given you tips on storing and cooking to help make the most of your purchase. Because you are buying locally and seasonally, pricing is usually competitive with the supermarkets and often cheaper so don't fall for the idea that markets are an expensive luxury. I find my FM fruit and veg keeps better than that from the supermarket. Make a perfect risotto paired with the first tender broad beans (freshly picked little pods can be enjoyed whole) and fresh green peas and stir in a herb butter at the end of cooking once the grains are tender (just whiz butter up in a blender with a handful of mint, parsley, basil and chives). Other vegetable good buys are crisp radishes, spring onions, spinach, and of course **new potatoes**. There are also **early cucumbers, runner beans, spinach and courgettes**, alongside all kinds of salad leaves now in season. It's also the ideal time to plant out 'ready to plant' herbs and summer bedding plants, also available at the Capel le Ferne Farmers' Market.

The long days and the warmth herald the start of the great English soft fruit season with **strawberries** already on sale. Kevin's are some of the best I've ever tasted. One great advantage of local markets is the chance to try some of the finer flavoured varieties. More robust berries grown to withstand the rigours of the supermarket supply chain may not have the same flavour. The finest local **cherries** (Kentish cherries are justifiably world famous), gooseberries and early raspberries are not far away now. A great way to serve raspberries, cherries and strawberries is to crush them slightly, sprinkle with a little Kentish cherry brandy or Italian vin santo and sugar then leave to macerate for an hour. Serve spooned over vanilla ice cream. **Spring lamb** is now at its very finest now and perfect on the barbecue or as a joint simply roasted and served with baby new potatoes and minted broad beans and peas. You can order in advance from Debbie. On the fish front our FM fisherman lives in the village –you can't get more local than that! If your visit to the market coincides with a sunny period, plan the perfect picnic. Fill your basket with locally made cheeses, pates or Scotch egg. Then just add a loaf of artisan bread baked that day, some chutney or relish, a bag of cherries and maybe a punnet of strawberries and you are all set. A bottle or two of beer or chilled white wine and you have the makings of a feast.

Many, many apologies to our wonderful fish stall at the Farmers' Market for accidentally not including them in the list of attendees. You can find Sue in the entrance alternate weeks selling the fish caught by her husband. The scallops this year have been amazingly full of flavour, one of the big advantages of buying local.

Kent County Council is calling for the Department of Health to reconsider its plans to change funding of community pharmacies, over fears it could lead to dozens of rural and suburban sites closing. KCC Cabinet Member for Public Health and Adult Social Care, Graham Gibbens, is writing on behalf of the Council, to express concerns about a current consultation which proposes a six per cent cut. Council members say it would have a considerable impact on access to pharmaceutical services, in particular those that serve rural villages and to specific members of the population, such as the vulnerable and elderly. It's believed over a quarter of Kent's 280 pharmacies could be affected adversely by the proposal, leading to reductions in services and even closures. Though I have it on good word, that there will be no pharmacy closures in the Dover West area, though I will monitor the situation. Graham Gibbens said: "We have numerous suburban communities in Kent served by small pharmacies which could be at risk, as they are dependent on NHS income to remain viable. The pharmacies provide valuable services in these rural areas, often acting as a community hub to the village and preventing social isolation; we are concerned this will be lost. "We are disappointed by the consultation and its proposals which come at a time when we should be using our pharmacies even more to reduce the burden on GPs and A&Es. We are standing up for rural and isolated residents, along with local pharmacies who are an important community link and business provider therefore we are calling for the plans to be reconsidered."

The Health and Social Care Act 2012 transferred responsibility for the Pharmaceutical Needs Assessment (PNA) from the Primary Care Trusts to the Health and Wellbeing Boards on the 1st April 2013. The Kent Health and Wellbeing Board undertook a thorough review of all the pharmaceutical services in Kent and published its PNA in 2014. It found that although overall pharmaceutical service provision in Kent was good, it was felt that the current provision of "standard 40 hour" pharmacies should be maintained especially in rural villages and that the current provision of "100 hour" pharmacies should also be retained. The Department of Health consultation is also considering a Pharmacy Access scheme and Kent County Council has asked to be involved in this. It is appealing for consultation with all relevant stakeholders, such as the Health & Wellbeing Boards, before any changes are made. *Geoffrey Lymer, Kent County Councillor, Dover West Ward*

Spring has sprung and the bowls club seems to have a renewed spring in its step. Attendance's are up and the competitions are under way. Well done everyone, let's make this our 29th year a bowls utopia, and while we are on the subject does anyone have any ideas how we should celebrate our 30th anniversary next year. (I'm putting forward a Caribbean cruise but I have my doubts the treasurer will say yes), but any sensible ideas will be considered.

This year's Annual dinner and presentation night was a glittering affair with all our lovely lady's sparkling in their posh frocks on the red carpet. The results should be up on our Village hall board by now and the photos will soon be on display.

Six of our members attended the East Kent Short Mat presentation night where Capel swept the board and did the club and the village proud. We came second in the first division, Ros, Rachel and Malcolm won the triples competition and Rachel and Malcolm won the pairs competition, beating the finest Kent had to throw at us. Well done everyone who took part. We needed a trailer to bring all the cups home.

I started by saying attendances were up and they are, but we need some new members. New blood and ideas are needed to keep the club fresh and vibrant. One or two of our members are a little under the weather at the moment and we would like to wish them a speedy recovery. And I can't wait for our ~~charlady~~ sorry Chairlady Miss Jenny Carter to get back on the mats and start bossing us all about, we have missed her dulcet tones across the hall. The Club meets every Sunday and Wednesday Afternoons and Tuesday evenings. On Sunday and Wednesday play starts at 2pm until 4pm. On Tuesday play starts at 7.30pm until 9.30pm. We have many competitions throughout the year including the Cliff Watts Memorial Cup, where we invite clubs from all around the county to take part. We also have a team in the East Kent League. And this year 2016 we came second in division one. A bowls and buns event at Easter and a booze and bowls event at Christmas. We have many social events throughout the year including coach trips and meals out. If you are interested in joining us please come along to any meeting where you will be made very welcome.

Smoke prevents your neighbours from enjoying their gardens, opening windows or hanging washing out

It is appreciated that some people cannot see through gardens and bushes to see who are sitting in their gardens in the early evening, on the rare occasions when the weather is really good, or know that some people who are out at work, might put their washing out when they return, but bonfires seem to be prevailing again. After 6p.m. isn't unreasonable, but it is, if you don't get home from work until then. Some bonfires are so thick and all that can be seen, is the smoke blowing through the garden, some reported recently as early as 3pm. **Government Legislation** - Section 79 of the Environmental Protection Act 1990, refers to nuisances caused by smoke. It may well be that smoky bonfires could be a contravention of the Act if they occur on a regular basis, and prosecution may result. It is, however, the view of this Authority that most people are proud of their civic responsibility as they are of their own gardens, and will consider their neighbours before lighting a bonfire. Thank for considering our Village and our Neighbours.

Next Parish Council meeting is on Tuesday, 17th May at 7.30pm in the Village Hall (Small Hall).

Events at the Battle of Britain Memorial 2016

New Dover Road (B2011), Capel-le-Ferne,
Folkestone. CT18 7JJ

3 June – Our annual visit from the Land Rovers	Once again the site will be the meeting point for a group of historic Land Rovers as they gather at the site before making their annual charity trip across the Channel
12 June Rolls Royce Enthusiasts' Club	More historic cars will take advantage of the backdrop of the Memorial when a group of local Rolls Royce enthusiasts visit the site.
3 July 2016 Memorial Day	Every year, on a Sunday close to the start of the Battle of Britain on 10 July, the site hosts its annual Memorial Day. With music by the RAF Central Band and a flypast and display by aircraft from the Battle of Britain Memorial Flight, this is the highlight of the Trust's year.
31 July Cricket Day	Kent County Cricket Club kindly sponsors a Battle of Britain-themed day at a match at the Spitfire Ground each summer. This year the club has invited us to hold a collection and promote the work of the Trust at the Royal London One-day Cup game against Gloucestershire. Brewers Shepherd Neame also sponsor a lunch for some of our fund-raisers that day.
4 Sept Folkestone Automobile Club	Another visit by car enthusiasts will see Folkestone Automobile Club use the Memorial as the backdrop for some great photographs.
19 Oct Gala Dinner	Our big fund-raising event of the year takes place at the RAF Club in Piccadilly in the presence of some of the Few.

Hello Ladies, our year is well underway now and we are building up to a busy phase before the summer gets into full swing. We were delighted to see so many members at the May meeting, absences were due to holidays or ailments. Get well soon to the latter, we missed you. May is one of the more important meetings each year; it includes deciding whether or not to support the proposed national resolutions. This year members voted in favour of two – one about dementia care and one about reducing food waste. Our delegate Caroline will vote on our behalf at the Annual Council Meeting in Brighton. All the subgroups – Book Club, Darts, Craft, Scrabble and Lunch club - organised events for this month and the June lunch includes a skittles match. Arrangements for our educational trip to Greenwich and London were finalised (departure time to be confirmed later). The leader from sister organisation, Home Economics, invited us to their May meeting to learn to watercolour paint. Maybe we'll find some hidden talent, especially amongst the newer members.

The June bingo evening is 24th June at St Radigund's Church Hall, doors open 6.45pm, eyes down at 7.00pm.

Our speaker, Ian Porter, was informative and entertaining, whilst giving us an insight into life as it really was in houses like Downton Abbey. The lives of the below stairs staff were hard (the reason the footmen wore white gloves was to hide their fingers damaged by cleaning silver with their hands not cloths) but there were perks – selling feathers or dripping to supplement wages, not to mention a guaranteed present at Christmas. Not sure if it really was a perk, it was usually something useful like material to patch clothing! Female servants slept in the attics whilst the males slept as far away as possible in the basement. No fraternisation allowed! As Lyn said in her Vote of Thanks, she would have preferred being the mistress. East Kent News starred three of our members, Eve for passing the audition to become an approved WI speaker – we're all so proud of her, Shirley for her special birthday (21 again) and Jayne for joining the Board of Trustees. After a cup of tea (or coffee) we reconvened for members' time, when Mary, Gillian, Diane and Phoebe were rewarded for their confectionary knowledge with the physical items. Vad and Gwen jointly won the competition for the best cleaning tips. At the meeting on **14th June** we will celebrating Her Majesty's birthday, dressing in red, white and blue with patriotic cupcakes, courtesy of Alison. Our speaker will be **George Taylor speaking on Gershwin.**

Come and join us for an evening, if you don't you'll never know if you'd enjoy being part of the WI family.

Do you want a say in the future development of Capel-le-Ferne?

Capel-le-Ferne is likely to come under greater pressure from developers in the coming years.

How can our community have a greater say in shaping our village in future years?

The answer may be in the development of a Neighbourhood Plan.

What is Neighbourhood Planning?

Neighbourhood planning gives communities direct power to develop a shared vision for their neighbourhood and shape the development and growth of their local area.

Communities are able to choose where they want green space areas and where new homes, shops and offices can be built, have their say on what those new buildings should look like and what infrastructure should be provided.

Step one will be to set up a Steering Group to co-ordinate the development of the Plan.

The Steering Group should feature wide representation from the community and the neighbourhood area to be covered.

A Neighbourhood Plan has to be agreed within the Community by Referendum.

Get Involved

More information will be available:-

- At the Parish Council Surgeries in the Farmers Market (Old Post Office Room - Every 3rd Tuesday in the month)
- At the Capel-le-Ferne Fete on Saturday the 23rd July
- In the Grapevine

 Capel-le-Ferne Neighbourhood Planning Meeting in the autumn.
