From the Vicarage

March this year falls in Lent, the forty days before Easter when we Christians contemplate our shortcomings and try to pull our socks up a bit, with God's help of course.

So what am I doing for Lent? Well, when anyone becomes a priest they have to promise to be 'diligent in prayer' – after all, others should be able to depend on our prayers. But all too often my prayers end up being squeezed into odd moments instead of getting the attention they really deserve. So this Lent I'm determined to tackle that.

On a visit to Canada years ago I came across a museum that had once been a courthouse. There I learned that during pioneering days a convicted felon had once been sentenced to hang.

No word of his appeal had been received as the fateful day dawned, and a crowd gathered outside the courthouse. They fell silent when, just before nine, the prisoner was brought to the gallows and made ready to meet his Maker. The local preacher stepped forward just as the grand finale was due and, as was customary, began to pray for the condemned man's soul.

So natural was prayer to this man that at midmorning they were all still waiting for him to finish. In fact he only finished praying when, just before midday, a dispatch rider arrived with the order for a pardon.

Could others depend on my prayers in the same way? That's the challenge. So please pray for me this Lent – or at least wish me luck.

"Hold a Fish and Chip Supper to help spinal cord injured people rebuild lives after injury"

Great British Fish and Chip Supper Friday 15th May 2015

Want to eat Fish and Chips, while raising money for charity? Hold a fish and chip supper on Friday 15th May 2015 whilst raising awareness of spinal cord injury and supporting SIA's vital services. You can hold a fish and chip supper in your own home, at work or hold a larger supper at your local community centre. SIA will provide a fundraising pack containing hints and tips, recipes, invitations and donation envelopes. By inviting 8 friends and asking them to donate an additional £5.00 means you will raise at least £40.00 from your supper but we will also give you additional fundraising ideas to raise even more money for SIA. In 2015 we want to make the batter matter and raise £40,000 from everyone holding suppers. Last year we raised £20,000 from the suppers.

The money raised from the suppers will help the Spinal Injuries Association offer support to individuals who become paralysed and their families, from the moment a spinal injury occurs, and for the rest of their lives by providing services and publications which enable and encourage paralysed people to rebuild lives after spinal cord injury. Every year in the UK over 1,000 people experience a spinal cord injury and there are an estimated 40,000 spinal cord injured people in the UK alone. Community Fundraising Manager, Elizabeth Wright, says, "The Fish and Chip Supper is a wonderful opportunity for a great evening with friends and family. We are also encouraging people who work to hold a Fish and Chip Lunch in their work places to raise even more funds. You may be even a local community group wanting to run a fun evening with your group.

PLEASE NOTE: The times and locations of which the mobile police station visits, is undergoing some changes at the moment, due to the low numbers of visitors seen in the last year in which the scheme has been running. This is not to say that Capel will be losing any police presence, Kent Police will just be taking a different approach in an attempt to increase community engagement. The Kent Police has requested a list of upcoming events and activities in the village, which they could arrange their visits around to achieve a higher level of engagement and the Parish Council are forwarding these details accordingly. However, if they are particular events that an organisation would like the mobile police station to attend, please let the Parish Clerk know. Thank you.

Preparing for the 11+

In my current role, I deal often with justified complaints or general moans by members of the local community. I find on balance, the community is brilliant in feeding local knowledge or information back to assist me make a case, where there are grey areas of responsibility with either the law or regulations that Local Authorities, Parish Councils or their partners have to abide by, that could otherwise tie my hands in attempting to resolve a complaint. Effectively we, the community officers and councillors, work as a team to overcome hurdles and achieve outcomes.

Very rarely however, one comes across a character who, will moan or complain, but when advice is given they fail to act upon that advice and "lo and behold" they will repeat their complaint fairly regularly, still steadfastly ignoring further repeat advice. Invariably they will react to advice given with sarcasm and or exaggerated statements. I feel very sad for these people, for I suspect they may have gone through life creating more problems for themselves, simply because they cannot, or will not, pay attention, or, they are only prepared to listen to what they want to hear. I am sure we have all come across these characters in our various walks of life.

How many of these issues could have been attributable to how they studied as a child, if they had weak core skills in literacy and numeracy, this could have manifested into problems of analytical skills and comprehension as they developed into adults. There is a very interesting thesis written by Professor Chris Bentley of the Wolfson Research Institute identifying these very personality traits. In schools now, one of the first academic and analytical measures a child may face on their educational pathway is the Kent Test and

Primary children, eligible for application to grammar schools in Kent, must undertake and pass the Kent test.

Testing takes places in September, the year before entry, being year 6. Kent Test registration takes place prior to year 6, so as parents you need to be prepared for this.

Children will sit two papers, comprising, Reasoning, Maths and English with a maximum score of 420. To pass, a child must achieve a minimum of 320.

How far should you go to support your child's success? It is important to support children as they prepare for any test or scholarship in such a way that the emphasis is on strengthening the child's core skills in numeracy and literacy, being meaningful and effective. Results have shown targeting academic skills, rather than basically coaching for the test, tremendously improves the child's confidence and ability. Skills focus makes a child a better learner. To coach a child just to pass a test may not be the best methodology. By building on essential grammar, writing and structuring skills can develop a child's written process, plus to be numerically confident requires a good basic knowledge of Maths in order to access the top grades at school.

Whilst many primary schools dismiss the 11+ coaching, the tests can be tough, if a child is presented with the papers without any prior coaching. Understanding exam technique and time management will encourage confidence rather than apprehension of failure and poor performance.

So preparation, comprehension, technique and time management developed into a child at this stage of their education will set them on a structured pathway to studying and a greater chance of enhancing their future academic potential and prospects.

Capel Active Retirement Association -

SallySolly (Secretary).

Our February meeting was colourful, visual and of the most excellent quality as Bob Brisley from the Folkestone Camera Club gave us a composition of their members presentations, with commentaries and music, themes ranging from the life and legacy of Charles Dickens, and the life of John Clare (the Peasants Poet), to holiday journeys and experiences from Norway and South Africa, and body painting and angels! A rare selection indeed which not only entertained us, but left us with admiration at the skill of Camera Club members to incorporate all these things. Special thanks to Bob for collating all of the above, using his technical skills and for answering all our questions. Next month our speaker is Tom Deakin, one of our own members, who will speak about his involvement with Napoleonic history – please see separate poster for details i.e.; Redcoats, muskets etc. Our February Pub Lunch together will have been and gone with a small group getting together, but we will keep you posted with any future arrangements over the next few months. The day outing to Sheffield Park and the Bluebell Railway still has vacancies, so if interested in joining us do contact Adrian on 250392 or see him at the next meeting.

CAPEL EVENING WI

Hello everyone. We are now into the third month of the year and once again it is going too quick for my liking. Next thing we will all be thinking about holidays and somewhere warm. If you all read last month's report (and, I hope some of you did.) you will have noticed that my report on January meeting was cut short by mistake. No blame is appertained to anyone; it is just one of those things that happen when printing is up against time. So for all of you who missed it I now insert it below:

<u>The January 2015 Meeting:</u> The WI ladies met again after the Christmas and New Year celebrations and the village hall was abuzz with friends catching up. Red tulips brightened the business table and as the meeting began three new members were welcomed.

The speaker took the floor. Natasha Kerrigan's talk covered a wide range of foot issues, complete with snippets of real life incidents, such as the man who foot was covered in blood but there were no cuts on it. Stomachs turned when the cause was revealed —his foot had lost sensitivity and there had been a frog in his shoe. Pleasanter aspects of the podiatrist's world made up the majority of the talk, and, we learnt a great deal about how to look after our feet. At the same time, some of mother's myths were debunked. Natasha judged the competition was 'interesting item of footwear' and declared the winner to be a pair of Dutch clogs (Coleta Spillett) followed by a glass slipper (Eve Muggeridge) and microwavable slippers (Vad Blake).

Birthday girls for the month were Wanda, Julie and Jean, each of whom was given a card to celebrate the occasion and thoughts turned to Audrey Crouch who had passed away at the end of 2014. The formal business was brief—subs to be collected (£3 per month), the Christmas meeting to be analysed (a success), the baton relay, fundraising raising events, ideas for outings.

There was a long refreshment break (essential listening to the chatter as news was shared). Members' time from month to month varies considerably. This month Lynn organised charades for us – divided into 4 groups we coped with depicting films such as 'Star Wars, Saturday Night Fever and Gone with the Wind. Winners were rewarded with treat sized bars of chocolates.

The February Meeting: The President welcomed all members to our February Meeting and welcomed a new visitor, who has since joined, which has made 5 New Members this year already. So come on all you ladies thinking of joining. We are obviously doing something right. Our speaker for this month was to be Ms Laren Smith, unfortunately she got us muddled up with the other 'Capel' and therefore, Mr John Simpson of 'Affinity Water' replaced her for our area. He gave us a very informative talk on the importance of water and the saving it. He also described how some 'gadgets' that we could obtain free from Affinity Water that would help with the conservation of water in our homes. It was also important to remember that if someone discovered a leak in the road or anywhere for that matter then it should be reported to Affinity Water as soon as possible. The number is in our telephone directory. There were lots of questions for him and he answered them with authority. Kath Clark gave the Vote of Thanks. Refreshments were then served and everyone could have a 'good old natter' together. Jan Ardley then led us with a quiz on 'Musical Instruments'. Many thanks for that Jan as everyone managed to achieve a realistic score without embarrassment. The competition was something beginning with the letter 'H'. 1st - Jan Ardley, 2nd equal – Shirley Overal and Gwen Beaumont and 3rd – Eileen Ruthwell.

You may have seen more about the WI on Inside Out last month and there will be more on two new TV programmes – 'Homefires' and the latest 'Great British Bake Off''. If you would like to know more about what happens in your local branch in Capel you would be most welcome to come and join us for the March meeting – Tuesday 10th at 7.20 for a 7.30 start. Heather Chandler is coming to talk about 'Why Dungeness is Special'.

This year is our centenary year and we have a busy year planned; – a Skittles evening with supper, a trip to Lullingstone Castle and the Lavender Farm, joining with the ladies from Alkham. The Wednesday night Darts team would be delighted if anyone would like to join them at their weekly get together. They tell me that being able to hit the dartboard is not a mandatory requirement.

Other activities include the monthly Book Club – we have just finished reading 'The Good Life' and will be talking about it at our March meeting. Comments on books we have usually read lead to interesting debates on issues raised in them, usually with a wide range of views.

Elsewhere members are playing scrabble or busy crafting Jewellery, Card Making Knitting, Nattering, Crafting and supporting the school in teaching the younger generation some of the old traditional skills. Even the teachers are learning this important skill.

If any of these appeals, you can get involved – membership of the WI opens all sorts of doors and you are not obliged to come to every evening meeting.

Thank you all for taking the time to read my report. The Grapevine is an important source of information as to what is happening in the village so please try and read it from 'cover to cover'.

A note for your diaries our first <u>Bingo Evening</u> of the year is in St Radigunds Church Hall on: <u>27th March 2015 at 7.00p.m.</u> with a good helping of 'Scattergories' in the interval. So please try to encourage as many people as possible to come along. Bye for and talk to you all next month. Take care everyone and let us all bounce into Spring.

CAPEL-LE-FERNE FARMERS MARKET - Now in our 12th Year

Every Tuesday 10 a.m. to 12.30 p.m.

Village Hall, Lancaster Avenue, Capel-le-Ferne, Folkestone CT18 7LX

NEWSLETTER No. 40 - February 2015. Visit us on Facebook. twitter.com/@capelleferneFM

Winner of the Taste of Kent Awards 2004 & Finalist 2015 in the Best Farmers Market Category and the Kent Technology & Enterprise Award 2004. 5* Rating by Dover District Council. 5* Rating by Environmental Health Department. Registered with Produced in Kent, The Kent Farmers Market Association and Big Barn. Now in our 12th Year

Directions:- on the B2011 between Dover and Folkestone: for bus travellers:- Folkestone - Dover bus route 101 or 102 bus - ask for the Helena Road bus stop, then walk down Helena Road, (heading inland) left into Beatrice Road, then into Lancaster Avenue the village green and the hall are on the right – probably about a 5 to 10 minute walk.

As you know we have been short-listed into the TOP 3 nominations for Best Farmers Market Category in the Taste of Kent Awards 2014/15 - we don't yet know the final decision, this will be made at the Awards dinner on 12th March. Keep your fingers crossed for us! Please support your local Farmers Market. It is a great place to meet your friends over a coffee, but please take time to browse our stalls too, as without the stalls, there will be no market and therefore no coffee morning either. We are doing our best to maintain our stalls but without your help they will leave. Their products are local, fresh and great quality - talk to them to see how their product was made/produced, they will also give advice on how to cook or prepare it! Often samples can be tried too - you don't get that service in a supermarket!

As you know many of our stalls have been with us for a very long time (Marsh Produce - meat, Farthingloe - bread, rolls, pies, Sandgate Bakery – artisan breads, Whittington Preserves, Shirley's Farm – eggs, Bessborough Farm – fruit, Manor View Farm – plants) then we have some who have begun quite recently (P.J's Farms - vegetables, Meander - fudge, Barbara's Cakes), and we have some that come and go, for many reasons. Unfortunately Izzy's Deli has decided to ease up on her workload and is leaving us after over 7 years. We shall miss her and she had a good customer following. However, don't despair, we do have another Deli lined up, who will be commencing early March. The Doggie Bag Ltd will no longer be attending, as due to her pregnancy she cannot manage it, but hopes to return when her baby arrives! Naturally Happy - selling Nut Butters & Cookies, and Nanny Jones Home Made Desserts with a great range of desserts from sticky toffee pudding, crumbles and cheesecakes are doing well, as is the Debonair Tea Co with their range of locally blended teas and infusions. Whittington Preserves are now back after their January break, and The Rough Old Wife Cider stall will be attending fortnightly as does our fresh Fish stall 'Boy Callum', who is always very popular. Some of our Craft stalls have now returned; Heathmor Jewellery too, who has been with us since 2003! Cards by Lyn has now also joined us in our Crafts Hall with a lovely range of handmade cards for all occasions. Highview Schoolchildren are still attending fortnightly with their great ideas, and helping with their business studies.

James is on hand for those Passport photos! As are the Postal Services Volunteers.

Our WEEKLY DRAW to win vouchers to spend at the market is a great bonus too for just 50p a go. The winners' names are always on the board in the hallway. We also provide a photocopying service for just 10p per copy.

PLUS - Quiz sheets are available and lots of books and jigsaw puzzles for just a donation!

Please also be aware, that the village Community Warden and/or our PCSO are usually on hand at the market to answer any questions. Also the KCC Mobile Library attends just outside the car park, at 12 Noon every week. So, as you can see, we are more than just a Farmers Market but a real Community based project!

We now have the following products on sale:- Fish, Meat, Eggs, Preserves, Jams, Honey & Pickles, Delicatessen, Smoked Fish & Cheese, Bread, Cakes, Pastries, Desserts. Fruit, Vegetables, Fudge, Teas & Infusions, Fruit Juice, Cider, Fruit Liqueurs, Plants and a wide variety of Crafts.

More help is required for the clearing up after the market please, on a rota basis. Could you spare just ½ an hour once a month from 12.30 to 1 p.m.? Maybe you've just retired and want something to do, or are new to the village and want to get involved?

If you are interested, please contact Cherry 255114 or Jenny 245399 / 07796 432445 to discuss what is involved.

Please note: The products for sale are produced (in the majority of cases) by the stallholder, in Kent, unless clearly marked otherwise. We should point out that we ensure our producers hold the relevant certificates i.e. a public liability insurance and, where necessary, health and hygiene certificate and kitchen registration documents.

We have business cards and posters for the market, if you could hand out to friends & family, your local club/pub/restaurant etc, please we would be very grateful.

PARKING STRATEGY CONSULTATION

Dover District Council has launched a key consultation to gather community views on parking provision in our towns – as we continue to plan for changes in demand that will come with the range of exciting developments taking shape for the district. DDC has begun a process to update strategies for managing parking in Dover, Deal and Sandwich. The Council is gathering information to establish current levels of supply and demand, and is keen that residents have a chance to have their say on the provision of both on and off-street parking, as we plan for future growth.

Cllr Nigel Collor, DDC Cabinet Member for Access and Property Management said: "We need to plan now for changes in future parking demand. We want to hear from as many people as possible to build an accurate picture of the issues and opportunities for improving town centre parking, and we look forward to hearing everyone's views." For more information, or to have your say, please see the DDC website at www.dover.gov.uk/Transport,-Streets--Parking/Parking-Strategy-Consultation.aspx

There is a chapter on memorials, including the National Memorial to the Few at Capel-le-Ferne, and minibiographies of those who played a part in the affairs of the BBFA, including Sir Christopher Foxley-Norris, "Pete" Brothers, Bob Foster, Tom Gleave, Pat Hancock, Howard Duart, Don MacDonell and Pelham Hopkin.

A History of the Battle of Britain Fighter Association: Commemorating The Few is published by Pen & Sword at £19.99 and is available from the shop at the National Memorial. ISBN 9781781593875.
