From the Vicarage

I didn't wear robes. I didn't read the Burial Service. In fact, I wasn't sure quite what to do – the Church of England doesn't tell its ministers what to do at the funeral of a butterfly.

In February I told you about a butterfly I rescued from a school hall just before Christmas. It should have been hibernating, and so I put it in a box in my loft, hoping that it might hibernate there. When one warm spring afternoon a Peacock butterfly came to sunbathe on the garden path it led me to check on our friend – but in the box was no living butterfly, just a sad little corpse.

Committing it to a flower bed, I thought of the lives this amazing little creature had touched - the pupils who had willed it to live, a friend who told me that she had wept at my story, and another who kindly rang to discuss with me what I had written.

When someone becomes a priest, they often order a special stole (the thing priests wear over their shoulders at services) to mark the occasion. Mine has gold Jerusalem crosses to symbolise life's journey – I wear it at baptisms and weddings. A friend chose butterflies for hers. She felt that it summed up her life – crawling like a caterpillar through some tough times when younger, then growing and changing until emerging as someone ready to fly, so to speak.

The book of Revelation, sometimes read at funerals, describes a heavenly city as a place of light and life to which we're all invited. I don't know if there butterflies in Heaven, but I sometimes think that butterflies describe all of us – crawling like caterpillars through this world, but with the possibility of greater things to come in the next.

Capel Church Hall Fund-Programme for 2015

On Friday 10th of April all those attending St Radigunds Church in Albany Road were witness to an absolutely treat when Adrian-Christian Mires performed for us his first ever full evening recital on Classical Guitar. The beauty of his music matched the beauty of the church which was still decorated with Easter daffodils. Adrian, who is Romanian, has recently completed his B.A. Honours degree at Christ Church University Canterbury and will be going on to study for his Master's degree. His music covered a journey through the centuries starting with Baroque in Germany and then on to Spain and Portugal and then crossing the Atlantic to Brazil and Argentina and he beautifully demonstrated the full range of music written for the classical Guitar on two Continents.

Our next musical treat will be Keith Radford presenting 'A Musical Journey' on Friday May 8th at 7.30 in St Radigunds, doors open at 7pm. £5 pay at the door. This will be the fifth year that Keith has given us one of his superb musical evenings so please come along and here his latest.

Then on June 12th we will have Ann Finney, back for the third year, giving us an evening of Gracie Fields and Marie Lloyd.

Future dates for your diaries are:

Friday May 8th Keith Radford presenting 'A Musical Journey'

Friday June 12th Ann Finney presenting Marie Lloyd and Gracie Field and

Friday July 10th Frank Conley with his new programme of Gilbert & Sullivan

The Autumn events will be published later

CAPEL-LE-FERNE VILLAGE HALL MANAGEMENT COMMITTEE

Registered Charity Number 281.786 **PROVIDING SERVICES TO OUR COMMUNITY** Website address: www.capelvillagehall.com.
Committee Meetings are held at the Village Hall on the First Tuesday of every month at 7.30pm.

**To view the hall, or to make a
booking contact the letting secretary
Joan Woodsford on 01303 252354**
If you plan to have your party at home tables and
chairs can be hired from the hall. £2 or 50p
respectively.

The boot fair season has drawn to a close for this season and will recommence in the autumn. The Garage Safari is being arranged for September. Other notable dates are:

- Last Night of the Proms 12th September, • Craft Fair 14th November and • Chicory Tip is returning for New Year Eve.
- More details of all these later.

Capel has an active community and the village hall is well used, whether by short mat bowl or the Radio Controlled Car Club or by the other various organisations who meet for sports or leisure activities. There is something for all ages. Details of these are in the hall. Some, like pre-school are in the hall several times a week, others, like the gardeners show are quarterly events. If you are new to the village or recently retired there are lots of opportunities to get involved, either on a social basis or to join some of the committees. Details are in the hall or in Grapevine.

* There is some capacity for private hiring, so if you would like to organise a party come and have a look round. There are two halls, which can be hired separately or together. The main hall has plenty of tables and chairs and there is still space for dancing or running round. A PA system means you can hear the music or speaker if you have one – we are happy to show people how to use it. There is a stage with curtains – you could use this for the disco, band, speaker or you could put some chairs there so adults can sit and watch the children run around on the main floor. For AV events there is an electrically driven projection screen, whilst for that very special party there is a net to let release balloons. The small hall is perfect for more intimate groups or meetings, or can be used as the chill out space or food/drink service area. Both halls have use of the kitchen – including instant boiling water (capacity up to 100 cups in 15 minutes) and plenty of china, mugs and cups. A separate hand washing sink complies with Food Hygiene Regulations. The electrically operated shutter allows you to close the kitchen off so your guest can party on while the washer uppers tidy up.

Hire either or both halls, depending on how much space you need. Licenced for most things (except hypnosis and boxing) including sale of alcohol, PRS, raffles. If you would like to start a new club or activity then talk to the letting secretary about when a regular booking can be made.

***100+ Club:- £12 per year your number is placed in a draw, every month for 1st Prize £25, 2nd £15, 3rd £5.**

These DOUBLE in December! The draw will take place at the Committee Meeting on the 1st Tuesday of each month. Renewal time is now and you need to be in it to win it. Contact Jenny on 01303 250298 for further information, or give your name to Cherry, Jenny or Julie at the Farmers' Market

WINNERS OF 100+ CLUB – APRIL

1st 92- John Roberts, 2nd 17- Mick Santer, 3rd 80- Margaret Rousell

Every month the committee read the comment in the comments book. Would you believe that TWICE this month someone has said that there were dirty cups put away in the cupboard? We are writing to some of the organisations known to serve refreshments to see if they are experiencing similar problems or can help in any way. It is very easy when lots of people help clear up to stack a clean mug on top of a pile of dirty ones and someone else to interpret this as stack of cleaned mugs.

Are you a Sherlock Holmes? Can you help locate a wanted person?

We are occasionally asked if there is any chance of opening the Post Office, which, despite best efforts of the local residents and the village hall committee, was closed by Post Office Limited in 2009.

The village hall committee has no influence over Post Offices Limited. We have however heard that grants MAY become available for Postmaster/mistress to help re-open one or two in the community. The CVH committee is illegible but if someone can find a postmaster/mistress interested in re opening the post office the committee would love the opportunity to work with them.

Can you help find a postmaster/mistress who is willing to re-open the Post Office? If no one can be found then we will have to abandon all hope of ever re-opening the room as a post office.

The committee has been discussing what we need to do to improve the hall and how the post office room can be used.

If you have any thoughts or suggestions please let us know.

RECYCLING INSIDE THE HALL Boxes are provided for:-

- Unwanted shoes for charity,
- Used Stamps for various charities
- Shoes

Please place the above in the relevant boxes.

Farmers Market:- Tuesdays 10 a.m. to 12.30 p.m. Stalls selling local produce every week, including (but not limited to) artisan breads, pies, meats, fruit, veg and a postal service.

CONTINUOUS EVENTS

Books & jigsaws A wide variety of books are available there are 'honesty boxes' for your donations. These are on trollies in the corridor. Thanks to all who have donated to this cause.

Also to the catering staff at FIBC for a lovely evening!

The Trip to Blankenberge in Belgium

"Wendy Leeming Tours" has arranged a day trip to
Blankenberge in Belgium on Sunday 12th of July. Tickets cost
£24 (including a tip for the driver)

Blankenberge is a lovely coastal town and international beach
resort with a warren of shops, restaurants and the sea life
centre. The trip is open to club members and their friends and
family until the end of May then seats will be offered to
villagers. The coach will leave at 9am from the layby near the
village shop and we should be back by 7.30pm. This trip is via
the Channel Tunnel. It is advisable to get your names down
early to risk disappointment.

CAPEL EVENING WI

Well Ladies, winter is truly over and spring was definitely present at our April meeting. Jayne welcomed another New Member. We are doing well this year. We must be doing something right. The competition was spring flowers in a tea cup. Members excelled with many pretty arrangements in a wide variety of cups and saucers.

The flowers included daffodils, miniature narcissi, tulips roses to name but a few. Just seeing them was a trip down memory lane, which fitted well with our speaker Prue Anderton's topic. Speaking off the cuff for nearly 45 minutes Prue reminisced about her childhood, sparking off memories of our own. We heard of the deep friendship between her Mum and Dad despite their divorce and remarriages. We heard snippets about the great and good (and not so good) in the village she grew up in. One elderly spinster was left a house and surprise, surprise she suddenly had a string of not so young men queuing up at her door. Prue demonstrated of how she 'disposed' of her sister's boyfriend by singing a local song focussed on going away. Kinder tales involved sharing treasured gifts of chocolate with her brothers. Most of us empathised with her tales of behaving when visiting grown-ups for Sunday afternoon tea. We may have got away with misbehaving occasionally but NEVER when scrubbed and dressed in our best and 'on parade' at Auntie Vi/Grandma/Mrs Reed's for high tea. The laughter generated during Prue's talk continued on the business meeting, proving that minutes and reports don't need to be dry. At one point our poor President needed a tissue to mop her eyes. Business included nominating someone to go to a Garden Party at Buckingham Palace (we have friends in high places), a report on the inspiring Annual Council Meeting (we were 'flash mobbed') and organising May's meeting. Several of our members will be absent – on a day trip to France – so we are having a very informal meeting. Ladies would be very welcome to join us, either as a one off or with a view to joining. The speaker will be Jaclyn Gordon – Balance for Life and the competition and unusual item beginning with 'B'.

Details of our skittles night and day trip to Lullingstone Castle were confirmed – there are a few spare places which are being offered if anyone is interested. The darts team will be contacting other WIs with a view to playing some friendly matches.

Instead of a quiz for members' time we divided into two teams. Competitiveness ran high as Lyn and Caroline mimed craft and cookery terms for their respective teams. Fortunately Eve and Janice kept – or tried to keep – order throughout the hilarity of mimes such as 'washing the smalls', or 'wooden spoon.' Diplomatically Eve declared it a draw and everyone was awarded a chocolate as a prize.

By now ITV will have screened the first few episodes of the new drama series "Home Fires", a series inspired by Author and Historian, Julie Summers' book "Jambusters", a story of the WI during the Second World War. This is a period in history which is seen as probably the WI's finest hour, when they ran canteens for troops, collected tons of herbs for the pharmaceutical industry and knitted millions of garments to keep soldiers and refugees warm. By far the more well known of activities during that time was the WI's jam preservation scheme. Of course regular readers will know that, while retaining traditional skills, we have moved with the times. Most members receive their Capel WI news by email on their tablets. Scrabble continues for its sociability but many members are playing 'Words with Friends'. Members join for many reasons but one thing there is plenty of in Capel is camaraderie. If you would like to find out for yourself, ring Jayne on - 01303 211480.

A reminder to you all that our next Bingo Session will be on Friday 5th June 2015, so make a note of the date in your diaries.

WI events which require booking are:-

Skittle Evening Royal Oak - Thurs 11th June.

Lullingstone Castle & Lavender Farm - Thurs 2nd July,

Five Oak Green meet-up - June tbc,

Group Meeting: River - Thurs 1st Oct 2pm.

Christmas meeting - 9th December

I will draw to a close now. Thank you once again for taking the time to read my report. Thank you also to Jayne for her help again this month. I think sometimes I do not know where my memory goes. I have a favourite saying that when I cannot remember something, I say 'my brain has gone to heaven and died for a short space of time'. It always comes back, and sometimes when I least expect it.

Talk to you all again next month. Take care until then.

The 2014 Care Act update.

I have made a précis of what I believe the Care Act may mean to you now or at some possible stage in the future of your life. The Care Act, which comes into being as from April 2015, means lots of different things for different people. It depends on your needs, but can include things like help to get out of bed, get dressed or washed, help with eating or cooking meals or caring for others. Care and support comes from many different people, family and friends or members of the community. Central and County Government HELP to pay for SOME care and support, DEPENDING on your financial situation! The guidance states that Councils must give information and advice to everyone who wants it. This concerns the services that supply "well-being" and what is important to people who use them.

Key changes expected in 2016 will be a cap on care costs being £72,000 for those who develop needs above 25 years, but free lifetime care if needs develop from early years to 25 years. Change to Capital thresholds, extended means tests. £27,000 for people living at home and those in residential care whose home is disregarded! £118,000 for people in residential care (unless former home disregarded)!

Lower threshold expected to be £17,000 (i.e. totally ignored).

From 2016 if a person wants to take advantage of the Care Cost Cap, they must have an assessment to determine WHAT AMOUNT should be used towards the cap. This will apply to new self-funders AFTER this date AND ALSO existing funders-but the clock will only start ticking from April 2016. (IT WILL NOT BE RETROSPECTIVE).

Not all self-funders will meet the national minimum eligibility criteria.

Those in residential care, perhaps 10%, will not meet the criteria. HOWEVER, they may have been in care for a long time so a LIGHT TOUCH assessment, a proportionate response. For those in the community, a more in depth assessment is needed to test their eligibility and which emphasises (if realistic in the individual circumstances) what can be done to maximise independence, such as equipment and other aides to improve quality of life.

What are the eligibility criteria? 1) Needs arise from or related to a physical or mental impairment or illness.

2) Unable to achieve two or more specified outcomes. 3) Significant impact on well-being as a consequence.

This actual piece of legislation extends to just over 1000 pages, so there will be many important areas to address specific issues in caring for an individual and equally important, for people like me, who also perform a role as a carer, to look after either the terminally ill, the severely disabled or frail ageing population, there can be assistance for the carer too.

The purpose of this article is to inform you of this new piece of legislation, because whilst reading it you may think "I'm aged 20, 30, 40 it does not affect me, I don't need to know about this," take it from me, it will impact upon everyone, at some stage in their life, from the healthy young motorcyclist who has a serious injury accident and loses a limb, to the person aged 30 who abuses drugs or alcohol and suffers mental illness or liver disease, to the person aged 40 who may be struck down with a stroke resulting in life long brain damage, to the 50 year old who may have early dementia or terminal cancer. May be you are the lucky one who evades such health issues, but then they may be a member of your family for whom you become the carer.

For further information if you visit the web site: www.gov.uk/care-act-2014

There is also a "frequently asked questions for carers" www.carersuk.org which you may find useful.

Finally I have been the District Councillor for Temple Ewell and Lydden since 2010 and due to my heavy workloads as a County Councillor and performing a role as carer too I have decided to not stand for re-election on the 7 May 2015 elections, but I wish my successor well, from which ever political persuasion they may be aligned to and if only to say that at this level of politics, my view is that the politics should be consigned way into the background, for it is all about the community and how we can maintain or improve the quality of life for the community. The role has been "interesting" to say the least and I shall continue in my role as a County Councillor in assisting and supporting which ever candidate is chosen by the majority of the community.

Cllr Geoffrey Lymer. District Councillor Temple Ewell & Lydden, County Councillor Dover West.

CAPEL-LE-FERNE PARISH COUNCIL

**Summary of some items discussed at meetings on
Tuesday, 21st April, following the Annual Parish Meeting
and presentation of the Chairman's Report for 2014-2015 (See Page 9)**

• **Request from the public to address the Council:** Resident Peter Butler addressed the Councillors on three concerns; parking on pavements, making it difficult for wheelchair/pushchair users – PCSO Gretel May would monitor the situation and request offenders to reflect the situation of inconsiderate parking; the provision of drop kerbs – which was an item already discussed with the Kent Highways and will be pursued further and; the condition of the verge at Courtwood Roundabout (adjacent to the refreshment vehicle where lorries park) had damaged area and now resembles a “ploughed field” – this was outside Parish boundary, but had also been mentioned to Kent Highways in the hope of providing bollards. • **Equipment status report** – Refurbishment of basketball court goal ends and swings now complete. Further work to climbing frame will be carried out when replacement parts have been received from manufacturer. Fencing to petanque area and memorial will be completed by the time this newsletter is delivered. Request by users for a pathway around petanque court was discussed, but due to this being originally researched and following a meeting held with interested parties, the amount of fencing was ordered and pre-cut ready for installation, also this request held a financial implication and was agreed by Councillors that present arrangements would have to remain and if still required, funding for changes would need to be sourced. Shades to playing field lights had now been altered satisfactorily and 4 new litter bins had been agreed with Dover District Council to be placed in areas of most need - one in Green Lane, 2 in Winehouse Lane and one in Old Dover Road (Dover end).

• **Crime Reports (PCSO Gretel May)/Neighbourhood Watch** – Nothing to report. • **Traffic/Road Improvements, Highways & Public Rights of Way** – Scooter route and pathway from playing field to rear school gate being discussed with Public Rights of Way personnel. • **Development of Land South of New Dover Road** – see page 10 and 11 on Parish Council feedback response letter to Developers proposed plans. **Next Parish Council meeting is on Tuesday, 19th May at 7.30pm in the Village Hall (Small Hall).**

A COPY OF THE MEETING'S AGENDA WILL BE AVAILABLE ON THE PARISH COUNCIL WEBSITE A WEEK BEFORE THE MEETING. <http://www.capel-le-fernepc.kentparishes.gov.uk/> ALL PARISH COUNCIL MEETINGS ARE OPEN TO THE PUBLIC, SHOULD YOU WISH TO ATTEND. HOWEVER, IF YOU WISH TO ADDRESS THE COUNCILLORS, PLEASE INFORM THE CLERK PRIOR TO THE MEETING! Further information on any of the above or to contact Parish Council, please write to Parish Clerk, 39 Victoria Road, or Tel: 01303 259564. Email: maureen.leppard@btinternet.com

Here is an open letter to “dog owning residents” from a “concerned resident”.

“We are lucky in England to have a network of public footpaths and the right to go along them at any time. However with those rights there are responsibilities and for dog owners this means cleaning up after your dog. The footpath behind Capel School is becoming increasingly covered in excrement and in bags containing it. It is unpleasant to be able to see it, smell it and tread in it, and it is making it increasingly difficult for anyone with small children, pushchairs or limited mobility of vision to use with any pleasure and yet this is supposed to be a footpath for all, not just inconsiderate dog walkers.

Additionally, as well as on the footpath itself, owners are allowing dogs into the field to do their toilet. This is not just grass. This is a planted crop, potentially a crop for human consumption. The land belongs to the farmer. There seems to have been an increase in dog walkers marching right across the field. We would be the first to complain at someone who detoured from the pavement and meandered across our front flowerbeds and lawn. There would be shouting and calls to the Dog Warden if you saw an owner letting their dog foul your property. Just because the farmer is not there to notice you, does not mean that it is ok to do it. If the problem is too much of an issue, farmers often fence the footpaths off. This leaves an area with semi-rural ‘alleyways’ where dogs, owners and all the excrement can be contained. Not a nice thought for Capel.

There have been objections to the new housing proposed for Capel and when it goes ahead there is a chance it will add to the problem as people moving to the area may be led by example. So thank you to the dog walkers of Capel who conscientiously clear up after their dogs, who don't consider it too much trouble to detour to one of the many bins in the area or take it home. It is hard to imagine how horrible the path would be if they did not. If we all help to put our own house in order by keeping our paths and fields clean, there is a chance that we will stop even more fouling and can all be proud of how pleasant Capel can be to live in.”

What a year for Capel it's hard to know where to start. In June we had the Memorial Stone to the village fallen unveiled by Councillor Sue Nicholas, the Chairman of the Dover District Council, this was attended by a large number from the village. This was followed by our village June event on the Queen Elizabeth II Jubilee playing field, our thanks to Jayne and her crew for all the hard work they put in to make it a success. We wish to pay tribute to the members of the committees on the Council who look after the amenities for the village. And the groups of people who devote their time in running the village Market, the village Hall, and all the various clubs and associations Capel has to offer. How any one in Capel can say they are bored with nothing to do defies belief. It's lovely to see the village amenities expanding, in February I was asked to open a new Nursery and Baby Unit, Greenview, in the old Capel school, what a wonderful job they have done, congratulations to all the hard work you have put in.

On November 11th, Remembrance Day, I had the honour of laying the first poppy wreath at our village Memorial, I wish to thank all who turned up and paid their respects to our fallen heroes.

This year will be one to remember, if anyone didn't know of Capel le Ferne, or where it was, they certainly do now. It was some twenty odd years ago that the Queen Mother came to Capel to open the Battle of Britain Memorial. This year we had the icing on the cake, Her Majesty the Queen and HRH Prince Philip made a gracious visit to open the newly built visitors centre, the Wing, at the Battle of Britain site. I had the privilege as Chairman of the Council to meet the Queen and the Duke. The school children of Capel will I'm sure will never forget the day the Queen came to Capel. Although the day was wet and low cloud put a damper on the air display, the Queen insisted in going out on the balcony of the Wing and to greet the crowd that had gathered to see her. In June we have the climax to the Battle of Britain Memorial, the 75th anniversary of the conflict, and we have been informed that the fly past will contain as many Spitfires and Hurricanes that can be mustered.

My twelve years as a Councillor seem to have gone far too quickly. It has been an honour and a privilege to serve the village as Chairman and to have such lovely colleagues as Councillors to make the job such a joy to do. It is only fitting that my last tribute should go to the "king pin" of our Council, our very own Parish Clerk, Maureen.

She has devoted her time and energy in making sure that our Council is the best in the County.

Thank you Maureen and fellow Councillors for your support and friendship over the years. I wish the new Council and its Chairman many happy and successful years.

Clive J Goble
Chairman
Capel le Ferne Parish Council

As part of the celebrations, the Chairman of Kent County Council, Mr Peter Homewood, will be lighting a beacon during the evening on Friday, 8th May, outside the new Wing building at Battle of Britain Memorial Site, Capel-le-Ferne, recently opened by Her Majesty The Queen and The Duke of Edinburgh. The Wing will be open to guests only but we are hoping for a good gathering of public outside as the site will be open to the public. At 9.15pm, guests inside the Wing will be invited to move outside to the location of the beacon lighting, 9.25pm – fanfare and tribute, 9.30pm the beacon will be lit by Mr Peter Homewood. It would be wonderful if as many people as possible from the local surrounding area were able to attend to see the beacon being lit as the public are more than welcome to attend. Please do not hesitate to contact me should you require any further information. Many thanks and kind regards –

Jarvis Homes
Great Chilmington Farmhouse,
Great Chart,
Ashford, Kent
TN23 3DP

For the attention of Sam Jarvis

Dear Sam

Following the public viewing of the proposed plans from Developers Jarvis Homes for the Land South of New Dover Road (B2011), the Parish Council have now consolidated numerous residents' and Councillors' comments and responded accordingly to Jarvis Homes on their emerging plans.

Proposed Development - "Grasslands", Capel-le-Ferne

Further to our letter of 29th March 2015, please find below the points that Capel-le-Ferne Parish Councillors wish to be brought to your attention for consideration.

1. Southern Boundary Buffer:

Policy LA 24 with regard to - "a landscape buffer of planting is created along the southern boundary". A landscape buffer as described will do nothing to mask 4 bedroom properties proposed, to flank the southern aspect of the site. The patch of 'grassland' proposed appears to be an open area, not a naturalised, undisturbed, managed grassland area. The agreed portion of land for development needed to be cleared, but the number of trees/woodland taken down and the impact to birds and wildlife seems excessive and concerns were expressed at the time on the lack of prior notification regarding this. Most of the existing trees and vegetation have been removed from the north of the site. It was anticipated that there would be a retention and expansion of existing hedge along the Old Dover Road, needed to provide the correct bio diversity for flora and fauna associated with chalk grassland. The buffer planting will provide screening of the development from the Heritage Coast, AONB and SSSI. Plans should include details of how the hedge will be maintained. Additionally, a buffer between the houses and the chalk grassland will in some measure address the loss of trees and shrubs by clearance of the site.

2. Precise Boundary between the developed and undeveloped parts of the site

In the preamble to Policy LA 24 it mentions: the developable portion of the site amounts to 1.42ha. As the total area of the site is 3ha, 1.42ha means that less than 50% of the site should be developed. This is certainly not the impression given. Many are very concerned that although the Local Area Plan showed about 50% of the site being developed, the trees have been cleared from about 80% of the land, despite the requirement for a screen to be in place between the development and Old Dover Road. This makes it look like intentions are to develop far closer to Old Dover Road than the plan provided for. The developable portion of the site appears to have enlarged and this is not in line with the agreements for the site, following the examination. Before any planning application can be considered it should be demonstrated that the boundary is established in line with the ecological evidence as required in the LADP.

3. Boundaries between existing residential developments

Capel Court Caravan Park and Helena Road

The proposed 4 bedroom properties to the East and West of the site will invade the privacy of the tenants of Capel Court Caravan Park and Helena Road. 4 Bedroomed properties do not comply with Policy LA 24 with regard to: "Sensitive design with regard to height in order to ensure the development does not have an adverse impact on the AONB and countryside". Better privacy is required to Helena Road, particularly where the houses are in the corner and close to the bridleway. Most of Capel properties are bungalows, interspersed with a few two-storey properties. These town houses are not in keeping with Capel and 2½ storeys are too high. Further along from the development there is a residential caravan park, which will also be disadvantaged as they will be severely overlooked. The proposed houses are higher than expected when compared with surrounding properties. Surrounding areas have a variety of roof heights and it would be preferred that the development echo this. The schematic shows roof heights in line with the minority rather than the average height and as such is not in keeping with the majority of local residences. Capel-le-Ferne has extreme weather conditions at times. Properties, particularly on the cliff tops, have problems with prevailing rain driving into them and from high winds causing damage; hence the amount of bungalows in the village. Very careful consideration to these, very real, issues should be given, for the long term benefit of the residents of the properties.

4. Bridleway to East Boundary

The proposed plan shows the public bridleway incorrectly placed. The bridleway traverses through the grounds of London House at the cliff-top; not to the side of it, as is shown, i.e. the bridleway actually goes straight. Concerns about the accuracy of the bridleway as shown on the proposed development plan were expressed by many residents, notably that there is no “dog leg” in it. There is some history of legal action to establish exactly where it goes. At present the Parish Council are unable to say if any of the development is encroaching onto the bridleway.

5. Housing Mix

Proposal as it stands is predominately 4/5 bedroom properties with a few 2/3 bedroom properties. Thoughts are that there is a need by the village and surrounding areas to a requirement for more 2/3 bedroom properties, rather than 4/5 bedroom properties and would propose to switch the allocation accordingly. Not in line with the agreements for the site following the examination. They were supposed to be of a density and height that would minimise the impact of the site. Also, because these are larger properties, they have been allocated larger outside spaces which, contributes to the site being so large. These larger properties are also in far larger quantities than the more affordable 2 and 3 bedroom properties; which would be a much more practical option for most buyers. It is understood that Housing Associations are not interested in managing the portion of the development needed to be allocated for this purpose. Perhaps “Help to Buy Schemes” may be more appropriate in this case, to enable villagers to downsize and continue to live or raise their families in their home environments, with their support networks around them. It was also intimated that 1 and 2 bedroom flats for retired of the likes to a McCarthy Stone development would be beneficial.

6. Traffic

Concerns about the traffic and speeding – the B2011 (New Dover Road) is dangerous. The schematic shows the road as being straight when there is actually a bend in it restricting visibility. Vehicular access to the site is achieved from the New Dover Road which is designed to minimise the loss of existing trees and vegetation, in order to screen the site from the adjacent AONB located to the north of the site.

The access from the B2011 is unsafe. The speed of traffic on the B2011 is excessive, despite the Parish Council's efforts to resolve. There have been a large number of near-fatal accidents on this road. The proposed site is on a slight bend and the line of sight from the site, to cross the road is not good. Capel-le-Ferne is renowned for being foggy which exacerbates the problem here. Any tried and tested road layouts will not work here as vision can be extremely compromised this near to the cliff top (sea mist and fog often surround the cliffs). A greater study and understanding of the local microclimate is needed.

Although designated a “B” road the New Dover Road has the traffic characteristics of an “A” road. Kent County Council has given the Parish Council data of volumes, speeds and flows of traffic. These may be at odds with the traffic report presented when the LADP was examined in 2014. While not experts, the Parish Council wishes to see a focus on traffic management and safety in this area. This includes;

- i. Provision of an appropriate turning lane/inclusion of a slip way for Folkestone bound traffic entering the site i.e. safer ingress/ egress, so that they could pull over into it before turning left into the site (therefore minimising the chance of rear-impact accidents in the fog); a lit 'pelican' crossing for residents, which would also help to generally slow the traffic, and thinking about how to stop vehicles overtaking on the wrong side of the islands at night. If this entails removal of the hedge then replanting further within the site is expected.
- ii. The 40mph speed limit being moved back to either Courtwood roundabout or Winehouse Lane i.e. extension of the 40 mph speed limit zone on both sides of the village (to Old Dover Road on the East at a minimum and to the Valiant Sailor on the West).
- iii. These should be in place at the earliest opportunity to enable safe entry/exit of construction traffic

7. Other aspects noted that would be appreciated if taken into consideration

- Solar and ecological buildings
- Lack of capacity in the local primary school
- Improvement of telephone/internet provision
- Provision of medical care, i.e. doctors, dentist, chemist (at present travel to neighbouring towns of Folkestone and Dover is required)
- Current infrastructure insufficient, including drainage, water and gas pressures low

Thank you for taking the time to read these hopefully constructive responses to your proposed development to Land South of New Dover Road, Capel-le-Ferne.

If I can be of any further assistance, please do not hesitate to contact me.

Yours sincerely

Maureen Leppard
Capel-le-Ferne Parish Clerk

CAPEL-LE-FERNE FARMERS MARKET - Now in our 12th Year

Winner of the Taste of Kent Awards 2004 & Finalist 2015 in the Best Farmers Market Category and the Kent Technology & Enterprise Award 2004. 5* Rating by Dover District Council. 5* Rating by Environmental Health Department

Registered with; Produced in Kent, The Kent Farmers Market Association and Big Barn. Now in our 13th Year

Directions: on the B2011 between Dover and Folkestone

for bus travellers:- Folkestone – Dover bus route 101 or 102 bus – ask for the Helena Road bus stop, then walk down Helena Road, (heading inland) left into Beatrice Road, then into Lancaster Avenue the village green and the hall are on the right – probably about a 5 to 10 minute walk.

On 7th April – our Easter Special, which also coincided with our 12th Anniversary, was a great success and the sun shone for us too! Some organisers & stallholders wore Easter Bonnets; the Easter Bonnet competition unfortunately only produced 3 entries (the winner being Megan Woodward, the other two entries being Lily Rose and Kathleen Rourke) for children. The Easter Egg Hunt was very popular, with the children searching the field for the sticks to claim their egg. The Name the Teddy was won by Elizabeth with the name Pippa, and Guess the weight of the cake was won by Sue, being just one ounce out at 3lb 4oz.

Calling herself 'The Sixth Generation', Zoe is providing a wide range of Deli products i.e. cheeses, cold meats, butter, salads etc along with a range of ready meals too, great for those who don't cook/won't cook! Also as additions to the new 'deli' Sandgate Bakery is now producing home-cooked ham alongside his smoked salmon, and Whittington Preserves are providing Olives, Sun Dried Tomatoes and Garlic etc., to compliment the Deli. Unfortunately Nanny Jones Home Made Desserts has left due to lack of sales, but may return at a later date as is looking into producing Gluten and Sugar free products which would be great for those with dietary problems, so watch this space!. Also the Debonair Tea Co., locally blended teas and infusions, has left us for the same reasons. We do need you, our customers support please otherwise, we will lose more stalls and I then have the difficult task of trying to find new ones!

The basics always seem to do well, i.e. meat, fish, vegetables, fruit, eggs, bread, cakes etc., but it is nice to have a few extras, even luxuries like fudge! It is nice to see Gentleman's Fine Foods with his range of Sauces, Condiments and Vinegars appears to be doing well. I do hope you will also visit our Crafts Hall too, where there is a variety of Crafts including Quilting and handmade Cards on offer, other stalls vary week by week. Great for that last minute present or forgotten card!

James is on hand for those Passport photos! As are the Postal Services Volunteers!

Our WEEKLY DRAW to win vouchers to spend at the market is a great bonus too, for just 50p a go.

The winners' names are always on the board in the hallway.

We also provide a photocopying service for just 10p per copy. PLUS – Quiz sheets are available and lots of books and jigsaw puzzles for just a donation! Please also be aware, that the village Community Warden and/or our PCSO are usually on hand at the market to answer any questions. Also the KCC Mobile Library attends just outside the car park, at 12 noon every week. So, as you can see, we are more than just a Farmers Market but a real Community based project!

We now have the following products on sale:- Fish, Meat, Eggs, Ready Meals, Preserves, Jams, Honey & Pickles, Sauces, Condiments, Delicatessen, Smoked Fish & Cheese, Bread, Cakes, Pastries, Fruit, Vegetables, Fudge, Fruit Juice, Cider, Fruit Liqueurs, Plants and a wide variety of Crafts.

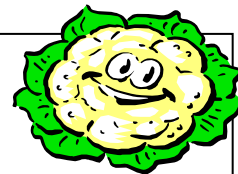

More help is required for the clearing up after the market please, on a rota basis. Could you spare just ½ an hour once a month from 12.30 to 1 p.m? Maybe you've just retired and want something to do, or are new to the village and want to get involved?

If you are interested, please contact Cherry 255114 or Jenny 245399 / 07796 432445 to discuss what is involved.

Please note: The products for sale are produced (in the majority of cases) by the stallholder, in Kent, unless clearly marked otherwise.

We should point out that we ensure our producers hold the relevant certificates i.e. a public liability insurance and, where necessary, health and hygiene certificate and kitchen registration documents.

We have business cards and posters for the market, if you could hand out to friends & family, your local club/pub/restaurant etc, please we would be very grateful.

Do you

1. Need an extra telephone point in your house?
2. Need to relocate your existing telephone points to a more convenient place?

Could you be paying less for your energy? No time to shop around to compare prices? Let us do the hard work for you. Join Energy Deal (your local collective switching scheme) – a straightforward, no obligation way to see if you can get a better energy deal and benefit from lower energy costs.

Registration requires the following information which can be found on your annual energy statement or energy bill:-

- the name of your current supplier
- the name of your current energy tariff
- annual energy consumption in kWhs
- how you pay for your energy

For more information and to register go to www.dover.gov.uk, or call 01304 872428 (leave your contact details to receive a callback)

Register with Energy Deal between 14 April 2015 and 18 May 2015

Energy suppliers will compete to offer you the best energy deal on 19 May 2015

You receive a personalised offer showing if and how much you could save from 29 May 2015

You decide if you want to switch and we will help you through the process

Could you be that Samaritan?

Most people face difficult times in their lives. Times when they feel very low or when their troubles seem overwhelming, times of complete despair. Times when the future looks hopeless and there seems to be no one to turn to. But they can turn to Samaritans, open 24 hours a day, every single day of the year. If you ring them you will not be judged. Samaritans is not an advice line, it is there to help you by being a confidential, listening voice.

*All you need to do is call and a Samaritan will listen.

Could you be that Samaritan?

If you feel you could please contact Canterbury & District Samaritans by email at the.samaritans@btconnect.com for more details.

CANCER RESEARCH JUMBLE SALE

The organisers would like to give a big thank you to all the villagers who either, gave jumble, attended, or bought raffle tickets at the recent jumble sale at the Village Hall, in aid of The Royal Marsden Hospital Cancer Research Fund. Once again we had marvellous support from everyone, and managed to raise £929.43p, which has been sent off to this worthy cause. Who, after all, has not either had a friend, relative, or perhaps even themselves, suffer the trauma of a brush with this awful disease? It's great that we get such brilliant support from so many of you, and to see people queuing out to the road is amazing. So many people go out of their way to make it a success, that it is impossible to thank them individually, they know who they are, and perhaps they will accept this as their public thank you. We would now like to call upon you all to start putting anything you think we may be able to sell to one side for our next Jumble Sale on 10th. October 2015. Don't worry; we will remind you nearer the time about who to contact, or where to take it. Best wishes to you all and thank you once again for your continued support. **The Organisers.**

Capel Active Retirement Association - Sally Solly (Secretary).

Thank you to all our members who were able to support our last meeting where Ray Solly gave a very enlightening, enthusiastic and knowledgeable talk on X and Y stations, X being Bletchley Park and Y standing for the many receiving stations around the UK during WW2, highlighting our very own busy Y station along the cliff top towards Dover. Ray's expertise on the subject, with visual presentation, informed us of the huge contribution they made towards winning the war for freedom; also the importance that Winston Churchill, as the then Prime Minister (Ray's hero) promoted the work, employing eccentric characters with brilliant minds who worked on the decoding machines, cracking codes from the enemy's frontline and helping our military forces to stay one step ahead in many of the area battles. Thank you Ray very much. We will have enjoyed another pub lunch together, this time at the Lighthouse, and hope that many of us would like to continue these in the future. We have our ANNUAL GENERAL MEETING on Tuesday 5th May and hope that all members will be able to attend to discuss the group's business and future....See you there!
