From the Vicarage

One morning recently the telephone rang early. A couple of teachers at one of the schools I work at had rung in to say that they were sick. Could I work in school that day? That morning I discovered that the place had been infested with a cold bug, which was why they had called me in. Needless to say, a couple of days later I awoke with a tell-tale tickle at the back of my throat. This turned out to be no ordinary sniffle, but the full works. I had a list of jobs to do, and I soon found myself fretting about all the things I would have been doing if I hadn't been sitting around nursing a heavy cold. It actually seemed strange not to be rushing off and doing this and that. But then, checking my emails, I found one from another parish priest. It ended, "I hope you're not too busy."

Priests are supposed to pray – it's one of the things we have to promise to do. Discussing that with my friend a while ago made me realise that there are some days when, by spending the day in a school and the evening in a meeting, my prayers get neglected – too busy, as he pointed out, to keep my promises.

Rabbi Lionel Blue once suggested that prayer is like a cigarette – it allows you to pause, but without the health risks. In a strange way having a heavy cold, I've been reminded, has a similar effect. Not only has it made me pause, but it has also taught me how easily being busy becomes a habit – and not necessarily a good one. Whatever you're doing this month, I hope that you avoid the bugs – and that you're not *too* busy... *Brian*

An apology to hirers.....

Just as soon as we sort out one problem another rears its head. Not long ago we were forced to ‘modernise’ the strip lights in the main hall so it would be possible to get the spare parts.
The industry has foiled us! The internal fittings have been ‘updated’. To replace parts the whole light has to come down and be internally rewired to make the replacement parts fit. It is easier and (taking account of time) cheaper to replace the lights.

So.....To ensure a speedy resolution, two will be replaced immediately. Since replacing parts has become a major exercise, we are investigating alternative lighting, looking for bright lights for the sports activities and some more subdued lighting for social events. Without knowing the options and costs we can’t promise it can be done, but we are seeking expert advice.

The good news

The sockets have been repaired – thank you to the persistent Trustee, and the floor should have been repaired over half term. A big thank you to the hirers who forwent their badminton to make way for the repair team.

The bad news

The fan is now an ex-fan! Apparently it is the wrong sort in the wrong place. We’re researching the options, but in the meantime it has been disconnected.

A plea

to
hirers:

Twice now complaints have been passed to the committee. When supposedly clean mugs have been taken out of the cupboard they have had tea/coffee slops in them. We suspect that the mugs are stacked preparatory to washing up but because the top one appears clean, the ‘tower’ is put away. Could you please check the mugs are all clean before putting them away!

Are you eligible for the flu jab?

Protecting yourself against the flu has never been easier for the vulnerable, those people at risk, the young children, older people and pregnant women.

Children aged two to four years old, alongside people aged 65 or older, plus those with long term medical conditions not forgetting mums to be are amongst the priority to receive the vaccine.

These groups are more susceptible; flu can increase the risk of developing more serious illnesses such as bronchitis and pneumonia, or can make existing health problems worse. In the worst cases seasonal flu could result in a stay in hospital, or though very scarce, could even prove to be fatal.

Young girls and boys can receive the vaccine as a nasal spray, instead of a jab. Having one can make a great difference. If you are being offered the opportunity to protect your children, then you should take it, it is not just important for them, but for the rest of the community too, as you are stopping the spread of the infection.

However, there are some misunderstandings and misconceptions about the vaccine so that some people do not feel confident to come forward and get themselves the best defence against the flu this winter.

So here are some myth busting examples.

You get the flu by having the vaccine!

It is impossible to get flu from having the flu jab. This is because the vaccine does not contain any live viruses. A very small number of people experience side effects, that are similar to those of flu, such as aching muscles, but this is actually your immune system responding to what it thinks is an attack of flu.

You won't get the flu if you are healthy!

Anyone can pick up the flu virus, even if you are generally in good health. Usually 15-20% of the population gets the flu each year and it is possible to pass it to those who are vulnerable, as mentioned at the beginning of this article, the very young, those over 65, those with long term medical conditions, such as cardiac or pulmonary problems, cancer etc and pregnant mums to be.

The flu vaccine is not safe!

The seasonal flu vaccine is one of the safest vaccines in the world and is given to millions of people in the UK each year. The specific strains of flu that are included may change from one year to the next, but that does not affect the safety of the vaccine or change it in any way.

If you are still not convinced after reading this article, then have a look at www.kent.gov.uk/Health, or have a word one of the surgery nurses. Oh yes, that's another myth, they don't bite! (It is rumoured)!

Capel Active Retirement Association - Sally Solly (Secretary).

Thank you to everyone who supported our speaker at the last meeting. We didn't know exactly what he was going to talk about or demonstrate under the topic of 'Creative Gardening'. However, we soon realised that Ian Hulf's expertise was in providing supports for a whole host of different plants - bushy, tall, climbing, trailing ones, using parts of drainpipes and 'Roundalls' to bend into shapes of all sizes around which the plants would grow. Also small clips to attach plant pots to trees! As he spoke, we watched him twisting and turning strong plastic tubing, entranced by what he was producing next! A very informative and inspiring talk was enjoyed by all. His on-line company is called Plant support products if anyone wants to know more of what he provides. Our next meeting on 4th November is entitled 'Rivers - Windmills - Canals' (see separate poster). The group of us who visited Newnham Court Shopping Village of Maidstone, starting with an excellent lunch at the Inn, had a good day out with a look around Notcutts Garden Centre prior to a talk from a member of staff about 'Spring bulbs'. With a very hesitant staff speaker, beginning her talk half an hour later than advertised, and rather expensive prices for plants and bulbs, we were ready to return home before the rush hour traffic (which we managed!) Well done to the two teams representing CapelARA at the Area Quiz challenge in Ashford on the 16th October. One of our teams came 3rd - so congratulations! We have another Pub Lunch organised for Thursday 13th November at The Plough in Hougham (along the B2011 bus route No 101) at 12.00 for 12.30 meal, costing £10 for two courses. Please contact Adrian on 250392 if you would like to join us. Also looking ahead to December, we are planning a 'Cheese and Wine' party, so members, friends and families, please watch this space.

CAPEL-LE-FERNE BOWLING CLUB

Jenny Carter 01303 250928
Barry Mansfield 01303 257157
Ros Chandler 01303 255862

Well summer has gone and the outdoor bowlers are all back in the fold. Club competitions are well under way with most of the first rounds played. We sent a team to play in the Dorothy Epps cup at Arca Bowl's club; they won all their rounds but were knocked out in the semi-finals. The first league match of the season went very well with Capel gaining 8 points out of a possible 12. Last year's league players went to Pau's restaurant for a celebration meal and to try out the venue for next year's presentation dinner, sadly to say the service was slow and the food was of a poor standard so I don't think we will be going there again. The next big internal club match is the Boys V the Girls, Sunday 16th November, Naturally the boys won last year and I have every confidence we can do it again, we are so confident that if we lose we will do the washing up on the day. Another date for your diary the annual Booze and Bowls meeting on Tuesday the 23rd December you bring the nibbles the club supplies the drinks.

I would like to remind players of the dress code, White tops with grey trousers or skirts and flat shoes that have not been worn outside. Cream tops or jogging suit bottoms are not permitted. As a courtesy to other players, especially when a match is taking place, would members turn their phones to silent or off please.

CAPEL EVENING WI

What is the connection between Sainsbury's and the swans? Or, Sainsbury's and Port Lympne? Rather than a formal talk, the WI ladies enjoyed a question and answer session with Mary and Emma from the Park Farm branch. With great good humour they answered a host of questions – are dairy farmers given a fair deal, why is the nutritional information written on the bottom of packages? What are customers really like? Those which they couldn't answer were taken back to the store, as were ideas on how to improve our shopping experiences. Refreshments were served with mince pies (courtesy of Mary and Emma – or more accurately – their employer) and a variety of specialist cheeses. The tins of chocolate were secreted away to be enjoyed at the Christmas meeting.

The business was quickly dealt with and thoughts turned to planning various events during December, which this year appears to be busier than usual. Still it keeps us young at heart. First on the programme is our Christmas Lunch – where most of us will be off to St Margaret's for Turkey and trimmings (alternatives available). One week later is the group carol singing in St Radigund's Church followed the next day by our December meeting. Members approved plans for a social evening and agreed to invite guests. If you are a lady in the village who would like to join us for the evening contact Jayne and we'll make the necessary arrangements (i.e. make sure there is something for you to eat and drink).

The WI will be celebrating its centenary next year and as part of the celebrations a baton is travelling around the country using various methods of transport. It started in Anglesey in June and is due to finish at the Royal Albert Hall on 2nd June. During its journey the baton will be travelling from West Kent to East Sussex via East Kent, with a staging post in Capel in – you guessed it - December. As well as the Federation Chairman and other dignitaries members of the any WIs around Folkestone/Dover will be joining us for coffee and cupcakes.

The final December event is helping in the kitchen and carol singing (some members may be disguised by Santa hats) at the festive Farmers' Market, which we hope you'll support. Final arrangements for the November meeting – our annual meeting – were made. This is our most formal meeting of the year – electing a new committee and reporting on the past year. It's not all serious though – there is a surprise speaker – complete with 'prop' as well as the annual Helen Stephenson Quiz, fiendishly devised by Jerry Spillett and with the beautiful trophy awarded to the winner.

So as you can imagine the October meeting was hectic. Despite that we still had plenty of time to talk and catch up with what's happening to members. The quick quiz for members' time was to decipher a few dingbats relating to food and drink. Raffle and goodbyes and we all went our various ways until the next WI activity – Home Economics on the Wednesday. The committee had arranged tile painting, which kept members occupied for the afternoon. Darts in the evening, Craft on Thursday, knitting club on Monday, Scrabble on Tuesday, Book club on Wednesday and lunch club fitted in around our social diaries. Thank goodness they are not all every week – there'd be no time for anything else.

We try to be welcoming and if anyone would like to 'try before you buy' you'd be very welcome to join us for an evening or two to see whether or not it would suit you. Just ring Jayne 01303 211480 and we'll arrange someone to 'host' you for the evening or turn up on the first Tuesday of the month at 7.30pm in the village hall. Before we sign off some answers – the connection between Sainsbury's and the swans? Out of date bread and cakes go to the swan man to feed the birds. Sainsbury's and Port Lympne? Unsellable meat products go to Port Lympne. It used to be from Park Farm, but now the Hythe branch sends their 'reject' meat there. But if you know an animal charity which needs meat for their patients it may be worth contacting the Park Farm branch.

FARMERS MARKET NEWS - Now in our 12th Year

FARMERS MARKET NEWS**

We are sorry to have lost some of our stalls recently, due to lack of sales. We would urge you please, to support our stallholders otherwise we will lose more and we don't want the market to close – as so would the community coffee morning. Farmers Markets help to promote local produce, which provides better quality, flavour and freshness, and supports our local producers rather than the large supermarkets. Price comparisons have been carried out and our prices are on a par with the supermarkets too. All our products are produced by the stallholder, (talk to them to find out about their products and how they were produced), or supplied by a local producer, sold on their behalf, and is CLEARLY marked accordingly. A couple of comments have been received recently as to fresh food being covered and also that products are not priced. These comments have been passed onto the stallholders and are being rectified.

The Taste of Kent Awards Voting is now in full swing, and we would ask you please to vote for us in the Best Farmers Market Category, we won in 2004; it would be great to win again! This would also give a boost to the market as more stalls might decide to join us! Please vote online at www.tastofkentawards.co.uk or by filling in the form at the market. We have recently tried a new layout of the stalls, and would appreciate your feedback on it. The Weekly Draw was also put in place to encourage spending with the winning vouchers!

Sadly we are still short of stalls, and we are searching for more to join us. As you know, we have all the basics provided, but it is also nice to have a few for those extra special 'treats' and to fill the hall. If you have any requests, please let us know, and we will endeavour to find them, although we cannot make any promises! We are pleased that Sandgate Bakery are now slowly getting back to normal, which is great news. During their problems, we would like to thank Cottage Loaf for standing in for them. The Flapjack Company are away at the present time, but will be returning late October. Due to lack of sales we have now lost Beth's Mogador, which is such a shame as she is very local, living in Capel! We have also lost Butterbox Fudge, again due to lack of sales, but we do have a new Fudge stall joining us – Meander – who live in Capel, so again very local, we do hope you will support them.

Due to personal circumstances Jenny has decided to stand back a little from the organising of the Farmers Market after nearly 12 years. She will still be 'on board', but this, unfortunately, puts pressure on Cherry. Julie and Maggie have kindly offered to assist by adding their names to our great list of volunteers, covering holidays, sickness etc, but not actually run the market behind the scenes. This still leaves us short of someone to actually take over the running of the market – can you help? Without someone to actually do this, there is a good probability that the market will close. This will be a terrible tragedy as not only will the community suffer, but the Village Hall funds will too. Maybe you are new to the village and would like to get involved? Do you have organisational skills? If interested, please contact Jenny to find out what is involved.

The Craft Hall is building up, with a great selection of local crafts on offer. James is also on hand for those Passport/Driving Licence/Bus Pass/Portrait Photos or even bookings for parties/weddings etc. He will even print your own photos for you! Our 'Postal Service' (run by volunteers), is also alongside the Crafts, we also offer a photocopying service for just 10p per copy. Plus we have had a local Author selling his book and signing them – 'Dead Men Lie' is the title, and is doing very well in the Amazon ratings! Highview School have done well so far, making Crafts etc as part of their curriculum, and learning business skills. PLUS – Quiz sheets are available and lots of books and puzzles for just a donation!

Please also be aware, that the village Community Warden and/or our PCSO are usually on hand at the market to answer any questions. Also the KCC Mobile Library attends just outside the car park, at 12 Noon every week. So, as you can see, we are more than just a Farmers Market but a real Community based project! We now have the following products on sale:- Fish, Meat, Eggs, Preserves, Jams, Honey & Pickles, Delicatessen, Olives, Smoked Fish & Cheese, Spicy Indian Products, Bread, Cakes, Flapjacks, Pastries, Vegetables, Fruit, Fudge, Fruit Liqueurs, Plants and a wide variety of Crafts.

Our WEEKLY DRAW is proving popular too with some customers winning more than once, who have been able to buy that special treat with their vouchers! No profit is being made; all money raised from the Draw goes back into prize vouchers.

The prizes each week vary depending on how many take part for just 50p a go.

The winners' names are always on the board in the hallway.

Please Note:-

The Market Opens at 10 a.m. For your own Safety,
and before an accident happens, we request this time be recognized due to heavy boxes etc being delivered during setting up. We are sorry for any inconvenience, and we thank you for your co-operation.

AN APPEAL - More help is required for the clearing up after the market please, on a rota basis.

Could you spare just ½ an hour once a month from 12.30 to 1 p.m? Maybe you've just retired and want something to do, or are new to the village and want to get involved?

If you are interested, please contact Cherry 255114 or Jenny 245399 to discuss.

Please note: The products for sale are produced (in the majority of cases) by the stallholder, in Kent, unless clearly marked otherwise. We should point out that we ensure our producers hold the relevant certificates i.e. a public liability insurance and, where necessary, health and hygiene certificate and kitchen registration documents.

We have business cards and posters for the market, if you could hand out to friends & family, your local club/pub/restaurant etc, please we would be very grateful.

Kent County Council Community Warden Service – Public Consultation

The consultation will run to 9th November 2014. How to get involved and have your say!

Kent County Council is undertaking a series of service reviews across all departments, including the Community Warden Service, in order to address the challenge of saving £330 million over the next three years. Among several options being discussed and considered is a reduction in the number of community wardens, managers and support staff in the service. This would be accompanied by a reorganisation which would result in continuing warden support for communities in different ways, with the possibility of reaching and serving more residents. The consultation is available in several formats and also

available on www.kent.gov.uk/communitywardenconsultation.

We want to hear what you think of this proposal.

Please let us know by completing the [online questionnaire](#).

Please find below a link to KCC Budget Consultation

Help make the most of Kent's money. Your views count!

Budgets are being planned for the next three years and it is estimated that there is a need to find £206m of savings. This is your opportunity to have your say about how we make these savings. Please go to

www.kent.gov.uk/about-the-council/have-your-say/budget-consultation

The consultation closes on 28 November 2014.

UNLOCK YOUR POTENTIAL AND STAND AS A DISTRICT COUNCILLOR

The next District Council elections will be held on 7 May 2015 when 45 district council seats will be contested.

Councillors are elected by local residents to represent them in making decisions about how the district is governed and how the Council should carry out its various activities. They represent the public interest of the district as a whole as well as that of individuals living within the ward to which they were elected.

If you would like to **discover your potential** and are up for the challenge, come along to our **Prospective Councillor Evening** and learn more about what the Council does and what life as a Councillor is really like.

You don't need to be a member of any Political Party – but you do need a genuine interest in what happens in the Dover District.

Councillors come from all walks of life, age groups and backgrounds, so don't rule yourself out just because you think you don't fit the usual Councillor 'mould'.

To book your place and obtain an information pack on our **Prospective Councillor Evening at the Council Offices at Whitfield on Thursday 6 November 2014 from 6pm to 8.30pm**, please phone 01304 872303/4/5 or email democraticservices@dover.gov.uk

Handmade wooden items – locally produced, you're sure to see something perfect for the hard to buy for.

Decorated glassware and stained glass ornaments to brighten up any home or bring that stylish 'je ne sais pas' to your table. Buy for yourself or as a gift – stock up now for birthdays as well as thinking of Christmas.

Traditional needlework is back in fashion – we have a wide range of knitwear, crochet, patchwork and cross stitch items; some to wear, some to decorate the house.

And of course there are the refreshments and the tombola, so there is plenty for all the family.
