From the Vicarage

With shorter and colder days November arrives, bringing with it first All Saints Day and then Remembrance Sunday – both occasions when we remember those who are no longer with us. In church, the Bible readings begin to focus our attention on our eternal home. November follows October, when I have a birthday. This year I've had a Big Birthday, and my eternal home feels nearer than usual. Now that I no longer pay prescription charges the NHS has taken a greater than usual interest in my well-being, which is how I found myself at the doctor's surgery seeing the practice nurse. She promptly urged me to give up ice cream, cakes, and just about everything else that I enjoy and take more exercise if I wanted to do more to avoid going to my eternal home too soon.

So I bought a bicycle. I had one years ago, but hadn't been on one in years. The purchase made, after a few circuits of the Vicarage lawn I was ready for the road. I set off, savouring the benefits of fresh air and exercise as I went. Arriving back, I found myself torn between making a cup of tea and giving myself the last rites. The trip had proved Nurse's point.

Five centuries ago, St Teresa of Avila wrote a terrific prayer about Jesus having no body now on earth but ours, and about how he uses our hands to bless now and our feet to go about doing good. So unless we look after our bodies, Jesus doesn't get very far.

Well, so far he's made it to West Hougham and back - so I'm improving. Will it make a difference to when I go to my eternal home? Maybe, if I can avoid the potholes... *Brian*

Capel Church Hall Fund-Programme for 2015

The biggest event this year for the Capel Church Hall Fund will be on Friday 13th of November at 7.30pm in St Radigunds Church, Albany Road, Capel (doors open at 7pm) when The Colrose 7 will perform their unique blend of popular music and Jazz and fun. They are all professional local musicians and are the first choice to provide The Christmas gig at Folkestone Jazz Club. They really are very good. We will be making a donation of £100 from the takings to The Motor Neurone Disease Association and I am sure that anyone who attended the concert that The Colrose 7 gave at The United Reformed Church in Folkestone last March for The MND when the church was packed with a capacity audience of around 280 will want to hear them again. For those who have not yet heard them give yourselves a treat and come along. It will only cost you £10 which includes a cup of tea or coffee and a biscuit. Tickets are available from John Oliver phone 01303 251403. It is advisable to buy or reserve your tickets in advance rather than hope there will be tickets available on the night. You can though reserve and pay on the night if you prefer.

Please phone me or e mail to register interest and be assured of tickets, John Oliver, Chairman Capel Church Hall Fund

Phone 01303 251403. E mail: johne.oliver22@gmail.com

If you are planning a party or social event why not consider approaching Audrey Goaten, our Letting Secretary on 01303 244735 to make a booking for a regular slot or just a one off event.

CONTINUOUS EVENTS

Books & jigsaws - A wide variety of books are available there are 'honesty boxes' for your donations. These are on trollies in the corridor.

Thanks to all who have donated to this cause.

Quiz Sheets: Available (£1 per sheet) at the Farmers Market or from Cherry Leppard, 29 Albany Road, first prize £25.

The answers are placed in the Grapevine and on the Website.

The website is now operational – if you have events or activities you would like to advertise please contact Sally Cook on eures1994@yahoo.com.

We don't charge village organisations for this.

New Year's Eve Dance

We are having Chicory Tip again for New Year's Eve at the Village Hall. Because there were really too many at last years I want to give Capel residents first choice, if you couldn't make it as soon as possible. I know the hall has a large following and will want to come. We are restricting numbers to 150. Price is probably staying the same at £12.50 but haven't finalised that yet.

Hopefully two charities will benefit.

BREAKING NEWS

We are delighted to announce that, as of 1st November, the new secretary is Sue Leaning. She can be contacted by email sueleaning@yahoo.co.uk or by phone on 01303 256704. Sue has often deputised for Joan in the past so some hirers will have already met her. Sue and Joan have been working closely over the last month to ensure a smooth transition and in the unlikely event there is a glitch we would ask for your understanding.

Joan says she will miss everyone she had dealt with over the 17 years she has been in post and would like to thank those concerned for the 'retirement' gifts – they are much appreciated. Who knows, she may even deputise for Sue.

If you plan to have your party at home tables and chairs can be hired from the hall. £2 or 50p respectively. Contact Jayne on 01303 211480. Arrangements for collection and return of tables /chairs for the Christmas period will appear in next month's Grapevine or ring Jayne. No need to order in advance but contact Jayne or Cherry if there are any queries.

Diary dates are: ≥ Craft Fair 14th November (open 10.00 -2.00). ≥ Annual General Meeting 23rd November (7.00 pm)
SOLD OUT  Chicory Tip - News Year Eve  SOLD OUT

The whole hall was built entirely from funds raised by local residents and as such belongs to the community. The committee run it on their behalf in accordance with Charity Commission rules. This year's Annual General Meeting will be held on 23rd November. This is open to all Capel residents and allows them to hear reports on achievements and finances plus residents may ask questions of the committee. If you would like get involved and want to know what's involved, please contact the Secretary, Chairman or Vice Chair. Numbers at the back of Grapevine. If you would like to nominate someone to join the committee, or get involved yourself then nominations should be sent to Sally Cook at 10 Capel St CT18 7JP. Seeing how well the hall is used makes it a very rewarding occupation and it's a great way of meeting people.

.....
New chairs should now be available in the small hall. They cost more than we would usually pay but are much more comfortable, particularly for meetings. They are not suitable for craft events where glue and or glitter is used – please use the old plastic chairs for anything like that.
.....

THANK YOU TO HALL USERS OF THE NEED TO KEEP NOISE WITHIN REASONABLE LIMITS, ESPECIALLY WHEN THE DOORS AND WINDOWS. We are grateful that hirers are considering neighbours. If the volume is raised then doors and windows should be kept shut. Music should stop at 11.30. (Unless a successful application for an extension has been made.)
REMEMBER THE HALL IS WELL USED BY MANY RESIDENTS AND IF WE LOSE THE LICENCES THE IMPACT WILL BE FELT BY ALL THE ORGANISATIONS MEMBERS.
.....

Capel has an active community and the village hall is well used, whether by the Brownies, Car Club or Gardeners' Club. There is something for all ages and tastes and there is availability for private hire. Details of hiring for the current and next months are in the hall. If you are new to the village or recently retired there are lots of opportunities to get involved either on a social basis or to join some of the committees. Most organisations are happy for you to attend taster session to see if the activities suit you. Details are in the hall or in Grapevine. * There is some capacity for private hiring, so if you would like to organise a party come and have a look round. There are two halls, which can be hired separately or together. The main hall has plenty of tables and chairs and there is still space for dancing or running round. A professional PA system means you can hear the music or speaker if you have one – we are happy to show people how to use it, in fact we'd rather give a demonstration that have someone find out by trial and error how it works – or doesn't. Problems have been reported when microphones are not switched off after use. Trustees are therefore suggesting that the batteries are removed when not in use and hirers bring batteries for their event. This will ensure that the microphone will last the duration of your event. There is a stage with curtains – you could use this for the disco, band, speaker or you could put some chairs there so adults can sit and watch the children run around on the main floor. For AV events there is an electrically driven projection screen, whilst for that very special party there is a net to release balloons. The small hall is perfect for more intimate groups or meetings, or can be used as the chill out space or food/drink service area. Both halls have use of the kitchen – including instant boiling water (capacity up to 100 cups in 15 minutes) and plenty of china, mugs and cups. A separate hand washing sink complies with Food Hygiene Regulations. The electrically operated shutter allows you to close the kitchen off so your guests can party on while the washer uppers tidy up. Hire either or both halls, depending on how much space you need. Licenced for most things (except hypnosis and boxing) including sale of alcohol, PRS, raffles. If you would like to start a new club or activity then talk to the letting secretary about when a regular booking can be made.

*** 100+ Club: £12 per year your number is placed in a draw, every month for 1st Prize £25, 2nd £15, 3rd £5 These DOUBLE in December! The draw will take place at the Committee Meeting on the 1st Tuesday of each month. You need to be in it to win it.**

CANCER RESEARCH JUMBLE SALE

The organisers would like to give a big thank you to all the villagers who either gave jumble, attended, or bought raffle tickets at the recent jumble sale at the village hall, in aid of The Royal Marsden Hospital cancer research fund.

Once again we had marvellous support from everyone, and managed to raise £1,398.77p - the most we have ever raised in one sale, which has been sent off to this worthy cause. Who, after all, has not either had a friend, relative, or perhaps even themselves suffer the trauma of a brush with this awful disease?

We are always amazed how the good people of Capel continue to support this event (now in its 36th year!), we even have regular returning customers from as far away as the Isle of Sheppey! So many people go out of their way to make it a success that it is impossible to thank them individually, they know who they are, and perhaps they will accept this as their public thank you.

We would now like to call upon you all to start putting anything you think we may be able to sell to one side for our next jumble sale on 9th April next year. Don't worry, we will remind you nearer the time about who to contact or where to take it.

Best wishes for Christmas and thank you once again for your continued support. The Organisers.

Capel-le-Ferne Bowling Club

Busy, Busy, Busy,

that's how to describe the bowls club this summer.

Our new Handicap competition worked well and encouraged more players to join in. It was finally won by an old hand at the game Ros Chandler. We also had a team in the summer league and for most players this was their first try at competitive playing, next year they hope to do better. Skittles was our next adventure at the Red Lion, Dover. 12 players took part and was arranged as Boy's v Girls. The girl's team was made up of Elaine, Carole, Pat, Wendy, Rachel and Jenny. The boys were Dave, Roger, Brian, Malcolm, Mark and John. The girls just beat the boys with 132 points to 102. Well done the girls.

The next big event was the Cliff Watts Memorial Trophy, with over 20 teams competing from all over Kent.

All our club members pulled together to make this the highlight of our calendar. A little embarrassing though a Capel team that won the day, consisting of Ros Chandler, Rachel Chandler and Barry Mansfield. We had two other teams consisting of Elaine Wells, Brian Wilson and Mark Turner. Wendy Leeming, Sylvia Ovenden and Barrie Pape. We made a profit on the day of £356.21 of which we donated £180 to The East Kent Hospice. The bowls club committee would like to say a big thank you to all our members who helped to make this a wonderful day and all those who came to support us. A special thanks to Malcolm Bailey for keeping the scores, timing and umpiring. Also Wendy Leeming for all her work organising the teams from other clubs. Well done everybody.

Our usual 'reporter' was sunning herself in the Mediterranean when we had our October meeting so it has fallen to her delegate to share our news this month. We were delighted to welcome 2 more visitors to the meeting which began with a presentation by Geoff Turner. The title - The Place to Spend a Happy Day - gave no insight into what would follow.

Intrigued we settled down in the new hall chairs (very comfortable thank you village hall committee) and the wonders of computer wizardry took us to Rosherville Gardens which were near Gravesend. In their heyday they were one of the largest and most popular Victorian Pleasure Gardens visited by Londoners who travelled down by steamboat. Begun in the late 1800s they were built originally as gardens in an old chalk pit but with the passage of time (and to make them financially viable) more entertainment was provided.

The gardens must have been quite a place to visit with a bear pit, lake, statues and much you would associate with large gardens. Later entertainment included dancing (there was a dance instructor), a tightrope walker, fireworks and hot air balloons. The introduction to all this was illustrated by Victorian postcards before progressing to talk about the stage performers. None of our members were old enough to remember actual performances but had heard of the acts.

The magic of computerisation brought Harry Relph (aka Little Tich) dancing across the stage in shoes almost as long as he was tall 4foot 6 inches. The room burst into song as this was followed by Florrie Forde the original singalong artist with she's only a Lassie from Lancashire, has anybody seen Kelly and down at the old Bull and Bush (both viewable on You Tube). There were fleeting pictures of Marie Lloyd herself but the singing of my old man said follow the van. Performances may have been before any of us were born but in the pre television era singing was a big part of life. All good sing a longs for some of the more mature members but completely mysterious to our younger ones. As a member who may have not known the songs Nikki gave the vote of thanks, commenting on the tunefulness of the assembled company. Well, we do try to cover a range of topics and cater to a variety of tastes.

The agenda was "topsy-turvy" and as soon as the speaker finished we had the competition - a poem which makes me happy - with entries read by members. I said read but in fact some were recited - Lyn with one written when she was at school and Sheila with a family favourite. Some were clever - reading from top to bottom the poem was mired in misery but reverse the order and it was full of hope. The winner was Jan with 'What Teachers Were in Bed' by Brian Moses.

Business took up longer than usual - there was much to organise and decision to make - which entry for the Christmas Tree Competition, would we sing that the Christmas Farmers' Market - yes (if we're invited!) which outing would members like next year, what to offer at the Craft Fair this month - the list is endless. We did find time to prepare for November - nominations for the committee and the Achiever's Cup were sought.

The National Federation of Women's Institutes describes the Annual Meeting as the most important meeting of the year when members survey the past and plan for the future. If well run it can be enjoyable and stimulating. As well as the reports there will be entertainment provided by some of the drama group and then the Helen Stephenson Quiz when quizmaster Jerry Spillett sorts out which of us will take home the trophy presented in her memory by Helen's family. Non-members are welcome to join in, so if you'd like to find out if the WI is of any interest come and meet us. Numbers are at the back of Grapevine, or join us at the Farmers' Market tea table - we're the group chatting away over coffee - or occasionally behind the kitchen counter.

If you'd like to join us in December please book.

The WI has planted 100s of bulbs in the grass verges along the B2011. Some are to remember past members Audrey, Elsie and Julie, others are to celebrate the Centenary of the WI.

We hope you will enjoy them for many years to come, but would ask that you avoid parking on the verges.

Many thanks in advance for your help.

I am not very keen on this weather always cold and mostly wet. We have been busy trying to get some new tables at the market and we have a lady in the craft hall who makes things like doggy coats (no need for the canines to go cold either), and some really interesting tea cosies I particularly like the one with the robin on top) she also makes lots of other things, too. Pop into the craft room and have a look.

Ruby's kitchen is a very popular area for a cup of tea or coffee and a toasted teacake. You can sit and chat and watch the world go by.

Barbara's cakes are going well and she is currently taking orders for Christmas cakes. She can make a gluten free choice for those of you who have intolerances.

We are hoping to get a table selling seasonal jams and pickles shortly, too.

James is usually in the craft room too, with his photographic equipment ready to take lovely pictures of you and your family, or passport photos (don't smile).

There are several other ladies in the craft room selling various handmade items for babies and children. Handmade greetings cards and if you have your young grandchildren coming for Christmas there are now placemats available these can be personalised with the child's name Also in the craft room is the postal service where you can buy stamps, post letters and parcels and most of the other services offered by the main post offices.

Julie organises a weekly draw where for 50p you can win vouchers which can be spent at any of the tables in the market. Good luck with that, if you win your name will be on a board where you come into the market. Our own (Lady) Cherry and Jenny are usually on hand to greet you when you arrive and if you have any questions they will be able to answer them. Also in the entrance hall are jigsaw puzzles and books which you are able to 'borrow' for a small donation. If you are a member the Kent County Library parks outside from 12 noon and you are able to borrow return and renew your library books there, rather than trek down to the main library in the town.

There is a photocopying service, and why not have a go at the monthly quiz? Sheets are available from Cherry and the winner will receive £25.

Also the village Community Warden and/or our PSO are usually on hand at the market to answer any questions you may have. Please note: The products for sale are normally produced by the stallholder, locally, unless clearly marked and we ensure our producers hold the relevant certificates including public liability insurances and, where necessary, health and hygiene certificate and kitchen registration documents.

I don't know everything but if you have any questions please come and find me in the craft room every Tuesday between 10 and 12.30 and I will try my best to answer them, or point you in the right direction of someone who can.

Keep warm and keep well, I hope to see you all every Tuesday. Lyn

NO ISSUE IN JANUARY

Street lighting – The deadline for all responses is Sunday, 29 November 2015. Kent residents and businesses are being asked for their views on options for street lighting across the county on whether they would prefer the current level of service provided by part-night lighting, or all-night lighting. Kent County Council has secured funding to convert the county's 118,000 street lights to Light Emitting Diode (LED) technology – which will mean annual savings of up to £5.2million for Kent's council taxpayers. The street lights will incorporate a Central Management System (CMS) that also provides flexibility by monitoring energy use, detecting faults, dimming lights and controlling the time that lights turn on and off. This is a 10-week consultation which will help inform a new street lighting policy.

Respond by visiting <http://consultations.kent.gov.uk/consult/ti/streetlighting/consultationHome> and completing the online consultation questionnaire. The consultation document and questionnaire are also available in Easy Read and Word formats on the website (above) or on request by e-mail alternativeformats@kent.gov.uk, or phone 03000 421553, or Text Relay: 18001 03000 421553 (this number is monitored during office hours and there is an answering machine at other times).

For any other formats people can also use the details above.

KCC Budget Consultation: Managing Kent's Money Responsibly

Kent County Council has launched a six week consultation campaign to explain the impending scale of the county council's budget challenge for next year.

THE KCC BUDGET 2016 - 2017

The council estimates it needs to make £80 million of savings for the 2016/17 budget. This comes on top of savings of £433 million already made over the last five years. The council are asking people how they want their money spent in the face of increasing demands for county council services at a time of reduced funding.

The savings are required largely because of two main factors:

- 2) £58 million of additional demands being placed on the council's budget, which include:
 - £31 million for the estimated impact of rising prices and excess demand next year.
 - £12 million of one-off funding from reserves and underspends which supports the current year's budget and can't be repeated.
 - £4 million investment in invest to save initiatives
- 2) The council is expecting a reduction in government funding of £33 million. As part of the campaign KCC is consulting with residents whether they would accept a small proposed increase to the council tax up to the amount permitted without a referendum – currently 1.99%. KCC says a raise would contribute £11 million towards balancing the books. The consultation asks residents for their views on this proposed increase. The county council is launching the campaign ahead of government announcements of its spending plans for the next four years at the end of November.

Kent's response to the Syrian Refugee Crisis

The Syrian Vulnerable Persons Relocation Scheme was set up in 2014, in response to the current refugee crisis emanating from Syria. Under the scheme Syrian refugees who are particularly at risk are brought to the UK, direct from camps in the Middle East. They are given five years Humanitarian Leave to remain, which enables them to work, pay taxes and claim public funds. On 7th September, the Government announced an expansion to the scheme with a target to resettle 20,000 vulnerable refugees over the next five years. Local authority participation is key to the success of the scheme. Following the announcement of the expansion to the scheme, the issue was briefly discussed at a previous County Council meeting on the 17th September. It was acknowledged that local authorities would be expected to take the lead (on a voluntary basis) in the resettlement of the 20,000 refugees. Following discussions with Chief Executives, the County Council is working currently with District/Borough councils, Health and other key partners to agree a strategy regarding level of support to be offered. In response to the crisis there have been overwhelming offers to support refugees from members of the public, Community, voluntary organisations and businesses in Kent. Everything possible is being done to harness these offers in coordination with District and Borough Councils. Local Authorities wishing to take part in the Syrian scheme are able to state the profile of the refugees they are able to accept, both in general and in individual cases, depending upon level of need. The County Council is keen to support the scheme provided it does not add to the enormous burden it faces currently looking after the unprecedented numbers of unaccompanied asylum seeking children. Funding for the scheme is given partly upfront and partly as expenditure is incurred. This includes two months void costs to help secure accommodation and a one of allowance for health, education and if required specialist support. Initially funding for the scheme was only available for the first year, however since the 2nd October the Government will provide additional funding to assist with costs incurred in future years, though there is a possibility there may be some degree of unfunded costs in future years, which would then become a cost to the Council. It is interesting to note in relation to unaccompanied asylum seeking children, as at the 15th October 2015 only 8% have arrived from Syria, whereas 38% arrived from Eritrea and 17% from Afghanistan, 7% Sudanese and 6% Vietnamese. Due to extreme pressures on Kent's Children Services, severely exacerbated by the unprecedented numbers of unaccompanied asylum seekers children, Kent is unable to accommodate unaccompanied minors through the Syrian refugee scheme as it would be unable to meet their needs given the current circumstances.

Cyber Attack from Talk Talk, the phone and broadband provider. There is a risk that hackers could access servers stealing confidential personal data. There is a chance that the following information could be obtained:- Name/address, date of birth, email address, home/business address, telephone numbers, Talk Talk customer account information and bank or credit card details plus passwords. Be wary of any incoming emails or phone calls from Talk Talk. Should you receive a phone call claiming to be from Talk Talk wishing information or additional information, hang up immediately AND using another phone contact Talk Talk on their known numbers to verify their earlier call. It would be advised to change bank, email, shopping account and other passwords, not forgetting treat any credit/debit cards with their security code on the reverse as possibly having been compromised and consider having those changed too. Finally monitor all of your bank accounts for possible unusual or fraudulent Activity, which you should report to the bank immediately. **Cllr Geoffrey Lymer. Heavy Goods Vehicle drivers and freight operators are being reminded about road safety following an increase in reports of lorries parking on hard shoulders and slip roads of the **M20** for rest breaks. **Kent Police** and our partners have noticed an increase in the number of incidents where both British and foreign-registered lorries have been found using illegal, inappropriate and unsafe parking locations. Police Officers and Traffic Officers from **Highways England** have been working to move offending vehicles on when it is safe and appropriate to do so.

Parking on the hard shoulder is unlawful: Superintendent Ian Hall said 'Parking on the hard shoulders and slip roads of motorways is not only unlawful but mostly unsafe for both the lorry driver themselves and other road users and we have been regularly moving on vehicles with traffic officers from Highways England. 'When we speak to HGV drivers, we try to educate them about the dangers that parking at these locations pose to themselves and other motorists. If they fail to move on or we find repeat offenders, we do look at escalating the matter to a criminal offence where tickets are issued and/or lorries are immobilised. Haulage operators and drivers are expected find adequate, safe and appropriate places to park their vehicles when drivers require rest breaks'.

Multi-agency group: A multi-agency group that includes the Police, Highways England, Local Authorities and Transport groups has been set up. The aim of the group is to take action where possible and educate companies and drivers, or where necessary take enforcement action.

Plastic card fraud

'Card not present' transactions - This is when card details are used to buy goods or services over the phone, via the internet or by mail order. Contrary to popular belief, the internet is unlikely to be the source the problem. In fact, the internet is very safe to use if you take the right precautions. This fraud occurs when people obtain details of your account from statements and receipts and then use them to buy goods or services without your knowledge. Reduce the risk:

- protect items showing account details such as statements and receipts
- discard these items with care, ideally by shredding
- check your statements for unfamiliar transactions

When using the internet:

- use a secure system to make online payments, not one that has public access
- protect your PC with security software
- only buy goods from secure websites of companies you trust
