From the Vicarage

I was approached recently by someone who asked me: “*What is the Church doing about Muslims?*”

He went on: churches are closing, mosques replacing them; the Archbishop of Canterbury says nothing; look at what’s happening in the world; something should be done.

Taken aback at first, I pointed out that churches only usually close once they run out of money, that actually the Archbishop has had plenty to say, and that the minority responsible for the horrors that have made headlines recently are hardly representative of the 23% of the world’s population who belong to its second largest religion. As for what should be done, he couldn’t expect a vicar to go along with what he suggested. The Crusaders tried that centuries ago, and it did nobody any good.

I heard a powerful sermon from the Bishop of Jerusalem when I visited the Holy Land in July. As missiles fell on Gaza, he thundered: *Jesus clearly expects a harvest from his followers – peace, not war; love, not hatred.*

I would like to have told our friend that Jesus taught his followers to love their enemies and pray for those that hate them – and stuck with the idea even as he was nailed to the cross. Treat those who we think of as our enemies with love, and they stop being our enemies – that’s the logic. Perhaps not so easy when we are angry and anxious about what we read in the newspapers.

Peace, not war; love, not hatred. More people in our world should try it. *Brian*

Capel Church Hall Fund-Programme for 2014

The Snowdown Colliery Welfare Male Voice Choir made a triumphant return to St Radigunds Church, Albany Road on Saturday, 13th of September, following their sell out success here in 2012. We had almost another sell out performance and the varied programme which included songs from the shows and films was much appreciated by all. It was a most enjoyable evening.

On Friday 10th of October we have another return. This time it is for the 4th time when Days Gone By (Songs of the 60's) will be back with us again. We have had a capacity audience for them in previous years and this is a great opportunity to dance to 60's music but also to sing along to the old songs of Dreamboats and Petticoats. They were so popular before that we just had to have them back again so don't delay in contacting me to buy your tickets which will once again be just £7 which will include tea/coffee and biscuits.

You can register your interest to ensure tickets by phoning 01303 251403 or, e mailing me on johne.oliver22@gmail.com

(All evenings are on the 2nd Friday of the month with a £5 entrance fee unless otherwise stated)

October 10th – Days Gone By – Songs of the 60's Sing-a-long & Dance Admission £7

November 14th – Frank Conley presents Gilbert & Sullivan - The Great and the Good

CAPEL-LE-FERNE VILLAGE HALL MANAGEMENT COMMITTEE

Registered Charity Number 281.786 PROVIDING SERVICES TO OUR COMMUNITY

Committee Meetings are held at the Village Hall on the First Tuesday of every month at 7.30pm.

A REPRESENTATIVE FROM ALL HALL CLUBS & USERS, IS REQUESTED TO ATTEND MONTHLY MEETINGS

contact the letting secretary
Joan Woodsford on 01303 252354.

The large hall is an ideal venue for parties, weddings and other large family get togethers. There is room for children to run around, for tables to eat on and space for dancing, a stage for the band or disco. For those extra special occasions there is a net to release balloons at the 'magic moment' or hidden wires to decorate the hall. The small hall is perfect for more intimate groups or meetings.

uses. There are two sizes of hall – for differing types of event. Refurbished to modern standards and well maintained facilities including well fitted kitchen, disabled facilities, projection screen, central heating, instant boiling water, stage. Hire one or both halls, depending on how much space you need. Licenced for most things (except hypnosis and boxing) including sale of alcohol, PRS, raffles. Something to celebrate, want to hold a party? Need to organise a meeting or training session? Want to start a teatime chat group? Some slots are available for the small hall.

Two steps forward, one step back – Apologies to all those hirers who have experienced the electrical problems.
Having had the recommended upgrades to the electrical system done, the sockets in the main hall refused to work. Grrr... Our resident Rottweiler has been dealing with the contractor. The committee have agreed that an alternative electrician will be used in future.

We keep looking at how we can improve the hall and make it more welcoming. We are exploring what can be done to prevent the winter ingress of water and to make more use of the Post Office room. We would prefer a post service but it has become clear this is highly unlikely.
If you have an idea or thought (or can offer to help) please let a committee member know

Boot Fairs start again this autumn. Contact sylvia.coles@tesco.net
Craft fair 29th November – more information – many new stalls – baby items, patchwork, embroidered clothing, water colours to name but a few and of course the regulars – Cinque Ports Sugar Craft (Christmas Cakes) tombola, stained glass, knitted toys. Stall holders are aiming to keep prices low so there is plenty to browse – or sample a Cherry bacon roll or a piece of her cake
Do you know who the committee members are? Jenny Barraclough, Jenny Carter, Sally Cook, Derek Jeffrey, Sue Leaning, Jayne Stone, Mike Stone, Brian Wilson. Any ideas, thoughts or constructive criticism on hall facilities is appreciated.
If you've been to the Farmers' Market recently you'll have seen a new face – Julie, who has offered to help Cherry and Jenny. We know hall users will make her feel welcome.

Due to personal circumstances Peter has had to resign as webmaster. We are extremely grateful to him for all his help, training support and advice. The Trustees wish him and his family well for the future. The committee have seen the draft pages of the new website and are impressed. There will be a new site and a link put through from the old one. The new address will be published as soon as possible. Feel free to contact Sally on Eures1994@yahoo.com

CAPEL-LE-FERNE PARISH COUNCIL

Summary of some items discussed at meeting on Tuesday, 16th September.

• **Request from the public to address the Council:** None received • **Main Modifications to Land Allocation Local Plan** – Three (3) forum sessions had been held when Parish Councillors answered questions and noted residents' views. The Planning Committee would now produce their response, for the Government Inspectorate's attention, on Dover District Council's Consultation for the Main Modifications to policies and sites in the village. • **Gypsy, Traveller and Travelling Showpeople Local Plan - Sustainability Appraisal (SA) Scoping Report** (see below) – Agreed by those present, no sites to be recognised by Parish Council. • **Equipment status report** – Petanque Court future usage meeting - (see separate report below), was attended by approximately 27 residents, a good response and thanks to those attendees for support. Fencing to the Petanque area is being investigated further for costs, with the possibility of providing two (2) gates for ease of retrieving boules. Cut back of vegetation to BMX Trail area to be carried out. Refurbishment of the climbing frame/slide to be carried out. Swings and moving parts on other equipment had been lubricated. Gym equipment instruction sessions in Spring to be investigated further. The replacement of some of the Junior Play Area equipment is still being discussed with children of the village. Two (2) waste bins in Old Dover Road replaced and two (2) more installed on the Playing Field. • **Crime Reports** – None received. • **Speed Watch Scheme** – Thanks were expressed to all trained residents and Councillors. Only two further volunteers had come forward to help. The long-term future of the scheme will be deferred until the next Parish Council meeting and discussed further under an Agenda Item: Prioritising Traffic and Calming Management in Village. • **Highways** – Closure of Dover Hill for Kent Highways to carry out "urgent essential carriage way works on patching and repairs", will now take place in half-term week beginning 27th October. The Dover Hill will be completely closed (both ways), for up to 5 days. "Alternative route for through traffic is via A260 Hill Road, Canterbury Road, White Horse Hill, A20 Trunk Road, Courtwood Interchange, B2011, Folkestone Road, New Dover Road and Dover Hill. Due to nature of these works, it will not be possible to re-open the road outside the working hours. These works are weather dependant and if adverse conditions prevent them going ahead on planned dates shown, revised dates will be advised".

Next Parish Council meeting is on Tuesday, 21st October at 7.30pm in the Village Hall (Small Hall).

A COPY OF THE MEETING'S AGENDA WILL BE AVAILABLE ON THE PARISH COUNCIL WEBSITE A WEEK BEFORE THE MEETING. <http://www.capel-le-fernepc.kentparishes.gov.uk/> ALL PARISH COUNCIL MEETINGS ARE OPEN TO THE PUBLIC, SHOULD YOU WISH TO ATTEND. District Councillor Frederick Scales and County Councillor Geoff Lymer will be holding surgery on Monday, 13th October, 6.00pm – 7.00pm (see front page).

Are you interested in promoting positive behavioural change in your parish? Or is there an issue you may wish to discuss with your Councillor?" Advice will be available, for positive minded people who can assist us to take the village forward, whilst understanding the financial constraints, to maintain a realistic aspiration of what may be achieved over the next few years.

Judging by the number of people who either attended or sent their apologies at the boules meeting in September the three boules courts will be well used. There is a wide range of experience from total beginners to the 'experts', some, but not all, with their own equipment. The courts are open to all and some groups of friends are already playing regularly. The agreement reached at the boules meeting was that two sessions would be held open to all; regular players are more than willing to help those less experienced and if necessary to share equipment.

These sessions will be: Monday lunchtime, starting at 12.00noon and Saturday starting at 11.00am and finishing at 1.00pm.

Anyone interested in meeting other players or in learning how to play should turn up.

The courts are open to all and some groups of friends are already playing regularly at times outside these.

CAPEL-LE-FERNE VILLAGE HALL MANAGEMENT COMMITTEE

We have been looking back at old minute books. The very first meeting, before the old hall was built, gave an insight into the community at that time. Older residents may remember some of the names and events; younger ones may be interested in the history of the Old Village Hall which was demolished in the 1980s.

In 1938 there was a building committee of 9 people and an entertainment committee of 17 and another 30 attended the first public meeting. The minutes, which are all in immaculate long hand, are reproduced below:

Mrs Walter was elected General Secretary on the resolution of Mrs Russell and Miss Brown. The Trustees, to act as Treasurers. Chairman Mr T J Barry was elected, proposed Mr Adams, seconded Mrs Walter. Mrs Walter was appointed Press Secretary. Proposed Mr Adams, seconded Mr Howie, that all associations be invited to send representatives. Mr Butcher proposed a vote of thanks to Capel Variety Club whose excellent show had raised £10. It was proposed by Mr Adams, seconded Mr Hogben and agreed, that the Secretary draw up an appeal for Subscriptions to the Fund with the Secretary's Name printed on it. Mr Goodwin proposed, Mr Alkins seconded, that a list of Shares at £1 each be asked for from the Village. To be paid out by an Annual Ballot free of interest. This was carried. There following, announced their willingness to take up shares (*there is a list of 21 names*).

The next public meeting was fixed for Monday, 4th April at the School at 8pm.

Meeting of Trustees and Building Committee – Tuesday, Mar 22nd at the School at 8pm.

Entertainment & Social committee, 8pm, Thursday 24th at Tai Ping at 7.30pm at the invitation of Mr Atkins.

The Trustee and Building Committee meeting was recorded as: Rev D Morgan's resignation from the Committee owing to lack of time was received with regret. Proposed Mr Russell, seconded Mr Mann, that the owner of the site be asked to come upon the committee.

The time to view the sites, were settled as follows. Mr Hartley's land at 3 pm. Mr Copping's at 4pm on Saturday.

The Secretary to find out if this was convenient to Mr Copping and Mr Hartley. The Secretary to order cards (300) which would act as application for allotment and receipts of £1 shares.

The next public meeting on 4th April, attend by about 100 people was recorded as:

Mr Barry (*Chairman*) explained that the object of the meeting was to decide which piece of land was to be accepted; that offered by Mr Hartley or that offered by Mr Copping.

Plans which indicated the positions and relative sizes of the plot were drawn on BBS.

The Chairman stated that there was no restriction of Mr Hartley's land, but Mr Copping had stipulated that the building was to be erected in two years. The ballot was then taken and resulted in 76 for Mr Hartley and 9 for Mr Copping.

The Secretary read the correspondence and the Subscription list and gave an account of the information obtained from the N.P. of S.S and Physical Fitness Council. Resolution: Mr Rantors proposed, Mr Hiscock seconded, that the building committee be left to get on with the work until there was something definite to put before the Public.

At the end of the meeting the Subscription List showed gifts of £73.14.6 and 15 one pound shares were paid up. Amounts under £1 were 7- 6. (7 shillings and 6 pence). Total £89.2.0.

Capel Active Retirement Association

Amanda Chapman, the Manager from Age UK of Folkestone and Cheriton, gave us at our September meeting an immensely informative and knowledgeable talk about this well-known and respected independent charity, which is for everyone, but especially the elderly, lonely and disabled, giving health and social care as well as benefits advice. They have a team of carers and drivers, plumbers, electricians, gardeners and handymen, all actively involved in promoting and working towards 'safety in the home' for those most at risk. At the Centre in Cheriton help is also provided by chiropodists and hairdressers, and a popular 'Walking for Health' programme is organised. With so much information available, we decided it's not what you know or can remember but *who* you know! And Amanda is that person! A reminder about the October meeting on the 7th – we host Ian Hulf to speak about Creative Gardening, (see separate poster) – a very appropriate topic prior to our trip to Notcutts Garden Centre on the 10th (also separate advert). If any more members would like to join this trip, please contact Sally on 250144. The Quiz teams – you know who you are – are hopefully preparing brains and accumulating an abundance of trivia! In readiness for the Area 3 Quiz challenge on the 16th! We need to know who is willing to be a chauffeur to transport you all to the venue in Ashford – please let Sally know if you are willing or in need of a lift. Also planned is a group lunch at the Plough, Hougham, on the 13th November. So please put this in your diary and contact Adrian on 250392 if you would like to be included, along with family members. And now for some bad news for our members: Bert Sheppard has had to abruptly give up the Chairperson role on the Committee for personal reasons, along with Joan his wife, which leaves some very important gaps. If anyone feels they can step in to the roles of either Chairperson; Membership Secretary or Programme Officer, then please contact Sally as soon as possible. The implications if no-one comes forward, is that the Committee and thus the future of the group comes to a halt. But we do say a big thank you to Bert and Joan for all the hard work they have put in over the past year and wish them well in their future.

Vehicle excise duty was first introduced into the United Kingdom during 1889, but it was not until 32 years later from the 1st January 1921, did it become compulsory to display a tax disc on a vehicle. These tax discs, also known correctly as vehicle excise licences, were issued either quarterly or annually and were made of a paper disc that was unperforated and printed in black on a white background. In 1923 Britain was introduced to the first of the coloured tax discs, which were also perforated. There have been approximately twelve subtly different designs of the disc from 1921 to the present day, the most striking change occurring from 1961, when the design was radically altered to start a style that is still vaguely similar today. Over those years many owners of vehicles have been either arrested or summonsed before a criminal court for the offences theft of a tax disc, fraudulent use of a tax disc, which was when a stolen tax disc was exhibited on another vehicle to give the impression to a passing police officer that that particular vehicle was taxed, when in fact it was not, due to it displaying a stolen disc, or when the owner of two or more vehicles used a tax disc from one vehicle to display on another to evade buying a disc for the second vehicle. Many serious crimes have been detected as a result of a stolen or different tax disc being fraudulently displayed on a vehicle, from an IRA bomber, I believe The Yorkshire Ripper was detained initially due to a different tax disc being displayed on the vehicle he was driving and not that long ago in Lincolnshire, a gang of Lithuanian car thieves, who were stealing good quality cars then 'ringing' them, (this means altering the cars identity). The gang had gone to great lengths to alter engine, chassis and registration plate numbers, carrying out a convincingly professional job, only to get caught out by the police because they forgot to alter the registration number displayed on the tax disc. So 93 years after the issue and display of the first tax discs, from this October, we will be seeing the final issue of the disc that has been a part of our motoring history. Oh no, before you start celebrating, you will still have to pay vehicle excise duty, but the perforated disc that has become part of our lives, will not be issued anymore for display on the vehicle. So how do you know if someone has or has not paid their road tax? You won't. But if they have not paid, they will, for they will receive a fine through the post. For all vehicle documentation is recorded against individual vehicle files. As you drive around a town, travel along a motorway, visit a supermarket car park, go to a Port, visit a petrol station or travel through the Dartford Crossing, you will probably not realise, but your vehicle registration plate will be monitored many times over on your long or short journey by ANPR (automatic number plate reader). Many police cars carry them too. The ANPRs will flag to the authorities automatically if your vehicle is checked by one of these cameras and your vehicle file held at DVLA discloses you have failed to pay road tax on your car, or your car is declared SORNED when the camera views/ records of it on a road. Further if you fail to pay your road tax or sorn your vehicle, the DVLA will fine you by post. You cannot transfer road tax upon selling your vehicle, so you may need to consider selling your car close to when your car road tax is about to fall due for renewal.

A final word of advice for those who may live in their holiday home abroad, for a few months of the year and may keep a second car out there permanently, still registered on UK plates. Some countries, example France, the Police Nationale/Gendarmerie determine whether your car is insured, incorrectly by looking to see if your tax disc is valid and if not displayed, or, out of date will often impound the vehicle never to be seen again. So if you have a UK registered car that remains permanently at your holiday home abroad, get it re-registered on the plates for that country so you do not fall foul of the local police and risk losing your vehicle.

County Councillor Geoffrey Lymer

In 1956 members were asked why they belonged to the Women's institute.

Alice Hastings response is reproduced below.

I go to the hall be it wet or fine, It's a bit of a rush to be there on time
 Our president is there with a welcome and smile, and for that itself it's always worthwhile
 Jerusalem's sung, the minutes are read and then County News for programmes ahead
 We have talks on Music and travel, all so enchanting, Cookery, gardening and knitting – and now ballet dancing
 Times flies – tea's ready its nigh half past four, And yet still to come is the social half hour
 A game to be played or the Drama or choir, But a good all round gossip is what most desire
 Competition results – it's all such good fun, and far better still when you now you have won
 The trading stall too is quite an attraction, whether buying or selling to one satisfaction
 Now the meeting is over, the Queen is sung, Then good bye so that's why I belong, To the WI,

Our meetings today have moved with the times, whilst retaining some of the precious traditions. A rousing version of Jerusalem is about the only part of 'Jam and Jerusalem' which resonates with the modern Capel WI. What is retaining is the camaraderie, friendship, variety of activities and above all the chance to make new friends and chat to 'old' ones. May of our more 'established ladies', remember how the WI gave them an oasis from the pressures of managing home, children and work, for just a few hours a month.

Following the publication last month of the history of Capel le Ferne and Hougham Without WI, we have been contacted by a relative of the landlord of The Three Horseshoes. His daughter, Mrs Groombridge explained that there was a cottage on each side of the pub and three farm cottages just behind it. No one was killed during the bombing, though several people suffered minor injuries, with one young girl being hit in the eye by shrapnel. The landlord had been in the fields and saw the bomb land. His heart attack on week later was attributed to the incident and he survived for another year. We are grateful to Mrs Groombridge for taking the time to contact us and are pleased to publish this correction.

CAPEL EVENING WI

Hello everyone, another month gone by and everyone is talking about Christmas already. Well we cannot complain about the weather can we, it has been a tremendous month and hopefully it will go on a little longer so that everyone who has outdoor activities and fundraising events booked can enjoy the sunshine. A big thank you to all our ladies who helped with setting the room up and putting everything in its place for our 'Birthday Meeting' and made the room look lovely with a party feeling. Jayne, our President, led our September Meeting by welcoming everyone on a beautiful warm evening. We sang Jerusalem and Jayne then introduced our speaker Mr George Taylor who gave us a talk on 'Broadway- 10 Special Years 1943-1953'. Mr Taylor was our replacement speaker because our original speaker Mr Joe Mendell had to cancel at the last minute, as on Sunday prior to our meeting he decided to prune trees up a ladder and inadvertently managed to fall off it from a height. No serious damage was done and apologised for letting us all down. But we had a great evening with Mr George Taylor and the musical accompaniment by his friend Peter. George gave us a wonderful evening with all the reminiscing of famous musicals of times gone by and their history during the period 1943-1953. Everyone joined in by singing to the music with musical quiz questions in between songs. Sheila French gave the "Vote of Thanks" and said how lovely it was that everyone could join in with songs they recognised. Refreshments were then served 'buffet style' and everyone helped themselves. There was an amazing range of food and nobody went short for want of choice.

Thank you to everyone who made and brought food. Everything was homemade as per usual WI Standard and washed down by a Mulled Wine Punch and soft drinks for those who did not partake.

The competition this month was 'Your Funniest Poem'. Jan Ardley, Gillian Howey and Vad Blake gave us a rendition of various 'Monologues' and on this occasion as they were all equally good it was declared that they all should get a well-deserved first place.

Our next month's meeting is on **Tuesday 14th October 2014** when will have 'Sainsburys' coming to give us a talk on the company and how their operation works. Maybe they might bring some goodies. Fingers crossed there will be no calamities before the 14th.

As usual our ladies have a busy month ahead of them - Darts, Craft, Scrabble, Home Economics, and Book Share etc.

We have no forward fundraising events in the pipeline at the moment. We did however have a very good Bingo evening on the 12th September and thank you to everyone who came and to all our WI Members who helped with setting up and making the evening a success. There was one table in particular that seemed to win all the prizes and I am not mentioning any names but they will know who they are. Still it is all a bit of fun and where would we be without that. So congratulations to them. Also a big thank you to Gill and Gordon for being our efficient Bingo Callers along with 'Scattergories' in the interval.

Each month I say that new members are very welcome and that is very true. So do not be shy. Once you meet us and have a good giggle, you will be hooked. So, maybe we might see you at our next meeting or why not come along and have a chat with us the Farmers Market each Tuesday. Sorry it is a short session this month should have more news for you next month as it is leading closer to Christmas. Well bye for now and talk to you all again next month.

Members of the public can help out in a number of ways including placing and emptying collection boxes, selling merchandise at fundraising events and representing the charity at cheque presentations. They can also help raise awareness of the service as public speakers by giving talks to local groups, clubs, schools, societies and other organisations. Other roles at Kent, Surrey & Sussex Air Ambulance include store and street collectors, drivers and couriers, and office administration. Head of Volunteer Resource Amy Hamer said: "Volunteering is an opportunity for people to "give something back" to the community, meet new people and gain work experience. The air ambulance's volunteers come from a variety of backgrounds and age groups and include former patients, bankers, teachers, pilots and a magician. FARMERS MARKET NEWS - Now in our 12th Year

FIND US ON FACEBOOK - [twitter.com/@capelleferneFM](https://twitter.com/capelleferneFM)

**Registered with the Kent Farmers Market Association, Produced in Kent and Big Barn
5* Award from Dover District Council. 5* Award Environmental Health Department**

We are sorry to have lost some of our stalls recently, due to lack of sales. We would urge you please, to support our stallholders otherwise we will lose more and we don't want the market to close – as so would the community coffee morning. Farmers Markets help to promote local produce, which provides better quality, flavour and freshness, and supports our local producers rather than the large supermarkets. Price comparisons have been carried out and our prices are on a par with the supermarkets too. All our products are produced by the stallholder, (talk to them to find out about their products and how they were produced) or supplied by a local producer, sold on their behalf, and is CLEARLY marked accordingly. A couple of comments have been received recently as to fresh food being covered and also that products are not priced. These comments have been passed onto the stallholders and are being rectified. Sadly we are still short of stalls, and we are searching for more to join us. As you know, we have all the basics provided, but it is also nice to have a few for those extra special 'treats' and to fill the hall. If you have any requests, please let us know, and we will endeavour to find them, although we cannot make any promises! Unfortunately, Sandgate Bakery is still having oven/premises problems and they are desperately trying to rectify this and hope to be 'up and running' again very soon. In the meantime they are attending with the products they can manage, and The Cottage Loaf is standing in on a temporary basis, with the artisan breads. Barbara's Cakes, has now joined us and is doing very well, increasing her 'space' from 1½ tables to 2! She is happy to take orders too. The Flapjack Company are away at the present time, but will be returning in October. Why not try something a little different from Beth's Mogador, creating Hungarian and Austrian dishes for you. The Kentish Apples are now for sale with Bessborough Farm, as is a wide variety of Game at Marsh Produce – looks like Autumn is on the horizon!!!! We have some good news – following our appeal, we would like to welcome Julie Shaw and Maggie Gannon who have kindly offered to 'come on board' our organising committee, with a view to taking over as and when Cherry and Jenny wish to 'retire'! They will also assist, in the meantime, covering holidays, sickness etc. At present Julie is helping with the Weekly Draw and is gradually seeing how the market is run, Maggie will be joining us as soon as she has retired from work. We are sure they will be a great asset and we thank them. The Craft Hall is building up too, a great selection of local crafts are on offer. James is also on hand for those Passport/Driving Licence/Bus Pass/Portrait Photos or even bookings for parties/weddings etc.

Our 'Postal Service' (run by volunteers) is also alongside the Crafts. We also offer a photocopying service for just 10p per copy.

In addition, we have recently had a couple of Advisory Services, which we encourage and we hope to have more in the future. Plus we have had a local Author selling his book and signing them – 'Dead Men Lie' is the title, and is doing very well in the Amazon ratings! We shall also very soon, have a stall run by a local school making Crafts etc., as part of their curriculum, and learning business skills. PLUS – Quiz sheets are available and lots of books and puzzles for just a donation! Please also be aware, that the village Community Warden and/or our PSO are usually on hand at the market to answer any questions. Also the KCC Mobile Library attends just outside the car park, at 12 Noon every week. So, as you can see, we are more than just a Farmers Market but a real Community based project!

We now have the following products on sale:- Fish, Meat, Eggs, Preserves, Jams, Honey & Pickles, Delicatessen, Smoked Fish & Cheese, European Dishes, Bread, Cakes, Flapjacks, Pastries, Vegetables, Fruit, Fudge, Fruit Liqueurs, Plants and a wide variety of Crafts.

Our **WEEKLY DRAW** is proving popular too with some customers winning more than once, who have been able to buy that special treat with their vouchers! No profit is being made. All money raised from the Draw goes back into prize vouchers. The prizes each week vary depending on how many take part for just 50p a go. The winners' names are always on the board in the hallway.

Please Note:-

The Market Opens at 10 a.m. For your own Safety, and before an accident happens, we request this time be recognized due to heavy box being delivered during setting up. We are sorry for any inconvenience, and we thank you for your co-operation.

AN APPEAL: More help is required for the clearing up after the market please, on a rota basis.

Could you spare just ½ an hour once a month from 12.30 to 1 p.m.? Maybe you've just retired and want something to do, or are new to the village and want to get involved? If you are interested, please contact Cherry 255114 or Jenny 245399 to discuss what is involved.

Please note: The products for sale are produced (in the majority of cases) by the stallholder, in Kent, unless clearly marked otherwise.

We should point out that we ensure our producers hold the relevant certificates i.e. a public liability insurance and, where necessary, health and hygiene certificate and kitchen registration documents

We have business cards and posters for the market, if you could hand out to friends & family, your local club/pub/restaurant etc, please we would be very grateful.

Some residents have experienced **non-collection of recycling**.
This may be mainly due to **"it contains plastic bags"**, which they will not take, along with other reasons i.e. your bin includes the following, which they are unable to collect:

- It contains food packaging (cardboard)
- It contains materials we cannot/do not collect
- do not collect black bags • do not collect additional bags
