From the Vicarage

By the time you read this autumn will have arrived. The leaves on the trees will be changing colour - and at church we shall be preparing for Harvest Festival.

Rewind to summer just for a moment, and memories of warm summer evenings sitting in the garden, with the scent of lilies and gardenia – oh yes, and another scent, too. You know the one - *the* smell that wafts in from the fields from around mid-August as the farmers Plough the Fields and Scatter something on the land – remember?

Home from college and wanting a job for the summer, our son registered with a local employment agency and waited. Eventually he was offered what turned out to be an enjoyable day working in a warehouse. Then the phone rang again, and the following morning I dropped him at a farm. That day we all learned something interesting about Harvest.

What is scattered on the land is first placed on a conveyor belt. Someone spends their shift removing plastic, metal and anything else that is not biodegradable from it. Some quit after an hour or so, but he completed his shift. As he got into the car, the smell of mid-August wafted in. As we drove home, I realised that *the* smell was sitting next to me.

With sore eyes and Mrs Vicarage having refused to allow his clothing anywhere near *her* washing machine, he resolved to decline any further opportunities in processing compost before heading for the shower.

Let's just say that when I next sing the Harvest hymns and lead the prayers, it will be with a fresh understanding of exactly what is involved in putting our food on supermarket shelves.

Those who work alongside that conveyor belt, Lord. Amen. ...*Brian*

If you hire the hall, please remember the playing field is owned by the Parish Council; if you wish to put up a bouncy castle there you need to approach them and comply with current safety requirements.

Hirers are welcome to use the field for normal park activities.

What a busy month September was for the village hall committee and the volunteers who help. During the first weekend the annual garage safari took place. Huge thanks to the Parish Council who allowed us to use the field as a car park. We did our best to encourage visitors to use it. Discussions have already begun on how we can improve parking for next year. Many thanks go to the kitchen team at the village hall efficient as ever. Several of them have decided to 'rest' next year. We are confident that the tips they've shared with us means the transition to a new team will be smooth. It's amazing how many people in other villages talk about it with envy. And doesn't Cherry do well organising the weather? The Garage Safari is one of the ways in which the village hall demonstrates its role as a community asset. Members of the committee do all the hard work and advertising and, as well as residents being able to convert 'trash to treasure,' both churches are able to join in.

The following weekend was the Last Night of the Proms live from the Royal Albert Hall. We are extremely grateful to Matt Curtis who supports this event. He sets up the equipment then gives up his evening to make sure it runs smoothly. (Our thanks to his family for putting up with it!). It's an event the committee has run for local residents. Last year it ran as a trial to see if people were interested, feedback was positive so we ran it again this year. In the event attendance was disappointing, though several residents explained why they weren't able to join us for the evening. (Not that we're complaining, it's great that the village is so active). The jury is out on whether or not we'll do it again – it depends on how many people tell us they would like it.

Kent County Council have awarded us a grant to enable us (or rather Matt) to install a wireless projector and DVD player. This will improve the use of AV to illustrate talks and the projection of films and videos. Once the work is complete a training session will be undertaken. Hall users have experienced difficulty using the p.a. system because people 'twiddle' and 'fiddle.' The last time we investigated why it didn't work was because someone had unplugged the wiring cables and disconnected the speaker. (No thanks are given to whoever that was). The committee does try to offer good facilities for hirers and are reliant on them to play their part, which most do (Than you).

We're moving forward to the new year for the committee and elections for trustees will take place at the Annual Meeting in November. Along with many other organisations we have noticed a dearth of volunteers in general, but can you imagine life in Capel if there village hall wasn't open and maintained? No pre-school, WI, youth club, bowls; no Farmers' Market, no Christmas carols, no New Year's Eve event within walking distance and now so much more. So if this fills you with horror, (no matter how slightly), please volunteer to join our happy band. The committee is a mixed bunch, none of whom bit, and would like to think of the hall being around for another 30 years. To ask for more information or to nominate a trustee, please talk to Sally Cook (secretary), Brian Wilson (Chairman) or Jayne Stone (Vice Chairman). We would welcome new members and new ideas.

NEW YEAR'S EVE DANCE – TICKETS SOLD OUT.

PLEASE CAN I HAVE PAYMENTS BY THE END OF SEPTEMBER, AS I HAVE 10 PEOPLE ON THE WAITING LIST.

THANK YOU. Ros Chandler, 30 Alexandra Road, Capel-le-Ferne. Tel: No: 01303 255862

News from the Farmers' Market

It is several months since Cherry and Jenny retired from the Farmers' Market and, thanks to Debbie, Mike, the co-operation of the stall holders and the volunteers, it continues to run and we assume the customers continue to be satisfied. From time to time we have asked those leaving if there was anything else they would have liked to see on sale and to date there have been no suggestions. If you do have a suggestion please tell whoever is one the door.

We have been aware that those who work miss out on the benefits to customers and quality of food offered by Farmers' Markets. I know we say it often, but that is because we believe it to be true. We strive to offer as comprehensive a service as possible to as many as possible. The stall holders themselves have written about the latest innovation:

“Recipe boxes and veg boxes: pre-order for pick up or home delivery

Capel-le-Ferne's farmers' market are making it even easier to shop with them. You can now pre-order direct from the producers and pick up at the market, making it easier for you to plan your meals. If you're doing a big shop or are finding it difficult to get to the market they also do home deliveries, both in the afternoon and in the evening.

They have even put together veg boxes and recipe boxes - kits that contain all the ingredients you need to cook a meal. In an effort to reduce waste, delivery comes in crates which they then take away to reuse. If you aren't in you can order cool boxes for a small returnable deposit.

We hope this initiative will bring more people to Capel-le-Ferne and support our local farmers and procurers. Please spread the word and drum up support for this new venture.

The website is FarmersMarketsOnline.co.uk. They are also on Facebook, please like and share the page.”

This is an extremely innovative venture, which we hope you will support. If you have never had the chance to taste the quality of fresh food direct from farmers, then this is your opportunity. Alternatively if your shop is limited by your ability to carry things home then here is the solution.

To balance the something new, there is the return of some 'old', Barbara is back with her cakes and Jim the Photograph is returning to the craft room to join our ladies with their various craft products. If you talk to them there is time to order bespoke Christmas presents to the pressure of deciding what to get for whom.

Each week there is a farmers' market draw - £1 buys two entries into a draw. Prize money is then divided between three lucky winners (more if enough people enter) and vouchers for use in the market given to the lucky winners.

Last month the key kitchen team leaders deserted their post (something to do with holidays I believe) and they would like to thank Caroline for holding the fort.

Order by noon on Sunday for collection or delivery on Tuesday.

Go to <http://farmersmarketsonline.co.uk>

and choose from our pre-selected veg and recipe boxes or pick from the usual producers. Not going to be in? We can leave the food in cool containers to keep your food fresh. Once you have chosen your deliver/pick up options click the buttons below to shop. Why not try our boxes, they make shopping easier and are extremely good value.

Capel Twinning Association

The long running Capel Twinning Association continues to flourish with this year again seeing us at social events and two trips to France. Our Moules & Frites evening, and our barbecue were sell out events and our trip to the Valley of the Somme to ride on the Baie de la Somme preserved railway went with a full coach, all participants enjoying a three course meal in Le Crotoy, a leisurely stroll along the promenade at this seaside town, and a fascinating ride on the steam railway to St Valery sur Somme. Our annual dinner will once again be held at a restaurant in Blendecques later in the year.

Many will know that the CTA was the result of an official twinning between the village of Oye Plage and Capel-le-Ferne, and some have lamented the cessation of that relationship since funding was withdrawn by the council in the French village. However, following negotiations with representatives from a village some five miles distant from Oye Plage, the CTA is delighted to announce that a group similar to our own has been formed in Vielle Eglise with a view to instigating twinning activity next year. It is known that several of our friends from Oye Plage will be amongst those taking part in the new relationship, and preliminary planning is underway for a visit from our new twinningers in the spring of next year. It is hoped that this new partnership will see exchange activity between our primary school and other interested village clubs and organisations.

Membership of the Capel association costs only £5 per year, and the group will be delighted to welcome new members, especially those with a penchant for things French! Please contact our Treasurer, Mrs Kath Rudman (01303 258958) if you would like to join us.

A Great Summer at the Bowls Club

Let's start with a BIG Birthday Wish for ROS CHANDLER, 70 years young on the 24th October. *Don't forget the cakes Ros.* Now the other news. Following our open day we have gained three new members. Attendances at most meetings have been up and our summer league team are bounding up the league table.

The summer BBQ was a great success and we would like to thank Jenny and John Carter for allowing us to use their garden. Also thanks to all those members who made the food and drink.

The 16th August we had our Bingo night, a great night with lots of laughs from our caller Jen. Don't miss the next one. Still to come is the Cliff Watts Competition on 9th October. We hope all our members will come along to help run the day or support our teams. The Christmas Booze and Bowls date is yet to be announced but this event is always very popular so book your place now. Club competitions are now underway so get your matches played as soon as possible, check who you are playing on the notice board. Put the date you want to play on the calendar and the colour mat you wish to play on.

If any member has ideas or suggestions for the club Barry has big ears and Jenny is a good listener.

CAPEL-LE-FERNE PARISH COUNCIL

Summary of some items discussed at meetings

on Tuesday, 20th September 2016

- **Request from the public to address the Council, Surgery and Other Feedback:** 20mph speed zone signage on roads – to be investigated. Pam Barr, from Capel Baptist Church and Mick Marshall BEM, attended the meeting and the Chairman, Keith Pilcher, presented Pam and Mick with a cheque for £250 as a donation towards a Water Well in Malawi. This was requested by Mick in lieu of a “village celebration” on his BEM Award in the Queen’s 90th Birthday Honour’s List. Thanks were expressed from both Pam and Mick, reinforcing what a wonderful man he is and so deserving of his honour.
 - **Neighbourhood Plan:** The meeting held on 24th September was not particularly well supported, but thanks are expressed to those who did attend and the feedback received. Councillors will now discuss this further and make a decision on the future progress of a Plan. Maybe another Public “evening” meeting to allow other residents who work, a chance to find out more information.
 - **Neighbourhood Watch:** An endeavour to ascertain more details for vulnerable residents on Life-line equipment is still on-going and will be published when more details are available. Community Warden, Andrew Hawkins, continues to follow up on incidents reported and awaits the purchase of a Parish Speed Camera to resurrect the Speed Watch Scheme in the village. PCSO Gretel May has been endeavouring to book Kent Police for sessions on the B2011 to monitor speeding traffic.
 - **Equipment status report:** Wet-pour surface in several areas repaired. Graffiti on skate-park ramp removed. “No ball game” signs installed in area near Beatrice Road properties. A service/maintenance contract for three years was agreed with The Great Outdoor Gym Company, following notification of expiry of guarantee.
 - **Highways and Public Rights of Way:** Worn road markings, including yellow and white lines in village, are subject to continual reminders to Kent Highways/Dover District Council for reinstatement.
 - **Planning:** Dover District Council refusal of planning permission on Land South of New Dover Road, subject of an Appeal to government Planning Inspectorate – more details will be published when known. Land North of New Dover Road (Quinn Estates proposed development) – nothing further to report to date, again, more details will be published when known. Other planning applications in Capel-le-Ferne can be found on-line: <http://www.dover.gov.uk/Planning/Planning.aspx>
 - **Other:**
 - Bulb planting:** 1,000 Daffodil bulbs are to be planted along the Lancaster Avenue boundary of the Playing Field to commemorate the Queen’s 90th Birthday year. Help to plant them would be appreciate and details of the date when, will be advertised on the Parish Council Facebook Page and via the Email Database system. Everyone welcome!
 - Bus Shelter at Helena Road:** – An application was being completed for a grant from Kent County Council under the Parish Bus Stop Shelter Grant to replace the wooden shelter at Helena Road, which is badly damaged and requires replacing.
 - Traffic Management:** - discussed at the meeting, in particular the speeding on the B2011. District Councillor Frederick Scales agreed to contact the media with a view to highlighting this issue to the newspapers, especially following the recent tragic accident which has given himself, Parish Councillors and residents renewed determination to control traffic speeds on this stretch of road. Everyone expressed their thoughts and sympathy to Daniel’s family, no-one can begin to imagine how they will come to terms with their loss.
- Next Parish Council meeting is on Tuesday, 18th October at 7.30pm in the Village Hall (Small Hall).**
 A COPY OF THE MEETING’S AGENDA WILL BE AVAILABLE ON THE PARISH COUNCIL WEBSITE A WEEK BEFORE THE MEETING. <http://www.capel-le-fernepc.kentparishes.gov.uk/> ALL PARISH COUNCIL MEETINGS ARE OPEN TO THE PUBLIC, SHOULD YOU WISH TO ATTEND. SUNDAY OCTOBER 16th 2.00pm	<u>Churchill and the Battle of Britain - Philip Reed.</u> Phil Reed was Executive Vice President of The Churchill Centre and Director of The Churchill Museum Cabinet War Rooms where he was the driving force behind the museum's creation. He guided the fund-raising and design of the first major museum in the world dedicated to Churchill's memory and legacy which was formally opened by Her Majesty The Queen in February 2005 and won the prestigious Council of Europe Museum Award in 2006.

SATURDAY OCTOBER 22th 2.00pm	<u>Goodbye East End – An Evacuee's Story - David Meron.</u> David Meron is the author of a fictional account of evacuees during World War 2. The account draws on extensive research and David will use this to give an illustrated talk on evacuees from the East End of London. Placed into the care of strangers and far from home the new life of the evacuee was sometimes unpredictable and lonely. But, with time, the great outdoors, the great outdoors became an exciting playground in which many flourished. Copies of David's book will be available at a special price at this event
SUNDAY OCTOBER 30th 2.00pm	<u>The RAF and beyond – some reminiscences - Croup Captain Patrick Tootal OBE DL RAF (rtd).</u> Patrick served in the RAF for 33 years as a pilot. He commanded LXX Squadron flying Hercules and held various operational and staff appointments relating to planning the introduction of new aircraft into RAF service. He was the first Defence Attaché in Buenos Aires nine years after the Falklands conflict. After voluntary retirement in 1993 he was the first County Field Officer for the Royal British Legion in Kent supporting the many volunteers who raise funds and provide welfare for the ex-Service community in need. He is Honorary Secretary of the Battle of Britain Memorial Trust, the Battle of Britain Fighter Association (The Surviving Few) and is a member of the Bentley Priory Battle of Britain Museum Trust. Patrick has also recently retired as a Deputy Lieutenant for Kent. <u>Talk Summary</u> - Patrick will talk on his RAF career in brief with a few anecdotes about life as a Service Attaché in Madrid and Buenos Aires and his first links with The Few and The Battle of Britain Memorial Trust which lead to him becoming Hon secretary of the Battle of Britain Fighter Association. The talk will also include some insights into The Battle of Britain Fighter Association and how it was formed and will include some anecdotes on The Few.
SUNDAY NOVEMBER 6th 2.00pm	<u>Jellicoe and Jutland - Richard Latham.</u> Richard Latham is a grandson of Admiral of the Fleet Earl Jellicoe – The Commander in Chief of The Grand Fleet at Jutland -and his only descendant to serve in the Royal Navy. The Centenary of The Battle of Jutland – the largest Sea Battle in history – was commemorated on 31st May this year and he was at sea in a type 45 destroyer to represent the family at a wreath laying on the site of the Battle on that day. Richard Latham's Naval career began with gaining a Naval scholarship to Dartmouth in 1959 and he then served in various ships in 1963/64 including the Aircraft Carrier HMS Victorious in the Far East Fleet and was on active service during the confrontation with Indonesia in 1964. After leaving the Royal Navy in 1966 he was initially employed in the shipping industry and joined the Royal Naval Reserve. He then followed a career in Investment Management and more recently in the Oil and Gas industry. <u>Talk Summary</u> - The talk will cover the history of the Royal Navy during the First World War and compares the relative importance of Jutland with Trafalgar as well as Jellicoe's contribution to victory in WW1.
SUNDAY NOVEMBER 20th 2.00pm	<u>"A Choppy Passage in The Royal Navy - How I accidentally sank an Enemy Submarine". Commander Colin Tozer RN (rtd).</u> Colin Tozer graduated from The Britannia Royal Navy College, Dartmouth in 1975 as a Sub Lt in the Executive Branch. After 12months sea training, he joined HMS JUNO as the Communications Officer where he achieved his Bridge Watch-keeping and Ocean Navigation qualifications. Having spent over 3years travelling the world in these ships, he spent the next 15 months on Fishery Protection duties in UK waters as the Navigating Officer in HMS Anglesey. His next ship was HMS Brilliant, a brand new ASW Frigate, in which he went to South Georgia and the Falklands War in 1982. He then navigated a frigate, HMS Lowestoft for 12 months before his successful graduation from the RN School of Maritime Operations as a Principal Warfare Officer. Subsequent appointments took Colin to Australia and Canada together with further sea appointments as a Warfare Officer and then as the Executive Officer (2nd in Command) of HMS Cardiff. After a period in command, he came ashore where he spent another 10years or so as a Staff Officer working for Flag Officer Surface Flotilla and The Second Sea Lord. He was promoted to Commander on 2001 and retired in 2004. <u>Talk Summary</u> - This talk is the story of Commander Tozer's experiences in submarines and ships leading up to the largely untold capture of South Georgia in the South Atlantic. He then take you through the true story of how the Argentinian submarine 'Santa Fe' was sunk, a story which has never been told until now.

CAPEL-LE-FERNE EVENING WI

Hello everyone, another month gone by and everyone is already heading towards Christmas especially with the talk of Christmas Craft Fayres in the air. We had an exceptional month of weather with some days unbearably hot. I am sure we will wish them back when the weather turns cold towards winter. A great big thank you to all who helped to make the room look lovely with a party feeling. Caroline, our President led our September Meeting by welcoming everyone.

Our September meeting is always a special meeting because it was 57 years ago that Capel-le-Ferne Evening WI was formed. With many visitors, guests and a prospective new member. Jayne produced the floral arrangements to complement the pretty tablecloths, making the hall look quite festive. Our birthday meeting entertainment was Janet Dean who gave a very informative talk and slide presentation on 'My Grandmother as a Spy during the First World War'. She told everyone that as she spent a lot of time with her Grandmother when growing up she was able to glean the information from her grandmother which enabled her to write a book on her exploits including the times she spent in prison for some lengths at a time. She had memorabilia (if that is the correct word to use) that she had inherited from her grandmother and passed it round for everyone to look at. Lyn Radcliffe gave the vote of thanks and said that it sounded very intriguing and exciting. We had a very successful evening of Bingo on the 2nd September. Thank you to Gordon Holliday for your organisation. Last month we challenged Alkham WI to a game of Skittles and we all gathered together on 14th September for lunch first, of course, at The Fox at Temple Ewell. It was a terrific afternoon. The sun shone and it was very hot, but it did not deter us all. Thank you Alkham for your company.

The little business we did focused on future events, **change of date for Wit & Wisdom (22nd October 2016 – Capel Village Hall - 6.45p.m. for 7.p.m. start.** WI monthly lunch, Christmas Lunch (early we know but we take over the whole restaurant so it needs organising) as well as all our usual activities.

After this is was time for refreshments – a professional looking cheese board, followed by a wonderful cake made by Diane Waters. Eve Muggridge had us scratching our heads once again when she presented us with a game of 'Call my Bluff'. Jayne, Pam and Caroline read out and tried to pronounce each word in very amusing meanings. Dorothy Douse (Federation Treasurer) thanked Capel for an enjoyable evening. The competition was 'How many items could one get into a Standard Matchbox'. At this moment in time I cannot find the piece of paper that I wrote 1st, 2nd and 3rd on. But do not worry I will let you all know next month as it was fantastic the number of items that each person managed to squeeze into a box. Everyone had to have a list alongside naming their contents. The Raffle was drawn and then Caroline closed the meeting with a reminder of next month's plans – on 11th October Dennis Chambers will be talking to us about '**Ghosts, fact or fiction**' **Competition : Spooky Mask**. If you'd like to come and join us for the evening and see if the WI is for you you'd be more than welcome. 7.15pm for 7.30pm and ask for Jayne, Jan or Caroline and they'll
