COMMUNITY SUPPORT

NEIGHBOURS HELPING NEIGHBOURS

A local organisation that aims to support people living in Capel

Staying independent and being part of the community is important to everyone but there are times during our lives when we could benefit from a little help from our neighbours. **CAPELCARES** is a local volunteer organisation run by residents of Capel to support those living in Capel. We can arrange to meet you in your own home to discuss any issues or challenges that you may have. Our volunteers are all local residents who have been DBS checked and have been trained in Safeguarding.

Our volunteers can help you with a variety of issues, including:

- Social visits for those living on their own.
- Home visits to support family carers.
- Assistance with shopping.
- Transport support, i.e. to & from medical appointments etc.
- Small house maintenance/gardening jobs.
- Regular phone contact.
- Helping you make contact with other services.

Referrals can be made by anyone for anyone. Our aim is to help residents in Capel remain safe, secure and independent in their own homes, as well as providing support to residents with unexpected, short term challenges that disrupt routine family life.

NEIGHBOURS HELPING NEIGHBOURS

NEIGHBOURHOOD WATCH MESSAGE FROM ...

Neighbourhood Watch Liaison Officer, South East Kent Police

Please see below the latest from our Fraud Office re the Covid-19 virus and scam attempts:

I have been made aware of the following two scams, both relating to coronavirus, where persons have tried to gain entry to people's homes. If you get any unexpected callers to your door in such circumstances, please do not allow them entry. The Health service will not cold call like this. Additionally, call Police to let them know your concerns. Please make family, in particular elderly relatives aware of these two types of scams.

Scam 1. "I have just been made aware that criminals have tried to enter the home of an elderly vulnerable lady (friend of a colleague, no address / area given) by knocking on her door, telling her that they were from the Health Authority and had to test her for the Covid 19 virus. Fortunately she did not let them in but some might be fooled by this con."

Scam 2. Please be vigilant. Reports coming in of people knocking on doors offering to take temperatures of elderly people. Please do not let unknown people into your house. Please share and tell elderly friends and relatives not to let unknown people in and/or contact Kent Police on 101, in an emergency 999, or online at <https://www.kent.police.uk/contact/af/contact-us/>

At the time of writing there is a lot of uncertainty about what people should be doing in the present health emergency. Until the Village Hall Committee has some clearer understanding of what is happening, it will be business as usual for the village hall. If this changes, then we will let people know but at the moment the hall is open. However, all hirers need to decide for themselves what they wish to do in the current climate.

On a more positive note, the February boot fair proved successful raising just over £300 with many stallholders happy with their sales and wishing to repeat similar success. The Committee has decided to host two indoor boot fairs in the winter months; one in November and another in February which will always be the last Sunday of the month. Please contact Sue Leaning to book a table for the November boot fair. We are also planning a book sale as our current books and puzzles threaten to overwhelm us. Watch this space for further information! At the same time, we have also been asked if we intend to hold a Christmas Craft Fair. We have no immediate plans to do so but if anyone would like to organise it, the Committee would be more than happy to hear from you.

The Committee still intends to take part in the VE75 celebration and run the village fete but obviously we will be supplying regular updates.

Maintenance takes up a large part of our monthly meetings and this month was no exception. Among other things and having painted the main hall last year, the Committee is currently looking for estimates to paint the ladies toilets. If anyone is interested, then please contact Sally Cook on 077304 758383. The work will also include some minor repairs. As you are aware, the Committee is widely supported by an army of willing volunteers but at the moment we are short of people assisting us with setting out the tables etc for the Farmers Market and assisting the stallholder set up. If anyone is interested could they contact the Committee – our details are on the Grapevine contacts page.

Capel Village Hall Management Committee is always grateful for contributions to its book and jigsaw collection and we do want to thank everyone for their ongoing support.

However could we politely ask that donations of books be restricted to fiction, as we find there is little demand for non fiction or instruction manuals etc

Your library is with you at the best of times
... as well as the worst of times

With the decision now being made to temporary closures of Libraries, we are all here still to support you, our local community of our Village, to get you through, during this difficult time.

The Village Hall Management Committee will be opening the foyer, every week day, from Monday, 23rd March, during the hours of 10am - 11am, to allow access to the book / jig saw section.

They hope to have the foyer open longer, but cannot confirm at the moment. PLEASE follow basic Covid-19 ... DO's

* stay at least 2 metres away from other people.

* cover your mouth and nose with a tissue or your sleeve (not your hands) when you cough or sneeze and take your tissues home.

CHURCH SERVICES, April 2020

Parish of Alkham with Capel le Ferne and Hougham
We have been advised by the Archbishops of Canterbury and York that during the present virus emergency, the Church of England policy is that there should be no church services until further notice. Accordingly our parish have cancelled all services at Alkham, Capel-le-Ferne and Hougham with immediate effect. Special arrangements for weddings and funerals can be made with our vicar, who should be contacted in the first instance. We will advise any further changes to the situation.

Church Services

No public church services are being held in our churches at the moment -

BUT

...the  hasn't gone away!

You can still visit a church:

You can still visit the Church of England website:

A PRAYER FOR ALL THOSE AFFECTED BY CORONAVIRUS

Keep us, good Lord,
under the shadow of your mercy.
Sustain and support the anxious,
be with those who care for the sick,
and lift up all who are brought low;
that we may find comfort
knowing that nothing can separate us
from your love
in Christ Jesus our Lord.

**MESSAGE FROM REVD. BRIAN WILLIAMS ...
Parish of Alkham, Capel-le-Ferne & Hougham**

It has been a strange week! Nevertheless, I hope that you are well and have everything that you need. The Church of England has been updating its advice almost daily – you can read it for yourself at

<https://www.churchofengland.org/.../coronavirus-covid-19-guid...>

Sadly, this has led to the suspension of public worship in our churches, though we are trying to arrange for them to be open for visiting and private prayer. If you do, please remember the Government's guidance on social distancing – try to stay about 6 feet away from others to avoid spreading anything! On Sunday morning Archbishop Justin will lead the first virtual national Church of England service. You can read about it here:

<https://www.churchofengland.org/.../archbishop-canterbury-lea...> The service, including prayers, hymns and a short sermon, will be broadcast online by the Church of England and broadcast on BBC Radio 4's Sunday Worship at 8.10 am and 39 local BBC radio stations this Sunday as congregations across the country find new ways of sharing worship together, public church services having been put on hold.

Churches of all major denominations will also be marking a national day of prayer and action this Sunday – Mothering Sunday - particularly remembering those who are sick or anxious and all involved in health and emergency services. Prayer is as important as ever at a time like this – so as well as the readings for this Sunday, please use the links to the online material in the Notices – even better, let me know if you find anything useful that you would like to share with others.

Also, we are asking everyone to stay in touch with each other. See the Notices for details about 'Buddy Groups', please use these to keep in touch with and support each other and let me know if you want to join one and can't find one. If you know of anyone who isn't online and won't have read any of this, please let me know. As always, please keep me up to date with any news and names for the prayer list.

Stay safe and God Bless, ...*Brian*

From the vicarage

First there were floods. Then a plague which, if not Biblical, looks like it will make it into the history books. And when it comes to soap and toilet rolls, a famine, too. Perhaps it takes Coronavirus to bring home to us how comfortable life has been for most of us in the recent past – we haven't had to cope with things like cholera, as people living in Victorian London did and others around the world still do, or the plague, which is mercifully a thing of the past. When we do, people start behaving strangely - we end up with doctors appealing for those visiting hospitals to leave the sanitizer intended for the use of medical staff alone! Wading through the emails that have arrived in my inbox over the past week about the precautions that churches must now take made me wonder: if I was asked to preach a sermon about Coronavirus, where would I start? I thought that I might start with John the Baptist, the one who the gospels say appeared in the desert to prepare the way for Jesus. Crowds went out to the River Jordan to hear him speak. What was coming, he warned them, was a crisis that would demand something of them. When the crowds ask what they should do, he replies: *Whoever has two coats must share with anyone who has none; and whoever has food must do likewise.* A crisis is best met with generosity: John would have urged us to share, not hoard. Easter is approaching. For many, it's about chocolate and bunnies – but for Christians the story represents the triumph of love and life over death and despair, and offers hope when life seems uncertain.

Stay safe, and God bless you this Easter. ...*Brian*

VE DAY 75 CANCELLED

I am afraid that the terrible Coronavirus emergency has caused us to make the difficult decision to cancel the VE Day 75 community celebrations due to take place on the bank holiday weekend of 8th – 10th May. It is right and proper that people should be kept safe and healthy. My sincere thanks to everyone who registered their events and were looking forward to celebrating VE Day 75. I know how disappointed you will be that these cannot now go ahead. However, we are still encouraging the solo piping element to continue from a safe and suitable location, such as their homes. I am hoping that all the events you have so carefully planned can be moved to the weekend of 15th – 16th August when we will be able to celebrate VE Day and VJ Day, both momentous days in our history. I am in communication with the Department for Digital, Culture, Media and Sport regarding this and hope to be able to give you more news in the coming days.

With my very best wishes, Bruno Peek LVO OBE OPR, Pageantmaster VE Day 75

VE DAY 75 CANCELLED

In view of the above cancellation decision made for 8th-10th May, no doubt our Capel-le-Ferne Village Organisations will regroup, when it is safe to do so, to re-plan events for the weekend of 15th - 16th August 2020.

🍀 Fingers crossed 🍀 We will have that Street Party! 🍰🍩🍪🍫

Remembering the Few - at the National Memorial to the Few
Although there is a small charge for parking and the Scramble Experience, we keep the Memorial completely free to visit. With no public funding, we rely on the generosity of donors. We hope supporters will help by donating via our new charity giving partner 'JustGiving' here.

<https://www.justgiving.com/battleofbritainmemorial>

The Trust regrets that in the light of announcement regarding the closure of pubs, clubs, theatres, leisure centres and other public spaces, The Memorial Trust has no option but to close The Wing and the car park at the site with immediate effect.

Although the Trust did its best to keep the site open for as long as it could, this is no longer possible under current guidance. As always, the clifftop site will remain open all day every day to visitors on foot via the pedestrian gate, but the visitor facilities, including the car park, will be closed.

Visitors who enjoy the outside features at the site, including the National Memorial to the Few and the Christopher Foxley-Norris Memorial Wall - along with our replica Spitfire and Hurricane and the new Stuka art installation - are urged to donate to the charity using one of the collection boxes on site. The Trust receives no public funding, and with no cafe, shop or Scramble Experience income, donation are increasingly important.

The Memorial Trust has been able to re-schedule the majority of our Spring 2020 talks for later on in the year.

- Dilip Sarkar: Battle of Britain 1940: The Finest Hour's Human Cost - This has now been re-scheduled for 27th September (originally planned for 28th June)
- Melody Foreman: The Wreck Hunter – This has now been re-scheduled for 4th October (originally planned for 3rd May)
- Richard Kornicki: For Your Freedom and Ours – The Polish Air Force in the west – This has now been re-scheduled for 11th October (originally planned for 22nd March)
- Anthony Inglis Howard-Williams: My RAF Family - This has now been re-scheduled for 18th October (originally planned for 5th April)
- Christopher Joll: The Spoils of War – This has now been re-scheduled for 1st November (originally planned for 31st May)

**CAPEL-LE-FERNE RESIDENTS - ARE YOU BORED WITH ISOLATION ALREADY, OR IF YOU GET BORED ... JOIN IN!**

One of our Parish Councillors is interested in producing a collection, initially online, of simple store cupboard stand-by recipes, or those handed down from rationing by your family. Including, vegetable-based recipes, as these seem a little easier to obtain at present.

Having just made her Mum's fish cakes, this idea was born and as we are lucky enough in this day and age, we are able to freeze anything not used. If you have any gardening or other tips that you have tried and tested that others may find useful, please consider including them also.

So, whilst you are restricted to home during this present situation that we all face, do some digging and delving of your memories and send us your recipes and tips. This might be inspirational for us all as we start to get stuck for new ideas which taste of something or could help each other!

These can be forwarded, in any format, even handwritten, via our Parish Council Clerk who will pass on for collation. Further details will follow on how to access results that are hopefully received. Email: clerkcapellefernepc@btinternet.com.

Address: 39 Victoria Road, Capel-le-Ferne. CT18 7LT. Thank you.

It will now take place on October 10th. (Covid-19 willing). By October, life for all of us might be less fraught and we will be able to return to normality. Parish of Alkham with
Capel le Ferne and
Hougham

We have been advised by the Archbishops of Canterbury and York that during the present virus emergency the Church of England policy is that there should be no church services until further notice. Accordingly our parish have cancelled all services at Alkham, Capel-le-Ferne and Hougham with immediate effect. Special arrangements for weddings and funerals can be made with our vicar, who should be contacted in the first instance. We will advise any further changes to the situation.

CAPEL-LE-FERNE EVENING WI

Hello Everyone. At our March meeting, Pam welcomed a well-attended group of us for the evening, she then introduced Gary Jordan our speaker for the evening talking to us about "The Demon Brood" which is what he referred to the family of Henry 11. Henry's wife Eleanor with whom he had 8 children, was beautiful, well educated, ambitious, wealthy, powerful and had a great empire and land which of course on her marriage went to Henry, he then ruled more of France than the French did. Henry was crowned King in 1154 when he was 21 and was known for his very bad temper. Henry made some legal changes to the common law. Henry had Dover Castle built between 1181 and 1189 costing more than £6,500 which was a great deal of money back then.

Kings were well known to have many mistresses but Henry had a favourite and Eleanor was not happy with that and got her sons to side with her to try and overthrow Henry she was imprisoned in a palace for 16 years. The King became good friends with Thomas Becket despite coming from completely different backgrounds and made him the Archbishop of Canterbury at a time when the church was more powerful than the King, after a conflict and misunderstanding his knights killed Thomas Becket in Canterbury Cathedral. Being very upset Henry went to the Cathedral barefoot and allowed himself to be flogged by the priests. Thomas Becket's Chapel is still in Dover Castle to this day.

Richard the Lionheart was crowned king in 1189 and spent little time in Britain as he was always away crusading, a strong military man and ruthless. When he as captured the ransom was 34 tons of gold. Richard died from Gangrene from a crossbow arrow shot accidentally.

John became king, a very nasty and cruel man. John made the Magna Carta Charter which was mainly to help the rich but it made the peasants more equal in some laws. John went on to fight the Barons in a costly Civil War, he was a poor but unlucky commander who lost an entire treasury, he died of Dysentery after eating a fish supper.

When the talk and power point presentation was over and the lights went back on Gary answered lots of questions, Jan thanked Gary for his very interesting talk. After refreshments and a chat, we went back for a catch up on news and future events then Christine gave us a quiz on places in the U K, some clues were easy but some tricky ones left us without an answer. The ones with most points had little packs of chocolate as a prize. The competition Something Kentish was won by Gillian with her Tonbridge knife, Glynis 2nd with her book on Kentish miners and 3rd was Jan with her Canterbury Cathedral picture plaque. The other competition was making something with a Bee which was won by Jill with her beautifully embroidered and beaded Bee in a hoop. The raffle was next with some nice prizes and all to soon the evening was over.

If you would like to give us a try you will be sure of a warm welcome, interesting talks, lots of fun, a chance to meet old and new friends, we have lots of sub groups such as darts, scrabble, home economics ,book club, lunch club and craft club. You can come along to the meetings 3 times for free before you decide if it is for you, bring some friends if you don't feel like going on your own, whichever way we will make you welcome, just come along to Capel Village Hall on Tuesday May 12th 2020 at around 7.15 pm. (May be subject to cancellation)

NEIGHBOURHOOD WATCH

BE AWARE ... STAY ALERT

Coronavirus - Scammers Active in Kent

Coronavirus - Scammers Active in Kent

We continue to work with our community safety partners to help protect residents. Our partners at Kent County Council Public Protection have issued the following alert. Scammers and criminals are already looking for opportunities to scam people as a result of the Coronavirus / COVID-19 pandemic. Happily, there are many more stories of kindness and generosity, but partners want to make people aware of the scams as they emerge. KCC has received reports from Kent Police of people door-knocking and claiming to be from the Health Authority.

What happens:

- * The criminal knocks on your door
- * They claim to be from the Health Authority
- * They offer to do COVID-19 testing on residents
- * There are also reports of the criminal offering to take the residents temperature.

THIS IS A SCAM!

What to do:

- * Do not let them in
- * Do not allow them to take any money or details from you
- * Report to Kent Police on 101
- * If you ask them to leave and they don't, contact the police on 999. Please warn vulnerable family members, friends and neighbours.

Report:

There has been a report of an elderly Kent resident who lost money when they gave their bank card to someone who offered to do some shopping for them. They received one of those cards through their door and an individual offered to help, however, they actually stole money from the resident and were not seen again. Don't ever give your bank or card details to anyone, even if you think you know them very well. You could either agree to pay in cash after they have delivered the shopping or pay them online if you have the facility to do so. Or maybe you could agree another method of payment - but never give your bank or card details.

NEIGHBOURHOOD WATCH MESSAGE FROM

Volunteer & Neighbourhood Watch Liaison Officer, South East Kent Police

Top tips to keep your valuables safe

- At home, avoid leaving keys or other valuables on display near windows or doors.
 - Consider installing a good quality safe to the appropriate British/European standard.
- Safes should be bolted to a solid wall or floor and concealed, for example in a cupboard or fitted wardrobe.
 - Further information on safes can be found at www.securedbydesign.com
- When you go out, only take with you what you need – leave valuables at home.
- When out and about, keep valuables out of view (for example in a zipped pocket) and spread them around your person.
 - Use a purse chain if you can.
- If you have a bag, keep it fastened and to the front of your body where you can see it.
- Never leave your belongings unattended or in easy reach, for example on the top of a pram, a shopping trolley or a mobility scooter.

Older and disabled people will be able to use their bus passes before 9.30am, Kent County Council has announced.

The passes will be able to be used on services provided by **Stagecoach, Arriva, Go Coach and Nu-Venture.**

Holders of a senior citizen and disabled bus pass were previously able to travel for free on buses after 9.30am, but following discussions with these operators, this condition has been removed. KCC Cabinet Member for Highways and Transport Michael Payne said: "I'm very grateful to Stagecoach, Arriva, Go Coach and Nu-Venture who have worked with Kent Highways and Transport to extend the use of the bus pass on their services before 9.30am. "This is something that will be extremely helpful during a time when some shops are opening early specifically for the older generation to support them during the ongoing coronavirus pandemic.

"Our public transport team is working hard to extend this to other operators in the coming days.

East Kent Hospitals University NHS Foundation Trust

To help prevent the spread of infection, we have changed visiting arrangements for our patients - one visitor at a time to come to the hospital if they are visiting patients on our wards. We appreciate this is not always possible so please speak to a member of staff if this causes inconvenience.

How coronavirus is spread

Because it's a new illness, we do not know exactly how coronavirus spreads from person to person.

Similar viruses are spread in cough droplets.

It's very unlikely it can be spread through things like packages or food.

Pregnancy advice

If you're pregnant and worried about coronavirus, you can get [advice about coronavirus and pregnancy from the Royal College of Obstetricians and Gynaecologists](#).

Travel advice

There are some countries and areas where there's a higher chance of coming into contact with someone with coronavirus. If you're planning to travel abroad and are concerned about coronavirus, see [advice for travellers on GOV.UK](#).

Treatment for coronavirus

There is currently no specific treatment for coronavirus.

Antibiotics do not help, as they do not work against viruses.

Treatment aims to relieve the symptoms while your body fights the illness.

You'll need to stay in isolation, away from other people, until you have recovered.

CORONAVIRUS ADVICE

Stay at home for 7 days if you have either:

- a high temperature
- a new, continuous cough

Use the NHS111 Coronavirus service if:

- you feel you cannot cope with your symptoms at home
- your condition gets worse
- your symptoms do not get better after 7 days

Do not come to the hospital - follow the above advice

Coronavirus

Wash your hands with soap and water more often for 20 seconds

Use a tissue to turn off the tap.
Dry hands thoroughly.

Kent County Council's environment champion is calling on advertisers to insist waste carriers include their licence number in advertisements.

KCC, together with district and borough colleagues, is urging companies that sell advertising to insist it is part of the text in a bid to crack down on flytipping.

KCC Cabinet Member for Environment Susan Carey said: "There isn't currently a legal requirement to display carrier registration numbers which means anyone can advertise their business without having to prove they're registered.

"Some operators use their registration number as part of their advertising to prove legitimacy, but many don't – that's not to say they are not legitimate, but if they were made to, we could squeeze illegitimate operators out of the trade.

"I'm urging those that carry advertising to ensure all of their customers in the waste disposal trade do this."

One of the biggest areas of concern is on social media, particularly Facebook pages and groups where anyone can advertise for free.

Mrs Carey added: "I would urge owners of Facebook pages and groups to not allow users to post advertisements for waste removal unless they can prove they're a legitimate business.

"It might seem innocuous that a 'man and a van' is offering to remove people's unwanted items for a few pounds, but it can leave a huge bill for your district or borough council or for a private landowner such as a farmer, if they turn out to be a rogue trader.

"The cost to remove the waste hits farmers hard in the pocket, not to mention the environmental impact on rivers, soil, grazing animals and wildlife. It's unfair that rogue traders can leave legitimate businesses suffering."

Rogue traders often target householders with cheap rates to take their rubbish away and then dump the waste, leaving the bill for removal and disposal with others. If the waste is traced back to its original source, it can leave people with a fine of up to £400.

KCC has funded a £250,000 anti-flytipping campaign, working with Kent Police and the district councils to target criminals who damage the countryside and to raise awareness of the risks of using unlicensed waste carriers.

Flytipped waste delivered by the district and borough councils to KCC for disposal between June and November reduced by 1%, equivalent to nearly 16 tonnes, compared with the same months in the previous year.

Residents are advised to check the waste management operator they use is a registered waste carrier:

- Registration documents should be available on request and should be inspected before services are rendered or money paid.
- You can check environmental permits and waste carriers' licences online by searching the EA public registers or call 03708 506506.
- Get a written receipt/transfer note complete with contact details, a description of waste removed and details of where the waste is being taken to.
- Note down the vehicle type, colour and registration number of the vehicle that's taking your waste away.
- Report suspected waste crime to the EA incident hotline 0800 807060 or anonymously to Crimestoppers on 0800 555 111.

NEIGHBOURHOOD WATCH MESSAGE FROM KENT POLICE.

BE AWARE ... STAY ALERT

Secure your property – rural areas

Rural or remote properties, or settings that offer privacy away from public view, are more at risk of being targeted by criminals.

- Close and lock windows and doors when you go out, work in the garden or tend to other areas of your property.
 - Keep the boundaries of your property well-maintained and secure to keep out unwanted visitors.
 - Restrict access to your land and property with locked gates.
 - Fit adequate locks to sheds, garages and outbuildings and consider fitting shutters or grilles to windows, or blocking them completely.
 - Consider installing security lights, alarms and CCTV to deter intruders and maintain visibility, particularly in dark or sheltered areas of your property.
- Check security equipment regularly to ensure it works properly.

Stay at home guidance: waste collections

We're prioritising the delivery of key Council services. Maintaining your household waste and recycling collections is one of our top priorities. Our household collection teams are out and about as usual. We know that many of you are now working to different daily routines, so please don't forget to put your waste and recycling out as usual.

How you can help

You can help us maintain the integrity of our waste service, and help keep our collection crews safe and well by following the Government's Stay at Home guidelines on waste.

Disposing personal waste

Personal waste (such as used tissues) and disposable cleaning cloths can be stored securely within disposable rubbish bags. These bags should be placed into another bag, tied securely and kept separate from other waste. This should be put aside for at least 72 hours before being put in your usual external household waste bin (not recycling). Other household waste can be disposed of as normal.
