

Public Release Notice

The Remembrance event at the Memorial Plinth, Lancaster Avenue, at 11am on 11th November, will be adjusted this year to ensure the event is as safe as possible, following latest Government Guidance.

The COVID Alert Levels, across all tiers, provide for a specific exception for Remembrance events for participants and spectators, provided appropriate precautions are undertaken by the event organiser. It is important to consider other local restrictions which may apply in your area, at the time of event. You can find out here: [whether additional measures apply in your area](#).

Members of the public are legally permitted to stop and watch the event as spectators, but must observe the rule of 6 and social distancing rules. Reasonable steps will be to ensure the public attend alone, or do not mix in groups larger than 6 when in an outdoor public space (unless they are from one household/support bubble).

The event will be:

- short and focussed on wreath laying (*wreaths will be sanitised before distribution*)
 - take advantage of opportunities for wreath layers to represent wider groups
 - not involve communal singing
 - keep numbers to a minimum, focussing attendance on those wishing to lay wreaths (*more information on who can attend below*).
- Just 6 representatives from Village Organisations to lay wreaths at 11am, i.e. St Radigund's Church, Baptist Church, Primary School, Pre-school, Village Hall and Parish Council. Public are welcome to lay their own wreaths or tributes at the Village Memorial, either prior to 11am or after the Village Organisation Representatives have moved away.*
- take reasonable steps to minimise wider public viewing, encouraging the public to observe the rule of 6 when spectating
- A video of the event will be made and posted on Parish Council Facebook Page <https://www.facebook.com/CapelleFerneParishCouncil/> Website <https://www.cappellefernepc.org.uk/> and via the NHW email Database.*
- observe [social distancing](#) at all times
 - Track and Trace - Reasonable steps to record the contact details of those attending (including those present in a working capacity, and members of the public who stop to spectate).
 - if attending, Public are urged to complete the relevant track and trace form available on the day.
