Well the recent Zoom meeting of Capel Village Hall Management Committee went extremely well and quick this month as we got through quite a lot on the agenda. After spending some time on the Farmers Market (more on that later) we decided that it would be a good idea to put some things in the village diary. Particularly as we have been asked about these things on more than one occasion. So there will be no village fete this year or at least not one organised by the committee. We have however set aside a date for a village fete next year. So put June 25<sup>th</sup> in your diary for 2022. Volunteers, ideas and offers of help and sustenance gladly received. A sub committee will be set up in the near future and its first meeting will be broadcast on the internet and at the hall so keep your eyes peeled. Failing that just contact the Trustees. The Garage Safari will be going ahead this year on the 5 September. More information will be released on this in next month's Grapevine. Also this year we plan to have a book sale. You have all been very generous with your donations of books and puzzles to the point that in common with a lot of charity shops this week, we have been somewhat inundated. Not that we are complaining – absolutely not – but we have decided to have a book sale at the hall to help us reduce the numbers a little. For this we have chosen June 6 between 10 and 12. There will be tea, coffee and cake also available proceeds of which will go to a local charity. Any thoughts on which charity will happily be debated. One of the lovely things about Zoom (in between freezing) is that you can record meetings. We discovered this by accident in a previous meeting when by mistake I pressed the wrong button. It has meant that whoever takes the minutes can participate freely in the discussions without missing anything and the minutes are accurate. Of course it is a bit odd listening to the sound of your own voice!! But I think most of us would like to be able to get back in the hall for some proper face to face meetings. As previously mentioned, we spent some time discussing the Farmers Market, each person taking responsibility for separate parts of the operation. I would like to thank Chris Pegler at this point who has taken over responsibility for marketing the hall and the Farmers Market on Facebook and the net, and also the Parish Council in the personage of Maureen Leppard who is also helping us

We have two new stalls including cut flowers grown by the vendor and a local writer who will be having new stalls alongside the fruit, veg, bread, jams, wool, bags, jewellery, candles, plants, cards, a photographer and a new egg stall. Barry, Michael and Roy are stars in organising the stalls and Cherry continues to do a lot of the running around behind the scenes. Someone else I would like to thank is Jan, our Community Warden, who has supported us all through the pandemic and out the other side.

Another thing discussed at the recent meeting was a visit from Kent Fire Brigade to do an assessment for the hall's plans in the case of fire. This took place this last week and lasted several hours. On a scale of 1 to 5, one being broadly compliant and five being dangerous and totally unacceptable (they shut you down apparently) we scored one. So thanks to everyone over the years who have facilitated this and also the current trustees who helped in the preparation of the visit.

The last thing I want to say is this. Running the hall has not been easy over the past year with new COVID 19 legislation to read and understand, the rules changing, introducing signage and sanitisers to the hall, risk assessment, track and trace..... the list is endless and the trustees, cleaner and lettings secretary have worked hard to ensure the hall has continued to remain open when it could and viable when it couldn't. But we want to thank the residents of Capel too who have been supportive, turning out to the Farmers Market when they can, bringing books and puzzles for the use of others and also for observing (most of the time) the social distancing and facemask issues, and not minding when they were gently (mostly) reminded of them. Our plans may yet change because of COVID but let's be optimistic and enjoy the long hot summer ahead of us. I did say optimistic right?

**RECYCLING - INSIDE THE HALL**

**Boxes are provided for:**

**Used Stamps for Donkey Sanctuary and  
McMillan Cancer.**

**Bottle Tops are also being collected again.**

**Please place the above in the relevant boxes.**

**A big thank you to everyone who puts their used  
stamps in the box in the Village Hall.**

**Please carry on for these good causes.**

**CAPEL-LE-FERNE FARMERS MARKET**  
**Community event run by and for the community**  
**Every Tuesday 10 am to 12.00 noon.**  
**Village Hall, Lancaster Avenue, Capel-le-Ferne,**  
**Folkestone CT18 7LX**

**Visit us on Facebook <https://www.facebook.com/groups/Capelfarmersmarket/>**

**The Farmers Market now consists of:**

Bread and cakes from Farthingloe Farm as before. They will also be selling fresh free range eggs.  
 At the Veg Out! Stall you will find all sorts of yummy day-to-day vegetables, such as Carrots, Onions, Potatoes, Salads and Greens.

On the fruit side of things, we will bring you good ol' Apples, Pears, Grapes, Berries, and exotics such as Jelly Coconut, Pomelo, Avocados, and Mangos.

You will find a selection of Craft Beers brewed in Capel-Le-Ferne by The Brewery of Angels and Demons, Ciders from Sittingbourne, and a selection of Wines.

We also have our own brand of Coffee – This Is Coffee, and a selection of Lost Sheep Coffee Beans and Capsules.

Over 700 books (novels) at the hall. It's the village "library".

All donated and also generates over £500 a year via the honesty box.

The library is open on a Tuesday during the Farmers Market we can't accept book donations at other times of the day re the pre school and the safety of the children .

### From the vicarage

Sitting with a cup of tea and clicking through the channels with the TV remote, I came across an old film that I hadn't seen in years. And since *Emperor of the North* features spectacular landscapes and steam trains, my cup of tea lasted much longer than intended.

Set during the Great Depression in 1930s Oregon, the plot features a battle of wills between a crazed train conductor (Ernest Borgnine) who will stop at nothing to see that no one ever gets a free ride aboard his train, and a tramp (Lee Marvin), whose reputation for outwitting Borgnine has led other tramps to dub him *Emperor of the North*.

Another, younger man (Keith Carradine) attaches himself to Marvin. Jumping aboard moving trains and hiding in freight cars, the older man looks out for the younger one as they face trial and tribulation together. But the partnership crumbles; the young man is interested only in himself, and in stealing his mentor's crown. When Marvin and Borgnine finally fight it out aboard a flat wagon, he just stands and watches.

It's a temptation almost as old as time itself. We depend on each other for so many things in life - but at the same time the thought of being the one who gets noticed, takes the credit and wins the admiration of others is so enticing. The New Testament tells us that even Jesus' disciples struggled with it; more than once he had to remind them that for them, true greatness lay in serving others rather than in being served themselves.

A similar point, perhaps, to Marvin's parting shot to his selfish protégé in the film's final scene as he throws him from the train into a pond: *You had the juice, kid, but not the heart...* **Brian**

Hello Everyone, well the weather is looking a lot brighter now and hopefully might stay that way for at least a little while. It is good to see all the beautiful colours of the spring flowers everywhere and what a treat to see all the daffodils on the road verges and around the village hall, a lot of these were planted by the W.I. who thought it would be a nice way to remember our past members who had died and arranged to have them planted near to where they lived or at a favourite place of theirs.

There was a nice surprise for the members just before Easter to receive a little homemade package decorated with Easter adornments of rabbits, baskets and flowers, it was filled with little chocolate easter eggs, a very moreish treat.

We have had another bag delivered to us instead of our usual monthly Tuesday meeting, inside there was 2 labelled packets of sunflower seeds, one had yellow seeds and the other mixed colour ones all carefully put in tiny bags inside a small flowery envelope.

Alongside the envelope was a sheet of instructions on how to grow the sunflowers for the competition later in the year.

We had a plastic bag with 6 homemade flower seed bombs already to go into the garden or flower pots, they contained a variety of seeds that will help with wildlife such as bees, butterflies and different types of bugs. The flowers will look nice as well as attracting the insects to the pollen which then will help the environment.

Hoping that you all are all keeping well and will look forward to seeing you all soon.

## CAPEL-LE-FERNE PARISH COUNCIL

**\*\*\* \*\* UPDATE \*\*\* \*\* UPDATE \*\*\* \*\***

**The SKATE-PARK AREA is now OUT OF USE DUE TO VANDALISM.**

This action has been taken for Health & Safety reasons,  
following a risk assessment of damaged top to middle ramp.  
Several layers of the wood have been melted away, causing a trip hazard.

Concerns that wet weather, even if covered,  
will get into the wood and may result in the panels becoming soft, leaving the question of being unsure  
what pressure it will take before collapsing.

Please do not climb over fence and use the facilities,  
as dated/timed "warning" photos have been taken of the notices and chained gate in situ,  
for insurance purposes.

Endeavours will be important to the Parish Council  
to open the Skate-Park as soon as possible.

Bonfires are often used to get rid of garden wastes.  
This can lead to smoke and fumes which may cause problems for those  
living and/or working close by.  
Smoke can interfere with a neighbour's enjoyment of their garden,  
put them off opening windows and hanging out washing.

### How do I dispose of waste that I would usually burn?

These days it is not necessary to burn waste. Most areas in the district now have kerb side collection for both garden waste and recyclables. If you are a keen gardener composting is a good alternative to burning. If none of these options are suitable you will find that the Kent County Council Household Recycling Centres (Tips), will accept most waste items and recycle it.

### Government legislation

Section 79 of the Environmental Protection Act 1990 refers to nuisances caused by smoke. It may well be that smoky bonfires could be a contravention of the Act if they occur on a regular basis, and prosecution may result. It is, however, the view of this Authority that most people are proud of their civic responsibility as they are of their own gardens, and will consider their neighbours before lighting a bonfire.

Further information and guidance on bonfires is obtainable by contacting Dover District Council's Environmental Protection Team on 01304 872428 or visit their webpage <https://www.dover.gov.uk/Environment/Environmental-Health/Air-Quality/Garden-Bonfires.aspx>

There was a white transit going round village, it passed me twice while walking my dogs on Helena and Avondale Roads. They were seen looking into skips in gardens too. It may be nothing but thought I'd say as other people have seen them on other days too.

Think about the last time you parked your vehicle... did you stop to check there was enough space for a fire engine/ambulance to pass by? Or, Refuse vehicle and Delivery van?  
Fire engines need 3.1m to get through, but a gap of nearly 4m to actually operate the fire engine at an incident.  
So if you're parking anywhere this weekend, and it looks like there isn't quite enough space, please move your vehicle - someone's life could depend on it.

## VOLUNTEERS REQUIRED AT FOLKESTONE VACCINATION CENTRES

As some volunteers are now returning to work there are vacancies for additional volunteers week beginning 12th April.

There is a full schedule for Debenhams posted for the week starting 12th. Click [HERE](#):

<https://appt.link/folkestone-drive-through-centre>

There are some unfilled shifts this week also. Please have a look.

We are still waiting for confirmation of Civic Centre times for next week, so please watch the booking system and I will email again once we get further information.

Please bear with us over this uncertain period for vaccine supply.

The fact is that the programme has gone extremely well locally.

Up to 10 days ago 61000 of the adult population of F & H ( out of 91000) had had a first dose.

Much higher than the national average of 53%, and many are now having second doses.

Many thanks.

### **Kent Homeless Connect – A Message of Hope**

Kent County Council (KCC), with partners Porchlight and Look Ahead, have a message of hope for some of the county's most vulnerable people on World Health Day which was on the 7th April.

Kent Homeless Connect (KHC) has been designed by Kent County Council (KCC) for people experiencing homelessness, or at risk of being homeless, who also have complex needs such as mental or physical ill health or drug or alcohol problems. It is delivered by two charity partners – Porchlight and Look Ahead, bringing together a wealth of services and providing people with a one-stop-shop approach to finding the support they need.

Steve Kennett spent three years living on the streets, battling his addiction to drugs, before eventually going into recovery. He entered a rehabilitation centre that he later became a volunteer for. The support Steve received enabled him to obtain valuable qualifications and he went on to gain full time employment with KHC in Tunbridge Wells, using his experience and understanding to help others to turn their lives around. In Steve's words:

"This service is so important because people who are in the desperate place that I once was, will find it much easier to get support.

"If you are living on the streets anything that makes it easier for you to get support, or for your family and friends to find help for you, is so important."

Designed for equal access to services, regardless of postcode, Kent Homeless Connect works across the entire county and is a first for Kent. It means that support is simple to reach because it brings together access to services across local authority boundaries.

Kent Homeless Connect recognises that people with very complex needs are likely to need support from a range of services at once. It brings together local expertise to make that possible throughout Kent, so support can be coordinated and tailored to the needs of each individual wherever they are, ensuring some of the most vulnerable people in the community are able to quickly access the right high-quality support.

The Covid-19 crisis has increased the health inequalities for this hard-to-reach group and a new website has just been launched to help potential clients and professionals access the service easily, along with an online eligibility checker, that identifies whether someone qualifies for this specialist support. The website, and further information can be found at <https://kenthomlessconnect.org.uk/>

Clare Maynard, KCC Interim Strategic Commissioner said:

"KCC is committed to making access to vital services as easy as possible for those in need of support and is extremely proud of the success of the Kent Homeless Connect partnership service in achieving this.

"By bringing together a wealth of specialised services for homeless people with complex needs into a single point of contact, some of our most vulnerable people have been able to vastly improve their health and quality of life by quickly finding the right combination of support without the sometimes confusing need to navigate services individually.

"The launch of the streamlined new website will go on to further simplify access to this service and I would like to thank our partners, Porchlight and Look Ahead for their hard work in making all of this possible."

Donna Pearson, Head of Operations at Look Ahead said:

"Look Ahead is delighted to increase access to those who need it the most in Kent. We are pleased to work in partnership with Porchlight to deliver these services on behalf of KCC.

"We are committed to bringing the highest quality service within easy reach of vulnerable homeless people with the most need and we hope, that with the launch of the Kent Homeless Connect website, even more people will be able to access support. Our aim is to continue providing specialist help for people to recover from homelessness giving them the tools to begin a new chapter in their lives."

Sarah Porter, Porchlight Performance and Partnership Manager stated "The theme of this year's World Health Day is building a fairer, healthier world for everyone. People who are vulnerably housed or homeless, particularly those who are rough sleeping, have some of the worst health outcomes in the country. For people with very complex, overlapping issues such as mental ill health and substance misuse, it can be hard to access the care and support they need.

"Kent Homeless Connect brings together a network of services to address people's needs in a connected way, ensuring that the right support, focused on the individual, is in place.

"Porchlight is very proud to be working with Kent County Council and Look Ahead to deliver this important service. The launch of the new website will help more people with very complex needs access specialist and targeted support so they can regain their independence and move towards a more positive future."

If you are interested in receiving support from Kent Homeless Connect for yourself, or someone you know, you can call free on 0800 567 7699 or email [info@khc.org.uk](mailto:info@khc.org.uk)

In the 21st century it is a disgrace that many homeless people in our county and nationally should have to endure night after night sleeping in an insecure place open to the elements without one substantial hot meal a day. It would be lovely to see the local authorities construct or convert buildings into small purpose built hostels in each major town in our county where the homeless could have a safe room on a temporary basis for up to six months to allow the collaborative partnerships to arrange for them permanent accommodation, which would provide the vital points of having an address, in order that they can open a bank/ post office account which are one of the very reasons they have difficulties applying for rented accommodation and job interviews. Let us put other projects which will be costing millions of pounds, such as the Dover Fast Track bus service, on hold until we have resolved the very pressing issue of caring for our very own people first. Signing out.

Thank you all.
