STOP PRESS

Because of the government decision to delay lifting of restrictions the volunteer/new resident welcome lunch planned for July is now postponed until the 7th August. If you are interested in attending, please contact Sally Cook on eures1994@yahoo.com or 077304 75838

PLEA FOR HELP

The Farmers' Market runs every Tuesday and our volunteers put out tables and chairs, help put out the goods for sale and then at midday put everything away again. We really do need help with this, particularly at 12 o'clock. It takes only half an hour and if we had four volunteers that would mean only half an hour per month. If you have half an hour to spare at midday on a Tuesday, could you contact Sally on eures1994@yahoo.com or 077304 75838

This month marked a change for the Committee as we held an actual meeting in the hall after months of virtual Zoom meetings. It was great to be back together again albeit at 2m intervals. It did enable us to concentrate on the issues at hand, particularly on improvements for the hall. It was decided to replace the electrics in kitchen and small hall for LED fittings and the flat roof, needs to be checked out (as we do annually). Plans are also in hand to paint the hall foyer – sometimes the hall takes on the appearance of the Forth Bridge.

The book sale proved successful with an estimated 400 books sold – the money from refreshments will be going to Action on Homelessness for Folkestone. Thanks should go to Roy Mann and an army of volunteers who turned up to help. Following the Government announcement to delay lifting of restrictions, the planned lunch for new and existing volunteers and residents new to the area, has been postponed until August 7th. Anyone new to the area over the last 18 months will be welcome. We hope to invite some of the hall users to the event, so that you can find out about some of the activities available at the hall. Lunch will be served. Numbers will be restricted because of COVID, even if current rules are lifted. So if you are interested, please contact Caroline Bunting on c.bunting@btconnect.com or Sally Cook on eures1994@yahoo.com.

The Farmers' Market is doing well – we have a new cheese stall which will be at the hall every third Tuesday in the month. The better weather has meant, that people can take their teas and coffees outside, although we do have seating inside now, socially distanced. We do need a meat/deli stall so, if anyone knows someone who would be interested, do please let us know. We are also making plans for next year's village fete – if anyone would like to help out, have a stall or generally taken part, then contact the trustees or ask for Sally at the Farmers' Market on Tuesday morning.

More organisations are now using the hall, which means that it is more important than ever, that people respect the changeover and social distancing rules operating at the hall. Everyone is given extra time for cleaning at the moment, and we would ask people to both respect and use this, allowing people who have the hall before you to leave the hall before you enter. We are grateful to all those who have shown flexibility and consideration for others when using the hall.

At our next meeting, conversation will be centred on the Garage Safari, which this year is planned for the 5th September. Further details will be available in next month's Grapevine.

From the vicarage

Say One For Me – it's the sort of remark that churchgoers sometimes hear as they set off for church on a Sunday morning, usually from a neighbour who's engaged in gardening or washing the car. It also inspired the title of a book that sits on my bookshelf about the fact that there are some people who may not choose to attend church themselves but are nevertheless glad that others do.

For people of faith prayer is as natural as a conversation with a friend. Yet it can be surprisingly controversial. I have seen people bristle at the thought that someone might be praying for them. When Richard Dawkins, the celebrated biologist and outspoken critic of all things religious suffered a minor stroke a few years ago, the Church of England asked for prayers for his recovery on its website – only to be accused by some of 'trolling'! The discussion went on: if prayer works, great! If it's all nonsense, where's the harm? There are certainly those who are comforted by the thought that others are praying for them – we remember those who have asked for our prayers at our services, and others pray for them privately.

But we live in strange times, and I've recently noticed something that I haven't noticed before: I've taken phone calls from people who I cannot recall ever having spoken to before, but who having been left stressed and anxious by the pandemic want to know that someone is praying for them.

And judging by some of the messages I've received from them, it seems to be working.....**Brian.**

CAPEL-LE-FERNE EVENING WI

Hello everyone, Well the weather has certainly improved with the glorious sunshine, even if it is a bit too hot for some of us. At long last a chance to sort out the garden and do a few little repairs outside. Next on my list will be to get some paint and start doing a bit of painting to spruce up the fences, bench and bird table and then after that to pot up some seedlings. That should keep me occupied and stay out of trouble for a while. The sunflower seeds we were given haven't done too well. Some of them just didn't do anything, others poked their heads up above the soil and then did a disappearing act, while some just got a bit straggly then keeled over and then died on me. But, I still have 4 that are surviving at the moment, how long for I will have to wait and see. It will be interesting to see at the July Garden meeting who has grown the tallest sunflower.

I think we are all hoping that Mr Boris doesn't change his mind and delay the dates we have for the group meetings. We are so looking forward to, with all our plans, to meet up.

If we are allowed and the date hasn't been put back, our first meeting will be outside in Carolyn's Garden on the 22nd June. We will have to be careful to still keep our distance from each other. It will be so nice to find out just what everyone has been up to and what new hobbies they may have found, or any renovations around the house they might have done. Or, like probably most of us, clearing out clothes and odd things we no longer need that are usually hiding at the back of cupboards, along with the odd spider. It will be good when Jean has her big jumble sale which, looks like it might be a real bumper one or, it could even mean having to have two with so much stuff, and of course if and when it can go ahead.

Once we have had all our garden meetings perhaps, we can get a bit bolder and eventually get together in the hall once again, especially when the weather starts to cool off in the Autumn.

Looking forward to seeing everyone at our first meeting.

Most of us enjoy the hot weather,
however, when it's hot for too long -
there can be health risks.

Here are some tips to cope during a
heatwave:

- ☀ Look out for those who may struggle to keep themselves cool and hydrated, such as older people, those with underlying health conditions and those living alone.
- ☀ Drink plenty of fluids and avoid alcohol
- ☀ Never leave anyone in a closed, parked vehicle - especially infants, young children or animals.

JUNIOR PLAY AREA

New Toddler Climbing Equipment and Replacement of Wet-pour Surfaces, have been “pencilled in” with Contractors. Planning Permission decision is anticipated for early July and works will commence, as and when Contractors can programme them in.

TRAFFIC MANAGEMENT - HIGHWAY IMPROVEMENT PLAN

The Plan can be viewed on our website: <https://www.capellefernepc.org.uk/wp-content/uploads/2020/10/CAPEL-Highways-Improvement-Plan-KCC-Update-14102020.pdf>

The traffic survey results Have now been accessed by Kent Highways. They have stated: “Capel Street results were considered as “very poor”, but as it is not an accident hotspot, having investigated the crash data for the last three years (up to 31/12/2020) and there are no reported incidents, the area does not meet the criteria for a flash sign”. Decisions are still under discussion for costings and include; The Councillors are considering the above as it is felt, there is now a need to improve on the latest suggestions; The positions of 20mph repeater signs at a height of 2.1m; slow markings with additional road markings (dragon’s teeth) and other option requested, to be considered, a reduction in carriageway width in short sections, with priority from one direction. Further 20mph roundels in the side roads, where they junction with the B2011. Speed surveys on B2011 were disappointing being accessed from “acceptable to good”. Further traffic management on this road to be investigated again in future. Parish Council funding will be considered accordingly for all above.

Dover Hill traffic improvement works: Phase 1 works at top of hill, new crossing etc., completed. Phase 2, to alter the single file position, new signage and arrester bed works still to be carried out – date still unknown.

ALL OUR NOMINATED CAPEL-LE-FERNE “UNSUNG HEROES”

have now been presented with flowers and cup-cakes by Parish Councillors; Philippa Seager, Tony Lake (Chairman) and Keith Pilcher (Vice Chairman). Our sincere grateful thanks to you all as helpers and volunteers; Alison (Capel Pre-school), Angela, Jan, Lynn & Colin, Lynne & Paul, Maureen and Steve, who all helped out in different ways in our Village during unprecedented times over the lockdowns.

This was an initiative sponsored by the PARISH COUNCIL
and supported by CAPEL FLORAL SERVICES and TORI'S CAKES

The Capel Pre-school girls definitely enjoyed the cupcakes 🍪 Tori's Cakes.

Thank you xxx

URGENT UPDATE

14th June 21:

Further to update from the Government, on the Covid rules "release" date being delayed by 4 weeks, we are very sorry to say that we are now unable to open Youth Club as planned next week. The 4-week delay takes us to the end of the summer term and start of the summer holidays, so will not be re-opening now until September.

We are as frustrated as you and your children will be, but we really have no choice.

We will be having a leader planning meeting combined with our AGM on 2nd September, at the Village Hall, and will be planning to open Youth Club on Thursday, 16th September - subject to any further updates from the Government.

Have a safe and enjoyable summer break.

See you in September.
