Well, the summer holidays are practically over; the children are nearly back at school and the hall is now fully open for business. Cupboards are unlocked, the 'comfy' chairs are available and its full steam ahead. However, we still recommend the wearing of masks and using soap and sanitiser and are keeping one eye on local COVID developments.

The Garage Safari will be running as usual on the first Sunday of September which this year is 5th September and will be starting a little earlier than usual at 8am. This is because we realised that people were turning up early anyway to look at the stalls so decided to make it official. With this in mind, we anticipate finishing around about 2pm. Food and drink, including breakfast bacon butties, lunch time rolls and lots of cake, will be available at the village hall. We ran out of food last year so are increasing supplies! Maps showing the location of the various stalls will be available also at the Hall. At the time of writing, we had upwards of more than 60 stalls but last-minute bookings can be made via Cherry Leppard on 01303 255114. We ask that people using cars to get to the village, park on the green area next to the hall – access via Lancaster Avenue. There will be someone there to assist with parking. It would be appreciated if visitors would refrain from double parking in Capel's narrow streets and particularly across resident driveways.

We are also currently planning a McMillan Coffee morning on Saturday, September 25th from 10.30am to 12.30pm – obviously, all proceeds will be going to the charity. Please come along and support. There will be a raffle, an opportunity for a chat and yet another chance to eat lots of cake. Supplies of cake would also be gratefully received.

The Hall has been having its electrical lighting overhauled during the summer and we tend to do a lot of general servicing and testing while people are away on holiday. After the painting has been done, we will be considering what other maintenance/improvements need to be done. If you have comments on this, then please feel free to use the comments book (kept in the kitchen), so they can be considered at the monthly meeting.

We have had enquiries about whether we intend to hold the Indoor Boot Fairs this year in November and February. At the moment this is still being debated, but we will let you know as soon as a decision has been reached. We are also working on next year's Village Fete to take place on the 18th June. Ideas at the moment include funfair rides and a musical evening. If you would be interested in taking part in the fete, then please get in contact. We would love to hear from prospective stallholders, catering vans, bands, organisations who want to take part in a display or people who want to help on the day. Speak to Sally Cook or any one of the Trustees (see page 19).

From the vicarage

While out shopping recently, we passed a young woman sitting in a doorway clutching a piece of paper: *I'm hungry, please help.* We gave her some change, knowing that she would soon be hungry again.

Sadly, surviving on the charity of others becomes a way of life for some, and it is not always easy to know what to do for the best when approached. Once, on my way to a meeting in Canterbury – and so wearing my clerical collar – someone staggered up to me in the street. Someone had thumped him in the head the previous evening, he said, and he had had a headache ever since. The police had done nothing, and at the Kent and Canterbury Hospital he had been told to go to the QEQM Hospital at Margate. But how to get there? He was already late for his appointment and had no money.

Yes, I know what you're thinking – I was being taken for the proverbial ride. But since *"On your bike"* was neither Christian nor practical in the circumstances, I walked him to the bus station, found a bus that was going to the QEQM Hospital, explained to the driver where he needed to get to and bought his ticket. But he didn't take a seat; now he needed to find his friend. He must have been one of the bus driver's regulars; thanking me on his behalf for his ticket, she scolded him: *"I've told you before about asking for money!"*

I have no idea where he ended up. But the New Testament Letter to the Hebrews warns: *"Do not forget to entertain strangers, for by so doing some have unwittingly entertained angels."* So, maybe I did the right thing after all.....**Brian.**

The Riverside Centre in Dover (formerly Age Concern).
We deliver from our centre for the residents of
Dover and surrounding villages.

We are a registered charity (1143453) and are letting the residents of
Capel-Le -Ferne know what we do and the services that we offer such as
meal deliveries, chiropody, information & advise.

The Riverside Centre is now open for day care services.

Due to the changes with socially distancing we are having to change the way in which we operate. The number of people that can use the centre per day is now reduced, therefore there will not be the facility to drop in. All people using the centre have been allocated a day to attend and have formed bubbles, therefore attending with the same people each week. We do have very limited spaces left for day care services – to check for availability.

please call the centre on 01304 207268.

Facilities at the day centre include a snack bar where you can purchase food & drink (to include takeaway items) and a 2-course lunch. Activities are currently limited whilst we are practicing being COVID-19 safe.

Lunch Club

Lunch and a hot drink. As numbers are limited it is advisable to book in advance for this lunch club.

THE BATTLE OF BRITAIN MEMORIAL TRUST CIO

Stage 3 of the lighting works has commenced. The pedestrian route to The Wing is currently slightly more difficult than normal as we proceed with our exciting scheme to floodlight the main features at the Memorial site.

The footpath in front of the Beaverbrook Wall just inside the entrance to the site is currently out of bounds for cabling work, and we regret any inconvenience caused to pedestrians or those in wheelchairs or pushing buggies. Those on foot can still access to The Wing and other areas by following the route around the back of Hunting Lodge (the building to the right of the entrance gates) or via the gate in the centre of the site, near to the bus stop. This will be closed but not locked and visitors using this access are asked to close the gate behind them.

We are sorry for any inconvenience, but we are sure the lighting scheme will make up for what is expected to be just one week's disruption.

Many Thanks. Site Manager, New Dover Road, Capel-le-Ferne, CT18 7JJ. Tel: 01303 249292

CAPEL-LE-FERNE EVENING WI

Hello everyone, well haven't we had some different weather changes these last few months with mostly wind and rain, but perhaps we will get the sunny weather the forecasters are predicting before the Autumn sets in.

The July meeting was held in Jean's Garden and as luck would have it, the afternoon sun and a few clouds to cool it down a bit were just right. Pam informed us of future meetings and events with various quiz and craft competitions we could enter if we wanted to, also the dates of the sub group meetings. She asked how our sunflowers had grown for the competition and who had the tallest ones. Fortunately, I eventually ended up with 3 plants, (thank goodness the wild rabbits don't seem to have the taste for them as they have for most of the flowers) that made it to over 6 feet tall. Some members said theirs didn't grow at all while others might have been lucky to have grown a foot or so, but the clear winners who tied for first place were Erica and Lynne, with their sunflowers growing over 8 feet tall and Vad coming in 3rd with hers at 7 foot 4 inches tall. Ros was the lucky winner of Pick a Number after having chosen a favourite number. Some of the members received a certificate for being long time members of over 50 years, and some nearly 60 years after joining. They were asked about how and why they joined and most said they joined in their twenties, whilst with young children, and were persuaded to go by others that had already joined. Once they got to their first meeting, they really enjoyed the company and didn't feel so lonely after making new friends. They then couldn't wait to go to the next meeting and are still going strong all these years later

While we were all chatting, we had cups of tea and coffee along with some yummy posh biscuits. We had some new members coming to try us out and some have now joined.

Jenny did the raffle with nice prizes which consisted of a lovely plant, box of mixed biscuits, bottle of wine, box of eggs, fancy serviettes and tulip bulbs. All too soon it was time to go.

This was the last of the garden meetings for this year and the September Birthday meeting will be held as usual in the village hall.

TRAFFIC MANAGEMENT - HIGHWAY IMPROVEMENT PLAN

The Plan can be viewed on our website: <https://www.capellefernepc.org.uk/wp-content/uploads/2020/10/CAPEL-Highways-Improvement-Plan-KCC-Update-14102020.pdf>

*On-going discussions with Kent Highways continue!
Suggestions welcomed by Public will be considered!!*

Capel Street, New Dover Road and Dover Hill

Ongoing communication will continue with all parties involved.

The Parish Councillors' Working Party will meet during September to hold discussions on way forward with the Village Highway Improvement Plan.

This will include the decision on further traffic management projects:

- Capel Street - installing reduction in carriageway width in short sections, with priority from one direction. More signage.
- New Dover Road – open to suggestions.
- Dover Hill – pursuing why KCC did not alter lane change as planned.

QUEEN'S PLATINUM JUBILEE 2022

Members of the Parish Council have formed a working party for this event and initially, require your help with making Bunting, please.

**** Donations of any red, white and blue cotton material. It doesn't matter if it is patterned because it will be mixed with union jack pennants in between.**

**** Is there anyone interested in sewing some bunting?**

Contact Parish Council.

A template will be made, so that it is all the same size.

It will only be the actual pennants, as they will be put on the ties.

To all those new to the Village, or those that are not aware, there is a Defibrillator at the Village Hall (outside main door), Lancaster Avenue, Capel-le-Ferne, CT18 7LX.

The unit is covered by CCTV.

Please notify Parish Council, on 01303 259564, if used, for maintenance purposes. Thank you.

FOR INFORMATION

A 2nd Defibrillator is on order, sponsored by the Parish Council.

HM Coastguard Folkestone

Tasked at 13:05hrs, Monday, 16.08.21. with [HM Coastguard Langdon Bay](#) to a puppy down the cliff near Capel. Barney the puppy had been missing since Saturday morning (and we'd actually helped look for him whilst on patrol on Sunday), when a gentleman walking along Mungo's beach in the Warren on the morning heard him crying up the cliff.

By deploying 2 of the team to the beach in the Warren and 2 edge safety officers at the top of the cliff, we were able to spot Barney and set up and deploy a rope rescue technician over the cliff to rescue him.

He was secured safely into our purpose-designed animal rescue bag and taken down the cliff where he was driven back to Abbots Cliff to be reunited with his very worried but now happy owner, seemingly none the worse for his ordeal.

If your beloved pet goes over a cliff, please do what Barney's dad did and call us, don't try and rescue them yourself. 📞 9 9 9 and ask for the Coastguard
