There's been a lot of planning going on at the hall over the last few weeks. Not only on events for the rest of the year (please note I avoided saying until Christmas) but also on maintenance of the hall.

After lots of discussion the hall committee has decided not to go ahead with the planned extension for the moment. Although at the time of writing numbers of those with COVID are going down thank goodness, it is difficult to predict if there will be further need for hall lockdowns in the future. In which case it makes good sense to keep some money by in case we need it to keep the hall going. However, that is not to say that we cannot use some of our savings to invest in some work for the hall. So over January we have been looking at replacing the main hall floor. This may require us to lay fresh concrete under the flooring. A while ago we had a report that the concrete was crumbling and we are going to retest this. If this is positive, then the floor will be re-laid with concrete followed by floor covering and fresh badminton markings etc. If not, it will just be the new covering and markings. We will also be replacing the carpet in the corridor which has definitely seen better days. Obviously, this will impact on hall use but we will keep everyone informed. At the same time, we are taking estimates to replace the LED lights and other lights in the main hall. These were first installed 7 years ago and considering the amount of use the hall gets, have done very well. But now we required fresh units. Finally, we will be replacing the hall sound system with something...well... less complicated. We are also looking into installing wi-fi throughout the hall. This will be password protected but we have still to iron out the finer points. This work is on top of normal maintenance things such as painting, cleaning guttering, replacing taps.... it's like the Forth bridge.

The Farmers' market will be having a new French cheese stall the first Tuesday in the month out in the car park. We are also chasing a new fruit and veg stall. It was good to see so many people stopping by for a cup of tea (and teacake) towards the end of last year and we hope this will continue. Social distancing and facemasks permitting!

Events for the year run by the committee include a possible book sale, the village fete, the Garage Safari, a McMillan coffee morning and boot fairs. One boot fair is already planned for March 27th. Bookings can be made by contacting Sue Leaning on 07939095880. For all these events we will endeavour to make sure that all anti COVID measures are followed. Further details on events will be advertised later both more widely on the net and through the Grapevine and Grapevine diary. If anyone is willing to volunteer to help out on individual events whether with planning or on the actual day then we would be pleased to hear from you.

From the vicarage

Sunday morning, and the last echoes of the final hymn were dying away. The choir were making their way to the vestry, the organist quietly improvising as the congregation knelt in prayer. Suddenly, he threw in a tune that the younger choristers recognised instantly.

The elderly retired priest who had taken the service had failed to spot the *Ghostbusters* theme and was therefore at a loss to understand why they were all sniggering helplessly. Having a strong sense of what was and was not proper at moments such as these, he was not amused - and said so in no uncertain terms.

Organists have been known to get away with all kinds of things – I once heard of one who, tasked with playing at the wedding of a former boyfriend, slipped in a few bars of *Can't Stop Lovin' That Man of Mine* as he and his new wife left church.

William Booth, founder of the Salvation Army, famously asked why the devil should have all the best tunes and came up with new words to sing to the popular music hall songs of his time. Not much has changed - *The Dambusters March* doubles as a hymn tune as well as a film score.

It's difficult to imagine church without music and singing – which is why, when we were told last year that singing in church had to stop because of the pandemic, it felt like a real hardship.

So, to make up for it, watch out for some *Songs of Praise* services in our parish this year. We can't promise a visit from Aled Jones, but we can promise that people will be able to choose their favourite hymns, perhaps say a few words about their choice - and come and have a good sing! ... **Brian.**

COMMUNITY SUPPORT

NEIGHBOURS HELPING NEIGHBOURS

A local organisation that aims to support people living in Capel

Staying independent and being part of the community is important to everyone but there are times during our lives when we could benefit from a little help from our neighbours. **CAPELCARES** is a local volunteer organisation run by residents of Capel to support those living in Capel. We can arrange to meet you in your own home to discuss any issues or challenges that you may have. Our volunteers are all local residents who have been DBS checked and have been trained in Safeguarding.

Our volunteers can help you with a variety of issues, including:

- Social visits for those living on their own.
- Home visits to support family carers.
- Assistance with shopping.
- Transport support, i.e. to & from medical appointments etc.
- Small house maintenance/gardening jobs.
- Regular phone contact.
- Helping you make contact with other services.

Referrals can be made by anyone for anyone. Our aim is to help residents in Capel remain safe, secure and independent in their own homes, as well as proving support to residents with unexpected, short term challenges that disrupt routine family life.

NEIGHBOURS HELPING NEIGHBOURS

To find out more or to arrange a visit please contact Jan on 01303 257003

We will continue to hold a regular social coffee morning every month when lock-down guidance is lifted. Details of date, venue and time to be notified when known. Come and join us, meet with your neighbours. Find out more about **CAPELCARES** or just enjoy a cup of tea or coffee (with biscuits).

EVERYONE WELCOME

Volunteer with us

and make a difference to
someone's life

Could you spare a few hours a month to help your neighbour? We are looking for community minded people to join CAPELCARES as we seek to assist those in Capel le Ferne who just need a little help to lead independent lives in their own homes.

Call Jan on **01303 257003** for more details

THE BATTLE OF BRITAIN MEMORIAL TRUST CIO

Our Sunday talks series continues with a presentation by Richard Kornicki CBE DL entitled 'For Your Freedom and Ours - The Polish Air Force in the West' on Sunday 27 February.

Richard is the son of the late Gen. Bryg. Franciszek Kornicki, who was the last surviving Polish Squadron commander when he died aged 100 in 2017. He flew in the defence of Poland in 1939, then in France and finally in Britain, where he commanded 317 (City of Wilno) Squadron.

As Chairman of the Polish Air Force Memorial Committee, Richard works closely with senior members of the RAF and the Polish Air Force to maintain the memory of the Polish aircrews' achievements during the second world war, and this promises to be a fascinating talk about the contribution made by the rightly famed Poles.

Friends of the Few are entitled to free or reduced admission to all the talks, which start at 2.30pm and last for approximately one hour. Read more here : <http://ow.ly/QGXo50HtGJr>

For a range of fascinating videos & a trip down memory lane.

The Trust has launched a fantastic new exclusive experience - and is advertising it widely thanks to a partnership with the nationally renowned [Virgin Experience Days](#).

The experience provides two visitors with a personal, access-all-areas guided tour of the site, a visit to The Scramble Experience and a fantastic cream tea in the Cockpit Cafe - all for the bargain price of just £60 for two. You can also purchase directly from our website : <http://ow.ly/sOz650GNVgB>

As well as enjoying a 40-minute exclusive tour with one of our friendly and knowledgeable guides, visitors will be able to learn more about the Battle of Britain and the men who fought it by visiting the high-tech interactive Scramble Experience and watching the unique film created for the Trust to demonstrate what life was like for the Few in the summer of 1940.

After sampling the hands-on attractions in the Experience, guests will tuck into a fabulous cream tea in the Cockpit Café while enjoying stunning views of the Channel - and perhaps even France - at the same time. At just £60 for two, it's not to be missed.

Hello everyone, I hope you had a nice Christmas and will get your New Year wishes granted, any resolutions will be well underway by now or might have already been broken. I didn't make any, but now all the Christmas goodies have gone its back to healthy eating again and a bit more walking.

December was a busy time with Christmas lunches filling us up to the brim, lots of get together events but mostly delicious festive lunches.

Well, where to begin, with the Christmas party which was a great success even though it just happened to be an awful night with the weather raining and blowing a gale and as if that wasn't bad enough, we had long queues of traffic jammed up right back through Cheriton and many roads were blocked which was all caused by diverting the traffic from the motorway. But most of the members managed to get there except for some who unfortunately were ill or double booked. We were all determined to have a goodtime once we got to the hall. On arriving we were greeted at the door, then offered a fruit punch for those driving or a mulled wine for those who had a lift. After chatting and getting raffle tickets, we sat around in a semi-circle. Jan welcomed us thanking all who managed to make it, she then introduced Phil the Magician who showed us lots of his clever and amusing tricks and then thought "how on earth did he do that?"

We then sat at the festive looking tables that were already set out, we had cups of tea or coffee with a variety of sandwiches, a tasty mince pie and a Christmas decorated cupcake to eat or take home for later.

We got back in our seats to be entertained by Phil again, this time he got more of the audience to help him, one member sat out in front and to one side of us had to secretly select a card and not show it to anyone, then Phil had written down what he thought it was and showed us what he had put, it was SEX on his pad and he started to ask her random questions about it such as where do you do it? How many times a day? Have you done it in an Aeroplane? It was so funny because she hadn't got a clue as to what we were all laughing at as she had something entirely different printed on her card. Another of Phil's tricks was unbelievable, he had volunteers sitting facing the audience, they chose random numbers and after quite a few different sequences where the number all matched, they swapped seats several times only to find the number and colour on their card behind the seat matched theirs, there seemed to be so many coincidences with the same numbers.

Phil ended up giving Jan a lottery ticket with the same numbers on it, although unfortunately it did not win us any prizes. Phil's tricks were so clever, I just don't know how he did them. Next came the raffle with a lot of winners receiving some very nice prizes.

All too soon it was time to go home, we were given our Christmas cards from one another alongside a bag which contained a homemade fabric basket with lots of sweets, chocolates and biscuits, all sorts of Christmas goodies. A big thank you to the committee for doing all the work preparing, washing up and clearing away for us all to have an enjoyable time.

Unfortunately, the January meeting was cancelled as not too many members felt like going out in the bleak, dark, cold, damp weather and concerns over the rising covid numbers. We did not have a speaker booked for that night, but we would have had members bringing in board games, which reminds me of when we last had a games night a few years ago when some games being played were not as quiet as some of the others. One game which springs to mind was a box with ping pong balls inside it with a strap to go around the waist and by jumping up and down and shaking your bottom to jerk the balls out of the box, it was quite noisy with laughing and lots of puffing at the effort needed.

If you would like to give us a try you will be sure of a warm welcome, interesting talks, lots of fun, a chance to meet old and new friends, just come along to Capel Village Hall on Tuesday March 8th, 2022, at around 6.45 pm.

Street Party in Lancaster Avenue, Sunday, 5th June

ASSISTANCE REQUIRED PLEASE

If you are able to help with any of the following, please contact Parish Clerk.

- The first is we will need first aiders on duty during the event with up to date first aid certificates. If we have enough, we will have a rota so that volunteers are only on duty for some of the time.
- The second is we are looking for sponsorship from residents, businesses, organisations etc. We will promote a business on the website and posters.
- Planting 105 Tree Saplings in the Playing Field as part of the Queen's Green Canopy Project.
- The bunting production is going well and we will be attaching the pennants to bias binding in January in various lengths. Once we have decided what we require, the rest will be put up for sale to help with costs towards event.

TO DATE - more details will follow when known.

- A Street Party in Lancaster Avenue Sunday, 5th June.
- Suggestion to gardeners in the community, to start planning your spring/summer planting to incorporate red, white and blue designs.

NEW INSTALLATION

My family and I would like to thank friends, neighbours and everyone who kindly sent cards and flowers following the passing of my husband Keith Leppard. Also, for everyone who attended his funeral at Barham which was packed so he had a good send off. And for the kind donations to Myosotis UK which is still looking for a cure for this muscle wasting disease. Really appreciate living in this caring village.

Vehicle Crime Safety Advice

Good Morning all,

Thefts from Vehicles have been on the rise in the last week, in the Folkestone & Hythe areas. This is just a reminder that if you have a vehicle, please remember to not leave any valuable items on display and to lock them away in your glove boxes or take them indoors with you.

If you suspect any persons acting suspiciously around parked/unattended vehicles please dial **999**, or 101 if they are no longer insight.

Please Be Vigilant and Make your friends aware.

THE POLICE COMMUNITY SUPPORT OFFICER and KENT COUNTY COUNCIL COMMUNITY WARDEN REQUEST ... PLEASE!

Before any action or intervention can be taken to deal with anti-social behaviour and perpetrator, or a suspicious incident, it must be reported officially to Kent Police Online <https://www.kent.police.uk/contact/af/contact-us/> or via telephone 101.

THE POLICE/PCSO CANNOT TAKE ACTION IN RESPONSE TO FACEBOOK POSTS OR EMAILS.

Please, if you have been or are subjected to anti-social behaviour or an incident, or know of someone who has, however small it may seem, **REPORT IT OFFICIALLY!**

The PCSO can't take action, unless they receive an official report, either online or by calling 101, e.g., issuing a Section 59 notice for careless or inconsiderate driving, which could ultimately lead to the vehicle being seized, or any other incident that needs attention from them. This is important, in order that appropriate, targeted help can be authorised and the necessary action taken for all concerned. **PLEASE** ensure you leave your Name and Contact details, so they can get back to you to follow up on reports you make. Thank you for your help!

I am sure you already know, as of late, the mornings have been cold and frosty. Just a few points to bear in mind before setting off in your car for the next few weeks.

Clear your windows of snow, ice and mist

Keep the windscreen and other windows clear of dirt and snow
Clear snow from the roof – it can fall onto the windscreen and block your view.
Air-con demists the screen faster and reduces condensation.
Replace worn or damaged wiper blades.

Don't leave your wipers on auto when you park up if there's a risk of frost the blades could freeze to the screen, you could damage the blades or wiper motor when you turn the ignition on.

Use a suitable additive in your screen wash to reduce the chance of it freezing

Make your car visible in poor winter weather

Make sure all car lights are working and the lenses are clean.
If the roads are really mucky, you might have to clean your lights after every trip.
Keep number plates clean with the registration clearly visible at all times.
If you have to clear snow, don't forget the lights – front and back.
Please remember you must use headlights when visibility is seriously reduced. If you use fog lights, remember to switch them off when visibility improves so they don't dazzle other drivers or obscure your brake lights.

I would advise to visit the shop and purchase some de-icer just to speed up the process of waiting for the front and rear windows to clear, which when you are in a hurry, seems to take forever. Please all drive safe.

Can you see the problem?

When you park on pavements and over dropped kerbs you may be blocking access for wheelchair users, blind people, and buggies. There isn't always a safe alternative route
Please think before you park.

PLEASE be a considerate member of our community and park to allow disabled access and pushchair/buggies to get past on the pavement. **THANK YOU.**

What is the Council doing about climate change?

- Dover District Council has acknowledged the serious impact of climate change globally and in our everyday lives. The Council declared a Climate Change Emergency recognising the need for urgent action.
- Outlined below are some of the current/ most recent initiatives and actions it has taken to reduce emissions: -
- The Council has Grants/Schemes available to help residents in receipt of certain benefits, or on a low income with a vulnerability to living in a cold home (age/ health conditions) to improve the energy efficiency and increase the heat retention of their homes which decreases the need for energy and as a consequence reducing carbon emissions. More information can be found on the Council's website (<https://www.dover.gov.uk/Environment/Energy-Advice/Grant-Schemes.aspx>), or by calling 01304 872414.
- New council housing built in the district will include solar Photovoltaics (PV), electric heating and provide additional insulation. These measures will significantly reduce the environmental impact of the developments and help reduce the long-term heating costs for the tenants. The Council's Green Energy Grant Scheme is available for local businesses to help small businesses save carbon, become more energy efficient and save money. Recently DDC has given a grant of almost £10,000 towards the cost of new solar panels at a local farm shop. Following a successful funding bid to the Office for Zero Emission Vehicles (OZEV), 49 electric vehicle charging points have been installed across the district (in car parks and on-street).
- A new fleet of electric buses will operate on Dover Fastrack when it's launched in 2023, which will become Fastrack Kent's first zero-emission bus service.
- Key works have been given the go ahead at St Margaret's Bay to help boost sea defences and continue to protect the area for the future. Kearsney Abbey and Russell Gardens owned and managed by DDC have been awarded The Green Flag Award, in recognition of the enhancement of wildlife habitats, re planting the orchard, and the provision of facilities for people to learn about parkland heritage and biodiversity.
- The Council celebrated National Tree Week by planting native trees to create a woodland walk at North Deal recreation ground. The trees offset the manufacture of 25 eco dog waste bins installed across the district by DDC. A further 14 trees gifted to the district from the Royal & Ancient following the 149th Open at Royal St George's have also been planted in Sandwich, at a community garden in Aylesham and Kearsney Parks adding to the 63 new fruit trees planted recently.
- DDC will continue to take action to reduce emissions over which it has control and influence to meet the ambition of becoming a net zero emitter by 2030 and to support the district to become carbon neutral by 2050.

HM Government

**As the position on confirmed vaccination sites will change over time,
please go to the published information on the KMCCG website:
<https://www.kentandmedwayccg.nhs.uk/your-health/coronavirus/covid19vaccine>**

Coronavirus Update (21 January)

The Government has announced that the measures put in place under plan B in England are being lifted.

From 19 January, people were no longer asked to work from home if they can, and the advice was to talk to your employer to agree arrangements to return to your workplace. From 20 January, staff and pupils in secondary schools and colleges were not required to wear a face covering in classrooms.

27 January

From 27 January, you will not be required to wear a face covering, including in communal areas of schools, but the Government suggests you continue to wear one in crowded and indoor spaces where you may come into contact with people you do not normally meet.

You'll no longer need to show your NHS COVID Pass at venues and events by law.

Stay safe

Government continues to remind people to stay safe. For the latest information, please see the [GOV.UK](https://www.gov.uk) website.

Welcome back and a happy new year to all our members.
 I hope you have all stayed fit and well over the Christmas break.

The New year has started well with attendances up due in part to our new members and friends from the Wear Bay Bowling club joining us.

Sundays and Wednesdays are doing practically well, long may it last although we could do with some extra players on a Tuesday night.

Negotiations are under way for some friendly matches with other clubs and Rachel has organised some internal competitions starting with the singles on 27th February 2pm till 5pm. And a Boys V Girls Competition on Sunday 27th March 2pm till 5pm.

A fish and chip evening on Tuesday 22nd March and our annual Buns and Bowls on Friday 15th April 10.30am to 12.30 pm.

Lastly The AGM will take place on Tuesday 26th April at 7:30pm nominations for committee members will go up on the notice board soon.

I hope to see you all there. *Barry Mansfield - Chairman*
