Last month I mentioned the Annual General Meeting (AGM), which under our Constitution, the committee are obliged to hold annually. This year the AGM is on the 28 November, starting at 7pm. All Capel residents are invited. During the meeting we discuss both the Annual Report and the Annual Accounts. The latter is audited by an independent accountant before going to the AGM. Once these have been agreed by the AGM these documents are then uploaded onto the Charity Commission website. Also, at the AGM we nominate trustees to be elected to the committee. If any Capel-le-Ferne resident wishes to be considered for election, then please contact Sally on [eures1994@yahoo.com](mailto:eures1994@yahoo.com) or 077304 75838. The same applies for those wishing to nominate anyone. Closing date for nominations or proposals is the 21 November. Trustees are required to attend the monthly meeting which normally lasts about an hour and a half. Other than that, how much time they wish to contribute is down to them. We do need more trustees as, at the moment, if more than two people are away due to holiday or sickness, we struggle to achieve a quorum.

On a more positive note, we are looking forward to our indoor boot sale on 27 November. We are already taking names for the stalls, but if anyone is interested in having their own table, then please contact Sally (07730475838) or Sue (07939 095880). Refreshments are also available. There will be another in February date yet to be determined. There is also a Christmas Fayre on Saturday, December 10, from 10am until 2pm, with craft and food stalls. And don't forget the Youth Club quiz on the 12 November with a 7pm start. We are also planning our Christmas carol concert for December – more details to be given out next month.

We will be undertaking a four-room decoration at the hall including, the hall corridor and the small hall, between now and Christmas. We will be working round those using the hall but, we do ask for your consideration when confronted by workmen with paint brushes!

If anyone wants to talk to any trustee about anything to do with the hall, you can find most of us at the Farmers' Market on a Tuesday. See you there.

**RECYCLING - INSIDE THE HALL**

Boxes are provided for:

Used Stamps for Donkey Sanctuary and McMillan Cancer. Bottle Tops are also being collected again. Please place the above in the relevant boxes. A big thank you to everyone who puts their used stamps in the box in the Village Hall. Please carry on for these good causes.

### From the vicarage

I find that packing a bag and heading off with my Senior Railcard to somewhere with a cathedral, pleasant walks, and interesting things to see is a good way of recharging my batteries – though, I've learned that there's really no such thing as being off duty.

I recently headed for Bristol, which indeed does have a cathedral, pleasant walks, and interesting things to see. But while there I took the bus through the Mendip Hills to Wells - England's smallest city – and then on to Glastonbury, with its associations with King Arthur and Joseph of Arimathea, its ruined abbey, sacred thorn, and famous Tor – which yes, I did manage to climb.

My trusty smartphone led me to the bus stop, and I arrived with twenty minutes to wait. Along with a woman with her shopping and mums with children and pushchairs, a middle-aged man in a shabby grey suit sat chain-smoking and clutching a can.

He thought he knew me from somewhere. I wasn't local, I told him, but from Kent. At once I found myself discussing St Augustine, King Ethelbert, and Queen Bertha – he had, he said, studied History at university.

When he learned that I planned to visit Wells he told me that he had once been a chorister at Wells Cathedral. He had known a well-known Church of England cleric - a good priest, he said, but probably bound for Hell.

How was I to respond? *Let's hope not*, I replied. I simply listened as he shared his thoughts on churches and psychiatric units. Then the bus arrived. *Enjoy Wells*, he said, smiling.

Later, in Wells Cathedral, I prayed and lit a candle for my new friend. And yes, it's true - there's no such thing as being off duty... **Brian**

### NEIGHBOURS HELPING NEIGHBOURS

A local organisation that aims to support people living in Capel

Staying independent and being part of the community is important to everyone but there are times during our lives when we could benefit from a little help from our neighbours. **CAPELCARES** is a local volunteer organisation run by residents of Capel to support those living in Capel. Our volunteers can help you with a variety of issues, including:

- Social visits for those living on their own.
- Home visits to support family carers.
- Assistance with shopping.
- Transport support, i.e. to & from medical appointments etc.
- Small house maintenance/gardening jobs.
- Regular phone contact.
- Helping you make contact with other services.

Referrals can be made by anyone for anyone. Our aim is to help residents in Capel remain safe, secure and independent in their own homes, as well as providing support to residents with unexpected, short term challenges that disrupt routine family life.

Our Sunday talks series continues with a presentation by John Harris from the [Commonwealth War Graves Commission](#) on Sunday 20 November.

CWGC honours and cares for the men and women of the Commonwealth who died in the first and second world wars, ensuring they will never be forgotten. Funded by six member governments, its work began more than a century ago building cemeteries at 23,000 locations all over the world.

Today, over a century after it first began, the work continues through staff, supporters and volunteers who preserve the unique cultural, horticultural and architectural heritage and ensure that the stories of those who died are told.

Members were welcomed for our October Meeting. Our President Jan was on Holiday and our Vice Chair was ill and therefore, Caroline took the meeting. Jerusalem was sung and Glynis M was thanked for the table flowers. This was followed by our speaker Mr Frank Pyke, who gave us a very engaging and informative talk on Smuggling and Contraband along Sandgate and the South Coast and Romney Marsh, during the C1700 to late C1800. There was wine, brandy, spirits and of course tea.

He explained that goods were smuggled because the Kings and Governments of the time, put high taxes on the goods to supplement the wars of the time and to combat the reduction of smuggling, they reduced to taxes on luxury goods so in the end, it was not counterproductive for the smugglers.

He went on to say that smuggling still goes onto today as we know, but, in other forms. Pam gave the Vote of Thanks.

We then had Refreshments followed by usual business and members were reminded that on Saturday 15<sup>th</sup> October, BINGO which is open to all at the Village Hall 7pm. Tuesday, 18<sup>th</sup> October Temple Ewell Group meeting will be held in the afternoon.

Wednesday, 19<sup>th</sup> October Capel, Home Economics will be holding an Auction, St Radigunds Church, 2.30pm. And on November 12<sup>th</sup> there is a fundraising Coffee Morning at St Radigund's Church, 10.am to 12.00pm, everyone welcome. We usually have some members time, and this month was no exception. It was decided to have an informal chat amongst ourselves and everyone to exchange energy and cost of living tips that they may have.

Competition of a Seaside Postcard was won by Jean, with Jenny second & Karen third.

After the raffle, ladies were thanked for attending & wished a safe journey home. It had been a very enjoyable and relaxing evening.

Next month the meeting is on Tuesday 8<sup>th</sup> November, Capel-le-Ferne Small Village Hall at 7pm. The speaker will be Eve Muggeridge giving a Demo on Stain Glass. The competition will be a 'Bird of any Medium'. We would love some new members to join, we have sub-groups, interesting speakers, friendships & fun, so do please get in touch with Caroline 07885 406433 or Jan 07521317343, we look forward to meeting you.

**HOMES and HELP  
for  
UKRAINE**

**UKRAINE SUPPORT UPDATE**

We currently have two active host families in the village.

A couple are living in a bungalow on Old Dover Road, and another guest is resident in Elizabeth Drive. A mum and two young daughters arrived in the village to stay on New Dover Road, unfortunately their (unknown) plan was to locate near Dagenham to be with family. Despite every effort to provide support and welcome them into the village, they have now relocated there.

Our thanks go to everyone who provided support.

We had another guest arrive to stay with hosts in Cauldham Lane. Regrettably this was an unsuccessful match of cultural and personality differences and the guest has now moved to Ilford to be near her son.

We wish them all well.

Philippa and Marilyn are both regulars at the Farmers Market, raising funds in support of Ukrainian refugees. While these funds are not yet allocated, it is anticipated that when the guests move on from their hosts, the funds could be used to support them in creating a new home etc.

Please continue with your generous support.

We are on a mission to improve our recycling, and one of the things we can do as a collective is to 'leave our lids on'.

Simply empty your bottle, squash it, and replace its top before you recycle it.

Your bottle tops are now made of recyclable material so you can leave them on! If your lid is not kept on your bottles, it can be lost in the recycling process as it moves through large machinery.

SCAM**

Licensed scrap metal collectors operating within Dover District are now being  
issued with plates to display on the rear of their vehicles, as part of a scheme  
introduced by DDC. This identifies that the vehicle is authorised to collect scrap  
metal in the Dover District.

Residents and businesses should ensure that they only use a licensed collector to  
remove any scrap metal. Those operating without a licence are committing  
criminal offences. For further details, please see the DDC website or contact our  
Licensing Team. <https://www.dover.gov.uk/.../Oth.../Scrap-Metal-Dealers.aspx>

A resident in Kent received an email claiming to be from Driving and Vehicle Standards  
Agency or [Driver and Vehicle Licensing Agency](http://Driver and Vehicle Licensing Agency). The email stated your vehicle is no  
longer taxed due to a debit card transaction being refused - and contained a hyperlink for  
you to click to renew your vehicle tax. This is a SCAM ! Do not click on any links.  
If you receive any unexpected emails from DVLA or DVSA, use great caution. Check if  
your car is taxed by going to <https://bit.ly/3EuJ4fN>. Do not respond to any unexpected  
emails - they will almost certainly be criminals trying to con you.

**SCAM**

Kent residents are being targeted by a variation of WhatsApp Family Emergency scam. They will claim their phone has run out of battery or is broken and are texting from another phone. The scammers will then ask for payment towards a new phone.

This is a **SCAM!**

This scam is becoming more realistic as they impersonate family members. If you receive this text, think twice before replying. Report scam texts to 7726 and then delete.

**! #ALERT !** Courier Fraudsters targeting residents in Tenterden.

[Kent Police](#) have reported courier fraudsters targeting residents, pretending to be a Police Officer. They claimed they arrested someone in possession of their bank card and asked the resident to co-operate with the investigation by withdrawing money which will then be collected by a courier.

Unsuspecting victims hand over the money with the promise that the money will be reimbursed later - however there is no further contact and the money is never seen again.

Watch out! The Police will never ask you to withdraw cash to hand over to a courier. If you get a call like this, call the Police on 101 or dial 999 if they are due to come to your house. You can also get free scams advice from [Citizens Advice](#) on 0808 223 1133.

## Desperately Seeking Leaders

We are urgently seeking new leaders for our Beaver Scout Colony to keep the group running in 2023. The colony currently consists of 20 children aged from 6 to 8 years and needs new leaders to be able to keep it running next year.

We love to get the children thinking, stuck into activities, building confidence and learning skills for life. Everyone benefits hugely from the adventures, fun and friendships they experience in scouting. It can help develop social skills and independence, gives access to some amazing and memorable opportunities and they get to earn badges and rewards along the way.

The group's hut is located on the edge of Reinden Woods giving a fantastic outdoor space to explore and enjoy the outdoors come sun, wind, rain or shine.

Without support and new leaders, we will struggle to keep the Beaver colony running in 2023 and may ultimately have to close the pack. This will be a huge loss to the group, the kids currently attending and those that would love the opportunity to join in the future.

If you think you can help, please contact Michelle at [michelle.smale@hotmail.co.uk](mailto:michelle.smale@hotmail.co.uk) asap so we can help you to help us keep the pack running.

## Royal Marsden Cancer Research Jumble Sale

This is a short note to say thank you to everyone involved in the recent jumble sale in aid of The Royal Marsden Hospital cancer research fund. Thank you to everyone who donated items to us, gave donations, and those who helped set up, sort and serve. It goes without saying, a huge thank you to those who turned up and spent their money with us.

We raised £1,032.85 which will be sent off to The Marsden where they will continue their fantastic research work, keeping us world leaders in the battle against cancer.

Please put 1<sup>st</sup>. April in your diaries for our next sale, and perhaps start putting things to one side that we might be able to sell.

We shall look forward to seeing you the other side of Christmas.

Many thanks for your support once again
