2022 has been our first full year without COVID restrictions and the hall, is now busy and thriving with the large hall fully booked months in advance on top of the various clubs using the facilities. It has been a pleasure to welcome back old clubs and see new ones establish themselves.

Work has taken place around the hall during the year with new flooring, a new cooker and general decorating. A new sound system has been installed and a hearing loop to aid those with hearing impairment. The hall now has broadband installed, with free Wi-fi available to all hall users, with booster so that all areas of the hall have a strong signal. Next year there are plans to create easy access for those without the internet or a computer – more news of this in the next Grapevine. Our latest issue has been the flat roof over the foyer which has developed several leaks. Recent weather has exacerbated this, and repair work has taken place to sort it out. However, work is also planned to overhaul the roof completely.

Coming up in December is the Carol Concert at the Village Hall on the 11th December and the Christmas Farmers Market on 13th December. All are welcome and the school choir will be in attendance. The final Farmers' Market before Christmas will be 20th December. Don't forget to put your Christmas orders in soon. A community lunch is planned for the new year with all Capel residents welcome, although there will have to be a limit on numbers, so tickets will be issued. A two-course meal will be provided. If anyone is interested, then please contact us on ures1994@yahoo.com. And as well as the indoor Boot fair on the 27th November, there will be another on 26th February. Doors open at 8am.

And then on the 28th November our Annual General Meeting will be taking place. We do ask that as many of you as possible attend. The new Annual Report will be on display in the hall after the meeting has discussed it, together with the annual financial report. It has been a busy year with the various maintenance and refurbishment projects, but our prices remain very competitive, and our accounts remain healthy.

Finally, the trustees and volunteers at Capel Village Hall would like to wish you all a very Happy Christmas and a Peaceful New Year.

RECYCLING - INSIDE THE HALL

Boxes are provided for:

Used Stamps for Donkey Sanctuary and McMillan Cancer. Bottle Tops are also being collected again. Please place the above in the relevant boxes. A big thank you to everyone who puts their used stamps in the box in the Village Hall. Please carry on for these good causes.

From the vicarage

I am writing this on Remembrance Sunday - a day of looking back and remembering, as well as looking forward and praying for a better tomorrow. It also happens to be the deadline for the December edition - which means that even though as I write, Advent hasn't even begun, by the time you read this Christmas will be well and truly on its way.

Some say that Jesus could possibly have been born around September – shepherds would not have been watching flocks in the fields as late as December. But in the year 336, the Roman Emperor Constantine chose to celebrate the birth of Christ on 25th December, and the tradition seems to have stuck. Since it was the time of year when pagan midwinter celebrations were in full swing anyway, some suspect he may have simply got in on the act.

But what is there to celebrate? Read about the Nativity, and Mary and Joseph turn out to have more in common with today's homeless couples looking for somewhere to stay than we would like to think; for women to have to give birth in the same circumstances as Mary today, would cause an outcry; and refugees of our own time, know all too well what it must have been like for that couple and their baby, when they had to flee to Egypt to escape the homicidal King Herod.

But for Christians, Christmas is a time of looking back to how Jesus came into the world as one of us – and remembering that it's often when life is at its messiest and most difficult, that people tend to find him. And that Christmas is also a time of looking forward and praying for a better tomorrow.

Happy Christmas, and a Peaceful New Year. ... *Brian*

The Memorial hosted a very special visitor on Wednesday, 16th November, when His Royal Highness The Duke of Kent toured our clifftop tribute to the men who fought the Battle of Britain.

The Duke was introduced to Trustees, staff members and volunteers, talked to them about the Memorial and later said that he had much enjoyed what had been his first visit to the Memorial.

One member of staff enjoying his royal hand shake!!

Despite the “inclement” weather, November meeting was well attended, with 2 possible new members, always welcome. After singing Jerusalem, Jan introduced a skilled demonstrator, our very own Eve Muggeridge, who gave a fascinating and informative demonstration of how she produces beautiful stained-glass window/wall hangers. Explaining basic health and safety (body, feet, face), Eve showed a variety of different colours and textures of glass, explaining as she used a cutter to score glass and then tap it to separate it, how it needs to always be treated with care. Having ground the edges, she drew round the template, cut it out, edged with copper foil, soldered (carefully) it all together, to produce a beautiful glass bird to hang in the window, simple as that! Eve always works from a template, of which she has hundreds, including birds, animals, transport, flowers, Christmas decorations & many specially commissioned items. Ladies were invited to admire, and buy, a range of examples of her skilled hobby.

During refreshments ladies were invited to guess the weight of the cake and number of sweets in the jar, both in advance of Saturday’s coffee morning.

President Jan gave out several November birthday cards and then mentioned upcoming events.

>12th November the coffee morning would be open to all, with (obviously) a cake stall, craft stalls, tombola etc.

>30th November Home Economics Christmas Lunch

>5th December menu choice and balance for the Christmas Lunch (12.30pm for 1 pm) was collected.

>6th December Group Carol service would be held at Whitfield Village Hall, 2 pm

>13th December the Christmas meeting will be held at St Radigunds Church, at 7 pm.

Happy New Year !

>10th January 2023, first meeting of the year, would be a demonstration of cooking with a Ninja, (the cooker, not a Ninja Warrior) by Debbie Jeggo, competition will be an item beginning with “D”.

>Finally, the special event on Saturday, 4th March, was revealed to be a “**Fashion Show**”. A ladies night out with a difference Live catwalk show with opportunity to try & buy. **Open to all**, more details to follow.

Following the raffle, the competition, “a bird, any medium”, was won by Jill Lake with a beautiful exotic bird, which she had made from tiny beads, many of which were her grandmother’s. 2nd place went to Debbi Jeggo’s ornament and 3rd place was won by Sheila French with a cute owl, which her grand-daughter, having learnt to crochet, had made for her.

We would love some new members to join, we have sub-groups, interesting speakers, friendships & fun so do please get in touch with Caroline 07885 406433 or Jan 07521317343, we look forward to meeting you.

If you require assistance with an accessible format of the Local Plan (such as large print or audio format), please contact the Planning Policy Team using the above number.

A further document that may be useful is "What is a material consideration?"

A material consideration is a matter that should be taken into account in deciding a planning application or on an appeal against a planning decision.

Material considerations can include (but are not limited to):

Overlooking/loss of privacy

Loss of light or overshadowing

Parking

Highway safety

Traffic

Noise

Effect on listed building and conservation area

Layout and density of building

Design, appearance and materials

Government policy

Disabled persons' access

Proposals in the Development Plan

Previous planning decisions (including appeal decisions)

Nature conservation

However, issues such as loss of view, or negative effect on the value of properties are not material considerations.

There is no set list defining material considerations, your Local Planning Authority will decide what is deemed to be 'material'.

This is a scam!

Desperately Seeking Leaders

We are urgently seeking new leaders for our Beaver Scout Colony to keep the group running in 2023. The colony currently consists of 20 children aged from 6 to 8 years and needs new leaders to be able to keep it running next year.

We love to get the children thinking, stuck into activities, building confidence and learning skills for life. Everyone benefits hugely from the adventures, fun and friendships they experience in scouting. It can help develop social skills and independence, gives access to some amazing and memorable opportunities and they get to earn badges and rewards along the way.

The group's hut is located on the edge of Reinden Woods giving a fantastic outdoor space to explore and enjoy the outdoors come sun, wind, rain or shine.

Without support and new leaders, we will struggle to keep the Beaver colony running in 2023 and may ultimately have to close the pack. This will be a huge loss to the group, the kids currently attending and those that would love the opportunity to join in the future.

If you think you can help, please contact Michelle at michelle.smale@hotmail.co.uk asap so we can help you to help us keep the pack running.
