This April the Farmers Market celebrated 20 continuous years of operation making it, (we think), the longest serving Farmers Market in Kent. Since its inception, it has undergone various changes although we are pleased to say, that at least one of our original stallholders is still with us and it is still being run by the Village Hall Management Committee. It carried on through the COVID pandemic offering food only stalls, operating from the car park at a time when supermarkets had not managed to meet delivery demands. It is a credit to the various stallholders through the years, the volunteers, and especially Cherry Leppard, Gwyn Spooner, Mick Marshall and Jenny Barraclough, that the Farmers Market is still with us. Current stallholders include meat, bread, cakes, pies, French cheese and other gallic products, honey, jams, eggs, plants, pickles, as well as craft stalls selling cards, wool, jewellery, personalised items and eco-friendly supplies. The monthly Parish Council surgery, the voluntary Post Office, the books, internet access, the weekly visits by the Community Warden and above all, the ability to sit and natter over a cup of coffee (or tea), combine to make the market still very popular. And long may it continue.

The hall itself continues to thrive and was the setting for the recent Coronation Street Party. This was because the organising committee felt it couldn't depend on the May weather. The long-range forecast proved to be wrong and the sun shone on the righteous with everyone enjoying the band, the bouncy castle (for under 14s), the fish and chips and ice cream and the face painting. The police cadets who were helping out, were wonderful and everyone seemed to enjoy their indoor picnic. Special mention should go to the WI cake which was a masterpiece.

A date for your diaries this year is 3<sup>rd</sup> September which is for the Garage Safari. We will be announcing more details in next month's Grapevine, together with dates for the winter boot fair too. We expect the building work on the roof to start sometime in June although the actual date and the possible impact on hall use, still has to be discussed. We will ensure that all hall users are kept informed.

### **RECYCLING - INSIDE THE HALL**

Boxes are provided for: Used Stamps for Donkey Sanctuary and McMillan Cancer. Bottle Tops are also being collected again. Please place the above in the relevant boxes. A big thank you to everyone who puts their used stamps in the box in the Village Hall. Please carry on for these good causes.

### From the vicarage

In June 2022, the late Queen celebrated her Platinum Jubilee. Crowds flocked to the Palace, and Paddington Bear had tea with her. In September, crowds lined the streets again, this time for her funeral. Now we have witnessed her son's Coronation. Three unique Royal events, all in the space of a year. I wasn't in the Abbey myself on the big day, so didn't get a copy of the Order of Service - but I notice that someone who was. is auctioning theirs online. There is a reserve, not yet reached. As I write, the bidding stands at £221.

Perhaps when some of the comments that were being made, even as the celebrations took place are considered, the chance to own such a slice of history, even at that price, becomes even more tempting. While we were at home on the morning of the Coronation, glued to the television and only leaving the sofa to make tea, others were questioning the whole thing. Was it worth the money? Coronations in other countries are far more restrained – so why not ours? Should we even have a monarchy at all? Would this coronation be Britain's last?

But history can play tricks. I recall once visiting a museum in Calais with a group of teenagers. Built as a wartime bunker, it displayed items from the Nazi occupation. An adult helper enthused, but they were bored. "This is for old people," they complained, "it's nothing to do with us!" That would change with 9/11, Afghanistan and Iraq. Remembering The Fallen would stop being something that only old people did.

What will happen when William becomes King we can only guess. But in the meantime, I've still got some copies of our service booklets from the Coronation weekend. Offers, anyone? *Brian*

### PLEASE NOTE ... ST RADIGUND'S CHURCH IS AVAILABLE FOR LETTING PURPOSES

President Jan welcomed 29 members, 4 guests & 4 speakers to the May meeting, explaining that we thought a Royal Toast would be in order. After singing Jerusalem, members remained standing to toast King Charles Third with a small glass of prosecco, which was a very pleasant start to the evening!

Alison Carruthers & Pat Stoker were applauded and thanked for making and decorating the fabulous cake, made for the Village Coronation Party, which had been much admired and enjoyed. Our 4 speakers, Nicola, Emma, Sarah and Lucy from Furley & Page (Lawyers), gave a very informative presentation about Lasting Power of Attorney. Some members had already set up an LPA, but were advised to review it as time passes so quickly (a sign of age, I feel) and changes may be required. The reasons for setting up a LPA were explained, along with the possible problems and delays which may occur without it. Briefly, the different LPAs (Property and Affairs plus Health and Welfare) were discussed. Members were particularly interested to hear about the Mental Capacity Act, the Rules on Care and Paying for Care. Members were keen to ask questions and discuss their own experiences, so that the we had quite a long Q & A session, which ran over time. Caroline thanked all 4 ladies for their knowledge and advise, which had provided much food for thought.

It was then time for refreshments.

The May meeting is known as “The Resolution Meeting“, when members vote on their approval of the resolution which will be debated at the W I Annual Meeting, to be held in Cardiff this year. The Resolution “Clean Rivers for People and Wildlife” was approved.

Diary dates were announced – Darts, Craft, Book share, as usual, Lunch Club 24<sup>th</sup> May at Farthingloe, Home Economics 17<sup>th</sup> would have a demo of planting hanging baskets.

Future events included – Saturday 20<sup>th</sup> May BINGO at St Radigunds Church, eyes down 7pm, ALL WELCOME. Summer Outing to Betteshanger Coalfield Museum on Tuesday 27<sup>th</sup> June, was subsidised for W I Members but everyone needed to buy their own lunch, Pam collected menus. Tuesday 11<sup>th</sup> July would be the Garden Meeting at 2pm, in Carolyn’s beautiful garden.

It had been suggested the “Trading Stall “should be re-instated as a fund raiser. This was agreed a good idea, so will be trialled at the June meeting, when members are asked to bring along, priced not used/wanted items, which, if sold, 10% would be given to the W I.

Next month’s meeting, Tuesday 13<sup>th</sup> June, would be “Belly Dancing” .... We think it involves a demo, but may require participation..... The competition is a dance related item.

Karen then presented a “Royal” quiz, mostly based on King Charles III. Teams indulged in much discussion, especially the question “what are 7 ingredients of Coronation Quiche”? 3 teams finished with a tie of 27 points, so tie-break resulted in smallest team – Dianne, Phoebe and visitor Janet – taking the crown (figuratively speaking, it was actually a chocolate bar each).

The competition “item beginning with L” was won by a gorgeous, cuddly lemur from Jennie, with Pat’s flower incredibly made from Lego second place & Vad’s beautiful locket being third. After the raffle, Jan thanked everyone for attending and wished them a safe journey home. It had been a very enjoyable, sociable evening.

EXTRA DATES FOR YOUR 2023 DIARY  
7th & 21st July and 4th & 18th Aug.

Awaiting our first guests.

Everyone had a beautiful, tasty cake made and decorated by one of Capel Cares volunteers, Pat.

Everyone had their tea or coffee in a Coronation mug which they all took home afterwards along with a Coronation coaster.

Approximately 36 residents attended.

Capel Cares has been going now for over 7 years, and there is a misconception in the village about who we are and what we do! We thought it would be interesting to try and explain what 'Capel Cares' means to those involved. To start this 'journey', one of the volunteers has written the following passage, offering an insight to what the 'good neighbour scheme' means to them, how they benefit from it and why they do it. Over the coming months we will try and get varied viewpoints highlighting the experiences of those involved from all perspectives.

Being a volunteer ... I don't see myself as a volunteer. I am just a friend and a neighbour.

When I retired five years ago, I realised that I didn't know many people in the village. I hardly knew my neighbours.

I was encouraged to join Capel Cares. I had seen the adverts in the Grapevine but generally ignored them.

I didn't think they were for people like me. I thought it was just for "old" people or "do gooders".

I didn't need care myself and I don't have any special care skills to offer to anyone else.

However, I went to one of the coffee mornings and I realised that what we all want is friendship.

We all need someone to talk to and someone to listen. So, I decided to give it a go.

The thing I do most is chat. I like to chat, but I listen as well and if tea is involved, that is an added bonus.

Sometimes I walk a dog. Sometimes I take someone to an appointment in the car.

Occasionally, I have found information for people or helped with a computer. I have looked for lost hearing aids and tied shoelaces and hung out washing. But mostly I enjoy seeing people and just chatting, whether that is at the coffee morning or in their homes. The people I have got to know have become real friends and now, when I visit them, it is no longer as a volunteer but as a friend. I enjoy listening to all the stories people tell me about their lives and about the village. There is such a wealth of information buried behind quiet bungalow doors and I gain as much as I give.

We all have perceptions of what village groups are like and we don't think they are for "people like me."

I certainly did but we are all different and what we bring to a group is our own individuality.

We are all just neighbours helping neighbours.

**COURIER FRAUD ALERT!**

SEE IT - REPORT IT

Do you know about Police Impersonation Scams? Also called Courier Fraud. We have had multiple reports in Kent.

- ⊖ Here's how it works: You get a phone call from someone claiming to be a police officer. They tell you that your bank card has been copied and someone is using it. They ask for your help in investigating the situation. They may send a person to your house to pick up your bank card or ask you to take out money from your account or buy something expensive to give to the fake police officer for examination as part of the investigation. They say you will get your money back.
- ⊖ The person on the phone might know your name and other personal information. But when you give the money or item to the fake police officer, they disappear and you never get your money back. It's important to be careful when someone claiming to be a police officer calls and asks for your help with something related to your bank account.
- ⊕ Neither your bank or the police will ever call you to ask you to verify your personal details or PIN by phone or offer to pick up your card by courier.

Kent resident was contacted by scammer impersonating their cousin.

- ⊖ A scammer approached Kent resident pretending to be her cousin. They said she could claim grants specifically designed for elderly, sick, and disabled individuals in need. The scammer said she had successfully applied for such a grant and received £100,000. The resident was then connected with a representative in the United Kingdom.

The resident was asked to provide personal information about her children, including their dates of birth, type of disability, address, phone number, and their weekly income. The scammer assured her that she was eligible for a total of £100,000 and that the money would be delivered via Fed Ex the following day. However, the scammer requested a payment of £400 to cover administrative costs and as a delivery fee.

- ⚠ This is a scam.

It is crucial to spread awareness about this scam in order to protect friends and family falling victim to such fraudulent schemes.

### **Park Caravan Residents - Difficulties in obtaining Energy Bills Support Scheme (EBSS) Alternative Funding**

During my campaigning, I came across quite a few residents that were experiencing difficulties in obtaining the above support. Subsequently, I contacted the DDC Community Development Team to seek their help and support. I am pleased to report that, after some emails and calls on their part, they have finally got a straight answer from the EBSS office.

>> The right course of action is to apply on the following link:

Apply for energy bill support if you do not get it automatically – [Gov.UK \(www.gov.uk\)](https://www.gov.uk)

Once applications are accepted, they are passed onto the Local Council, which is confirmed as DDC.

(There has been raised concerns from residents that when they have reached DDC they were told it was not their responsibility) DDC Mike Davis (Finance) is confirmed as currently overseeing the checks and one-off payments. They should be made within the given timeline.

>> Residents should be informed about the progress of their application directly via email or letter by the EBSS scheme. They should get a response within 6 weeks.

>> Residents can use the details below to chase any progress:

Email: [alternativefunding@ebss.beis.gov.uk](mailto:alternativefunding@ebss.beis.gov.uk) Telephone: 0808 175 3287 Monday to Friday, 8am to 6pm

If residents still experience any continuing problems, please contact me by email: [cllr-martin.hibbert@dover.gov.uk](mailto:cllr-martin.hibbert@dover.gov.uk), where I will be happy to help.

Many thanks, Martin Hibbert (District and Ward Councillor)

## New Administration and New Faces at Dover District Council

With a third of Dover District Councillors taking their seats in the council chamber for the first time, and the first Labour-led administration since 2003, a new look Dover District Council met for its annual meeting on 17 May 2023.

Labour took control of Dover District Council at the local elections on 4 May 2023 winning 17 of the 32 seats and marking the first Labour-led administration in the district for twenty years.

Ten councillors were elected to Dover District Council for the first time with women now accounting for a quarter of the seats. Women also assume key leadership roles at the Council with half of the seats on the new-look Cabinet.

New Leader of the Council, Cllr Kevin Mills said: "This is a new Council in every respect with new members and more women on both Council and in Cabinet roles. This reflects a clear vote for change in the district. It's a Council that is more representative of local people and we're excited to get to work and to deliver on local priorities."

The new Council elected Cllr Gordon Cowan as Chairman of the Council to officiate at full Council meetings and to represent the district as the civic head of the Council.

New cabinet and shadow cabinet posts were also confirmed at the meeting.

visitors to its meetings

the benefit of their knowledge and experience.

The society holds Spring, Summer and Autumn Shows  
at the Village Hall, see What's On front page for dates.

The group meets on the third Tuesday of each month  
at 7:00pm in St Radigund's Church

### **Roy Gamble ... 31 January 1933 - 7 May 2023**

Having very proudly reached his 90th birthday and following a short illness our much-loved father, Roy Gamble,  
passed away at home on 7 May, holding the hand of his wife of 64 years, Jean.

Roy's funeral took place on Tuesday 30th May at 1:30pm at Hawkinge Crematorium.

Any donations in Roy's memory to go to the Dogs Trust <https://www.dogstrust.org.uk/support-us/in-memory/donate>

We should also like to take this opportunity to let you know that we have taken the extremely difficult decision to  
move Jean to a long-term care home. Following dad's passing it has become even more apparent how much mum  
is struggling with her dementia, and how much she was relying on dad in her day-to-day life. Whilst we were  
staying with her we have realised quite how vulnerable she is, particularly at night. We recognise that she now  
needs professional help in a safe setting where she is able to continue to enjoy an active social life, akin to the one  
that was so precious to her in Capel. In the week before he died dad gave out plenty of instructions, including the  
wish that Jean 'went in somewhere' to be properly looked after. We agree, and are following that wish.

Much love Helen and Neale.
