## **Introduction**

Please allow me to introduce myself as your new dedicated ward Constable. My name is James Chenery. I have been a Constable in Kent Police for over 23 years working in many different capacities including more than twelve years in a variety of specialist roles. I have spent the past four years back in the community as the Town Beat Officer for Dover, which has kept me extraordinarily busy as you can probably imagine.

I'm looking forward to getting out and about in the parish wards I have now been allocated which include Capel, Alkham and Hougham, Denton, Wooton, Lydden and the Dover Downs, River, Temple Ewell, Maxton and Elms Vale. I also retain operational responsibility for Dover town centre so as you can probably imagine, I am going to be stretched.

That said, I will endeavour to serve you all to the very best of my ability and whilst I may struggle to be as visible as our hard-working PCSO colleagues were, I can be reached via email and will do my utmost to respond to any such correspondence in timely fashion.

I would urge any readers to sign up to My Community Voice. This is an excellent two-way communication platform that also has the capacity to link users to our partner agencies thereby broadening substantially our combined reach and the information available to you!

I will try to arrange a surgery in the parish in the coming weeks and will send details of any such appointments out in due course. In the meantime, if you require any assistance or simply want to touch base with me, please feel free to contact me at:

My kind regards in advance

PC 10525 James Chenery
